Robbins, who has coached more than fifty million people from 100 countries, is the world's #1 life and business strategist. In this book, he teams up with Peter Mallouk, the only man in history to be ranked the #1 financial advisor in the US for three consecutive years by Barron's. Together they reveal how to become unshakeable--someone who can not only maintain true peace of mind in a world of immense uncertainty, economic volatility, and unprecedented change, but who can profit from the fear that immobilizes so many. In these pages, through plain English and inspiring stories, you'll discover... -How to put together a simple, actionable plan that can deliver true financial freedom. -Strategies from the world's top investors on how to protect yourself and your family and maximize profit from the inevitable crashes and corrections to come. -How a few simple steps can add a decade or more of additional retirement income by discovering what your 401(k) provider doesn't want you to know. -The core four principles that most of the world's greatest financial minds utilize so that you can maximize upside and minimize downside. -The fastest way to put money back in your pocket: uncover the hidden fees and half truths of Wall Street--how the biggest firms keep you overpaying for underperformance. -Master the mindset of true wealth and experience the fulfillment you deserve today. A Wall Street Journal bestseller From the author of *New Rules of Marketing & PR*, a bold guide to converting customer passion into marketing power. How do some brands attract word-of-mouth buzz and radical devotion around products as everyday as car insurance, b2b software, and underwear? They embody the most powerful marketing force in the world: die-hard fans. In this essential book, leading business growth strategist David Meerman Scott and fandom expert Reiko Scott explore the neuroscience of fandom and interview young entrepreneurs, veteran business owners, startup founders, nonprofits, and companies big and small to pinpoint which practices separate organizations that flourish from those stuck in stagnation. They lay out a road map for converting customers' ardor into buying power, pulling one-of-a-kind examples from a wide range of organizations, including: · MeUndies, the subscription company that's revolutionizing underwear · HeadCount, the nonprofit that registers voters at music concerts · Grain Surfboards, the board-building studio that willingly reveals its trade secrets with customers · Hagerty, the classic-car insurance provider with over 600,000 premier club members · HubSpot, the software company that draws 25,000 attendees to its annual conference For anyone who seeks to harness the force of fandom to revolutionize his or her business, *Fanocracy* shows the way. Hundreds of ideas for reaching and keeping the fastest-growing markets in the 90s, marketing during a recession, what consumers in the 90s care most about, how to use the technological explosion for bigger profits, and management lessons for the 21st century. Nick Ortner, founder of the Tapping World Summit and best-

selling filmmaker of *The Tapping Solution*, is at the forefront of a new healing movement. In his upcoming book, *The Tapping Solution*, he gives readers everything they need to successfully start using the powerful practice of tapping - or Emotional Freedom Techniques (EFT). Tapping is one of the fastest and easiest ways to address both the emotional and physical problems that tend to hamper our lives. Using the energy meridians of the body, practitioners tap on specific points while focusing on particular negative emotions or physical sensations. The tapping helps calm the nervous system to restore the balance of energy in the body, and in turn rewire the brain to respond in healthy ways. This kind of conditioning can help rid practitioners of everything from chronic pain to phobias to addictions. Because of tapping's proven success in healing such a variety of problems, Ortner recommends to try it on any challenging issue. In *The Tapping Solution*, Ortner describes not only the history and science of tapping but also the practical applications. In a friendly voice, he lays out easy-to-use practices, diagrams, and worksheets that will teach readers, step-by-step, how to tap on a variety of issues. With chapters covering everything from the alleviation of pain to the encouragement of weight loss to fostering better relationships, Ortner opens readers' eyes to just how powerful this practice can be. Throughout the book, readers will see real-life stories of healing ranging from easing the pain of fibromyalgia to overcoming a fear of flying. The simple strategies Ortner outlines will help readers release their fears and clear the limiting beliefs that hold them back from creating the life they want. Emotions are the driving force behind all human action and experience. The most sublime acts of creation and the most depraved behaviour are products of human emotion unleashed. And within each one of us is the potential for the whole range of those emotions. In *INNER STRENGTH*, Tony Robbins shows you how to master the powerful emotional forces that drive everything you do. In this new blockbuster Robbins takes you on a journey into your deepest self, and into the next stage of your evolution where instead of ignoring or suppressing your emotions, you embrace all of them, good and bad. Robbins challenges you to strip away your intellect and your daily routines to get at your essence "what's behind your drive to achieve? Is it the desire to find love? To raise your children well? To be financially free? What are you doing it all for? To get more out of life, you have to own your own nature. *INNER STRENGTH* offers you a personal emotional fitness plan. This step-by-step regimen will help you discover which emotions dominate your life, and provide you with an emotional 'prescription' "an antidote to the patterns that have been holding you back. The 12-minute emotional 'workout' will transform your outlook and level of fulfillment in a matter of weeks. Harness the power of your emotions and you will not only be fulfilled, you will also achieve more and greater things than you ever thought yourself capable of. In this essential handbook—a blend of *Rich Dad, Poor Dad* and *The Happiness Project*—the co-host of the wildly popular *InvestED* podcast shares her yearlong journey learning to invest, as taught to her by her father, investor and bestselling

author Phil Town. Growing up, the words finance, savings, and portfolio made Danielle Town's eyes glaze over, and the thought of stocks and financial statements shut down her brain. The daughter of a successful investor and bestselling financial author of Rule #1, Phil Town, she spent most of her adult life avoiding investing—until she realized that her time-consuming career as lawyer was making her feel anything but in control of her life or her money. Determined to regain her freedom, vote for her values with her money, and deal with her fear of the unpredictable stock market, she turned to her father, Phil, to help her take charge of her life and her future through Warren Buffett-style value investing. Over the course of a year, Danielle went from avoiding everything to do with the financial industrial complex to knowing exactly how and when to invest in wonderful companies. In *Invested*, Danielle shows you how to do the same: how to take command of your own life and finances by choosing companies with missions that match your values, using the same gold standard strategies that have catapulted Warren Buffett and Charlie Munger to the top of the Forbes 400. Avoiding complex math and obsolete financial models, she turns her father's investing knowledge into twelve easy-to-understand lessons. In each chapter, Danielle examines the investment strategies she mastered as her increasing know-how deepens the trust between her and her father. Throughout, she streamlines the process of making wise financial decisions and shows you just how easy—and profitable—investing can be. Capturing a warm, charming, and down-to-earth give and take between a headstrong daughter and her mostly patient dad, *Invested* makes the complex world of investing simple, straightforward, and approachable, and will help you formulate your own investment plan—and foster the confidence to put it into action. Internationally known marketing expert Al Ries has the answer: focus. His commonsense approach to business management is founded on the premise that long-lasting success depends on focusing on core products and eschewing the temptation to diversify into unrelated enterprises. Using real-world examples, Ries shows that in industry after industry, it is the companies that resist diversification, and focus instead on owning a category in consumers' minds, that dominate their markets. He offers solid guidance on how to get focused and how to stay focused, laying out a workable blueprint for any company's evolution that will increase market share and shareholder value while ensuring future success. In the bestselling tradition of Brene Brown's Daring Greatly and Nick Vujicic's Life Without Limits comes a rousing 7-step plan for living a life on fire, filled with hope and possibility—from an inspirational speaker who survived a near-fatal fire at the age of nine and now runs a successful business inspiring people all around the world. When John O'Leary was nine years old, he was almost killed in a devastating house fire. With burns on one hundred percent of his body, O'Leary mustered an almost unimaginable amount of inner strength just to survive the ordeal. The insights he gained through this experience and the heroes who stepped into his life to help him through the journey—his family, the medical staff, and total strangers—changed his life. Now he is committed to living life to the fullest and inspiring others to do the same. An incredible and emotionally honest account of triumph over tragedy, On Fire contains O'Leary's reflections on being that little boy, the life-giving choices made then, and the resulting lessons he learned. O'Leary very clearly shares that without the right people providing the right guidance, at the right time, he never would have made it through those five months in the hospital, let alone the years that followed as he struggled to regain mobility, embrace his story, and ignite clarity of his life's purpose. On Fire encourages us to seize the power to choose our path and transform our lives from mundane to extraordinary. Once we stop thinking solely on the big moments in our lives, we can begin to focus on those smaller opportunities that tend to pass us by. These are the events—the inflection points in our lives—that can determine how we feel about life now, where we are headed in the future, and how many lives we can impact along the way. We can't always choose the path we walk, but we can choose how we walk it. Empowering, inspiring, remarkably honest, and heartfelt, O'Leary's strength and incredible spirit shine through on every page. With blazing originality, The Fourth Turning illuminates the past, explains the present, and reimagines the future. Most remarkably, it offers an utterly persuasive prophecy about how America's past will predict its future. Strauss and Howe base this vision on a provocative theory of American history. The authors look back five hundred years and uncover a distinct pattern: Modern history moves in cycles, each one lasting about the length of a long human life, each composed of four eras—or "turnings"—that last about twenty years and that always arrive in the same order. In The Fourth Turning, the authors illustrate these cycles using a brilliant analysis of the post-World War II period. First comes a High, a period of confident expansion as a new order takes root after the old has been swept away. Next comes an Awakening, a time of spiritual exploration and rebellion against the now-established order. Then comes an Unraveling, an increasingly troubled era in which individualism triumphs over crumbling institutions. Last comes a Crisis—the Fourth Turning—when society passes through a great and perilous gate in history. Together, the four turnings comprise history's seasonal rhythm of growth, maturation, entropy, and rebirth. The Fourth Turning offers bold predictions about how all of us can prepare, individually and collectively, for America's next rendezvous with destiny. WHAT GOOD IS INSPIRATION IF IT'S NOT BACKED UP BY ACTION? Based on the finest tools, techniques, principles, and strategies offered in Awaken the Giant Within, best-selling author and peak performance consultant Anthony Robbins offers daily inspirations and small actions -- exercises -- that will compel you to take giant steps forward in the quality of your life. From the simple power of decision-making to the more specific tools that can redefine the quality of your relationships, finances, health, and emotions, Robbins shows you how to get maximum results with a minimum investment of time. In this powerful book of quotations, Byron Katie talks about the most essential issues that face us all—love, sex, and relationships; health, sickness, and death; parents and children; work and money; and self-realization. The profound, lighthearted wisdom embodied within is not theoretical; it is absolutely authentic. Not only will this book help you on many specific issues, but it will point you toward your own wisdom and will encourage you to question your own mind, using the four simple yet incredibly powerful questions of Katie's process of self-inquiry, called The Work. Katie is a living example of the clear, all-embracing love that is our true identity. Because she has thoroughly questioned her own mind, her words shine with the joy of understanding. "People used to ask

me if I was enlightened," she says, "and I would say, 'I don't know anything about that. I'm just someone who knows the difference between what hurts and what doesn't.' I'm someone who wants only what is. To meet as a friend each concept that arose turned out to be my freedom." INSTANT #1 NEW YORK TIMES BESTSELLER Transform your life or the life of someone you love with Life Force—the newest breakthroughs in health technology to help maximize your energy and strength, prevent disease, and extend your health span—from Tony Robbins, author of the #1 New York Times bestseller Money: Master the Game.
