[The Unwritten Rules of the Highly Effective Job Search: The Proven Program Used by the World's Leading Career Services Company : The Proven Program Used by the World's Leading Career Services Company](#) Feb 04 2023 The Proven Program Used by 600,000 Job Hunters! You put hours and hours of hard work into your job search and the companies you've contacted never call. It's a story all too common in the fast-paced, highly competitive world of job hunting. Nothing is more discouraging than sending one resumé after another into the job-hunting void. Eventually, you expect silence from the other end. The Unwritten Rules of the Highly Effective Job Search was written so this never happens to you again. These techniques, developed by author Orville Pierson, have been used successfully for ten years by Lee Hecht Harrison (LHH), the world's premier career services company. Here, Pierson provides you with the job-search techniques that up to now have been limited to the LHH consultants he trains. Orville Pierson has helped thousands of job hunters during his career, taking note of the characteristics that have

led to success as well as failure. In *The Unwritten Rules of the Highly Effective Job Search*, he supplies key information on how professional job search consultants structure the job search project so you can apply the same winning strategies to your own search. You'll also be privy to inside information on how decision makers operate, enabling you to get the inside track on job openings before they are announced. This insider's guide covers every phase of the job search, leading you step by step through the process of creating a clear-cut plan-essential to every job search. Using the Pierson Method, you'll learn how to Develop a Target List (the key ingredient to every job search) Measure your progress Create a "core message" about yourself that decision makers won't forget Present yourself in the best possible light to prospective employers Using these strategies, Orville Pierson and LHH have helped 600,000 people land great new jobs. Employ the Pierson Method in your hunt for employment and you'll soon be doing what you love in the company that's right for you.

A Manager's Guide to Hiring the Best Person for Every Job Aug 06 2020 A Manager's Guide to Hiring the Best Person for Every Job * Using the Master Match Matrix(TM) * How to structure the interview * Effective questioning techniques * Understanding the candidate's personality type Hiring-and retaining-great employees shouldn't be left to chance. In today's competitive job market, hiring top employees is absolutely critical. Mistakes could be costly for the company that wants to stay ahead. Yet most managers-no matter how skilled-continue to give short shrift to interviewing job candidates, as if they're letting fate, not expertise, make their hiring decisions. Now there's a comprehensive how-to guide for hiring accurately-the first time around! A Manager's Guide to Hiring the Best Person for Every Job is a step-by-step, intelligent strategy guide to hiring-and retaining-the best job candidates. Chock-full of the most valuable interviewing tools and techniques ever packed into a single volume, A Manager's Guide walks both new and seasoned managers through the 40-minute interview, pointing out highlights-and pitfalls-along the way. With more than 800 sample open-ended questions and a unique interview dialogue with play-by-play commentary, A Manager's Guide gives you tips that will get you past the traditional pat answers and interviewing superficialities and right to the heart of the interview. You'll learn: * Why "traditional" methods of interviewing are the least accurate predictors of future job performance * How to structure the interview so you're in control * Which abilities are most important to a candidate's long-term success * How to read body language and probe for the real story * How active listening can save your company thousands * How to use the Master Match Matrix(TM) to identify the trade-offs among competing candidates * How to avoid legal problems and pitfalls in the hiring-and firing-process A Manager's Guide to Hiring the Best Person for Every Job gives you a practical interviewing strategy that generates superior results. For minimum time investment with maximum return on payroll dollars, you can't beat this book.

Computer Science Resumes and Job-Finding Guide Jul 17 2021 This brand-new book is must-read material for job-hunting computer software engineers, applications and systems programmers, database developers and administrators, systems analysts, security engineers, network engineers, test engineers, and many other specialists in the IT (information technology) profession. An opening chapter gives an overview of today's IT job market with projections through the year 2010, current top job opportunities, and a discussion of new and evolving IT employment opportunities. A following chapter discusses the job-winning process, with advice on rÃ©sumÃ© writing and distribution, getting interviews, and landing a position. The remaining chapters describe the needed IT skill requirements, advise on developing a job-finding strategy, explain how to assess one's own skills, discuss employment strategies and career planning, and cover virtually every other aspect of IT job hunting. The book concludes with 30 sample rÃ©sumÃ©s for today's leading information technology job opportunities.

Effective Management of Student Employment Mar 13 2021 Building on proven methods of effective supervision, this book offers academic librarians a practical guide for the day-to-day challenges that arise in supervising student employees. The authors describe the roles of employees and supervisors and review general management principles. They then explain how to organize for student employment. Hiring, compensation, orientation and training, and supervision strategies are covered in addition to common problem areas, performance appraisal, employee/employer rights, corrective discipline, and termination procedures. A revision of Baldwin's *Supervising Student Employees in Academic Libraries* (Libraries Unlimited, 1991), this new work has been thoroughly updated. It contains a complete list of job descriptions and detailed information on funding. Answers to frequently asked questions and a glossary of financial aid terms conclude the book.
