Positive Discipline Aug 06 2020 THE KEY TO DISCIPLINE IS NOT PUNISHMENT, BUT MUTUAL RESPECT All parents try to do their best--but the best of intentions don't always produce the best results. Dr. Jane Nelsen, an experienced psychologist, educator, and mother, believes that children misbehave when they feel thwarted in their need to belong and in their need for love and attention. An authoritative approach, using phrases like " Because I said so!" , will only lead to rebellious behavior. Instead, parents need basic principles that bring them and their children closer. They need

Positive Discipline. Dr. Nelsen explains that parents who use kindness and firmness to teach life skills will encourage self-respect, self-discipline, cooperation, good behavior, and problem-solving skills in their children. In Positive Discipline, revised and updated for the '90s, she shows all of us, parents and teachers alike, exactly how her practical program works--answering, step-by-step, such important questions as: *What works better than punishment to teach children positive, good behavior? *What mistakes do most parents make " in the name of love" ? *How can parents turn their mistakes into assets? *How can praise be dangerous? *What are the dangers of trying to be " Super Mom" ? *How can teachers avoid discipline problems in the classroom? " It is positive! It works! It saves your sanity! And it is easy to share with others." --Julie Pope, Parent Sacramento, CA " As a parent and psychotherapist, I have found enormous value and practical wisdom in Positive Discipline. It conveys a win/win atmosphere for parents and children. The techniques are so easy to learn and fun to use...Anyone following these concepts will see almost instant results and big smiles on the faces of their children." --Katherine Dusay, Psychotherapist San Francisco, CA
Toddler Discipline for Every Age and Stage Mar 05 2023 Toddler Discipline for Every Age and Stage offers practical, age-appropriate toddler discipline strategies for managing the everyday challenges of toddlerhood and guiding your child to becoming their best self. Toddlers are constantly changing, and they can easily become overwhelmed by it all. When faced with the meltdowns that toddlers are famous for, it can be difficult to know which toddler discipline techniques will best help your child grow into a stronger, kinder person. Toddler Discipline for Every Age and Stage delivers essential toddler discipline tools for dealing with day-to-day difficulties, and supporting your toddler as they learn the important lessons that will set them up

for success. Written by child development expert Aubrey Hargis, *Toddler Discipline for Every Age and Stage* will help you understand your toddler's behavioral challenges while fostering important life skills such as curiosity, respect, independence, and confidence. Drawing on Aubrey's years of coaching parents through the rocky terrain of toddler discipline, as well as her own experience as a mother of two, *Toddler Discipline for Every Age and Stage* delivers proven toddler discipline techniques that will help you grow closer as parent and child during each stage of your toddler's first formative years. Inside the pages of *Toddler Discipline for Every Age and Stage* you'll find: An overview of your child's development--including physical, cognitive, and social-emotional--and how this affects their behavior. Age-appropriate toddler discipline strategies that will help you manage common behavioral issues by building upon each stage of progress. Helpful toddler discipline sidebars and tips for dealing with tricky situations, guidance on how best to communicate with your child, and advice from parents who've been there. While child development is not a linear process, *Toddler Discipline for Every Age and Stage* provides you with a practical, effective toddler discipline toolkit for navigating the ups and downs of your little one's toddlerhood and thereafter.

Positive Discipline for Teenagers, Revised 3rd Edition Aug 30 2022 A Positive Approach To Raising Happy, Healthy and Mature Teenagers Adolescence can be a time of great stress and turmoil—not only for kids going through it, but for their parents as well. It's normal for teens to explore a new sense of freedom and to redefine the ways in which they relate to their parents, and that process can sometimes leave parents feeling powerless, alienated, or excluded from their children's lives. These effects can be magnified even further in this modern age of social networks, cell phones, and constant digital distraction. This newly revised and updated edition of *Positive Discipline for Teenagers* shows parents how to build stronger bridges of communication with their children, break the destructive cycles of guilt and blame that occur in parent-teen power struggles, and work toward greater mutual respect with their adolescents. At the core of the

Positive Discipline approach is the understanding that teens still need their parents, just in different ways—and by better understanding who their teens really are, parents can learn to encourage both their teens and themselves, and instill good judgment without being judgmental. The methods in this book work to build vital social and life skills through encouragement and empowerment—not punishment. Truly effective parenting is about connection before correction. Over the years, millions of parents have come to trust Jane Nelsen's classic *Positive Discipline* series for its consistent, commonsense approach to raising happy, responsible kids. This new edition is filled with proven, effective methods for coping with such parenting challenges as: -Fostering truly honest discussions with your teen -Helping your teen handle the online world -Turning mistakes into opportunities -Keeping your sanity while raising your teen—and making sure your own teenage issues aren't weighing you down - Teaching your teen how to pursue the goal that make them happy...and a few that make you happy too (like chores) -Making sure you're on your teen's side, and that they know that - Avoiding the pitfalls of excessive control and excessive permissiveness

Using Effective Discipline for Better Class Control Jul 29 2022

1-2-3 Magic Mar 25 2022

Disciplining Toddlers Jul 05 2020 Discipline is helping your child learn how to behave - as well as how not to behave. It works best when you have a warm and loving relationship with your child. Discipline doesn't mean punishment. In fact, discipline and discipline strategies are positive. They're built on talking and listening, and they guide children towards: knowing what behaviour is appropriate, whether it's at home, a friend's house, child care, preschool or school, managing their own behaviour and developing important skills like the ability to get along well with others, learning to understand, manage and express their feelings. So, choosing an approach to discipline is about finding the right balance. Not enough discipline can leave children feeling insecure and parents feeling out of control. Too much negative discipline, and not enough praise and rewards, might get children behaving well, but out of fear. This can lead to problems with children's self-esteem and anxiety later in life. You really do not want these for your Child. Get this book "Disciplining Toddlers" on to understand and have an up to date knowledge on the best disciplinary approach for your ward. In this book, you will learn: Toddler Growth and Development Toddler Development Milestones

by Age Various Discipline and Guiding Behaviour Healthy and Effective Discipline tips Dos and Dont's when your kids won't listen Losing your cool with your toddler And Many More! Learn the right way to bring up your Child. Get this book by clicking on the BUY NOW button!

1-2-3 Magic in the Classroom Jun 27 2022 Based on the bestselling parenting book 1-2-3 Magic "If you only have time to read one book about managing student behavior, make it this one." "This book is a great resource for new teachers and veteran teachers." The fastest way to get back to what you love-teaching! Being a teacher can be one of the most rewarding professions, but also one of the most frustrating. Many teachers feel very prepared to instruct students in their chosen subjects, but don't have quite as much training in managing classroom discipline-yet experienced educators know that if challenging behavior goes unchecked, the entire year can be disrupted. 1-2-3 Magic in the Classroom shows teachers how to establish and maintain good discipline habits in their classrooms through an easy-to-understand program that you'll swear "works like magic." 1-2-3 Magic in the Classroom will help you understand: - How to encourage courteous classroom behavior and constructive work habits - How your personality affects your teaching style - How to effectively manage transition times with your class - Successful methods for handling assemblies, recess, lunchtime, and field trips - How to communicate productively with parents 1-2-3 Magic in the Classroom takes the guesswork out of classroom discipline and will help you get back to teaching and your students get back to learning-today!

Effective Discipline Policies Jan 23 2022 Resource added for the Early Childhood Education program 103071.

Positive Discipline Tools for Teachers Mar 13 2021 MORE THAN 2 MILLION POSITIVE DISCIPLINE BOOKS SOLD The Positive Discipline method has proved to be an invaluable resource for teachers who want to foster creative problem-solving within their students, giving them the behavioral skills they need to understand and process what they learn. In Positive Discipline Tools for Teachers, you will learn how to successfully incorporate respectful, solution-oriented approaches to ensure a

cooperative and productive classroom. Using tools like "Connection Before Correction," "Four Problem-Solving Steps," and "Focusing on Solutions," teachers will be able to focus on student-centered learning, rather than wasting time trying to control their students' behavior. Each tool is specifically tailored for the modern classroom, with examples and positive solutions to each and every roadblock that stands in the way of cooperative learning. Complete with the most up-to-date research on classroom management and the effectiveness of the Positive Discipline method, this comprehensive guide also includes helpful teacher stories and testimonials from around the world. You will learn how to: - Model kind and firm leadership in the classroom - Keep your students involved and intrinsically motivated - Improve students' self-regulation -And more!

Methods of Effective Discipline for Preschool and Elementary School Age Children Dec 10 2020

Positive Discipline Parenting Tools Dec 22 2021

Do you wish there was a way to raise well-behaved children without punishment? Are you afraid the only alternative is being overly indulgent? With Positive Discipline, an encouragement model based on both kindness and firmness, you don't have to choose between these two extremes. Using these 49 Positive Discipline tools, honed and perfected after years of real-world research and feedback, you'll be able to work with your children instead of against them. The goal isn't perfection but providing you with the techniques you need to help your children develop the life and social skills you hope for them, such as respect for self and others, problem-solving ability, and self-regulation. The tenets of Positive Discipline consistently foster mutual respect so that any child—from a three-year-old toddler to a rebellious teenager—can learn creative cooperation and self-discipline without losing his or her dignity. In this new parenting guidebook, you'll find day-to-day exercises for parents to improve their parenting skills, along with success stories from parents worldwide who have benefited from the Positive Discipline philosophy. With training tools and personal examples from the authors, you will learn: • The

"hidden belief" behind a child's misbehavior, and how to respond accordingly • The best way to focus on solutions instead of dwelling on the negative • How to encourage your child without pampering or praising • How to teach your child to make mistakes and follow through on agreements • How to foster creative thinking

Redirecting Children's Behavior Mar 01 2020

"The best, most useful book on parenting I've ever read." --Jack Canfield, author of *Chicken Soup for the Soul* Parents are looking for alternatives to rewarding, nagging, threatening, and taking away privileges. *Redirecting Children's Behavior* is their comprehensive guide to creating a family life that is close, cooperative, and respectful. Guiding parents of children from 18 months to 18 years, author and expert Kathryn Kvoles provides: How to establish and maintain a growth mindset. Tips to help you and your child manage your emotions effectively. Steps to set clear limits and follow through. How to move beyond using consequences to implement change. New ways to enhance the parent/child connection through even the most difficult altercations. And much more! Based on more than thirty years of experience teaching parenting courses, *Redirecting Children's Behavior* is filled with real-life examples from thousands of parents and professionals using these principles. The tools are easy, practical, and can be implemented immediately to create the family life you want and deserve.

Positive Discipline Oct 08 2020 For twenty-five years, Positive Discipline has been the gold standard reference for grown-ups working with children. Now Jane Nelsen, distinguished psychologist, educator, and mother of seven, has written a revised and expanded edition. The key to positive discipline is not punishment, she tells us, but mutual respect. Nelsen coaches parents and teachers to be both firm and kind, so that any child—from a three-year-old toddler to a rebellious teenager—can learn creative cooperation and self-discipline with no loss of dignity. Inside you'll discover how to • bridge communication gaps • defuse power struggles • avoid the dangers of praise • enforce your message of love • build on strengths, not weaknesses • hold children accountable with

their self-respect intact • teach children not what to think but how to think • win cooperation at home and at school • meet the special challenge of teen misbehavior "It is not easy to improve a classic book, but Jane Nelson has done so in this revised edition. Packed with updated examples that are clear and specific, Positive Discipline shows parents exactly how to focus on solutions while being kind and firm. If you want to enrich your relationship with your children, this is the book for you." -Sal Severe, author of How to Behave So Your Children Will, Too! Millions of children have already benefited from the counsel in this wise and warmhearted book, which features dozens of true stories of positive discipline in action. Give your child the tools he or she needs for a well-adjusted life with this proven treasure trove of practical advice.

Positive Discipline for Preschoolers May 15 2021

An updated child-care manual designed for parents of preschool-age children tells how to prevent misbehavior through non-punitive discipline and how to reinforce useful social skills and positive behavior, while dealing with the challenges of young children as they learn and grow. Original. 15,000 first printing.

Positive Discipline for Childcare Providers Apr

06 2023 Empowering Methods for Effective Childcare As a professional childcare provider, you want to create an environment that is inviting and nurturing for children as well as encouraging for your adult staff. You want to find ways to form a partnership with parents in their children's development. Simply put, you want to provide an all-around quality childcare experience at every level. This book is also great for parents who want to take an active role in assuring the best childcare for their children. Positive Discipline for Childcare Providers offers a thorough, practical program that is easily adaptable to any childcare or preschool situation and setting. Inside are workable solutions to many of today's toughest childcare issues and everything you need to develop an enriching experience for children, parents, and workers alike. You'll learn how to: ·Create a setting where children can laugh, learn, and grow ·Support healthy physical, emotional, and cognitive development in all children, including those with special needs ·Encourage parents to establish a partnership with you and provide the

same kind, firm limits and respectful environment at home ·Uncover support and learning opportunities for yourself and fellow childcare providers ·And much more! "In a magical way, Positive Discipline for Childcare Providers demonstrates techniques that decrease misbehavior by increasing the child's sense of capability, courage, and community feeling." —Rob Guttenberg, a state-certified childcare trainer, director of parenting education at YMCA Youth Services Maryland, and author of The Parent As Cheerleader "Wow! This book is an incredible resource full of effective and practical ideas—from creating an environment where everyone feels welcome to a model of discipline that respects and empowers adults and children." —Mary Jamin Maguire, M.A., L.P., LICSW, trainer, Minnesota School-Age Childcare Training Network

Positive Discipline in the Classroom Dec 30

2019 The Acclaimed Bestseller That Can Improve Your Classroom Experience Forever! Over the years millions of parents and teachers have used the amazingly effective strategies of Positive Discipline to restore order and civility to their classrooms and homes. And in today's classroom, where teachers must compete with digital distractions for their students' attention while trying to satisfy increasingly demanding academic standards, it is more important than ever that educators be able to combat apathy, instill vital problem-solving skills, and create a climate that maximizes learning. Now you too can use the time tested Positive Discipline strategies as a foundation for fostering cooperation, problem-solving skills, and mutual respect in children. This new edition of Positive Discipline in the Classroom is updated with essential tools for the modern teacher. Imagine, instead of controlling behavior, you can be teaching; instead of confronting apathy, you will enjoy motivated, eager students! Inside, you'll learn how to: ·Create a classroom climate that enhances academic learning ·Use encouragement rather than praise and rewards

·Instill valuable social skills and positive behavior through the use of class meetings - Learn why involving students in solving problems is much more effective than punishment ·Understand the motivation behind students' behavior instead of looking for causes ·And much more! "A must for every educator. The jargon-free concepts and strategies are easy to follow and have changed my life as a principal, as well as the lives of my teachers and students." - Bill Scott, Principal of Birney Elementary, Marietta, Georgia "This book should be standard operating procedure. I highly recommend it to anyone who seeks to teach young people!" - Robert W. Reasoner, president of the International Council for Self-Esteem "Transforms the way teachers view themselves and their students. The activities in this book show how learning shifts from head to heart, where positive change can really take route." - Dina Emser, M.A., former elementary school principal and education consultant

1-2-3 Magic Jan 03 2023 The simplest, most effective program for raising disciplined, happy children This revised edition of the award-winning 1-2-3 Magic program addresses the difficult task of child discipline with humor, keen insight, and proven experience. The technique offers a foolproof method of disciplining children ages two through 12 without arguing, yelling, or spanking. By means of three easy-to-follow steps, parents learn to manage troublesome behavior, encourage good behavior, and strengthen the parent-child relationship—avoiding the "Talk-Persuade-Argue-Yell-Hit" syndrome that frustrates so many parents. Ten strategies for building a child's self-esteem and the six types of testing and manipulation a parent can expect from the child are discussed, as well as tips on how to prevent homework arguments, make mealtimes more enjoyable, conduct effective family meetings, and encourage children to start doing their household chores. New advice about kids and technology and new illustrations bring this essential parenting companion completely up to date.

1-2-3 Magic Sep 18 2021 "Everywhere you go, you keep overhearing other moms say to their misbehaving children, 'That's one. That's two. That's three.' And then you watch in disbelief as

their kid actually stops!"—PopSugar Moms The most effective parenting guide for tantrums. Do you want to strengthen your parent-child bond? What about learning how to build self-esteem early on in your toddler, preschooler, or middle schooler? Are you ready to have a calm, happy family and home? This therapist-recommended, evidence-based book is the #1 resource for effective and enjoyable parenting using gentle techniques that work. Since kids don't come with a manual, 1-2-3 Magic is the next best thing. Using his signature counting method, Dr. Thomas Phelan helps parents to quickly, calmly, and effectively stop obnoxious behaviors like tantrums and meltdowns, whining and pouting, talking back, sibling rivalry, and more by teaching your child how to regulate their emotions in a way that's safe for them and drama-free for you. You'll also learn how to: Build a solid foundation for being a confident parent Manage testing and manipulation to avoid derailing your efforts Encourage good behavior Strengthen your relationship with your child Establish positive bedtime, dinnertime, homework, and wake-up routines Millions of parents from all over the world have used this bestselling child discipline book to raise happier families and put the fun back into parenting—and you can too! 1-2-3 Magic is one of Healthline's Best Parenting Books of 2017, a 2016 Mom's Choice Award Winner, a 2016 National Parenting Product Award Winner and a 2016 Family Choice Award Winner.

The Well-Behaved Child May 03 2020 A well-behaved child? Yes, it's possible! Do you battle with your kids over bedtime? Have fights over food? Are tantrums and conflicts ruling your day? If time-outs have quit working and you find yourself at wit's end, giving in to your kids' demands just to have a moment of peace, know there is hope! In *The Well-Behaved Child*, beloved psychologist John Rosemond shares his seven essential tools for raising a child who pays attention and obeys. Once you learn how to use his proven, user-friendly techniques, you'll have everything you need to deal effectively with a wide range of discipline problems in children ages three to thirteen, what John terms "The Decade of Discipline." This clear, step-by-step program includes: Seven Fundamentals of Effective Discipline Seven Discipline Tools You

Can't Do Without Seven Top Behavior Problems of All Time—Solved! Seven Tales of the Strange and Unexpected You can raise well-behaved children! In this readable, entertaining "workshop in a book," John shows parents how to use the C-words of commanding communication, compelling consequences, and confirming consistency to create a well-behaved child and a family in which peace replaces hassles. It's not complicated at all, and the best part is, it REALLY works!

A Common Sense Approach To Discipline

Apr 13 2021 Are you a parent, teacher or counselor? Do you have a concern about discipline? Are you looking for a condensed guide for effective discipline? If so, then this book is for you. The author has personally seen many parents, teachers, counselors, managers and leaders struggle with disciplinary issues. He feels he has a lot to offer anyone interested in developing an effective discipline plan. There is no doubt that parents and educators play a significant role in honing a child's skills to become a well-rounded and productive member of society. A Common Sense Approach to Discipline lays a foundation for and provides practical principles for developing an effective plan for discipline. The author cites specific instances with realistic scenarios to illustrate his principles. He provides numerous insights and thoughts from his own personal experiences and observations. This book not only addresses discipline but also includes some very good tips on preparing children for the future and about life in general. A must read for anyone dealing with and/or working with children. The author also makes a special challenge to all educators. Educators are encouraged to read and accept the author's personal challenge for them.

Positive Discipline for Children with Special Needs Oct 20 2021 Over 2 Million Positive Discipline Books Sold! A Positive Approach To Helping Children With Special Needs Realize Their Potential Every child deserves to lead a happy and fulfilling life. For parents and teachers of children with special needs, helping their child to not only negotiate daily challenges, but to live fulfilling, meaningful lives, can be the most difficult challenge they will face. Over the years, millions of parents and teachers have come to trust Jane Nelsen's classic Positive

Discipline series for its consistent, commonsense approach to childrearing. Now, the bestselling series addresses the specific challenges that parents and teachers of children with special needs face, and offers them straightforward advice for supporting them in positive ways. In these pages are practical solutions to challenges such as: Learning to look beyond diagnostic labels ● Believing in each child's potential regardless of his/her stage of development ● Helping children integrate socially and interact with their peers ● Coping with the frustration that inevitably occurs when a child is being difficult ● Strengthening a child's sense of belonging and significance ● And Many More! Use this book to answer such questions as: • How do you accommodate a disability, while still teaching a child to try their best? • How do you help a child cope with anger they may have trouble expressing, especially when that anger may on some level be justified? • How do you teach a child who may struggle with seemingly straight forward tasks to contribute to the world around them in a way that will be meaningful to them? "If you are raising or teaching a child with special needs, this book is a must-read. As the mother of a child with autism, my hopes and dreams for my son were no different than those of other parents. I wanted a parenting approach that helped my child grow up to be self confident, happy, and prepared for success in relationships, work, and life. I also needed practical, effective methods for addressing the significant, challenging behaviors I faced on a daily basis. Finally, in this amazing book, I found both....Thank you, thank you, thank you to the authors of this groundbreaking book." - Rachel Fink Parks, MS, PCC

How to Discipline a Toddler Jan 11 2021 My 3-Year-Old Has Not Had a Temper Tantrum in 4 Months. Here's the One Thing I Did: The famous supermarket meltdown - is there any parent who doesn't dread walking through a candy and chocolate-filled store alongside a hyperactive toddler with a massive sweet tooth? Babies are cute and (typically) calm. Older children can communicate well. Toddlers fall in the "in-between" category, which means they want independence but they still don't know how to act. There's a reason why the age is called the terrible twos, and most parents will confirm that this is one of the most challenging moments in a parent-child relationship. A couple of things contribute to toddlers being so notoriously difficult to deal with, and we often forget the biggest one: The world is a completely different place through the eyes of a child. Filled with excitement and stimuli, it can easily get overwhelming. And once a toddler becomes overwhelmed, all hell breaks loose. Behold the mighty whining, screaming, biting, and full-on

meltdowns. Even if you have the patience of a saint, you will lose it after the fifth breakdown of the day. So, what do parents of peaceful and happily beaming toddlers do differently? There's one profound and critical change they introduce into their everyday routine. You don't need to be a child psychologist to understand how this change works and what it does to strengthen communication, encourage good behavior, and eliminate stubborn displays forever. In *How to Discipline a Toddler*, you will discover: The #1 way to talk to young kids so that they will listen (and more importantly, understand!) Methods for no-drama discipline that get results What spanking does to your child and why physical punishment should never be employed How to navigate a child through an almighty tantrum and put an end to it in 5 minutes or less Best strategies for handling fussy eating, aggression, potty training issues, and the dreaded bath-time The one discipline mistake most parents are guilty of and what to do instead 5 ways in which calling your kid "bad" is doing more damage than good Age-appropriate discipline methods that work from ages 1 to 3+, whether you're dealing with a child who isn't listening, or a biter Zen strategies for staying composed when a toddler is pushing your buttons Ways to create bonding activities that are fun and improve communication skills How to become the hero that your child would want to emulate in every aspect of life And much more. Most types of bad behavior can be curbed as early as at the age of a few months old. The sooner you get started with positive discipline, the better behaved your child will be as they grow. Whether you're new to parenting or you've had years of experience yet still struggle, you don't need to employ complex educational and disciplinarian approaches to get a good outcome. Things as simple as effective communication and positive reinforcement can give you the outcome you've been yearning from day one. Discipline is not something you should dread due to lack of experience. Most parents are not aware of how to handle unusual situations and kids don't come with an instruction manual (or a warranty). You will make mistakes, but these are an important part of the learning journey both you and your little one are on. Toddler discipline can be easy and empowering for everyone involved in the

process. If you want to know exactly what will work at every age and stage, scroll up and click the "Add to Cart" button now.

[My Disciple, My Child](#) Sep 30 2022 A practical, Torah-based guide to successful discipline in the classroom, communicating effectively, and establishing rapport with students.

Effective Toddler Discipline For Every Age And Stage Apr 01 2020 Trying to figure out the best way to discipline your toddler who is always screaming, kicking, shouting and throwing all those temper tantrums is no easy feat. Toddlers change every day, and most parents have a hard time knowing the best discipline techniques that can help their children grow into kinder and intelligent teenagers. Well, here's a book written to show you the most effective, age-appropriate toddlers discipline techniques for teaching your child proper behavior and responsibility for a successful future even if you are a first-time parent. Packed with practical and insightful toddler care tips, this book will help you understand your child's behavioral difficulties and provide you with a roadmap to raising a healthy and happy toddler. It will help you grow closer to your child using tried and tested discipline techniques. Within the pages of this book, you'll discover how to discipline a child without yelling and the 20 commandments of toddler discipline every parent needs to know. This self-help guide will also show you how to develop independence in your toddlers and raise champion kids who can grow to become respected adults. Toddlers Need Boundaries Nov 08 2020 The toddler years are special in many ways and parents experience them as not only most rewarding but also most challenging. With detailed attention to this important stage known for its temper tantrums and seemingly unreasonable demands, this book is a specific and very practical tool kit for the parents of younger children. It deals with the adjustment to parenthood, the beginning of discipline during the baby stage and the transition from babyhood to toddlerhood, as how a child emerges into toddlerhood depends to such a large degree upon how parents handle this transition. Much

of what is viewed as naughty, rebellious and defiant in toddler behaviour, is actually normal for a child at this stage of development. The toddler stage is the most crucial for the establishment of positive parent-child communication and long-term emotionally healthy relationships. In addition to a thorough look at a healthy self-esteem and emotional intelligence, the book therefore deals at length with the Four Big Issues of toddlerhood, namely tantrums, sleeping, eating and toilet training, with loads of practical advice and suggestions. An indispensable guide for parents and caregivers of toddlers.

Promoting Effective Discipline in School

and Classroom Feb 09 2021 This practical self-help guide approaches the topic of student discipline from the practitioner's perspective. Chapter 1 prescribes a teamwork approach to schoolwide and classroom discipline, involving a schoolwide commitment to mutual respect among students and staff and positive classroom management by teachers. Chapter 2 offers, as practical advice, 40 brief "simple truths about school discipline." Chapter 3 presents a three-part systems approach to designing a comprehensive discipline program, and outlines 23 essential discipline program components. Chapter 4, "Establishing a Positive Approach," identifies guiding principles and specific steps toward promoting a more disciplined learning environment in schools. Chapter 5 outlines responsibilities of teachers and administrators in designing a preventive discipline program, and provides two illustrative case studies. Chapter 6 presents a schoolwide model for establishing a preventive approach, while Chapter 7 is an extensive discussion of discipline intervention by administrators and counselors. Chapter 8 provides a case study of the steps taken by a Chicago area high school in launching a schoolwide climate improvement project focusing on effective discipline. Nine appendixes provide sample documentation and administrative instruments for various aspects of a school discipline program.(TE)

Establishing Effective Discipline for Your

Children Jun 03 2020 Do you sound just like your Father? God corrects his children because he loves them. As parents, our motive should be the same. Discipline is meant to build character in our children and strengthen our relationship with them. If you long to lovingly and wisely shape character in your kids, get some friends together for 6 weeks of vital conversations. You'll discuss: 1. Why our kids need discipline 2. Where to start, how to work together and how to gauge what's appropriate 3. The connection between rules and relationships Your kids' character--and your relationship--can flourish when you guide their hearts. Get help with Establishing Effective Discipline for Your Children.

Gentle Discipline Jul 17 2021 As seen in the New York Times -- a practical guide that presents an alternative to shouting, shaming, and blaming--to give kids the skills they need to grow and thrive Discipline is an essential part of raising happy and successful kids, but as more and more parents are discovering, conventional approaches often don't work, and can even lead to more frustration, resentment, power struggles, and shame. Enter Sarah Ockwell-Smith, a popular parenting expert who believes there's a better way. Citing the latest research in child development, psychology and neuroscience, Gentle Discipline debunks common myths about punishments, rewards, the "naughty chair," and more, and presents practical, connection-based techniques that really work--and that bring parents and kids closer together instead of driving them apart. Topics include: Setting--and enforcing--boundaries and limits with compassion and respect Focusing on connection and positivity instead of negative consequences Working with teachers and other caregivers Breaking the cycle of shaming and blaming Filled with ideas to try today, Gentle Discipline helps parents of toddlers as well as school-age kids embrace a new, more enlightened way to help kids listen, learn and grow.
