A young woman hides out in a convent in this prequel to the dark erotic romance series by a USA Today–bestselling author. For years, Kingsley Edge warned Eleanor the day would come when she, the mistress of a well-respected Catholic priest, would have to run. She always imagined if

that day came, she'd be running with Søren. Instead, she's running from him. Fearing Søren and Kingsley will use their power and influence to bring her back, Eleanor takes refuge at the one place the men in her life cannot follow. Behind the cloistered gates of the convent where her mother has taken orders, Eleanor hides from the man she loves and hates in equal measure. With Eleanor gone, the lights have gone out in Kingsley's kingdom. When he learns the reason she left, he, too, turns his back on Søren and runs. On a beach in Haiti, Kingsley meets Juliette, the one woman who could save him from his sorrows. But only if he can save her first. Eleanor can hide from Søren but she can't hide from her true nature. A virginal novice at the abbey sends Eleanor down a path of sexual awakening, but to follow this path means leaving her lover behind, a sacrifice Eleanor refuses to make. The lure of the forbidden, the temptation to sin and the price of passion have never been higher, and Eleanor and Kingsley will have to pay it if they ever want to go home again. Praise for the Original Sinners series "I loved the Original Sinners series . . . Her prose is quite beautiful, and she can weave a wonderful tight story." —New York Times– and USA Today–bestseller Jennifer Probst "Tiffany Reisz's The Original Sinners series is painful, prideful, brilliant, beautiful, hopeful, and heart-breaking. And that's just the first hundred pages." —New York Times–bestselling author Courtney Milan "Required reading . . . Stunning . . . Transcends genres and will leave readers absolutely breathless." —RT Book Reviews "I worship at the altar of Tiffany Reisz! Whip smart, sexy as hell—The Original Sinners series knocked me to my knees." —New York Times–bestselling author Lorelei James Curvy, cute and sometimes confident Jenna needed some time to think before her wedding, so she sought the calm serenity of the woods she visited as a girl. At first, everything is normal, but soon the shadows around her come alive. As her mind swims with horror stories she heard as a child, a howl breaks the night, and she runs deeper and deeper into the forest. Soon she's surrounded by wolves, but to her surprise, right alongside her terrible fear lays an even deeper, burning, forbidden lust. The pack's alpha claims Jenna, but before he accepts her as his mate, she must pass a test – a raw, primal encounter with his subordinates that's sure to leave her sore and strained... and gasping for more! Warning – this 8000 word erotic romance features a wild, ravenous werewolf ménage, a virgin's first taste, primal desires, and a mate who cannot wait to be claimed. Excerpt: A groan escaped the alpha's mouth and he crept forward, lowered his head, and slid his tongue along my neck. "Enough," he growled. "My desire for you burns. Soon, you will take my... my seed. But first, my sons must induct you into the..." he turned his head, coughing wildly before he turned back. "To the pack. You will become one of us, your soul must be a wolf before you can hold my," he stopped just short of telling me exactly what he was going to do, but I had some kind of idea. "A test?" I asked as my fingers dropped away from him when he moved. My question made the alpha laugh a horrible, strained laugh. "If you can't handle them," he said, cocking his head. "Then why do you think you could handle me?" I sucked a breath deep into my lungs, inhaling his scent one last time before he was gone. "Now," he growled. "Prepare my mate. And don't try anything. Do you understand, Althar?" I turned my head to see which one he was talking to, but to my surprise, something absolutely unbelievable – even after all that – took place. The copper-colored wolf lay on his side, panting. He acknowledged what his father said, but then he wrenched from around, thrashing so hard I thought he'd break his back. Moments later, he stood on his hind legs as they filled with muscle and the fur seemed to recede into his skin. His body twisted, contorted, and before my eyes, he turned into something very similar to a man – a human man – but he was just slightly different. And way, way, bigger. Every part of him was huge. The muscles of his legs, his hard biceps, and his powerful chest were all more impressive and intimidating than any person I'd ever seen. And then, I looked down. Fresh from scandal in India, headstrong Genia Vernon is being shipped off to England, where she faces a gray future as companion to her aged aunt. When she meets arrogant rake Blade Maxwell on board, she has her one and only chance for a hot, passionate fling... Blade wants to sow his wild oats one last time before duty forces him to marry. And being in such close proximity to fiery Genia has him more than tempted to break his golden rule—to never seduce a virgin! He's the ruler of a Tiger Pride spending the holidays in his solitary cabin in the woods. She's a nail technician on her way to a client's house before

her Christmas vacation. When her car spins out of control on the icy road, and crashes into a tree, she is stranded with no help in sight until he happens upon her. Saving the strange woman from certain death will put a damper in his plans to spend the holidays alone, but his Tiger is convinced she is more to him than meets the eye. Can he convince the dark haired beauty to be his Christmas bride? Find out in this classic holiday romance with a furry twist!
