Amoremiobello Oct 19 2021 When her two traveling companions cancel their plans to visit India, Sofia Nejkinskaya, a Russian American designer in her forties, still makes the trip from her home in Miami. When Sofia meets the handsome Italian Alessandro Salvucci-an opportunistic Italian journalist and successful businessman with a time-tested set of tools for seduction-at the resort's yoga class, he seems in tune with her "perfect match" list for the ideal man. Despite their differing geographical locations, they begin a committed relationship, exchanging numerous e-mails and text messages and visiting one another regularly. But Alessandro's roving Italian eyes, thoughtlessness, and insecurities threaten their love. The relationship is also rocked by their spiritual differences: she is Christian, and he belongs to the Cult of White Brotherhood. Nevertheless, surprised by all the mystical coincidences that show they have much in common, Sofia believes in their love and life together, hoping to overcome Alessandro's spiritual delusions and fallacies about relationships with women. But their marriage is not yet the "happily ever after" ending she imagined. www.amoremiobello.com. "Betta Stone demonstrates in her book Amoremiobello that when it comes to love-and fiction-actions speak louder than beautiful Italian words. Amoremiobello, a password to the e-mail, means "my amazing love," and Stone stays true to Alessandro's character, incorporating Italian into the story and including Italian-to-English translations as footnotes." -Blueink Review "The novel is a suggestion of the karmic wheel on which vital questions of trust and fidelity revolve." -Kirkus Review

Forte come l'onda è il mio amore Sep 29 2022 Buttato sulla sabbia, accecato dal fulgore di un paradiso perduto, le palpebre incollate dal sale. Riapro gli occhi. La mia mente è vuota: nessun ricordo, nessuna parola. Una tabula rasa. Non posso formulare un pensiero. Non so più distinguere i miei sentimenti, dare ordine alle mie percezioni. Qualcosa che non conosco ha annientato la mia vita. È un sogno a salvarmi: il viso luminoso di una donna. Impossibile per me riconoscerla, o ricordare il suo nome. Ma quel sorriso mi riscuote dall'oblio, diventa l'unica ragione per sopravvivere e fuggire. A guidarmi è un libro, trascinato sulla spiaggia dalla mareggiata di un tifone. Tra le sue pagine distrutte si è salvata solo una misteriosa poesia. E sembra parlare di me. Attraverserò il mondo per sapere chi sei. Vestirò nuove identità per ritrovarti. Cavalcherò un'onda paurosa per scoprire cosa nasconde il suo cono d'ombra: il nostro ultimo segreto, cancellato dall'amnesia. E alla fine sapremo solo una cosa, la più grande. Forte come quest'onda che nessuno può cavalcare fino in fondo.

Italian Literature: Il tristano panciaticchiano Jul 28 2022 The Arthurian Archives series of texts and editions in translation, edited by Norris J. Lacy, makes a start on Italian Arthurian material, with a 14c Tristan text. This is the first critical edition with English translation of the prose compilation Tristano panciaticchiano, preserved in a unique manuscript in the Biblioteca Nazionale di Firenze (MS Panc. 33); it is the first time the Italian text has been published in its entirety in any form. Assembled by the mid-fourteenth century, the manuscript is an original compilation in Italian based on several French models: the Queste del San Graal, Josephd'Arimathie, the Mort Artu, and notably, the Roman de Tristan en prose. While the edition itself will be of great interest, the translation into English is a major opportunity for Arthurians and other medievalists, and furnishes important new evidence for the study of Arthurian material in Italy. Apparatus includes a finding list of Arthurian manuscripts produced, owned or read by Italians; a select bibliography; and an index of proper names found in the narrative.

Figli della Bruma Dec 21 2021 Children of the Mists is a story of enduring love. Set in the 1800s, life on Sardinia had barely changed

since the time of the Caesars. Two families, the Sannas and the Canus, are united by friendship and honour; love and laughter; joy and promises; omens and superstitions; youth and experience transcend generations. However, for Raffaella and Antonio, their passionate love becomes entangled with revenge. Death changes devotion. Promises are forgotten. Vendettas cannot be ignored. Ambition clouds judgments. Antonio and Raffaella were promised to each other, nothing would keep them apart, not even family. Committed to each other, they fight for their love against all odds... Children of the Mists is a gripping journey back in time that will make the perfect addition to any romance lover's collection.

Veronica Franco in Dialogue Jun 02 2020 Since the late twentieth century, the Venetian courtesan Veronica Franco has been viewed as a triumphant proto-feminist icon: a woman who celebrated her sexuality, an outspoken champion of women and their worth, and an important intellectual and cultural presence in sixteenth-century Venice. In *Veronica Franco in Dialogue*, Marilyn Migiel provides a nuanced account of Franco's rhetorical strategies through a close analysis of her literary work. Focusing on the first fourteen poems in the *Terze rime*, a collection of Franco's poems published in 1575, Migiel looks specifically at back-and-forth exchanges between Franco and an unknown male author. Migiel argues that in order to better understand what Franco is doing in the poetic collection, it is essential to understand how she constructs her identity as author, lover, and sex worker in relation to this unknown male author.

Veronica Franco in Dialogue accounts for the moments of ambivalence, uncertainty, and indirectness in Franco's poetry, as well as the polemicism and assertions of triumph. In doing so, it asks readers to consider their ideological investments in the stories we tell about early modern female authors and their cultural production.

Mio Amore May 06 2023 The case documents the process followed by Switz Foods Private Limited (SFPL) in planning for and implementing a "brand-name" change across its 150-plus stores retailing fresh bakery products. The switch away from a 20-year-old food brand that had carved out a place in the popular culture of the community in Kolkata was risky. While opinion inside the organization was divided on whether to use mass media to communicate the brand-name change to its customers, the company finally decided to rely only on in-store signage and product packaging. SFPL took into confidence the franchisee retail store owners, a key stakeholder group with whom it enjoyed a long-term trusted business relation, and relied on their support to implement a smooth transition. It shows how in the context of the bazaars in transition economies, trust-based business relations and word-of-mouth reputation can often provide frugal managerial alternatives.
