Krakatoa Aug 03 2020 Simon Winchester's brilliant chronicle of the destruction of the Indonesian island of Krakatoa in 1883 charts the birth of our modern world. He tells the story of the unrecognized genius who beat Darwin to the discovery of evolution; of Samuel Morse, his code and how rubber allowed the world to talk; of Alfred Wegener, the crack-pot German explorer and father of geology. In breathtaking detail he describes how one island and its inhabitants were blasted out of existence and how colonial society was turned upside-down in a cataclysm whose echoes are still felt to this day.

Everything In Its Path Jul 14 2021 The 1977 Sorokin Award-winning story of Buffalo Creek in the aftermath of a devastating flood. On February 26, 1972, 132-million gallons of debris-filled muddy water burst through a makeshift mining-company dam and roared through Buffalo Creek, a narrow mountain hollow in West Virginia. Following the flood, survivors from a previously tightly knit community were crowded into trailer homes with no concern for former neighborhoods. The result was a collective trauma that lasted longer than the individual traumas caused by the original disaster. Making extensive use of the words of the people themselves, Erikson details the conflicting tensions of mountain life in general—the tensions between individualism and dependency, self-assertion and resignation, self-centeredness and group orientation—and examines the loss of connection, disorientation, declining morality, rise in crime, rise in out-migration, etc., that resulted from the sudden loss of neighborhood.

[Running on the Roof of the World](#) Mar 02 2023 A story of adventure, survival, courage, and hope, set in the vivid Himalayan landscape of Tibet and India. Tash lives in Tibet, where as a practicing Buddhist she must follow many rules to avoid the wrath of the occupying Chinese soldiers. Life remains peaceful as long as Tash, her family, and their community hide their

religion and don't mention its leader, the Dalai Lama. The quiet is ruptured when a man publicly sets himself on fire to protest the occupation. In the crackdown that follows, soldiers break into Tash's house and seize her parents. Tash barely escapes, and soon she and her best friend, Sam, along with two borrowed yaks, flee across the mountains, where they face blizzards, hunger, a treacherous landscape, and the constant threat of capture. It's a long, dangerous trip to the Indian border and safety—and not all will make it there. This action-packed novel tells a story of courage, hope, and the powerful will to survive, even in the most desperate circumstances.

Year of the Fires Feb 27 2020 "In the summer of 1910, wildfires scorched millions of acres in the West, darkened skies in New England, and deposited soot on the ice of Greenland. The flames ravaged pristine wilderness along with farms, towns, and mining camps, culminating in the deaths of seventy-eight firefighters in the Big Blowup along the Montana-Idaho border. The blazes also illuminated a national debate raging about fire policy. Year of the Fires is the fascinating story of that catastrophic year and its pivotal role in establishing how we deal with forest fire in this country. Everything from the tools firefighters carry to strategies of land management was shaped by the fires of 1910. Stephen Pyne, acclaimed by the Journal of American History as America's foremost historian of fire, not only explains how the fires occurred, how they were fought, and who fought them, but puts the event in the context of America's changing attitudes about forests and fires. In 1910 steam-powered trains were spewing sparks across the West while homesteaders were burning their way into the woods to create farms and settlements. Teddy Roosevelt had just doubled the size of the forest reserves, and the idea that timber is finite was just entering American consciousness. The Forest Service, only five years old, was struggling to solidify its role. And even as the country's first foresters were facing the question of how to protect the new public lands, the West exploded in fire. Pyne brings that astonishing year to life in a riveting narrative of the fires, the people, and the decisions that continue to affect American life"-Amazon.com.

The Mountain of Light Oct 29 2022 From the internationally bestselling author of *The Twentieth Wife*, a novel based on the tumultuous history of a legendary 186-carat diamond—originating in India—and the men and women who possessed it. As empires rose and fell and mighty kings jostled for power, its glittering radiance never dimmed. It is the "Mountain of Light"—the Kohinoor diamond—and its facets reflect a sweeping story of love, adventure, conquest, and betrayal. Its origins are the stuff of myth, but for centuries this spectacular gem changes hands from one ruler to another in India, Persia, and Afghanistan. In 1850, the ancient stone is sent halfway around the world where it will play a pivotal role in the intertwined destinies of a boy-king of India and a young

queen of England—a queen who claims the Mountain of Light and India itself for her own burgeoning empire, the most brilliant jewels in her imperial crown. The Mountain of Light is a magnificent story of loss and recovery, sweeping change and enduring truth, wrapped around the glowing heart of one of the world's most famous diamonds.

When the Mountains Roared May 04 2023 A vivid, warm and atmospheric adventure set in the mountains of India, about a girl who is determined to protect the wild leopards of the mountain from poachers, perfect for fans of Katherine Rundell. I thought we'd live here forever ... but then, I thought Mum would be here forever too. When Ruby's dad uproots her from Australia to set up a hotel in the mountains of India, Ruby is devastated. Not only are they living in a run-down building in the middle of the wilderness surrounded by scorpions, bears and leopards, but Ruby is sure that India will never truly feel like home - not without her mum there. Ever since her mum died, Ruby has been afraid. Of cars. Of the dark. Of going to sleep and never waking up. But then the last remaining leopards of the mountain are threatened and everything changes. Ruby vows to do all she can to protect them - if she can only overcome her fears...

Ten Mile Day Jan 08 2021 On May 10, 1869, the final spike in North America's first transcontinental railroad was driven home at Promontory Summit, Utah. Illustrated with the author's carefully researched, evocative paintings, here is a great adventure story in the history of the American West--the day Charles Crocker staked \$10,000 on the crews' ability to lay a world record ten miles of track in a single, Ten Mile Day.

The Moon Over the Mountain, and Other Stories Feb 18 2022 "The Moon Over the Mountain is a collection of nine short stories by the Japanese author Atsushi Nakajima. Something of a cult figure in Japan, where fans hold an annual festival in his honor, Nakajima is considered a master of a sub-genre of Japanese fictional works that take Ancient China as their subject, with stories based on folk tales, legends, and historical figures..Nakajima's stories first appeared in Japanese periodicals in 1942 and 1943, promising a potentially rich and long career, given his extensive knowledge and skills. He died tragically of pneumonia complicated by severe asthma after returning to Japan from the island of Palau in 1942. In masterful translations by Paul McCarthy and Nobuko Ochner, these are the first of his works to appear in English."--Publisher.

The Road Mar 10 2021 NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of

scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation. Look for Cormac McCarthy's new novel, *The Passenger*.

The Deadly 7 Jan 20 2022 When eleven-year-old Nelson's beloved older sister goes missing, he is devastated. She's his only friend and means the world to him. Then his parents join the search and leave Nelson in the care of his crazy uncle Pogo, a plumber who is working at St. Paul's Cathedral in London. There in a dusty crypt Nelson stumbles across an ancient machine that accidentally extracts the so-called seven deadly sins from his soul. The machine turns them into ugly, cantankerous, and embarrassing creatures who follow him everywhere. But there is more to these monsters than meets the eye, and in this off-the-wall debut novel about making friends and taking courage, Nelson finds that these strange newcomers are just the companions he needs for a quest across the globe to rescue his big sister.

The Ambitious Guest Apr 30 2020 *The Ambitious Guest (+Biographie et Bibliographie)* (Glossy Cover Finish): One September night a family had gathered round their hearth, and piled it high with the driftwood of mountain streams, the dry cones of the pine, and the splintered ruins of great trees that had come crashing down the precipice. Up the chimney roared the fire, and brightened the room with its broad blaze. The faces of the father and mother had a sober gladness; the children laughed; the eldest daughter was the image of Happiness at seventeen; and the aged grandmother who sat knitting in the warmest place, was the image of Happiness grown old.

Fire on the Mountain Sep 27 2022 A New Mexico man faces off against the government in a battle over his land in this novel by the author of *Desert Solitaire*. After nine months away at school, Billy Vogelin Starr returns home to his beloved New Mexico—only to find his grandfather in a standoff with the US government, which wants to take his land and turn it into an extension of the White Sands Missile Range. Facing the combined powers of the US county sheriff, the Department of the Interior, the Atomic Energy Commission, and the US Air Force, John Vogelin stands his ground—because to Vogelin, his land is his life. When backed into a corner, a tough old man like him will come out fighting . . . *Fire on the Mountain* is a suspenseful page-turner by “one of the very best writers to deal with the American West”—the acclaimed author of such classics as *The Monkey Wrench Gang* and the memoir *Desert Solitaire* (The Washington Post). “Abbey is a fresh breath from the farther reaches and canyons of the diminishing frontier.” —Houston Chronicle “The Thoreau of the American West.” —Larry McMurtry, Pulitzer Prize-winning author of *Lonesome Dove*

Brave Cowboy May 31 2020 *The Brave Cowboy* Jack Burnes is a loner at odds with

modern civilization. A man out of time, he rides a feisty chestnut mare across the New West -- a once beautiful land smothered beneath airstrips and superhighways. And he lives by a personal code of ethics that sets him on a collision course with the keepers of law and order. Now he has stepped over the line by breaking one too many of society's rules. The hounds of justice are hot in his trail. But Burnes would rather die than spend even a single night behind bars. And they have to catch him first.

The Roar of the Tiger Oct 05 2020 This is a compilation of hunting tales from the jungles of India from the centuries gone by. “...We have no word in English that properly embraces all this, but all are expressed by the Persian word ‘shikar!’...” “...Sitting on the ground in a thorn “Boma” for a lion in Africa is considered an ordinary enough thing to do; but sitting on the ground for a tiger in dense jungles of the Indian subcontinent can be an entirely different experience. The risk inherent should be obvious to all. Sitting on a machan built on a tree was the more common approach employed by Tiger hunters of yore; but of course, there were exceptions...” “...In another moment the old Panther sprang out of the jungle, made a pat at the kid, and then crouched by its side. If there had been more space, I should have waited and watched the Panther’s proceedings, but as I was afraid that she would drag the goat into the jungle, I fired at once, and immediately jumped up so as to see above the smoke. The Panther sprang into the air, fell backwards, and then disappeared among the bushes...” “...I was standing at the junction of two pathways, and the beat had approached to within a hundred yards, when I heard “Woof! Woof!” I imagined the beaters had started up a big wild boar. The “woofing” was repeated during the next minute, coming closer each time, until finally there was a resounding “Woof” in the tall grass about fifteen yards in front of me. By this time I was standing on tip-toe, trying to peer into the grass ahead of me, when suddenly I realized that what I was staring at behind an ant-heap was the tail-end of a tiger...” The stories in this collection are extracted from rare works from the 17th, 18th, 19th centuries.

The Roaring Lambs Jul 02 2020 'How many were killed in the attack today?' asked Fursa, the senior sheep. He was surveying the bloodstained East African grassland where the lions had gone on a rampage, now scattered with the shattered bones of his friends and families. Despair hung thick in the air.' Welcome to the jungle. Here, the survival of the fittest is the ultimate truth. The weaker animal gets eaten in what is considered a natural food chain. But some have been tampering with the organic arrangement for selfish gains and resorting to mass murder. In the Mau Forest in East Africa, the mighty lion king Kaizaar's autocratic ways are wreaking havoc on his subjects. Known to be the longest-serving ruler of the pride, he is ministered by the shrewd Shaka - the former leader of the lambs who betrayed his flock for the stronger lions. With their defences exposed, the lambs are backed into a corner. How do the lambs stop the carnage and find refuge? Will they be able to reverse the fate of their species and restore the Law of the Jungle? Can a bunch of fearful lambs learn to roar? What emerges is an illuminating leadership fable. The politics of the jungle and

the strategies that aid survival are lessons of lasting value that will not only inspire but also help find the leader within you.

Race to the Frozen North Feb 06 2021 A fascinating and thrilling fictionalised account of the life of Matthew Henson, the first African-American man to travel to the North Pole, from the Carnegie nominated author Catherine Johnson.

The Ugly Vegetables Dec 07 2020 In this charming story about celebrating differences a Chinese-American girl wishes for a garden of bright flowers instead of one full of bumpy, ugly, vegetables. The neighbors' gardens look so much prettier and so much more inviting to the young gardener than the garden of "black-purple-green vines, fuzzy wrinkled leaves, prickly stems, and a few little yellow flowers" that she and her mother grow. Nevertheless, mother assures her that "these are better than flowers." Come harvest time, everyone agrees as those ugly Chinese vegetables become the tastiest, most aromatic soup they have ever known. As the neighborhood comes together to share flowers and ugly vegetable soup, the young gardener learns that regardless of appearances, everything has its own beauty and purpose. THE UGLY VEGETABLES springs forth with the bright and cheerful colors of blooming flowers and lumpy vegetables. Grace Lin's playful illustrations pour forth with abundant treasures. Complete with a guide to the Chinese pronunciation of the vegetables and the recipe for ugly vegetable soup! Try it . . . you'll love it, too!

Whiter Than Snow Nov 29 2022 From The New York Times bestselling author of Prayers for Sale comes the moving and powerful story of a small town after a devastating avalanche, and the life changing effects it has on the people who live there Whiter Than Snow opens in 1920, on a spring afternoon in Swandyke, a small town near Colorado's Tenmile Range. Just moments after four o'clock, a large split of snow separates from Jubilee Mountain high above the tiny hamlet and hurtles down the rocky slope, enveloping everything in its path including nine young children who are walking home from school. But only four children survive. Whiter Than Snow takes you into the lives of each of these families: There's Lucy and Dolly Patch—two sisters, long estranged by a shocking betrayal. Joe Cobb, Swandyke's only black resident, whose love for his daughter Jane forces him to flee Alabama. There's Grace Foote, who hides secrets and scandal that belies her genteel façade. And Minder Evans, a civil war veteran who considers his cowardice his greatest sin. Finally, there's Essie Snowball, born Esther Schnable to conservative Jewish parents, but who now works as a prostitute and hides her child's parentage from all the world. Ultimately, each story serves as an allegory to the greater theme of the novel by echoing that fate, chance, and perhaps even divine providence, are all woven into the fabric of everyday life. And it's through each character's defining moment in his or her past that the reader understands how each child has become

its parent's purpose for living. In the end, it's a novel of forgiveness, redemption, survival, faith and family.

Heidi Dec 27 2019 Heidi is an orphaned girl initially raised by her aunt Detie in Maienfeld, Switzerland after the early deaths of her parents, Tobias and Adelheid (Detie's sister and brother-in-law). Detie brings 6-year-old Heidi to her paternal grandfather's house, up the mountain from Dörfli. He has been at odds with the villagers and embittered against God for years and lives in seclusion on the alm. This has earned him the nickname Alm-Uncle. He briefly resents Heidi's arrival, but the girl's evident intelligence and cheerful yet unaffected demeanor soon earn his genuine, if reserved, affection. Heidi enthusiastically befriends her new neighbors, young Peter the goatherd, his mother, Bridget, and his blind maternal grandmother, who is "Grannie" to everyone. With each season that passes, the mountaintop inhabitants grow more attached to Heidi.

Into the Volcano May 24 2022 From Jess Butterworth comes another beautifully written adventure set on top of a super volcano, about coming to terms with grief, letting go of anger at the world and finding hope and joy in the most unexpected of places. Vivi and Seb live halfway across the world from each other, living completely separate lives, until a terrible event unexpectedly makes their paths collide. Seb's best friend Clay was injured in a shooting, and Seb believes there's a rainbow pool in the heart of Yellowstone National Park that will help heal him heal. Meanwhile, Vivi is feeling lost, wishing she could find a way to honour her grandmother, who didn't survive the same shooting. When they meet at the memorial and Seb tells Vivi what he wants to do, Vivi is convinced that her grandmother would have

wanted her to go with Seb to help his friend. But the park is filled with dangerous creatures, and when Seb is injured in one of the volcanic springs, it becomes a race for survival as they try and make their wish and find their way out of the wilderness. Told through multiple viewpoints and set between the US and the UK, this is another heartfelt middle grade adventure from award-winning author Jess Butterworth *When the Mountains Roared* Jun 12 2021

The Mountains Wild Apr 10 2021 "With its evocative Dublin setting, lyrical prose, tough but sympathetic heroine, and a killer twist in the plot, Sarah Stewart Taylor's *The Mountains Wild* should top everyone's must-read lists this year!" — New York Times bestselling author Deborah Crombie In a series debut for fans of Tana French and Kate Atkinson, set in Dublin and New York, homicide detective Maggie D'arcy finally tackles the case that changed the course of her life. Twenty-three years ago, Maggie D'arcy's family received a call from the Dublin police. Her cousin Erin has been missing for several days. Maggie herself spent weeks in Ireland, trying to track Erin's movements, working beside the police. But it was to no avail: no trace of her was ever found. The experience inspired Maggie to become a cop. Now, back on Long Island, more than 20 years have passed. Maggie is a detective and a divorced mother of a teenager. When the Gardaí call to say that Erin's scarf has been found and another young woman has gone missing, Maggie returns to Ireland, awakening all the complicated feelings from the first trip. The despair and frustration of not knowing what happened to Erin. Her attraction to Erin's coworker, now a professor, who never fully explained their relationship. And her determination to solve the case, once and for all. A lyrical, deeply drawn portrait of a woman - and a country - over two decades - *The Mountains Wild* introduces a compelling new mystery series from a mesmerizing author. *Swimming Against the Storm* Aug 27 2022 An adventure story set in the swamplands of Louisiana about sisters, rising sea-levels and saving the environment, perfect for fans of Katherine Rundell and Lauren St John. Our land is sinking. It's disappearing into the water. And no one knows how to save it. Twelve-year-old Eliza and her sister Avery have lived their entire lives in a small fishing village on the coast of Louisiana, growing up alongside turtles, pelicans and porpoises. But now, with sea levels rising, their home is at risk of being swept away. Determined to save the land, Eliza and her younger sister Avery secretly go searching in the swamp for the dangerous, wolf-like loup-garou. If they can prove this legendary creature exists, they're sure that the government will have to protect its habitat - and their community. But there's one problem: the loup-garou has never been seen before. And with a tropical storm approaching and the sisters deep, deep in the swampland, soon it's not just their home at risk, but their lives as well...

To the Mountain Mar 22 2022 "A mercilessly taut, relentlessly thrilling tale of heartbreak and survival. Raschke writes with humanity and grace about the challenges of parenthood, and the rigors of the natural world." —JONATHAN EVISON, author of *The Revised Fundamentals* of Caregiving Eleven-year-old Marshall lives in

a remote juvenile center in Colorado, where he is bullied by the other boys, misunderstood by all of the staff except Leslie, and so overwhelmed by the sounds and smells in the cafeteria that getting his lunch is a daily terror. During a blizzard, an unexpected mishap for Marshall and Leslie leads to Marshall's disappearance into the wilderness. His father, Jace, knows that Marshall has gone searching for a secret on the mountain. To save Marshall, Jace must overcome not only the winter elements, but his own self-doubt in this tale of sacrifice, hope, and the bond between father and son.

Deathwatch Apr 22 2022 "An exciting novel of suspense, based on a fight to the finish between an honest and courageous young man and a cynical business tycoon who believes that anything can be had for a price."--Horn Book. In the Path of Destruction Aug 15 2021 "The air had no oxygen, like being trapped underwater...I was being cremated, the pain unbearable."--Jim Scymanky "I was on my knees, my back to the hot wind. It blew me along, lifting my rear so I was up on my hands...It was hot but I didn't feel burned--until I felt my ears curl."--Mike Hubbard A napping volcano blinked awake in March 1980. Two months later, the mountain roared. Author Richard Waitt was one of the first to arrive following the mountain's early rumblings. A geologist with intimate knowledge of Mount St. Helens, Waitt delivers a detailed and accurate chronicle of events. His eruption story unfolds through unforgettable, riveting narratives--the heart of a masterful chronology that also delivers engrossing science, history, and journalism.

Hell of a Journey Nov 05 2020 Hell of a Journey' describes what is arguably the last great journey to be undertaken in Britain: the entire Scottish Highlands on foot in one winter. On one level it is a vivid and evocative account of a remarkable trek - never attempted before - on another it celebrates the uniqueness of the Highlands, the scenery and ecology of 'the last wilderness in Europe'. The challenge Mike Cawthorne set himself was to climb all 135 of Scotland's 1,000-metre peaks, which stretch in an unbroken chain through the heart of the Highlands, from Sutherland to the Eastern Cairngorms, down to Loch Lomond, and west to Glencoe. His route traversed the most spectacular landscape in Scotland, linking every portion of wilderness, and was completed in the midst of the harshest winter conditions

imaginable. Acclaimed on its first publication in 2000, this edition contains an epilogue in which Mike Cawthorne reflects on his trek and wonders what has changed since he carried it out. He warns that 'wild land in Scotland has never been under greater threat'. Hell of a Journey is a reminder of what we could so easily lose forever.
