Ask God Why On Asking God Why Hey, God, Why Is It Taking So Long?

The prophet Habakkuk had a question mark for a brain. In the Old Testament book that bears his name Habakkuk analyzes the fallen creation around him, and then quizzes the sovereign God who reigns over him. He's a man brazenly searching for answers. He struggles to understand why bad things happen—especially to God's people. Do you ever wonder the same? Have you ever found yourself walking through life utterly confused by the sequence of current events, wondering Where is God? Do you have a question mark for a brain? If so, then you'll without doubt find yourself relating to this prophet and his prophecy on a very personal level. "Why, God? Why?!" is a comprehensive guide to the book of Habakkuk that will help lead inquisitive minds, like yourself, into the imperative of faith. Calming words for chaotic times. Called "the best preacher in the family," by her father, Billy Graham, Anne Graham Lotz speaks around the globe with the wisdom and the authority of years spent studying God's Word. In her latest book, Anne shares her heart and God's teachings on the universal problem of suffering. Drawing her characteristically keen insights from the familiar story of Lazarus in the ninth and eleventh chapters of the Gospel of John, Anne offers Jesus' reassuring answers to our heartfelt cries for understanding: Why doesn't God care? Why does He let these things happen? Why me? Why doesn't God answer my prayers? Why didn't He protect me? Why doesn't He perform a miracle? Why? helps us understand and deal with suffering while guiding us to the ultimate answer—the Savior who shares our grief and our tears. In this compelling work on a subject that touches us all, Nancy C Gaughan shares her discovery in the Scriptures of God's reasons for allowing suffering in the lives of his people. She relates many of her own experiences from the days of her childhood, as well as those of friends and people in the Bible to show us how -- even in suffering's worst moments -- God's love and joy will flood our souls. For anyone who has asked, 'Why does God let me suffer?'. Pastor Karen Jensen knows firsthand what it is like to experience personal tragedy. In this book she shares with readers that it's OK to ask why, but it's not OK to "camp out" there. Why have we humans always longed to connect with something larger than ourselves? Why does consciousness inevitably involve us in a spiritual quest? Why, in short, won't God go away? Theologians, philosophers, and psychologists have debated this question through the ages, arriving at a range of contradictory and ultimately unprovable answers. But in this brilliant, groundbreaking new book, researchers Andrew Newberg and Eugene d'Aquili offer an explanation that is at once profoundly simple and scientifically precise: the religious impulse is rooted in the biology of the brain. Newberg and d'Aquili base this revolutionary conclusion on a long-term investigation of brain function and behavior as well as studies they conducted using high-tech imaging techniques to examine the brains of meditating Buddhists and Franciscan nuns at prayer. What they discovered was that intensely focused spiritual contemplation triggers an alteration in the activity of the brain that leads us to perceive transcendent religious experiences as solid and tangibly real. In other words, the sensation that Buddhists call "oneness with the universe" and the Franciscans attribute to the palpable presence of God is not a delusion or a manifestation of

wishful thinking but rather a chain of neurological events that can be objectively observed, recorded, and actually photographed. The inescapable conclusion is that God is hard-wired into the human brain. In *Why God Won't Go Away*, Newberg and d'Aquili document their pioneering explorations in the field of neurotheology, an emerging discipline dedicated to understanding the complex relationship between spirituality and the brain. Along the way, they delve into such essential questions as whether humans are biologically compelled to make myths; what is the evolutionary connection between religious ecstasy and sexual orgasm; what do Near Death Experiences reveal about the nature of spiritual phenomena; and how does ritual create its own neurological environment. As their journey unfolds, Newberg and d'Aquili realize that a single, overarching question lies at the heart of their pursuit: Is religion merely a product of biology or has the human brain been mysteriously endowed with the unique capacity to reach and know God? Blending cutting-edge science with illuminating insights into the nature of consciousness and spirituality, *Why God Won't Go Away* bridges faith and reason, mysticism and empirical data. The neurological basis of how the brain identifies the "real" is nothing short of miraculous. This fascinating, eye-opening book dares to explore both the miracle and the biology of our enduring relationship with God.

Growing up poor, fatherless and unwanted in a small Canadian town in the 1950's, Patricia Barton had plenty to be sorry about. Spitting out the host at her Holy Communion it seemed that she had even failed God. 'Shame on you - You should be ashamed of yourself.' I was ashamed. Ashamed of all the things I have done wrong and ashamed of all the things I should have done. Life was hard. I tried not to make mistakes. After years of abuse and neglect, Patricia ran away from home at the age of 13, searching for her father and a better life. Instead she finds herself in an orphanage, alone and abandoned again. Refusing to give up on her dreams, her persistence and passion for learning win her a scholarship. At 16, when released from the Home, she goes to live with her older sister in a tiny room. Life still has challenges but she is making her own way. Patricia's journey is a heart-warming and at times confronting. It is a series of adventures - picaresque, interesting and sometimes even bizarre - but through it all she never loses sight of her dreams. She wins a beauty contest, travels to Europe, becomes an actress and moves to Australia with her new husband where she becomes a successful model and furthers her education. Where she once seemed destined to be homeless and alone she has now built a fulfilling life in the "Lucky Country" with a dream home, opportunities and family of her own. A beautifully written and inspiring memoir, *Why God Hates Me* is the before and after story of a gutsy teenager who succeeds despite the odds. It is a story that shows what can happen when you claim responsibility for your own happiness and let hope and optimism shine through. It is a Cinderella story that has stood the test of time with the ultimate prize - happiness! Faced with the difficulties of growing up and choosing a religion, a 12-year-old girl talks over her problems with her own private God. Reissued with a fresh new look and cover art.

Simultaneous. ...why, why God, why? presents a series of true and powerful stories about life. Some are conversations with God, and others are conversations author Robert Lee Harris had with other people. All the stories drive home some simple truths about life and its challenges tales in which God has shown up and provided much-needed direction. They will encourage you to reach up and grab hold of hope with both hands, inspire you to rise up in faith, and overcome the obstacles that are holding you back, then begs you to unlock and open the door of belief, while stepping into a reality full of your dreams and aspirations. Our journeys through life may follow many paths some leading us in destructive ways that bring great pain which causes our hearts to be hardened, and others bringing us great joy. The best path, however, whether it contains pain or joy is the one that leads us to our Creator. It is in Him that we find our true calling and the purpose for which we were created, and it is this path that continues to become brighter and brighter until the perfect day arrives. Robert Lee Harris has an important story to tell. From homelessness during his teenage years to prosperity and the good life as an adult, Harris has found the truth in his life through God. Living life at any level has troubles, with consequences that could lead to a destructive life, if not handled correctly. No one can or will help us the way that the Creator can help us. He is the way, the truth, and the life. If God is good, why do bad things happen? Is God in total control of life on earth? Does

everything happen for a divine reason? Does God punish us? Is God testing us? What about the judgment of God? What about Job's suffering and Paul's thorn? When does God answer prayer? Isn't it time to get the right answers about God and eliminate those big, nagging question marks? Yes, it is time. In *God, Why?* Chas Stevenson presents powerful, precise, scriptural logic that eradicates popular spiritual myths and flawed teaching that has misled and confused people about God's character and God's good will. You're about to make a delightful discovery of Bible truths that will clear the hazy image of God and bring the reality of who he is and how he works into plain sight. If you have a personal relationship with God already, *God, Why?* will bring relief to your soul, strengthen your faith, and empower you for life. If you aren't sure about God, it will resolve the spiritual inconsistencies that may have obstructed your view of God. And for everyone, *God, Why?* will end the confusion by accurately answering the tough questions. At last, a solid explanation of why things happen that will leave you happy...with hope and certainty about God Almighty!

Originally published: *Why God's Word is all we need*. Wheaton, Ill.: Crossway Books, 2000, in series: *Today's issues* It is entirely possible that God could have existed without the universe, and without humans, for all eternity. But for some reason, He decided to create anyway. What inspired Him to start the human story in the first place, and how should the answer to that question affect the way we view our lives? Few Christians ever stop to seriously consider these deepest-of-all deep questions. Jonathan Edwards explains, in his original dissertation: God's inherent predisposition to spread out His truth, goodness, and beauty motivates everything He does. So, His decision to create our universe was motivated not by a desire or need for us, but by a desire to glorify Himself. Ben Stevens' remarkable new adaptation brings Edwards' powerful arguments to life in fresh, contemporary language. In addition, thought-provoking questions for discussion or reflection invite readers to engage with the concepts and begin to apply them. We all go through hard times when we wonder, God, where are you? Why is this happening to me? A scientific "History of God", this book presents the brain science of spiritual experience and evidence for the actual seat of the soul. A perceptive, insightful, and encouraging collection of Elisabeth Elliot's meditations on the things that make us ask "Why?", including everything from birthdays to funerals and divorce. *Why God Is a Woman* is a collection of poems written about a magical island where women rule and men are the second sex. It is also the story of a boy who, exiled from the island because he could not abide by its sexist laws, looks back with both nostalgia and bitterness and wonders: Why does God have to be a woman? Celebrated prose poet Nin Andrews creates a world both fantastic and familiar where all the myths, logic, and institutions support the dominance of women. Nin Andrews's books include *The Book of Orgasms* and *Sleeping with Houdini*. "Why do bad things happen?" "God, I don't understand!" Heartbreak and loss happen to us all. On New Year's Day, at the age of thirty-seven, Karen Jensen's husband died suddenly in his bed, leaving her alone to raise two grieving boys and pastor a bewildered congregation. Despite her strong faith and love for God, she had some serious questions. Has tragedy shaken the foundation of your life? Have you been blindsided by an event you never expected to face? What should we do when we're going through the dark places in life? ...when we've lost everything? ...when we're in pain? ...when we're wondering why? With a mix of sharp insight and warm optimism, Karen skillfully combines experience and scripture to guide you through the land mines of doubt and confusion that come with loss. She then provides solid principles for moving forward past the pain and into a brighter future. So, why do we believe in God?

Thomas loves to think about silly questions. (Are bats really mice with wings?) But other questions are humdingers . . . like when Thomas wonders, Why God? Why do we believe in Him? That's when he and his sister, Hope, must go in search of a humdinger of an answer. Come along as they discover the clues God has given us to help us know how real and wonderful He truly is. Written by Dan DeWitt, an apologetics professor with a love for stories, *Why God?* takes apologetics and makes it accessible for children, not only answering their questions but also opening their hearts to the wonders of God. This B&H Kids book includes a Parent Connection, an easy tool to help moms and dads (or anyone else who loves kids) discuss the book's message with their child. We're all about connecting parents and kids to each other and to God's Word. "Perhaps that's the greatest reason

why He calls us to dangerous places: so that we will know His astonishing, sacrificial, life-restoring love." Why God Calls Us to Dangerous Places is about what is lost and what is gained when we follow God at any cost. Soon after 9/11, Kate McCord left the corporate world and followed God to Afghanistan—sometimes into the reach of death. Alive but not unscathed, she has suffered the loss of many things: comfort, safety, even dear friends and fellow sojourners. But Kate realizes that those who go are not the only ones who suffer. Those who love those who go also suffer. This book is for them, too. Weaving together Scripture, her story, and stories of both those who go and those who send, Kate considers why God calls us to dangerous places and what it means for all involved. It means dependence. It means loss. It means a firmer hold on hope. It can mean death, trauma, and heavy sorrow. But it can also mean joy unimaginable. Through suffering, we come closer to the heart of God. Written with the weight of glory in the shadow of loss, Why God Calls Us to Dangerous Places will inspire Christians to count the cost—and pay it. Is it possible that good things can come out of our broken dreams? Worship leader and recording artist Laura Story's life took an unexpected turn when her husband, Martin, was diagnosed with a brain tumor. Their lives would never be the same. Yes, with God all things are possible. But the devastating news was that no cure existed to restore Martin's short-term memory, eyesight, and other complications. The fairy-tale life Laura had dreamed of was no longer possible. And yet in struggling with God about how to live with broken dreams, Laura has found joy and a deeper intimacy with Jesus. In When God Doesn't Fix It, Laura helps readers understand that: We aren't the only ones whose lives have taken unexpected turns. Even heroes of our faith experienced brokenness. Despite our flaws and stories, God can use us in extraordinary ways. God may not fix everything. In fact, although your situation might not ever change or get better, with Jesus you can. Not because of your faith, but because of the faithfulness of their God. Bestselling author and apologist takes on one of the most difficult questions Christians face. How can an omnipotent, loving God preside over a world filled with evil and suffering? The author's approach is concise, systematic, and clearly communicated, just what Geisler fans have grown to expect. In addition to relying on time-tested solutions to the problem of evil, the author also presents a compelling new way to think about this puzzle. This book is a sensitive inquiry for anyone who has ever suffered and who wants to think through it theologically. It is a compassionate resource for coming to grips with pain, suffering, and evil. This book examines the more traditional Christian explanation for why God permits evil in this world and offers an alternative explanation. Key Bible passages are discussed with an application of the alternative position to the great question of why God allows so much evil in this world. In this refreshing new take on spirituality, bestselling author Deepak Chopra uses a fictional tale of a comedian and his unlikely mentor to show us a path back to hope, joy, and even enlightenment—with a lot of laughter along the way. Meet Mickey Fellows. A successful L.A. comedian, he's just a regular guy, with his fair share of fears, egocentricities, and addictions. After his father's death, Mickey meets a mysterious stranger named Francisco, who changes his life forever. The two begin an ongoing discussion about the true nature of being. Reluctantly at first, Mickey accepts the stranger's help and starts to explore his own life in an effort to answer the riddles Francisco poses. Mickey starts to look at those aspects of himself that he has hidden behind a wall of wisecracks all his life. Eventually Mickey realizes that authentic humor opens him up to the power of spirit—allowing him to finally make real connections with people. After taking the reader on a journey with Mickey, Chopra then spells out the lessons that Mickey's story imparts to us: ten reasons to be optimistic, even in our challenging world. Chopra believes that the healthiest response to life is laughter from the heart, and even in the face of global turmoil, we can cultivate an internal sense of optimism. Rich with humor and practical advice, Why Is God Laughing? shows us without a doubt that there is always a reason to be grateful, that every possibility holds the promise of abundance, and that obstacles are simply opportunities in disguise. In the end, we really don't need a reason to be happy. The power of happiness lies within each of us, just waiting to be unleashed. And Mickey Fellows's journey shows us the way. Why do bad things happen in our world? Why does God allow suffering? If he exists, why doesn't he do something? Of all the hurdles to faith, suffering must be the greatest. But how do we answer the question of 'Why?'

in a credible, satisfying way? In this revised and updated edition of an award-winning book that has helped thousands in their journey of faith, scientist Sharon Dirckx explores some of the most agonizing and bewildering questions we all ask. With compassionate warmth and insight, she offers advice to help us cope with suffering and difficulties. Alongside, she interweaves her own experiences and the personal stories of individuals who have faced some of life's toughest challenges, showing us that it is possible to believe in a powerful loving God and acknowledge the reality of evil and suffering. Why? is a book for anyone who has questioned how suffering and a compassionate God can coexist. It will help you better understand the nature of God in Christianity, and will equip you to answer the question of 'Why?' with confidence and clarity. It is also an ideal apologetics book to give to friends and family just beginning on their faith journey or who are struggling and looking for answers. If you have ever asked or wondered why God allows suffering, Sharon Dirckx's gentle wisdom in Why? will help you see life from a new perspective - one that makes more, not less, sense of our hurting world. It has never been more important to articulate the wonder and enchantment of the Christian message. Yet the traditional approaches of apologetics are often outmoded in an age of profound disenchantment and distraction, unable to meet this pressing need. This winsome apologetics book for a new generation makes the case that Christianity offers a compelling explanatory framework for making sense of our world. Pastor and writer Gavin Ortlund believes it is essential to appeal not only to the mind but also to the heart and the imagination as we articulate the beauty of the gospel. Why God Makes Sense in a World That Doesn't reimagines four classical theistic arguments--cosmological, teleological, moral, and Christological--making a cumulative case for God as the best framework for understanding the storied nature of reality. The book suggests that Christian theism can explain such things as the elegance of math, the beauty of music, and the value of love. It is suitable for use in classes yet accessibly written, making it a perfect resource for churches and small groups. The recent rise of the New Atheism has aroused great general interest, thrown up questions of fundamental importance, and started a fascinating conversation. Why God Won't Go Away invites us to join in. The volume opens with a survey of the main ideas of the New Atheism, as expressed in the works of Richard Dawkins, Daniel Dennett, Sam Harris and Christopher Hitchens. We then examine the core views of the movement closely, making due reference to its 'virtual community' of websites and blogs. Subjects explored include: whether religion is delusional and evil, the belief that human beings are fundamentally good, whether we should have faith only in what can be proved through reason and science, the idea that the best hope for humanity is a 'New Enlightenment' The result is a lively and highly thought-provoking volume that poses a number of interesting questions. Why is religion experiencing a resurgence in the twenty-first century, when we are meant to have grown out of such a primitive fixation? Has the New Atheism's fascination with rationality led to a fatal underestimation of the longing of the human heart to adore? And if, as Christopher Hitchens writes in exasperation, religion is 'ineradicable', doesn't this tiresome fact suggest that dismissing belief in God as irrational and unscientific might just be a waste of time? Say Goodbye to Confusion - and Hello to Joy! Are you confused? Is there something happening in your life today that you don't understand? Do you wonder why your life had to be the way it was? Do you find yourself asking, Why, God, why? This very question once tormented bestselling inspirational author Joyce Meyer, until she realized that waiting for the answer only stole her peace and robbed her joy. Now you too can end confusion and bring happiness back into your life. Let Joyce Meyer show you how to: End your enslavement to trying to figure everything out Learn to be dependent on a trustworthy God Stop worrying about yesterday or tomorrow Rescue your mind from the traps of the flesh and teach it to think spiritually. If you're asking "Why, God, why?" you're asking the wrong question. This wonderful, indispensable book will help you to find the way to God and enjoy life as never before! With two in seven American families affected by disability, the body of Christ has a great opportunity for ministry. This new anthology uniquely points the way, training churches, caregivers, pastors, and counselors to compassionately respond. The book's contributors—ranging from Joni Eareckson Tada and others living with disabilities, to seminary professors, ministry leaders, and medical professionals—do more than offer

a biblical perspective on suffering and disability; they draw from very personal experiences to explore Christians' responsibility toward those who suffer. The volume addresses various disabilities and age-related challenges, end-of-life issues, global suffering, and other concerns—all the while reminding readers that as they seek to help the hurting, they will be ministered to in return. This unprecedented work, which includes a foreword by Randy Alcorn, belongs in the hands of every Christian worker and caring individual who is seeking a real-world, biblical perspective on suffering.

"Wait" is not a word we like to hear - whether it's said in a restaurant when we want to be seated at a table right away, or by our spouse when we're ready to leave for church. We don't like to be stuck in traffic or in a line at the grocery store. We want answers to problems as immediately as we want our microwave popcorn!"--The book cover Why does God hide - day-in and day-out - from those of us who yearn to hear His voice? When we do good, there's no heavenly applause. When we do evil, no divine rebuke. And when great horrors visit us, He rarely intervenes. In good times and bad, there's just silence . . . the awful silence of God. Now comes Why God Hides, this magnum opus of Fr. John Portavella, written after many decades of listening to God's silence - in his own life and in that of thousands of his parishioners. Those years of listening, reading, thinking, and praying have made ever more clear to him - and with the help of this book, will make clear to you- that, in fact . . . God is not silent nor is He hidden, if only you know how to listen and learn where to look. Time and again in the events of salvation history and in the trials and joys of our daily lives, Fr. Portavella here unveils the Face of God and lets us hear His voice, speaking in every instance words of sweet love. Why God Hides is a remarkable, once-in-a-lifetime book that scatters the darkness of our minds, giving us myriad glimpses of our supposedly hidden God, bringing with each of those glimpses the consolation and joys we have yearned for so long.

Description The Book has been produced while keeping the following points in mind - To Present Atheistic Arguments, and highlight their irrationality in order to Expose the Intellectual mirage of Atheism- To Articulate 5 Major Arguments for Gods Existence based on utter Rationality and common sense.- To show why Islam is the true religion of God among the other major religions of the world. This has been done by scrutinizing major religions of the world/and judging Islam under the scope of Logic, Reason and History only.- To wave off major arguments/Myths against Islam.- A read of this introductory Treatise should God Willingly, Gift one with the confidence to defend the Religion of Islam on Intellectual basis.The Rational case for Islam has been majorly founded upon the Life of the Prophet and The Holy Quran. This collection of sermons explores the age-old question of why a loving God allows suffering to visit His children. Tull encourages readers to ask why in good times as well as in difficult ones, to examine God's eternal presence in times of blessed joy as well as during sorrow and care. He emphasizes scriptures and anecdotes that illustrate God's comfort and grace during all situations in our lives. These days the terms good and God seem synonymous. We believe what's generally accepted as good must be in line with God's will. Generosity, humility, justice—good. Selfishness, arrogance, cruelty—evil. The distinction seems pretty straightforward. But is that all there is to it? If good is so obvious, why does the Bible say that we need discernment to recognize it? Good or God? isn't another self-help message. This book will do more than ask you to change your behavior. It will empower you to engage with God on a level that will change every aspect of your life. What is pain? What is hate? What is death? What is unconditional love? Do you have spiritual questions that only God can adequately answer? This book will help you achieve the spiritual boldness necessary to ask God why. The Book Why, will inspire you to ask God for the answers you need to help you better understand your life. This book will benefit everyone, Christians, non-Christians, or wherever you are spiritually. Because Why is a fundamental spiritual question. Why is the question that is before religious beliefs. The Book Why has the potential to enhance your life journey. When our physical life is over, what is the ultimate question we will ask God? WHY. Why not learn to ask God Why now? Why is it that the majority of people, from all socio-economic, education, and ethnic backgrounds, ascribe to some sort of faith? What draws us to religion? What pushes us away? And what exactly is religion anyway? Defining religion over the past century has, ironically, led to theories that exclude belief in God, proposing that all systems of thought concerning the meaning of life are religions. Of

course, this makes it impossible to distinguish the village priest from the village atheist, or Communism from Catholicism. Worse yet, it makes all religious behavior irrational, presuming that, for example, people knowingly pray to an empty sky. Renowned sociologist of religion Rodney Stark offers a comprehensive, decisive, God-centered theory of religion in his book, *Why God: Explaining Religious Phenomena*. While his intent is not to insist that God exists, Stark limits religions to systems of thought based on belief in supernatural beings—to Gods. With this God-focused theory, Stark explores the entire range of religious topics, including the rise of monotheism, the discovery of sin, causes of religious hostility and conflict, and the role of revelations. Each chapter of *Why God?* builds a comprehensive framework, starting with the foundations of human motivations and ending with an explanation of why most people are religious. Stark ultimately settles what religion is, what it does, and why it is a universal feature of human societies. *Why God?* is a much needed guide for anyone who wants a thorough understanding of religion and our relationship to it, as well as a firm refutation to those who think religion can exist without the divine. Say Goodbye to Confusion - and Hello to Joy! Are you confused? Is there something happening in your life today that you don't understand? Do you wonder why your life had to be the way it was? Do you find yourself asking, Why, God, why? This very question once tormented bestselling inspirational author Joyce Meyer, until she realized that waiting for the answer only stole her peace and robbed her joy. Now you too can end confusion and bring happiness back into your life. Let Joyce Meyer show you how to: End your enslavement to trying to figure everything out Learn to be dependent on a trustworthy God Stop worrying about yesterday or tomorrow Rescue your mind from the traps of the flesh and teach it to think spiritually. If you're asking "Why, God, why?" you're asking the wrong question. This wonderful, indispensable book will help you to find the way to God and enjoy life as never before!

Getting the books **Why Why God Why** now is not type of challenging means. You could not solitary going bearing in mind books increase or library or borrowing from your links to approach them.
