**The Beethoven Duets For Flute Scherzo No. 2** Mar 08 2021 THE BEETHOVEN DUETS By Joe Procopio The Beethoven Duets by Joe Procopio is a collection of duets that artist -composer Joe Procopio has adapted and arranged from the 9 Scherzi found in Ludwig van Beethoven's 9 Symphonies. These duets are the first of their kind in history making them noteworthy, unique and valuable. Each Scherzo is published not only for Flute but also for many other orchestral instruments. They are published individually for each instrument; in a Three Volume Collection with 3 Scherzi in each volume; and in a Complete Collection containing all three

volumes. They are also available as a CD. Volume One has Scherzo No.1, Scherzo No. 2 and Scherzo No.3. Volume Two has Scherzo No.4, Scherzo No 5 and Scherzo No.6. Volume Three has Scherzo No.7, Scherzo No.8 and Scherzo No.9. The Complete Collection has all 3 Volumes for each instrument with all 9 Scherzi. What's more they will soon be published in the Procopio PlayAlong Music Program. This is an exclusive MP3 music audio program personally designed and developed in which Player 1 plays along with a music audio track for Player 2. "To be sure, The Beethoven Scherzi Duets for Flute are a marvel of Beethoven's skill with sections reaching the sublime. It is my deep felt personal belief that these Scherzi will bring you great pleasure and long lasting satisfaction." Joe Procopio AN INTRODUCTION TO THE BEETHOVEN DUETS By Joe Procopio Because of the complexities, range and sonorities inherent in all of the Beethoven Symphonies, it may seem impossible to transcribe any one movement as a duet that is true to the composer. Nevertheless, I believe these duets contain the heart, soul and essence of Beethoven's melodies, rhythms and expressions; even though these works are tiny when they are compared to the Master's great musical creations which have no equal. In fact, there is no comparison. However, my sincere hope is that since I have rendered some of Beethoven's music as duets, his music is now more readily available to all permitting a greater number of musicians and all the people who hear their performances to come to know and love a bit of the world's most valuable, breathtaking and beautiful music. In truth, Beethoven's music has stood the test of time. He astonished people in his day whenever he performed his music or had his music played. He still does today. To be sure, his music has enhanced and enriched the lives of many of us for over 200 years. In performing and listening to these Scherzi you will find the whole of each work a marvel of Beethoven's skill with sections reaching the sublime. Few composers have been able to write down on paper music of such incredible beauty that it reflects the awesome splendor of God's creation. What comes to mind immediately is Beethoven's "Pastoral" Symphony No. 6. It has been said, that much of his music mirrors not only the magnificence of God's creation but also the radiance of God the Creator himself. In any event, this music is simply amazing and awe-inspiring. A joy to listen to and to play. I know and can safely say without any hesitation or reservations that this collection will bring you much enjoyment.

*Blocki Flute Method Book 1* Aug 01 2020 »Award-Winner of the National Flute Association's Newly Published Music Competition« The Blocki Flute Method Book 1 is an award-winning method designed to give beginners an excellent foundation in beautiful tone, embouchure flexibility, rhythm and technique. This comprehensive and step-by-step approach was written to ensure success and also includes theory and composition projects. The method is designed so students can play in both octaves without having to read the notes in both octaves. This is an incredibly important aspect of teaching beginners. The Blocki Flute Method's unique approach to teaching Five-Note patterns has proven to consistently help even the youngest students develop exceptional technical abilities. Five-note patterns are used as the foundation for teaching new notes, technique, moving between beat levels, simple transposition and fun and easy ear training. Because of the combination of a systematic approach to note reading, fun composition projects, ear training games, and basic theory, this book is also an excellent supplementary book for Suzuki students. As of August 2010: The Blocki Flute Method has been completely updated with the Third Edition. Listen to Samples Katelyn After One and a Half Years of Lessons - YouTube Video What's New in the Third Edition? After using the method for over 10 years, we knew which pieces the students loved and which one were just "okay." Anything that was just "okay" has been replaced with kid tested exciting pieces. There are many new duets and since students love trills we've included many more. These trills have transformed boring octave exercises into motivating pieces such as Half Pipe Stunts, Trampoline Tricks, and Bungee Jumping A's. Other new favorites include the Yankee Doodle Theme and Variations, The Sad Singing Swan, and the Daring Detective.
