Proceedings of the Unima International Conference on Social Sciences and Humanities (UNICSSH 2022) Dec 15 2021 This is an open access book. The Unima International Conference on Social Sciences and Humanity (UNICSSH) 2022 was conducted on October, 11th – 13th 2022, at The Grand Kawanua International City, Manado, North Sulawesi, Indonesia. In 2022, Universitas Negeri Manado will host the Indonesian National Education Convention (KONASPI) X. Konaspi is a routine activity of the PPTKN which is held once every four years. The fourth industrial revolution (4.0) is marked by technological advances and supported by artificial intelligence that creates opportunities and challenges for the education system. University and vocational school graduates are facing a world transformed by technology which in turn is transforming the workplace from task-based to human-centered characteristics. Certain skills such as critical thinking, emotional intelligence, problem-solving, cognitive flexibility, and knowledge production are required. To answer this demand, the education system must put revolutionary innovation on its agenda. Scholars, researchers, and practitioners are invited to share ideas, research results, and best practices about education, science, and technology now and in the future at an international conference held by Universitas Negeri Manado as part of the Indonesian National Education Convention (KONASPI). As part of KONASPI X activities, Universitas Negeri Manado is holding the 2022 International Conference on Education, Social Science, and Humanities (ICSSHum). The topics in this international conference are Education, Law, Politics and Social Sciences, Economics, Public Administration, and Humanities. Through these themes, it is expected to involve many professionals who have indirect roles in related fields. To enrich this event, the committee invites all national and international participants (including academics, researchers, professionals, and other relevant stakeholders) to send research papers or review papers to be presented at the conference.

Proceedings of the 9th International Conference on Education Research, and Innovation (ICERI 2021) Jan 04 2021 This is an open access book. The universe and society, both macro and micro, were created based on the laws of order which in principle have something in common. For example, the Milky Way solar system in which the center of the solar system is the sun, is surrounded by planets in its orbit. These planets, like Earth, are surrounded by their moons. It turns out that even very small objects such as atomic molecules have a circular model. The aims of research is to find these regularities to facilitate and improve the quality of life. The advancement of science and technology, sport, languages and arts are dedicated not only to facilitate the human life but also educate human being themselves. Arts is the highest achievement that contain values of life that highly respected by a nation. It can be said that arts are reflection of the civilization including moral, and vice versa; civilization as the representation of the advancement of moral, science, technology, cultures, languages, and arts by human being. The viruses that cause the Covid 19 pandemic are hard to anticipate. Everything must be changed. This means that it is necessary to strive for innovative methods to STRENGTHEN EDUCATIONAL RESEARCH AND INNOVATION BASED ON MORAL, SCIENCES, AND ART IN NEW ERA ICERI is an international conference that accomodates research and innovation in educational practices in various fields of study. For this reason, ICERI is held in conjunction with other international conferences that fall under the scope of educational practices. This includes INTERCOME which is a conference in music education, ICoPCoSE which is a conference on teacher education (the teaching practicum, industrial practicum, and students community service in education).

2017 Annual Competitiveness Analysis And Impact Of Exchange Rates On Foreign Direct Investment Inflows To Sub-national Economies Of Indonesia Apr 30 2023

Indonesia's diverse economic landscape and growing importance in the global and regional stages warrant deeper understanding of the economy at sub-national levels. This book by the Asia Competitiveness Institute (ACI) is an update of ACI's annual study of the competitiveness landscape of 34 Indonesian provinces. With 100 indicators covering four environments and 12 sub-environments of competitiveness, the study's unique methodology incorporates comparative strengths and weaknesses, and 'what-if' policy simulations aimed at policy suggestions for each province. This fifth instalment will continue to feature a structure and graphical presentation that offer investors an overview of each province's competitiveness landscape. A novel addition to this update is the chapter co-authored by academics from Indonesian provinces, which details recent developments in 34 provinces of Indonesia. This latest edition also introduces a novel approach of weights assignment in the form of Shapley values as a robustness test to our findings. Additionally, a new appendix has been included which provides a richer visual representation of each province's competitiveness profile. Finally, our study on the impact of exchange rates on foreign direct investment inflows to the provinces of Indonesia is also featured as a chapter in this book. Coupled with practical insights and policy implications, this book is a recommended read for policymakers, researchers, and the general audience interested in Indonesia's economic development.

Peraturan Menteri Pendidikan dan Kebudayaan, Republik Indonesia nomor 16 tahun 2017 tentang layanan informasi publik di lingkungan Kementerian Pendidikan dan Kebudayaan Mar 30 2023

Proceedings of the Annual Conference on Research, Educational Implementation, Social Studies and History (AREISSH 2021) May 27 2020 This is an open access book. The education sector during the Covid-19 Pandemic is currently undergoing a total reformation. The education process at schools and colleges which was carried out face-to-face has now turned into virtual face-to-face learning utilizing various platforms. Also, the Covid-19 Pandemic has impacted the research and development process in the field which must be delayed due to the risk of Covid-19 transmission. In regard to this, the educational process does not run optimally. In fact, education is the process of developing the future generation of a country that are supposed to supported by all parties while looking for solutions to the problems at hand. As part of social sciences, the objects of historical study include humans who are bound by the dimensions of space and time. This confirms that history is part of science that is tied to human life. Therefore, various policies taken by the government must also be reviewed from the past historical experience with adjustments to the conditions of the era. Moreover, historical experience will provide an idea that humans are always innovating to solve the problems they face, especially policies related to education and learning. Based on those problems, History Education Study Program of the Faculty of Social Sciences, Universitas Negeri Yogyakarta will hold an international conference on "Future Teaching and Learning: A Disruptive Innovation." The aim of the conference is providing a forum for exchanging information and finding solutions to learning and teaching problems in the current era of disruption, considering that the Covid-19 Pandemic has changed everything. This conference will seek solutions and innovations from various perspectives which include social, historical and educational perspectives.

Due to the COVID-19 pandemic, we took a model of an online organised event via Zoom. The theme of the 2nd ICOPE 2020 was "Exploring the New Era of Education", with various related topics including Science Education, Technology and Learning Innovation, Social and Humanities Education, Education Management, Early Childhood Education, Primary Education, Teacher Professional Development, Curriculum and Instructions, Assessment and Evaluation, and Environmental Education. This conference has invited academics, researchers, teachers, practitioners, and students worldwide to participate and exchange ideas, experiences, and research findings in the field of education to make a better, more efficient, and impactful teaching and learning. This conference was attended by 190 participants and 160 presenters. Four keynote papers were delivered at the conference; the first two papers were delivered by Prof Emeritus Stephen D. Krashen from the University of Southern California, the USA and Prof Dr Bujang Rahman, M.Si. from Universitas Lampung, Indonesia. The second two papers were presented by Prof Dr Habil Andrea Bencsik from the University of Pannonia, Hungary and Dr Hisham bin Dzakiria from Universiti Utara Malaysia, Malaysia. In addition, a total of 160 papers were also presented by registered presenters in the parallel sessions of the conference. The conference represents the efforts of many individuals. Coordination with the steering chairs was essential for the success of the conference. We sincerely appreciate their constant support and guidance. We would also like to express our gratitude to the organising committee members for putting much effort into ensuring the success of the day-to-day operation of the conference and the reviewers for their hard work in reviewing submissions. We also thank the four invited keynote speakers for sharing their insights. Finally, the conference would not be possible without the excellent papers contributed by authors. We thank all authors for their contributions and participation in the 2nd ICOPE 2020. We strongly believe that the 2nd ICOPE 2020 has provided a good forum for academics, researchers, teachers, practitioners, and students to address all aspects of education-related issues in the current educational situation. We feel honoured to serve the best recent scientific knowledge and development in education and hope that these proceedings will furnish scholars from all over the world with an excellent reference book. We also expect that the future ICOPE conference will be more successful and stimulating. Finally, it was with great pleasure that we had the opportunity to host such a conference.
