*The Locked Tomb Mystery* Oct 30 2020 Four classic stories by the New York Times–bestselling grandmaster of mystery, each paired with an incisive new introduction. A thriller writer is embroiled in a real-life whodunit when a friend drops dead with her hatpin impaled in his back. The violation of a sealed West Bank tomb, its rock walls intact, provides a Thebes investigator with a mystifying conundrum. Two sisters take shelter in a shuttered old house at the end of a country road...only to discover they're not alone. And the author's most beloved characters, Amelia Peabody and Radcliff Emerson, make an appearance in a newly uncovered tale with a witty nod to Sherlock Holmes. Settle in with this quartet of short stories—now available for the first time in a single volume—from one of the most popular mystery writers of all time. *The Locked Tomb Mystery and Other Stories* features a preface and introductions to each story by mystery authors Tasha Alexander, Juliet Blackwell, and Daniel Stashower, and Egyptologist Salima Ikram. Night Songs Jan 21 2020 A follow-up to the sensational -Keeping Secrets, - the book that launched the Mimi/Gianna series, -Night Songs- was a Lambda Literary Award finalist. From one alley to the next in the seamy underside of

our nation's capital, the city's top investigative newspaper reporter, Mimi Patterson, chases the disappearance of two prostitutes who were leading her to a potentially huge story. Police Lieutenant Gianna Maglione is fighting mad. The murders of six women have gone cold because Homicide and Vice detectives didn't recognize the truth that Gianna did: The murders were Hate Crimes and belonged to her Unit. Just because the women are prostitutes doesn't mean they're not victims of a hate crime: The crime of being female. Night time is the right time--for hatred and murder and for love and passion. For Mimi and Gianna. **The Impaled Bride** Dec 24 2022 My name is Erzsébet, Countess Dolingen of Gratz, and I am a vampire. I am also Vlad Dracula's one true love. For centuries, we shared a love that consumed us whole. But betrayal can turn the greatest of passions bitter in the hearts of lovers. In anger, he impaled me on an iron stake and left me to suffer in a mausoleum hidden from the world. Now, my mind wanders through the centuries, recalling the triumphs and defeats of my long life. From my childhood as the daughter of an Archwitch to my time as the wife of Vlad the Impaler that eventually resulted in my captivity, I remember all the triumphs and the failures. But what my

beloved doesn't know is that I am not yet defeated...

Hot on the Trail in Ancient Egypt Nov 30 2020 All twins Josh and Emma want to do is get out of the creepy Good Times Travel Agency where their little sister, Libby, has led them. But the peculiar shop owner encourages them to open one of his guidebooks first — and they suddenly find themselves transported to ancient Egypt! They've barely had time to figure out where they are before Josh is carried away to help build a pyramid for the king. Emma and Libby search everywhere for their brother — including a crowded market, a banquet and a temple — until, at last, they're reunited. But after an unlucky encounter with the king's guards, they're accused of being tomb robbers! Will the children manage to finish reading the entire guidebook — their only way back home — before they are arrested? In this re-issue from an award-winning and critically acclaimed series of graphic novels, Linda Bailey has crafted a hilarious adventure story that doubles as a thoroughly researched historical overview of ancient Egypt. The unique perspective of modern children experiencing and interacting with people and events from the past brings history to life, while the factual information, presented as pages from the guidebook, fleshes the story out. Many important themes of ancient Egyptian culture and life are touched on: politics and government, philosophy, women's roles, activities of daily life and celebrations. Bill Slavin's engaging and detailed

illustrations are full of physical comedy and fun. There's also a bibliography and three pages of further background about ancient Egypt.

**Precious Cargo** Aug 08 2021 Charlie Noble, former coast-guard-officer-turned-marine-PI, is back. This time, he is hot on the trail of a human trafficking scheme that begins in Mexico and ends in murder. Still reeling from the untimely death of his wife, Charlie begins to warm to the idea of a second chance at true love with new girlfriend Kate Sullivan. These plans are quickly derailed when boating friends Marvin and Angela Baynes come to him with a horrifying discovery - the body of an unidentified young woman impaled on the flukes of their boat anchor. The Bayneses themselves lost a child years ago. No stranger to loss, Charlie finds it impossible not to help them - even though it could mean putting his new romance in jeopardy. Charlie enlists a friend, Raven, a Native American salvage diver. Together, the pair plunge beneath the waters of Puget Sound to seek out any clues about the identity of the dead woman and how she wound up there. But they find more bodies instead - all young, all female, all Hispanic. Soon Charlie finds himself navigating a course that leads him through the choppy waters of transporting human cargo, and right into the seedy underworld of the Northwest's sex trade. With its fresh, nautical flavor, riveting mystery, and incredible depth of humanity, *Precious Cargo* is a winner from Clyde Ford that is truly unique - and compulsively readable.

**Sex and Punishment** Jun 18 2022 The "raging frenzy" of the sex drive, to use Plato's phrase, has always defied control. However, that's not to say that the Sumerians, Victorians, and every civilization in between and beyond have not tried, wielding their most formidable weapon: the law. At any given point in time, some forms of sex were condoned while others were punished mercilessly. Jump forward or backward a century or two (and often far less than that), and the harmless fun of one time period becomes the gravest crime in another. *Sex and Punishment* tells the story of the struggle throughout the millennia to regulate the most powerful engine of human behavior. Writer and lawyer Eric Berkowitz uses flesh-and-blood cases—much flesh and even more blood—to evoke the entire sweep of Western sex law, from the savage impalement of an ancient Mesopotamian adulteress to the imprisonment of Oscar Wilde in 1895 for "gross indecency." The cast of *Sex and Punishment* is as varied as the forms taken by human desire itself: royal mistresses, gay charioteers, medieval transvestites, lonely goat-lovers, prostitutes of all stripes, London rent boys. Each of them had forbidden sex, and each was judged—and justice, as Berkowitz shows, rarely had much to do with it. With the light touch of a natural storyteller, Berkowitz spins these tales and more, going behind closed doors to reveal the essential history of human desire.

*Cis Dideen Kat* Mar 15 2022 Winner of the 2013 Washington State Book Award in Poetry.

This book examines the Lake Babine Nation in north central British Columbia, considering its traditional legal order and the way that order determines the people's identity and the nature of their involvement in current treaty negotiations. Changing relations between the Natives and the Canadian state have resulted in a new awareness of customary legal orders. While such orders are often seen as a process by which the state can accommodate diverse approaches to judicial fairness and social justice, they also offer the means by which aboriginal nations can maintain their identity by sustaining a moral order in a viable, self-defined, and self-governed community. For the Lake Babine Nation, this moral order is defined by and lived through the feasting complex known as the bahlats, or potlatch system.

*Narrating Karma and Rebirth* Sep 09 2021 This book explores how multi-life stories served to construct, communicate, and challenge ideas about karma and rebirth within early South Asia.

**The Fifth Woman** Nov 23 2022 The mystery thriller series that inspired the Netflix crime drama *Young Wallander* • From the dean of Scandinavian noir, the sixth riveting installment in the internationally bestselling and universally acclaimed Kurt Wallander series. In an African convent, four nuns and a unidentified fifth woman are brutally murdered--the death of the unknown woman covered up by the local police. A year later in Sweden, Inspector Kurt Wallander is baffled and

appalled by two murders. Holger Eriksson, a retired car dealer and bird watcher, is impaled on sharpened bamboo poles in a ditch behind his secluded home, and the body of a missing florist is discovered--strangled and tied to a tree. The only clues Wallander has to go on are a skull, a diary, and a photo of three men. What ensues is a case that will test Wallander's strength and patience, because in order to discover the reason behind these murders, he will also need to uncover the elusive connection between these deaths and the earlier unsolved murder in Africa of the fifth woman.

**The Historian** Jan 01 2021 The record-breaking phenomenon from Elizabeth Kostova is a celebrated masterpiece that "refashioned the vampire myth into a compelling contemporary novel, a late-night page-turner" (San Francisco Chronicle). Breathtakingly suspenseful and beautifully written, *The Historian* is the story of a young woman plunged into a labyrinth where the secrets of her family's past connect to an inconceivable evil: the dark fifteenth-century reign of Vlad the Impaler and a time-defying pact that may have kept his awful work alive through the ages. The search for the truth becomes an adventure of monumental proportions, taking us from monasteries and dusty libraries to the capitals of Eastern Europe—in a feat of storytelling so rich, so hypnotic, so exciting that it has enthralled readers around the world. "Part thriller, part history, part romance...Kostova has a keen sense of storytelling and she has a marvelous tale to tell." —Baltimore Sun

[The Beloved of My Beloved](#) Mar 03 2021 Tattomed on a woman-sized tumour, these tales, told to it as bedtime stories, are by turns surreal, satiric, erotic, obscene, ingenious, hilarious, and quite, quite brilliant. Together, they combine to create a weird and wonderful love story, unlike anything told before.

**Guilty Males and Proud Females** Nov 11 2021 *Guilty Males and Proud Females* is the first complete study on the Bengali gajan festival dedicated to Dharmaraj, a village god in the Rarh region of Bengal. The gajan is the dramatic representation of an hierogamy--the marriage of a god and goddess--and a recreation of the life-cycle of earth. As Fabrizio M. Ferrari explains one of the most fascinating aspects of the gajan is its approach to gender. The central deity of the gajan is a goddess identified with the earth. To please such a goddess, male devotees must acknowledge the pain they inflict towards the female world and become "ritual women." Conversely, as part of the festival, women display their generative power and provoke the jealousy of men by ritually mocking conception and delivery. The outcome of the ritual is that their suffering is acknowledged and transformed into power. Much more than an ethnography of Bengali popular religion, *Guilty Males and Proud Females* contributes to new studies on gender transformation in the Bengal region and will be of interest to scholars of South Asian religions, folklore, and gender studies.

**The Sandcastle Girls** Feb 20 2020 NATIONAL BESTSELLER • From the bestselling author of *The Flight Attendant*, here is a sweeping historical love story that probes the depths of love, family, and secrets amid the Armenian Genocide during WWI. When Elizabeth Endicott arrives in Aleppo, Syria, she has a diploma from Mount Holyoke, a crash course in nursing, and

only the most basic grasp of the Armenian language. It's 1915, and Elizabeth has volunteered to help deliver food and medical aid to refugees of the Armenian Genocide during the First World War. There she meets Armen, a young Armenian engineer who has already lost his wife and infant daughter. After leaving Aleppo and traveling into Egypt to join the British Army, he begins to write Elizabeth letters, realizing that he has fallen in love with the wealthy young American. Years later, their American granddaughter, Laura, embarks on a journey back through her family's history, uncovering a story of love, loss—and a wrenching secret that has been buried for generations.

[Sexually Impaled By The Viking](#) Mar 27 2023 The evening before a raiding party leaves her village is more nerve-wracking than the raid itself for Wanda. That's partly because of the intensity of the celebrations being held in honor of the warriors, but also because she knows that she is coming of age, and in Norse culture that means she is to be claimed... This is an explicit erotic romance, with sex scenes including a dominant alpha viking dominating a woman.

**Primitive Love and Love-stories** Feb 02 2021 The book contains an anthropological and historical study on the subjects of love and marriage.

**Ice Shear** Jan 25 2023 A small town cop's murder investigation turns deadly when she uncovers a web of politics and drugs linked to

an outlaw motorcycle gang in this gripping debut suspense novel for fans of Winter's Bone, Frozen River, Breaking Bad, and Sons of Anarchy. As a cop on the night shift in Hopewell Falls, New York, June Lyons drives drunks home and picks up the donuts. A former FBI agent, she ditched the Bureau when her husband died, and now she and her young daughter are back in upstate New York, living with her father, the town's retired chief of police. When June discovers a young woman's body impaled on an ice shear in the frozen Mohawk River, news of the murder spreads fast; the dead girl was the daughter of a powerful local Congresswoman, and her troubled youth kept the gossips busy. Though June was born and raised in Hopewell Falls, the local police see her as an interloper—resentment that explodes in anger when the FBI arrive and deputize her to work on the murder investigation. But June may not find allies among the Feds. The agent heading the case is someone from her past—someone she isn't sure she can trust. As June digs deeper, an already fraught case turns red-hot when it leads to a notorious biker gang and a meth lab hidden in plain sight—and an unmistakable sign that the river murder won't be the last.

Impaled Apr 28 2023 There must be a new definition for surreal. Everyday action twisted into the fantastic. The line between the surreal and the Phantasmagoric is thin. You can get Impaled upon the narrowness of this line. Mr Gremillion uses the stories of seemingly unrelated characters which he deftly sketches to paint a mythology that he owns like a singer owns a song in the perfection of its delivery. I'll call it a novel. You might call it a collection of wildly colorful stories. It doesn't matter. Like Naked Lunch it can be begun or finished on any page. This novel is intensely cinematic. It uses every variation of the quick cut and the slow-mo cross fade and stretches ideas across visions and scenes. The use of dialogue and vignette create a collage of intricate dream visions examining love and sex and mythology and tantric subconscious inner twistations all portrayed in a chilling vision of the future which is upon us now. Gremillion's language is like chunky silk that takes the mind in directions unimagined like light glancing on a bullet. Imagine Verne, Lau Tsu and Voltaire twisted in a phantom reverie.

**Strong As Death Is Love: The Song of Songs, Ruth, Esther, Jonah, and Daniel, A Translation with Commentary** Mar 23 2020 "A pleasure to read. . . . Alter has given fresh life to some of the most beloved . . . books in our heritage."—Philadelphia Inquirer The Song of Songs; Ruth; Esther; Jonah; and Daniel offer readers a range of pleasures not usually associated with the Bible. As distant in time from the Five Books of Moses as Updike is from Shakespeare, these Late Biblical books are innovative, entertaining literary works. Women often stand center stage. The Song of Songs is a celebration of young love, frankly sensuous, with no reference to God or covenant. It offers some of the most beautiful love poems of the ancient world. The story of Queen Esther's shrewd triumph is also a secular entertainment, with clear traces of farce and sly sexual comedy. The character of Ruth embodies the virtues of loyalty, love, and charity in a

harmonious world. Enigma replaces harmony in Daniel's feverish night dreams. The apocalyptic strangeness of Daniel echoes in works from the New Testament's Book of Revelations to the lyrics of Bob Dylan. And Jonah, the tale of a giant fish who, on God's command, swallows the prophet and imprisons him in his dark wet innards for three days, ends with a question that lingers, unanswered, leaving the reader to ponder the many limitations of humankind. True Story of Dracula Sep 28 2020 What is True Story of Dracula about: It starts with Vlad the third and his story and how he wound up becoming Dracula. The plot of the book is a class from California travelling to Romania. To do some research for their exam on Dracula though it quickly changes from a research trip to a getaway trip.

**Impaled Upon a Thistle: Scotland since 1880** Apr 04 2021 Ewen Cameron explores the political debate between unionism, liberalism, socialism and nationalism, and the changing political relationship between Scotland and the United Kingdom. He sets Scottish experience alongside the Irish, Welsh and European, and considers British dimensions of historical change--involvement in two world wars, imperial growth and decline, for example - from a Scottish perspective. He relates political events to trends and movements in the economy, culture and society of the nation's regions--borders, lowlands, highlands, and islands. Underlying the history, and sometimes impelling its ambitions, are the evolution and

growth of national self-confidence and identity which fundamentally affected Scotland's destiny in the last century. Dr Cameron ends by considering how such forces may transform it in this one. Like the period it describes this book has politics at its heart. The recent upsurge of scholarship and publication, backed by the author's extensive primary research, underpin its vivid and well-paced narrative. Women in Early Medieval Europe, 400-1100 Feb 26 2023 This is a history of the early European middle ages through the eyes of women, combining the rich literature of women's history with original research in the context of mainstream history and traditional chronology. The book begins at the end of the Roman empire and ends with the start of the long eleventh century, when women and men set out to test the old frontiers of Europe. The book recreates the lives of ordinary women but also tells personal stories of individuals. Each chapter also questions an assumption of medieval historiography, and uses the few documents produced by women themselves, along with archaeological evidence, art, and the written records of medieval men, to tell of women, their experiences and ideas, and their relations with men. It covers the continent and its exotic edges, such as Iceland, Ireland, and Iberia; looking at women Christian and non-Christian alike.

**Boudica and Her Stories** Jan 13 2022 "This is the first book to concentrate exclusively on texts about Boudica and to cover the full

chronological range from the first surviving historical account by Tacitus in AD 98 to the triumphant conclusion of Manda Scott's series of novels in 2006. All our knowledge of the ancient British queen Boudica, and her ferocious yet ultimately unsuccessful rebellion against the Romans, is derived from a few accounts in ancient Greek and Latin. Yet they have inspired a flood of history, fictional narrative, drama, and poetry, and there is no indication that the process has ended. This study illuminates and celebrates the rich variety generated by the creative tensions between writers' knowledge and their individual tastes, beliefs, and political or artistic aims and considers whether Boudica's textual metamorphoses are without limits or variations on a distinctive theme bounded by a flexible yet enduring narrative pattern." --Book Jacket.

*The Filing Cabinet* Jun 25 2020 The history of how a deceptively ordinary piece of office furniture transformed our relationship with information The ubiquity of the filing cabinet in the twentieth-century office space, along with its noticeable absence of style, has obscured its transformative role in the histories of both information technology and work. In the first in-depth history of this neglected artifact, Craig Robertson explores how the filing cabinet profoundly shaped the way that information and data have been sorted, stored, retrieved, and used. Invented in the 1890s, the filing cabinet was a result of the nineteenth-century

faith in efficiency. Previously, paper records were arranged haphazardly: bound into books, stacked in piles, curled into slots, or impaled on spindles. The filing cabinet organized loose papers in tabbed folders that could be sorted alphanumerically, radically changing how people accessed, circulated, and structured information. Robertson's unconventional history of the origins of the information age posits the filing cabinet as an information storage container, an "automatic memory" machine that contributed to a new type of information labor privileging manual dexterity over mental deliberation. Gendered assumptions about women's nimble fingers helped to naturalize the changes that brought women into the workforce as low-level clerical workers. The filing cabinet emerges from this unexpected account as a sophisticated piece of information technology and a site of gendered labor that with its folders, files, and tabs continues to shape how we interact with information and data in today's digital world. *Circus Skills* Dec 12 2021 Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. You think you know her story. You've read the Brothers Grimm, you've watched the Disney cartoons, and you cheered as these virtuous women lived happily ever after. But real princesses didn't always get happy endings. Sure, plenty were graceful and benevolent leaders, but just as many were ruthless in their quest for power, and all of them had skeletons rattling in their majestic closets. Princess Stephanie von Hohenlohe was a Nazi spy. Empress Elisabeth of the Austro-Hungarian Empire slept wearing a mask of raw

veal. Princess Olga of Kiev slaughtered her way to sainthood. And Princess Lakshmibai waged war on the battlefield with her toddler strapped to her back.

*Heads Ripe for Plucking* Jul 07 2021 An Arab tyrant once infamously declared, "I see heads that are ripe for plucking." In Mahmoud Al-Wardani's novel of tyranny and oppression, an impaled head seeks solace in narrating similar woes it sustained in previous incarnations. Beheadings, both literal and metaphorical torture, murder, decapitation, brainwashing, losing one's head are the subject of the six stories that unfold. The narrative takes us from the most archetypal beheading in Arabo-Islamic history, that of al-Husayn, the grandson of the Prophet Muhammad, via a crime passionel, the torture of Communists in Nasser's prisons, the meanderings of a Cairene teenager unwittingly caught in the bread riots of 1977, a body dismembered in the 1991 Gulf War, and a bloodless beheading on the eve of the new millennium, into a dystopic future where heads are periodically severed to undergo maintenance and downloading of programs.

**Gopallapuram** Feb 14 2022 A highway robber murders a pregnant young woman for her jewellery. He is caught and sentenced to death by impalement in Gopallapuram. A community of Telugu speakers migrates to the Tamil country to escape Muslim rule. They transform a barren land, turning it into a fertile, verdant village. A horde of bandits attempts to raid a village but is foiled by the unarmed, inventive

villagers. Winner of the Sahitya Akademi Awards, Ki. Rajanarayanan weaves legend, myth, history and good old-fashioned storytelling in this wonderful contemporary classic.

**Tsarina** Aug 20 2022 "Makes Game of Thrones look like a nursery rhyme." —Daisy Goodwin, New York Times bestselling author of *The Fortune Hunter* "[Alpsten] recounts this remarkable woman's colourful life and times." —Count Nikolai Tolstoy, historian and author *Before there was Catherine the Great, there was Catherine Alexeyevna: the first woman to rule Russia in her own right.* Ellen Alpsten's rich, sweeping debut novel is the story of her rise to power. St. Petersburg, 1725. Peter the Great lies dying in his magnificent Winter Palace. The weakness and treachery of his only son has driven his father to an appalling act of cruelty and left the empire without an heir. Russia risks falling into chaos. Into the void steps the woman who has been by his side for decades: his second wife, Catherine Alexeyevna, as ambitious, ruthless and passionate as Peter himself. Born into devastating poverty, Catherine used her extraordinary beauty and shrewd intelligence to ingratiate herself with Peter's powerful generals, finally seducing the Tsar himself. But even amongst the splendor and opulence of her new life—the lavish feasts, glittering jewels, and candle-lit hours in Peter's bedchamber—she knows the peril of her position. Peter's attentions are fickle and his rages powerful; his first wife is condemned to a

prison cell, her lover impaled alive in Red Square. And now Catherine faces the ultimate test: can she keep the Tsar's death a secret as she plays a lethal game to destroy her enemies and take the Crown for herself? From the sensuous pleasures of a decadent aristocracy, to the incense-filled rites of the Orthodox Church and the terror of Peter's torture chambers, the intoxicating and dangerous world of Imperial Russia is brought to vivid life. Tsarina is the story of one remarkable woman whose bid for power would transform the Russian Empire.

**Cis Dideen Kat - When the Plumes Rise** Apr 16 2022 This book, the first to be written about the Lake Babine Nation in north-central British Columbia, examines its traditional legal order, self-identity, and their involvement in current treaty negotiations. Changing relations between the First Nations and the Canadian state have led to a new awareness of customary legal orders. These orders can help the state accommodate diverse approaches to judicial fairness and social justice, and offer a way for Aboriginal nations to maintain their identity and moral order.

**Vampire History and Lore** Aug 28 2020 Throughout history vampires have been viewed as hideously repellant, strikingly attractive, dangerously evil, and piteously gloomy. This title explores vampire beliefs from the blood sucking beasts of ancient times to the immortal teen heartthrobs of the twenty-first century. *Summer School* Jun 06 2021 Desperately

wanting to get away from home for the summer, Dori Hammond, talks her father into sending her to a summer riding school. However, she quickly learns that this is not a traditional riding school, and its unusual training methods are cause for alarm. However, having signed the required contract, she and the other students are obliged to submit to a rigorous training regimen. Unbeknownst to them, they'll be methodically transformed into human ponies. Headmistress Wright and Headmaster Boswick employ mechanical horses, strict restraint, suspensions, impalement, and the resources of the farm's deepest cellars. Their female students quickly learn what a horse's life is really like and that misconduct will lead to severe punishment. Riding, as the girls discover, is more than taking a pony around the ring. As Head Master Boswick says, "You can't learn to ride until you've been ridden." Though the girls may resist the humiliating treatment, they often experience an overwhelming sexual satisfaction in the pleasure and pain they are forced to suffer. Not all the students are at the school voluntarily. Many are spoiled and unruly young women sent there by their wealthy parents. One unlucky German girl, Lucy, is kidnapped on an overnight train and sent to the school, the abduction arranged for by her Dutch boyfriend. Dori and her fellow students are subjected to discipline and training from both the male and female staff. For those who resist, there is the dairy barn where the girls are

turned into human cows. And for those incorrigible young females who fail in equine training and in the dairy barn, there is the lowly squalor of the Hog Farm, where they are good for nothing but sexual sport. For Dori and the others, it becomes clear long before the end of the story that their lives will be transformed forever, in ways they never imagined.

**Stratton's War** Apr 23 2020 London, June 1940. When the body of silent screen star Mabel Morgan is found impaled on railings in Fitzrovia, the coroner rules her death as suicide, but DI Ted Stratton of the CID is not convinced. Despite opposition from his superiors, he investigates, and suspects that one of Soho's most notorious gangsters may be involved."
