Tracing the history of tragedy and comedy from their earliest beginnings to the present, this book offers readers an exceptional study of the development of both genres, grounded in analysis of landmark plays and their context. It argues that sacrifice is central to both genres, and demonstrates how it provides a key to understanding the grand sweep of Western drama. For students of literature and drama the volume serves as an accessible companion to over two millennia of drama organised by period, and reveals how sacrifice represents a through-line running from classical drama to today's reality TV and blockbuster movies. Across the chapters devoted to each period, Day explores how the meanings of sacrifice change over time, but never quite disappear. He charts the influences of religion, social change and politics on the status and purposes of theatre in each period, and on the drama itself. But it is through a close study of key plays that he reveals the continuities centred around sacrifice that persist and which illuminate aspects of human psychology and social organisation. Among the many plays and events considered are Aeschylus' trilogy *The Oresteia*, Aristophanes' *Women at the Thesmophoria*, Menander's *The Bad-Tempered Man*, the spectacles of the Roman

Games, Seneca's *The Trojan Women*, Plautus's *The Rope*, the Cycle plays and *Everyman* from the Middle Ages, Shakespeare's *King Lear* and *A Midsummer Night's Dream*, Middleton's *The Revenger's Tragedy*, Jonson's *Every Man in His Humour*, Thomas Otway's *The Orphan*, William Wycherley's *The Country Wife*, Wilde's *A Woman of No Importance*, Beckett's *Waiting for Godot*, Tennessee Williams's *A Streetcar Named Desire*, Suzan-Lori Parks's *Topdog/Underdog*, Sarah Kane's *Blasted* and Charlotte Jones' *Humble Boy*. A conclusion examines the persistence of ideas of sacrifice in today's reality TV and blockbuster movies. Award-winning journalist Ruth Gruber's powerful account of a top-secret mission to rescue one thousand European refugees in the midst of World War II. In 1943, nearly one thousand European Jewish refugees from eighteen different countries were chosen by President Franklin Delano Roosevelt's administration to receive asylum in the United States. All they had to do was get there. Ruth Gruber, with the support of Secretary of the Interior Harold Ickes, volunteered to escort them on their secret route across the Atlantic from a port in Italy to a "safe haven" camp in Oswego, New York. The dangerous endeavor carried the threat of Nazi capture with each passing day. While on the ship, Gruber recorded the refugees' emotional stories and recounts them here in vivid detail, along with the aftermath of their arrival in the

US, which involved a fight for their right to stay after the war ended. The result is a poignant and engrossing true story of suffering under Nazi persecution and incredible courage in the face of overwhelming circumstances. In 1839, on the basis of a single mysterious fragment of bone from the other side of the world, the great English anatomist Richard Owen reached the conclusion that it came from an unknown gigantic flightless bird. Despite this being shortly before the time of Darwin and the great evolution debate, many initially thought Owen's claim preposterous. A huge new bird that couldn't fly? Like an Ostrich? Ridiculous! Owen's piece of bone is the starting point for Richard Wolfe's fascinating story of scientific intrigue and personality clashes in one of the nineteenth century's great natural history discoveries. The inspiration for the NBC TV series "Rise," starring Josh Radnor, Auli'i Cravalho, and Rosie Perez — the incredible and true story of an extraordinary drama teacher who has changed the lives of thousands of students and inspired a town. By the author of *The Last Temptation of Rick Pitino*. Why would the multimillionaire producer of *Cats*, *The Phantom of the Opera*, and *Miss Saigon* take his limo from Manhattan to the struggling former steel town of Levittown, Pennsylvania, to see a high school production of *Les Misérables*? To see the show performed by the astoundingly successful theater company at Harry S Truman High School, run by its legendary director, Lou Volpe. Broadway turns to Truman High when trying out

controversial shows such as *Rent* and *Spring Awakening* before they move on to high school theater programs across the nation. Volpe's students from this blue-collar town go on to become Emmy-winning producers, entertainment executives, newscasters, and community-theater founders. Michael Sokolove, a Levittown native and former student of Volpe's, chronicles the drama director's last school years and follows a group of student actors as they work through riveting dramas both on and off the stage. This is a story of an economically depressed but proud town finding hope in a gifted teacher and the magic of theater. In these intimate diaries, Hall chronicles the eight frenzied years between 1972 and 1980 when he conducted the historic move of the National Theatre from the Old Vic to the South Bank, and then triumphantly consolidated its position as the leading showcase for theatre in Britain. With remarkable candour Hall describes his relationship with Lord Olivier; with actors Paul Scofield, Ralph Richardson, Alec Guinness, John Gielgud, Albert Finney and Peggy Ashcroft; with playwrights Harold Pinter, John Osborne, Samuel Beckett, David Hare, Peter Shaffer and Howard Brenton; and with directors John Schlesinger, John Dexter, Bill Bryden, Christopher Morahan and Jonathan Miller. In his startlingly frank, incisive style, he creates sometimes affectionate, sometimes acid portraits of his friends and enemies, of great actors in rehearsal. In his foreword, Hall casts a critical eye over the state of British theatre today

and, through a discussion of politics and the arts in the eighties and nineties, contemplates its future. A major turning point of WWII: The incredible true story of Allied forces who held a strip of Italian beach against Nazi bombardment. The Battle of Anzio was among the most bloody of the World War II conflicts. T. R. Fehrenbach's accurate account stunningly depicts the reality of the Allied forces' fight for survival on an Italian beach as they stormed what Winston Churchill called the soft underbelly of the Axis powers. In one of the turning points of the war, the allies clung to a narrow strip of sand while German planes swooped in from above and artillery shells and mortar fire pounded them on the ground. This is a true and dramatic account of the battle from the perspective of a soldier and military historian, told with pride, compassion, and spirit. T. R. Fehrenbach's account of war needs no embellishing and brings you into the thick of the action. From Raina Telgemeier, the #1 New York Times bestselling, multiple Eisner Award-winning author of *Smile* and *Sisters!* Callie loves theater. And while she would totally try out for her middle school's production of *Moon over Mississippi*, she can't really sing. Instead she's the set designer for the drama department's stage crew, and this year she's determined to create a set worthy of Broadway on a middle-school budget. But how can she, when she doesn't know much about carpentry, ticket sales are down, and the crew members are having trouble working together? Not to

mention the onstage AND offstage drama that occurs once the actors are chosen. And when two cute brothers enter the picture, things get even crazier! This story "The Empress" is a fiction screenplay of a young girl born of a slave woman in a Royal Family. The story contains a message to the readers. The idea came to me through my imagination and desire to inspire others . I have four main motives behind this book. The first motive is to remind readers to believe in themselves and never look down on themselves no matter what they are told. I want to inspire them to dream big and pursue their purpose. Their purpose is found in the things they love to do and their natural talents, because doing what they love will make them feel meaningful and good about themselves. I believe a dream, no matter how big it is, will come true when the dreamer works for it. In addition, I would like this book to encourage others to embrace their gifts and potentials. My mentor "Alain Dadga" always says that a talent is not meant to be regarded as just a hobby. Instead, a talent should be treated as a gift that one has to offer the world. I am using my gift of turning my imaginations into writing to make the world a better place. Last but not the least, I want this book to prompt others not to be intimidated by their life circumstances; Including the situations that appear to be as big as a monster, because perseverance will always lead to victory. Abandoned by his parents and shunned from society, Vinegar Boy is certain he'll be adopted once Jesus removes the ugly

birthmark that scars his cheek. But when he carries the drugged vinegar wine to a crucifixion, he finds himself face to face with the only One who can heal his face. Is there still time for a miracle? A gripping story of a boy's dramatic encounter with Christ on the cross, this book is a classic work of fiction that has inspired thousands of Christians for decades. Newly repackaged classic is sure to be a hit with all kids and adults too. This account of the Battle of the Atlantic is told from the viewpoint of all the protagonists: Germany, USSR, USA, Canada and the UK. Packed with first-hand testimony from seamen and submariners, the author shows the real hardships faced. He also shows how the U-boat threat was countered and eventually defeated. Claire Randall is leading a double life. She has a husband in one century, and a lover in another... In 1945, Claire Randall, a former combat nurse, is back from the war and reunited with her husband on a second honeymoon—when she innocently touches a boulder in one of the ancient stone circles that dot the British Isles. Suddenly she is a Sassenach—an "outlander"—in a Scotland torn by war and raiding border clans in the year of our Lord...1743. Hurlled back in time by forces she cannot understand, Claire's destiny is soon inextricably intertwined with Clan MacKenzie and the forbidden Castle Leoch. She is catapulted without warning into the intrigues of lairds and spies that may threaten her life ...and shatter her heart. For here, James Fraser, a gallant young Scots warrior, shows her a passion

so fierce and a love so absolute that Claire becomes a woman torn between fidelity and desire...and between two vastly different men in two irreconcilable lives. On the day that he had planned to ask Jesus to heal him of a disfiguring birthmark, orphaned Vinegar Boy is caught up in the events surrounding Jesus' crucifixion. The best-loved building in Australia nearly didn't get off the drawing board. When it did, the lives of everyone involved in its construction were utterly changed: some for the better, many for the worse. Helen Pitt tells the stories of the people behind the magnificent white sails of the Sydney Opera House. From the famous conductor and state premier who conceived the project; to the two architects whose lives were so tragically intertwined; to the workers and engineers; to the people of Sydney, who were alternately beguiled and horrified as the drama unfolded over two decades. With access to diaries, letters, and classified records, as well as her own interviews with people involved in the project, Helen Pitt reveals the intimate back story of the building that turned Sydney into an international city. It is a tale worthy of Shakespeare himself. 'A drama-filled page turner' - Ita Buttrose AO OBE 'Helen Pitt tells us so much about the building of the Sydney Opera House we've never heard before' - Bob Carr, former Premier of NSW 'Australia in the seventies: mullets, platform shoes and, miraculously, the Opera House. At least we got one of them right. A great read.' - Amanda Keller, WSFM

A successful screenplay starts with an understanding of the fundamentals of dramatic story structure. In this practical introduction, Edward J. Fink condenses centuries of writing about dramatic theory into ten concise and readable chapters, providing the tools for building an engaging narrative and turning it into an agent-ready script. Fink devotes chapters to expanding on the six basic elements of drama from Aristotle's Poetics (plot, character, theme, dialogue, sound, and spectacle), the theory and structure of comedy,

as well as the concepts of unity, metaphor, style, universality, and catharsis. Key terms and discussion questions encourage readers to think through the components of compelling stories and put them into practice, and script formatting guidelines ensure your finished product looks polished and professional. Dramatic Story Structure is an essential resource not only for aspiring screenwriters, but also for experienced practitioners in need of a refresher on the building blocks of storytelling. Nicoll's History, which tells the story of English drama from the reopening of the theatres at the time of the Restoration right through to the end of the Victorian period, was viewed by Notes and Queries (1952) as 'a great work of exploration, a detailed guide to the untrodden acres of our dramatic history, hitherto largely ignored as barren and devoid of interest'.
