Human Rights Discourse in North Korea Jan 01 2021 This unique book examines the conceptual development of human rights in North Korea from historical, political and cultural perspectives. Dr Jiyoung Song explains how North Korea has understood the concepts of human rights in its public documents since its independence from Japan in 1945. Through active campaigns and international criticism, foreign governments and non-governmental organisations outside North Korea have made numerous allegations of human rights violations. On the other hand, the efforts to engage with North Korea in order to improve the human rights situation through humanitarian assistance and to understand how North Koreans interpret human rights are often overshadowed by "naming and shaming" and "push-until-it-collapses" approaches. Using close readings and analyses of the collected works of Kim Il Sung and Kim Jong Il, North Korea's official newspaper, Rodong Sinmun, as well interviews with North Korean defectors and diplomats in South Korea, China and Europe, Dr Song gives thought-provoking and highly debatable accounts for the historically post-colonial, politically Marxist and culturally Confucian elements of North Korean rights thinking. As a piece of research on a nation shrouded in mystery this book will be essential reading for anyone researching human rights issues, Asian politics and international relations.

Fair Play May 17 2022 AN INSTANT NEW YORK TIMES BESTSELLER • A REESE'S BOOK CLUB PICK Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh*t I Do List. Tired of being the "shefault" parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family—and then sent that list to her husband, asking for things to change. His response was...underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is Fair Play: a time- and anxiety-saving system that offers couples a completely new way to divvy up domestic responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With 4 easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, Fair Play helps you prioritize what's important to your family and who should take the lead on every chore, from laundry to homework to dinner. "Winning" this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space—the time to develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try Fair Play? Let's deal you in.

How to Keep House While Drowning Mar 23 2020 If you're tired of staring at the same mess every day, but struggling to find the time and willpower to clean it, you probably have a very good reason:

anxiety, fatigue, depression, ADHD, or lack of support. Designed by therapist KC Davis, this revolutionary method of cleaning and organizing helps end the stress-mess cycle. After KC Davis gave birth to her second child, she didn't fold a single piece of laundry for seven months. Between postpartum depression and ADHD, she felt numb and overwhelmed. She regained her sanity--and the functionality of her home--after one life-changing realization: You don't work for your home; your home works for you. In other words, messiness is not a moral failing. A new sense of calm washed over her as she let go of the shame-based messaging that interpreted a pile of dirty laundry as "I can never keep up" and a chaotic kitchen as "I'm a bad mother." Instead, she looked at unwashed clothes and thought, "I am alive," and at stacks of dishes and thought, "I cooked my family dinner three nights in a row." Building on this foundation of self-compassion, KC devised the powerful practical approach that has exploded in popularity through her TikTok account, @domesticblisters. The secret is to stop following perfectionist rules that don't make sense for you--like folding clothes that don't wrinkle anyway, or thinking that every room has to be clean at the same time--and to find creative solutions that accommodate your needs, pet peeves, daily rhythms, and attention span. Inside, you'll learn exactly how to customize your approach and rebuild your relationship with your home, including: -How to stop seeing care tasks as a reflection of your worth, but rather as kindnesses to your future self -How to use calming rituals to keep you from feeling overwhelmed when you look at a big mess -How to stagger tasks that are easy to procrastinate throughout the week and month -How to quickly transform a room from messy to fully functional through the "5 Things" tidying method, and other shortcuts requiring minimal energy Read this book to make home feel like a sanctuary again: where you can move with ease, where guilt, self-criticism, and endless checklists have no place, and where you always have permission to rest, even when things aren't finished.

Restroom Cleaning Log Mar 27 2023 Washroom hygiene is of the utmost importance to any organization; it is important to keep an inspection register in order to record and monitor who is responsible for supervision and cleaning. It also allows producing statistical reports to monitor hygiene and cleaning activities and minimize the potential spread of harmful bacteria. This constant reinforcement ensures that hygiene standards are complied. Bathroom Cleaning Log This Book is perfect to record and track the cleaning and restocking inventory. It helps to ensure that all the necessary tasks are done on time by documenting Date, Location, Refilling Soap, Cleaning Bathroom, Restocking Paper Towel, Empty Trash, Cleaned By and a column for Initials. It helps to maintain the accountability and track the work order after inspected by the Supervisor. Also, has room to write down Notes if necessary. This Paperback Restroom Record Book of 8.5 x 11 inch is comprised of 110 pages. This easy-to-use Logbook helps you to record all important data in a simple yet organized fashion and keep it safe for future use. It is purposefully designed to log the cleaning duties so you can use it as a Cleaning Log Book or a Cleaning Inspection Register Log Book. This washroom logbook is perfect for restaurants, hotels, health clubs, gyms, sports clubs, warehouses, schools, workplaces, daycare, shops, café, clinic, salon or public toilet etc. It helps to keep track cleaning schedule. It has columns to document Date, Location, Refilling Soap, Cleaning Bathroom, Restocking Paper Towel, Empty Trash, Notes, Cleaned by & its Initials and Supervisor & its Initials. Daily log sheet of 110 pages with Matt finish cover. White color interior.

Moral Disorder Nov 11 2021 Atwood triumphs with these dazzling, personal stories in her first collection since Wilderness Tips. In these ten interrelated stories Atwood traces the course of a life and also the lives intertwined with it, while evoking the drama and the humour that colour common experiences — the birth of a baby, divorce and remarriage, old age and death. With settings ranging from Toronto, northern Quebec, and rural Ontario, the stories begin in the present, as a couple no longer young situate themselves in a larger world no longer safe. Then the narrative goes back in time to the forties and moves chronologically forward toward the present. In “The Art of Cooking and Serving,” the twelve-year-old narrator does her best to accommodate the arrival of a baby sister. After she boldly declares her independence, we follow the narrator into young adulthood and then through a complex relationship. In “The Entities,” the story of two women haunted by the past unfolds. The magnificent last two stories reveal the heartbreaking old age of parents but circle back again to childhood, to complete the cycle. By turns funny, lyrical, incisive, tragic, earthy, shocking, and deeply personal, Moral Disorder displays Atwood's celebrated storytelling gifts and unmistakable style to their best advantage. This is vintage Atwood, writing at the height of her powers.

Agricultural Mechanics: Fundamentals & Applications Sep 28 2020 This trusted text provides a thorough introduction to agricultural mechanics, covering fundamental mechanical and engineering theory, common tools and materials, and a wide range of practical applications. Units explore essential topics such as career opportunities, shop orientation and procedures, woodworking and metal working, tool fitting, project planning, cutting and welding, paints and paint application, power mechanics, electrical wiring, plumbing, hydraulics, concrete and masonry, and agricultural structures. Safety is also emphasized strongly throughout the text, both within each chapter and in a dedicated unit. To engage today's students and make even complicated principles easier to apply, the text features abundant, full-color images, illustrations, charts, and data tables, as well as detailed drawings of over 50 complete project plans. More than 300 of these visuals have been added or updated for the Seventh Edition, which also includes updates to reflect the latest innovations in materials, machinery, and methods, providing a current and comprehensive guide to help students plan and execute agricultural projects effectively. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Weekly Duties - Responsibility Chart Jun 25 2020 If you're trying to organize your life, why not start with the house-work. That may sound boring, but a weekly checklist for house cleaning will save you time and effort. A weekly house cleaning chores checklist can help you to manage the work that needs done. If you place the list somewhere prominent it will remind you that certain tasks need to be completed, and you can mark them off as they are done. The rest of the family will get an idea of what work is needed, and will also be encouraged to contribute to the list. A clean and organized home will be a much more relaxing place to live, and you won't have to spend hours trying to make it that way.

The Infantry Adventures of Sgt William G. Altenhofen Apr 16 2022 This book about succeeding in a US Army infantry unit. The author was assigned to an infantry unit, despite a psychiatric evaluation that said he lost his temper very quickly and that it was uncontrollable. His first reaction was to get very angry, but he realized that was exactly what the psychiatrist said. He worried that he would get into a situation where he needed to be in control, but would lose it and cause one or more people to be injured because he was not thinking properly. However, he gained control and found that communicating calmly with his troops allowed him to accomplish more. The author hopes you enjoy reading this as much as he enjoyed living it.

Gqimm Shelele Apr 23 2020 As a young, soccer-mad boy living in rural KwaZulu-Natal, Robert Marawa listened to the commentary of local football derbies on a small, crackling FM radio. As a teenager, he spent hours practising his presenting skills on his family's home video recorder, reading from newspaper clippings his mother had carefully kept for him while he was at boarding school in Hilton. Marawa's dream was to be a sportscaster who would be beamed into the homes of South Africa's footballing fans. Robert Marawa's career has exceeded his wildest imagination.

'Madluphuthu' has become arguably South Africa's most popular and most recognisable sports broadcaster. With his quick turn of phrase, his baritone voice and his direct, no-nonsense approach, he has earned a loyal following on radio and television over the past two decades. In Gqimm Shelele, his signature sign-off phrase, Marawa shares his broadcasting journey from hosting World Cups and interviewing presidents to his multiple firings, controversial suspensions and what he believes are the political forces behind attempts to end his career. He confronts the cabal that has repeatedly driven him off air, the tabloid reports about his personal life and his multiple near-death experiences and health scares. With his trademark passion, Marawa addresses issues of transformation, sports administration, mentorship, political leadership and why Bafana Bafana keeps failing to win. He also shares his insights on what has made him a successful and popular radio and television broadcaster, giving a much-anticipated, behind-the-scenes look at his career.

Decisions and Orders of the National Labor Relations Board, Volume 334: May 16, 2001 Through August 21, 2001 Dec 12 2021 Includes the decisions and orders of the Board, a table of cases, and a cross reference index from the advance sheet numbers to the volume page numbers.

Hotels to Home Jun 06 2021 What if you could live the luxury hotel experience at home, every day? Hotels to Home answers that question by creating a new lifestyle template that bridges the gap between your fondest hotel memories and everyday living. Imagine stepping into your entryway with the eager anticipation as when entering your favorite hotel lobby, defining your family's hotel brand as a lifestyle strategy, finely orchestrating room service for your household, or celebrating the end of each day with personalized turndown service. Taking what might have once been considered ordinary homelife and making your address a highly coveted destination. Less memoir, more guidebook. Peek into the author's travel essays and enjoy prompts to excavate your own vacation preferences that reveal a holiday lifestyle at home. Welcome to the Hotels to Home lifestyle!

Moral Disorder: A Story Sep 09 2021 The author of such towering novels as *The Handmaid's Tale*, *The Blind Assassin*, and *Oryx and Crake*, Margaret Atwood creates worlds just as vividly in her short fiction. In the title story from her acclaimed collection of linked stories *Moral Disorder*, Margaret Atwood takes us to the farm. Newly arrived city slickers, like Nell and Tig, shouldn't have animals; a notion corroborated by the true farmers down the road: for them, livestock would mean dead stock. But Tig's two boys will be at the farm on weekends, and it would be good for them to know where their food comes from. First come the chickens, then the ducks; before Nell knows it the cows have arrived, too. And soon Nell finds herself becoming a different woman than she ever thought she might be. The New York Times notes that "The tremendous imaginative power of [Atwood's] fiction allows us to believe that anything is possible"—this applies as much to her fantastically imagined worlds as it does to the life of a family in the countryside. An eBook short.

Parliamentary Papers Nov 30 2020

[Moral Disorder and Other Stories](#) Oct 10 2021 From the #1 New York Times bestselling author of *The Handmaid's Tale* This brilliant collection of connected short stories strings together several decades of moments in the life of one woman—as an ambitious girl in the 1930s, as a young professional coming of age in the uncertain '50s and '60s, and as half of a couple growing old together. In a series of vividly evoked settings that span cities, backwoods, and farm country, we see this woman contending over time with an unstable sister, a married lover, aging parents, mystifying stepchildren, vulnerable farm animals, and her own changing self. By turns funny, lyrical, earthy, shocking, and deeply personal, *Moral Disorder* displays Margaret Atwood's celebrated storytelling gifts and unmistakable style to their best advantage.

Agricultural Mechanics Sep 21 2022 "Agricultural Mechanics: Fundamentals and Applications" is a newly expanded fourth edition text, providing the latest information in the diversified field of agricultural mechanics with instruction on basic mechanical skills and applications, as well as career opportunities in the profession. Topics covered range from tool identification and maintenance, small engines, electricity, and electronics, to construction and masonry. Readers will find the content presented in a logical, easy to follow format, allowing them to comprehend concepts for use in practical settings. Vividly portrayed illustrations complement this work with the most current full color photos, charts, and diagrams, reinforcing the book's fluid movement between the principles and application of modern agricultural mechanics. The comprehensive appendices also include extensive reference material, making "Agricultural Mechanics: Fundamentals and Applications" an invaluable industry resource guide.

Start Your Own Cleaning Service Feb 26 2023 If it can get dirty, chances are people will pay to have it cleaned. Houses, carpets, upholstery, windows . . . the list goes on and on. A vast majority of dual-income families use cleaning services, creating a huge market for cleaning service startups. Updated with the latest industry and market information, including the impact of technology and new specialty niches, this new edition provides eager entrepreneurs with all the information they need to become a squeaky-clean success. The experts at Entrepreneur share everything aspiring entrepreneurs need to know to start three of the most in-demand cleaning businesses: residential maid service, commercial janitorial service, and carpet/upholstery cleaning. Included are current statistics and trend forecasts, the ins and outs of finding customers, new ideas for hiring and training employees, up-to-date legal, tax, and insurance requirements, tips on avoiding common pitfalls, and surefire tips for growing a business. Other support includes answers to frequently asked questions and access to an appendix of additional resources and checklists to guide readers through each step of the startup process.

Type A Topics Feb 14 2022

The Island Feb 02 2021 The Island is somewhat fantasy, somewhat biographical. It is a tale I hoped I would not have to tell, but it became an enormous source of inspiration. Abigail Cagney dances her way through life in a most painful and disturbing waltz. She wants to remain hidden, derelict, out of everyone's reach because she feels unworthy. Everyone she sees knows her past. Everyone whispers about her around the watercooler. They point fingers, laugh, shake their heads in astonishment. She is the core of evil for her world. All she can do is imagine herself hidden and ignore the whispers. But they stay in the back of her mind. She must endure them as part of her punishment. She swings on her front porch and watches the world. She could be so happen among them. But no. She must keep her distance. She is dirty. She is vile. She is what is wrong with the world. In her mind. But within is a woman longing to be free, to join in the world she watches. She finds a man, someone interested in her as no man had been before. She allows him into her world and tries to stand halfway in his. But she cannot serve God and mammon. She cannot stand half in shadow and half in light. She must choose, but she refuses the choice. Until God strengthens His call for her soul. She finds a letter intended for another but left for her to find, part of the wisdom of her deceased mother. It speaks of things she has not given thought to in years—the Faith of her youth, the remains of her family. It tells her what she must do to find a better path, to step into the light she already half occupies. Even when she makes the choice to try, it could be too late. Her pain may be too strong. The obstacles might prove too mighty. But if she can find that mustard seed that moves mountains, anything will be possible. She journeys across the ocean into a world insane to her and foreign to many of her small town home. There she finds her only living relative, a bartender with accented wit, a cabby with giant features and a love of hamburger, a woman seeking a family and losing the pursuit, a mentor whose heart needs the precious love of children and will risk anything to save Abby. They all have lost something. They all need something. They've come to the right place. All will find what they need, alone with God, on The Island. The ocean is waiting.
