Think all CSP study guides are the same? Think again! With easy to understand lessons and practice test questions designed to maximize your score, you'll be ready. When it comes to the Certified Safety Professional Exam you don't want to waste time - and money! - having to study all over again because your score was too low.. You want to accelerate your education, not miss opportunities for starting your future career! Every year, thousands of people think that they are ready for the CSP exam, but realize too late when they get their score back that they were not ready at all. They weren't incapable, and they certainly did their best, but they simply weren't studying the right way. There are a variety of methods to prepare for the CSP Exam....and they get a variety of results. Trivium Test Preps Certified Safety Professional study guide provides the information, secrets, and confidence needed to get you the score you need - the first time around. Losing points on the CSP exam can cost you precious time, money, and effort that you shouldn't have to spend. What is in the book? In our CSP study guide, you get the most comprehensive review of all tested concepts. The subjects are easy to understand, and have fully-explained example questions to ensure that you master the material. Best of all, we show you how this information will be applied on the real exam; CSP practice questions are included so that you can know, without a doubt, that you are prepared. Our study guide is streamlined and concept-driven - not filled with excess junk, silly attempts at humor, or confusing filler - so you get better results through more effective study time. Why spend days or even weeks reading through meaningless junk, trying to sort out the helpful information

from the fluff? We give you everything you need to know in a concise, comprehensive, and effective package. ***Includes Practice Test Questions*** CHST Exam Secrets helps you ace the Construction Health and Safety Technician Exam, without weeks and months of endless studying. The growing concern over the number of accidental firearm shootings, especially those involving children, prompted passage of the initial handgun safety law which went into effect in 1994. The stated intent of the California Legislature in enacting the current FSC law is for persons who obtain firearms to have a basic familiarity with those firearms, including, but not limited to, the safe handling and storage of those firearms. The statutory authority for this program is contained in Penal Code sections 26840 and 31610 through 31700. These statutes mandate DOJ to develop, implement and maintain the FSC Program. Pursuant to Penal Code section 26840, a firearms dealer cannot deliver a firearm unless the person receiving the firearm presents a valid FSC, which is obtained by passing a written test on firearm safety. Prior to taking delivery of a firearm from a licensed firearms dealer, the purchaser/recipient must also successfully perform a safe handling demonstration with that firearm..
