Snow Men Aug 19 2021 Dave McClure is on a plane to Alaska in early winter, having quit his job with the FBI and turned his back on the world. It's been a year since the horrific accident that claimed his wife and son, and McClure is still unable to move beyond his grief. Remembering the joy he once shared with his wife on vacation in Alaska, he heads north... seeking solace and resolving to either put his painful past behind him or succumb to the unforgiving Alaskan wilderness. Instead, McClure finds a grisly scene in the forest—the body of a hunter whose throat has been cut ear to ear. And that's only the beginning. In *Snow Men*—equal parts international thriller and wilderness survival—McClure uncovers a cache of nuclear weapons and a Russian-Iranian plot to wipe the nation of Israel off the map. With only a hunting rifle, a pistol, and a few days worth of supplies, Dave McClure not only faces Russian Special Forces and the harsh reality of nature, but discovers a will to live he didn't know he still had. Spanning locales in Alaska, Paris, Amsterdam, Tel Aviv, Jerusalem, Thailand, and Washington, DC, *Snow Men* is a stunning thriller set against the pristine beauty of Alaska's rugged Wrangell-St. Elias wilderness.

Snow Treasure Mar 06 2023 Based on a true story, "Snow Treasure" is a tale of heroism set in Norway during World War II. This amazing book, continuously in print since 1942, tells how brave schoolchildren outwitted the invading Nazis. To keep their country's gold out of Nazi hands, the children sledded thirteen tons of gold bricks down the mountain to a waiting ship. The appearance of innocent winter fun fooled the Nazis, and the gold was taken safely to America. Beautiful illustrations perfectly capture the nostalgic tone and bring this thrilling adventure to life in an attractively priced gift edition."

Snow Country Jul 18 2021 This masterpiece from the Nobel Prize-winning author and acclaimed writer of *Thousand Cranes* is a powerful tale of wasted love set amid the desolate beauty of western Japan. • "Kawabata's novels are among the most affecting and original works of our time." —The New York Times Book Review At an isolated mountain hot spring, with snow blanketing every surface, Shimamura, a wealthy dilettante meets Komako, a lowly geisha. She gives herself to him fully and without remorse, despite knowing that their passion cannot last and that the affair can have only one outcome. In chronicling the course of this doomed romance, Kawabata has created a story for the ages—a stunning novel dense in implication and exalting in its sadness.

Snow Studies at the Cooperative Snow Research Project, Soda Springs, California; U.S. Weather Bureau, University of Nevada Cooperating Oct 01 2022

The Strange Case of the Broad Street Pump Jul 30 2022 Publisher description

Snow Bored May 04 2020 Bored when their practice hill gets buried in snow, Slam and his friends try snowboarding instead and blame Naomi for everything that goes wrong, but when Slam tries to make up with her by bringing a set of the bicycle snow tires his father devised, thing

Snow May 08 2023 *NATIONAL BESTSELLER* *SHORTLISTED FOR THE CWA HISTORICAL DAGGER AWARD* A Globe and Mail Best Book of the Year A New York Times Editors' Choice Pick "Banville sets up and then deftly demolishes the Agatha Christie format...superbly rich and sophisticated."—New York Times Book Review The incomparable Booker Prize winner's next great crime novel—the story of a family whose secrets resurface when a parish priest is found murdered in their ancestral home Detective Inspector St. John Strafford has been summoned to County Wexford to investigate a murder. A parish priest has been found dead in Ballyglass House, the family seat of the aristocratic, secretive Osborne family. The year is 1957 and the Catholic Church rules Ireland with an iron fist. Strafford—flinty, visibly Protestant and determined to identify the murderer—faces obstruction at every turn, from the heavily accumulating snow to the culture of silence in the tight-knit community he begins to investigate. As he delves further, he learns the Osbornes are not at all what they seem. And when his own deputy goes missing, Strafford must work to unravel the ever-expanding mystery before the community's secrets, like the snowfall itself, threaten to obliterate everything. Beautifully crafted, darkly evocative and pulsing with suspense, *Snow* is "the Irish master" (New Yorker) John Banville at his page-turning best. Don't miss John Banville's next novel, *April in Spain*!

Snow White Aug 07 2020 "Mirror, mirror on the wall, Who is the fairest of them all?" First Stories: *Snow White* is the perfect introduction, for young children, to this classic fairy tale. Push, pull and turn mechanisms bring the story to life and introduce all the main characters: Snow White, the dwarfs, the huntsman, the prince and of course the wicked queen. This well-loved fairy tale is beautifully imagined for a new generation by children's illustrator Dan Taylor. Also available: *Alice in Wonderland*

Attack of the Deranged Mutant Killer Monster Snow Goons Jan 04 2023 Online: gocomics.com/calvinandhobbes/

Snow! Snow! Snow! Dec 23 2021 Three animal friends wake up to discover that a big storm the night before has made the world a winter wonderland just ready for the perfect sledding day. Told in pleasingly spare text with vibrant watercolor illustration, *SNOW! SNOW! SNOW!* will enchant parents and children alike.

The Snow Tree Jun 28 2022 Celebrates the splendor of the natural world and the joy of friendship and sharing.

Wishing for Snow Apr 02 2020 A daughter's brave and beautiful tribute to a remarkable damaged soul . . . For novelist Minrose Gwin, growing up was a time of chaos and uncertainty, the result of? being raised by a parent with a serious mental illness. Life with poet Erin Taylor was unpredictable at best and painful at the worst times, as she spiraled ever deeper into psychosis until her eventual death from cancer. But reading her mother's childhood diary as an adult, Minrose encountered a very different Erin Taylor Clayton Pitner. Her late mother's words, written in the 1930s, revealed a cheerful, perceptive young girl growing up in rural Mississippi who wished for snow that "usually didn't come"—a girl with a bright view of the future as she progressed from college student to young mother to published poet, only to have an unbearable darkness close in around her, cruelly suffocating her hopes and dreams. In her poignant and extraordinary memoir *Wishing for Snow*, Minrose Gwin sets out to rediscover her mother in the poems, letters, newspaper clippings, and quixotic lists that Erin left behind after her death. The result is an unforgettable true story of a Southern family and the tragic figure at its center—and a loving daughter's determination to find the mother she never knew.

Dynamics of Snow and Ice Masses Mar 02 2020 *Dynamics of Snow and Ice Masses* gives an outline of snow and ice studies with an emphasis on essential properties and processes. The monograph also treats the dynamical aspects of snow and ice masses. The text covers topics such as the flow and temperature of ice sheets and shelves, the numerical modeling of ice-sheet changes; the structure of glaciers, the experimental creep behavior of ice, flow law of glacier ice, and advance and retreat of glaciers. Also covered are topics such as sea ice - the physics of its growth, drift, and decay; iceberg deterioration, sources, drift, and drift patterns; and freshwater ice growth, motion, and decay. The book is recommended as a textbook for graduate-level students of snow and ice studies and as reference for climatologists.

Snow Hens Nov 21 2021 The Loopy Coop hens are playing in the snow, building snow animals!

Snow Country Apr 26 2022 In the 87 issues of *Snow Country* published between 1988 and 1999, the reader can find the defining coverage of mountain resorts, ski technique and equipment, racing, cross-country touring, and the growing sport of snowboarding during a period of radical change. The award-winning magazine of mountain sports and living tracks the environmental impact of ski area development, and people moving to the mountains to work and live.

The Snow Bride Nov 02 2022 While journeying to Alaska to marry a man she met on the Internet, Jenna Walsh is kidnapped by Reed Kenner, a fellow passenger, who will do anything to prove that she is making the biggest mistake of her life.

Smilla's Sense of Snow May 16 2021 She thinks more highly of snow and ice than she does of love. She lives in a world of numbers, science and memories—a dark, exotic stranger in a strange land. And now Smilla Jaspersen is convinced she has uncovered a shattering crime... It happened in the Copenhagen snow. A six-year-old boy, a Greenlander like Smilla, fell to his death from the top of his apartment building. While the boy's body is still warm, the police pronounce his death an accident. But Smilla knows her young neighbor didn't fall from the roof on his own. Soon she is following a path of clues as clear to her as footsteps in the snow. For her dead neighbor, and for herself, she must embark on a harrowing journey of lies, revelation and violence that will take her back to the world of ice and snow from which she comes, where an explosive secret waits beneath the ice....

The Snow Walker Jun 16 2021 One morning in March 1888, twelve-year-old Milton Daub awoke to find the world buried in snow. The blizzard was like nothing Milton and his neighbors in the Bronx had ever seen. No one dared go out into the storm. No one, that is, except Milton. He and his father made a pair of snowshoes from barrel hoops and old roller skates. Then Milton stepped bravely into the storm to buy milk for his family. Soon he was buying supplies for everyone in the area. His neighbors declared him a hero. The Blizzard of 1888 set records in the Northeast that are still unbroken. It forced whole cities to shut down for days. But Milton didn't let the snow stop him from helping neighbors in need. His true story is both an exciting adventure and a

heartwarming glimpse of old New York.

Saint Peter's Snow Mar 26 2022

A Field Guide to Snow Feb 22 2022 People love snow. They love to ski and sled on it, snowshoe through it, and watch it fall from the sky. They love the way it blankets a landscape, making it look tranquil and beautiful. Few people, however, know how snow works. What makes it possible for us to slip and slide over, whether that's falling on sidewalks or skiing down a mountain? What makes it cling to branches and street signs? What qualities of snow lead to avalanches? In *A Field Guide to Snow*, veteran snow scientist Matthew Sturm answers those questions and more. Drawing on decades of study, he explains in clear and simple ways how and why snow works the way it does. The perfect companion a ski trip or a hike in the snowy woods, *A Field Guide to Snow* will give you a new appreciation for the science behind snow's beauty.

Whale Snow Apr 07 2023 As a mythical creature, the whale has been responsible for many transformations in the world. It is an enchanting being that humans have long felt a connection to. In the contemporary environmental imagination, whales are charismatic megafauna feeding our environmentalism and aspirations for a better and more sustainable future. Using multispecies ethnography, *Whale Snow* explores how everyday the relatedness of the Iñupiat of Arctic Alaska and the bowhead whale forms and transforms "the human" through their encounters with modernity. *Whale Snow* shows how the people live in the world that intersects with other beings, how these connections came into being, and, most importantly, how such intimate and intense relations help humans survive the social challenges incurred by climate change. In this time of ecological transition, exploring multispecies relatedness is crucial as it keeps social capacities to adapt relational, elastic, and resilient. In the Arctic, climate, culture, and human resilience are connected through bowhead whaling. In *Whale Snow* we see how climate change disrupts this ancient practice and, in the process, affects a vital expression of Indigenous sovereignty. Ultimately, though, this book offers a story of hope grounded in multispecies resilience.

The Snow Goose Dec 03 2022 Against the backdrop of World War II, friendship develops between a lonely crippled painter and a village girl, when together they minister to an injured snow goose.

The Snow Globe Family Sep 07 2020 Oh, when will it snow again? wonders the little family who lives in the snow globe. They long for a swirling snowstorm—if only someone in the big family would pick up the snow globe and give it a great big shake. Baby would love to. She alone notices the little family. She gazes longingly at their snowy little world, but the snow globe is up way too high for her to reach. Then, when a real snowstorm sends the big children outside sledding in the moonlight, Baby finds herself alone in the parlor. . . . Will the snow globe family at last get a chance to go sledding too? As readers follow the parallel adventures of both families, big and little, they will take special pleasure in the miniature world of the snow globe, where the skating pond is the size of a shiny quarter and a snowman is no bigger than a sugar cube.

A Species Guide for the Berryessa Snow Mountain Region Mar 14 2021 Tuleyome, a nonprofit conservation organization based in Woodland, California spearheaded the campaign to permanently protect the Berryessa Snow Mountain region which includes parts of Yolo, Lake, Napa, Mendocino and Solano Counties. Our efforts came to fruition when, on July 10, 2015, President Barack Obama signed the proclamation that designated the region as the Berryessa Snow Mountain National Monument. The monument is comprised of over 330,000 acres of federal public lands and includes the Cache Creek Wilderness, the Cedar Roughs Wilderness, and the Snow Mountain Wilderness. This species guide contains photographs and information on over 200 distinct species of plants and animals, but they still only comprise a tiny fraction of the flora and fauna found throughout the Berryessa Snow Mountain region. While the guide is not comprehensive, it provides an introduction to the diversity of life found in this rich area, including many common as well as threatened and endangered species.

Winter Wise Nov 09 2020 A man who has spent his professional life measuring the flow of northern rivers, climbed Alaska's Mount McKinley, was a member of both Yale University and Maine University's scientific expeditions to the Antarctic, guided a film crew documenting the late Robert Kennedy's ascent of Mount Kennedy, and crossed the St. Elias mountain range is certainly no stranger to the cold! In *Winter Wise*, Monty Alford shares a lifetime of experience, technique, and personal knowledge of surviving and travelling on ice and snow. In addition to describing the scientific characteristics of winter weather and how to prepare for it with proper clothing, food, and conditioning, *Winter Wise* provides step-by-step instructions on building every conceivable winter survival instrument, from sleds to shelters to his own personal invention, the YuCan stove. This book is an essential resource for all northern travellers.

Dream Teams May 28 2022 Award-winning entrepreneur and journalist Shane Snow reveals the counterintuitive reasons why so many partnerships and groups break down--and why some break through. The best teams are more than the sum of their parts, but why does collaboration so often fail to fulfill this promise? In *Dream Teams*, Snow takes us on an adventure through history, neuroscience, psychology, and business, exploring what separates groups that simply get by together from those that get better together. You'll learn: * How ragtag teams--from soccer clubs to startups to gangs of pirates--beat the odds throughout history. * Why DaimlerChrysler flopped while the Wu-Tang Clan succeeded, and the surprising factor behind most failed mergers, marriages, and partnerships. * What the Wright Brothers' daily arguments can teach us about group problem solving. * Pioneering women in law enforcement, unlikely civil rights collaborators, and underdog armies that did the incredible together. * The team players behind great social movements in history, and the science of becoming open-minded. Provocative and entertaining, *Dream Teams* is a landmark work that will change the way we think about people, progress, and collaboration.

Dirty Snow Jan 30 2020 Nineteen-year-old Frank Friedmaier lives in a country under occupation. Most people struggle to get by; Frank takes it easy in his mother's whorehouse, which caters to members of the occupying forces. But Frank is restless. He is a pimp, a thug, a petty thief, and, as *Dirty Snow* opens, he has just killed his first man. Through the unrelenting darkness and cold of an endless winter, Frank will pursue abjection until at last there is nowhere to go. Hans Koning has described *Dirty Snow* as "one of the very few novels to come out of German-occupied France that gets it exactly right." In a study of the criminal mind that is comparable to Jim Thompson's *The Killer Inside Me*, Simenon maps a no man's land of the spirit in which human nature is driven to destruction—and redemption, perhaps, as well—by forces beyond its control.

Snow Feb 10 2021 Explains what creates snow, where snow falls, and how weather can affect your life.

I Wish It Would Snow! Sep 19 2021 Let it snow! Let it snow! Let it snow! A little rabbit's wish comes true when the world becomes a winter wonderland in this witty, wistful picture book from the author of *Extraordinary Warren*. Winter has just begun, and one little bunny wants it to snow, hopes it will snow, and wishes it would snow. And, finally, the fluffy flakes begin to fall from the sky. First one flake at a time, then more and more until little bunny finds himself up to his ears in a blizzard and then—whoops!—he rolls downhill in a gigantic snow ball, right through the front door of his treehouse. Home and cozy at last, he wakes up next morning and ready to play outside with his forest friends. Sledding down a snowy hill, his frolicking comes to an abrupt halt when he hits the grass! Oh, no! Now there's not enough snow!

Walt Disney's Snow White and the Seven Dwarfs Oct 21 2021 This book retells the classic story of Snow White and the Seven Dwarfs and the equally compelling history of its making. It reunites a trove of its rare, surviving original conceptual and production art from the incomparable private collection of Stephen H. Ison. From the opening approach to the evil Queen's castle to the final awakening of Snow White with a kiss from her true love, each illustrated drawing freezes in time an image that had its momentary but indelible existence on the screen.

When It Starts to Snow Jun 04 2020 Various animals tell what they do and where they go when it starts to snow.

Snow Feb 05 2023 After years of lonely political exile, Turkish poet Ka returns to Istanbul to attend his mother's funeral and learns about a series of suicides among pious girls forbidden to wear headscarves.

Beluga Whales Dec 31 2019 "Provides information for young readers about beluga whales, including habitat, eating habits, mating, babies, and conservation"--Provided by publisher.

Winter is for Snow Apr 14 2021 Winter is for snowball fights, for sledding down the hills. Winter is for skating rinks and speedy, chilly thrills. In a rambunctious ode to everything winter, two siblings explore a snowy wonderland . . . and end up in the cozy warmth of family. Delve into Robert Neubecker's expressive and rejuvenating illustrations that celebrate snow and the coziness of friends and family at home. Only Robert Neubecker's magic touch could make kids love winter this much! Now available as a board book.

Snow, Snow Jan 12 2021 Jane Yolen's wintry, shivery poems are inspired by the stunning photographs of Jason Stemple, who has captured the images of snow in all its breathtaking beauty. After children enjoy these poems and pictures, they will look at snow in a different way --with their imaginations as well as your eyes.

Blood upon the Snow: A Mark East Mystery Jan 24 2022 The occupants of an isolated country estate are dying under mysterious circumstances. Detective Mark East, assisted by a pair of clever spinsters, conducts a gripping investigation. "Smooth handling by East — and the author." — Kirkus.

Snow Crash Dec 11 2020 The “brilliantly realized” (The New York Times Book Review) breakthrough novel from visionary author Neal Stephenson, a modern classic that predicted the metaverse and inspired generations of Silicon Valley innovators Hiro lives in a Los Angeles where franchises line the freeway as far as the eye can see. The only relief from the sea of logos is within the autonomous city-states, where law-abiding citizens don’t dare leave their mansions. Hiro delivers pizza to the mansions for a living, defending his pies from marauders when necessary with a matched set of samurai swords. His home is a shared 20 X 30 U-Store-It. He spends most of his time goggled in to the Metaverse, where his avatar is legendary. But in the club known as The Black Sun, his fellow hackers are being felled by a weird new drug called Snow Crash that reduces them to nothing more than a jittering cloud of bad digital karma (and IRL, a vegetative state). Investigating the Infocalypse leads Hiro all the way back to the beginning of language itself, with roots in an ancient Sumerian priesthood. He’ll be joined by Y.T., a fearless teenaged skateboard courier. Together, they must race to stop a shadowy virtual villain hell-bent on world domination.

Cover of Snow Aug 31 2022 WINNER OF THE MARY HIGGINS CLARK AWARD Jenny Milchman’s Cover of Snow is a remarkable debut, a gripping tale of suspense in the tradition of Gillian Flynn, Chris Bohjalian, and Nancy Pickard. Waking up one wintry morning in her old farmhouse nestled in the Adirondack Mountains of New York, Nora Hamilton instantly knows that something is wrong. When her fog of sleep clears, she finds her world is suddenly, irretrievably shattered: Her husband, Brendan, has committed suicide. The first few hours following Nora’s devastating discovery pass for her in a blur of numbness and disbelief. Then, a disturbing awareness slowly settles in: Brendan left no note and gave no indication that he was contemplating taking his own life. Why would a rock-solid police officer with unwavering affection for his wife, job, and quaint hometown suddenly choose to end it all? Having spent a lifetime avoiding hard truths, Nora must now start facing them. Unraveling her late husband’s final days, Nora searches for an explanation—but finds a bewildering resistance from Brendan’s best friend and partner, his fellow police officers, and his brittle mother. It quickly becomes clear to Nora that she is asking questions no one wants to answer. For beneath the soft cover of snow lies a powerful conspiracy that will stop at nothing to keep its presence unknown . . . and its darkest secrets hidden. Praise for Cover of Snow “Well-defined characters take us on an emotional roller-coaster ride through the darkest night, with blinding twists and occasionally fatal turns. This is a richly woven story that not only looks at the devastating effects of suicide but also examines life in a small town and explores the complexity of marriage. Fans of Nancy Pickard, Margaret Maron, and C. J. Box will be delighted to find this new author.”—Booklist (starred review) “Milchman reveals an intimate knowledge of the psychology of grief, along with a painterly gift for converting frozen feelings into scenes of a forbidding winter landscape.”—The New York Times “Milchman makes [readers] feel the chill right down to their bones and casts a particularly effective mood in this stylish thriller.”—Kirkus Reviews “Milchman tackles small-town angst where evil can simmer under the surface with a breathless energy and a feel for realistic characters.”—The Seattle Times “The plot unfolds at an excellent clip . . . ultimately rushing headlong to a series of startling revelations.”—San Francisco Journal of Books “Milchman expertly conveys Nora’s grief in a way that will warm hearts even in the dead of a Wedeskyull winter.”—Publishers Weekly (starred review)

Snow Leopards Jul 06 2020 Snow Leopards: Biodiversity of the World: Conservation from Genes to Landscapes is the only comprehensive work on the biology, behavior, and conservation status of the snow leopard, a species that has long been one of the least studied, and hence poorly understood, of the large cats. Breakthroughs in technologies and methodologies to study this elusive cat have come rapidly, including non-invasive genetics, camera traps, and GPS-satellite collaring. The book begins with chapters on the genetic standing and taxonomy of the snow leopard, followed by chapters on their behavior and ecology. Additional contributions follow on the current and emerging threats to the species, which include longstanding concerns, such as poaching and conflicts with livestock, and new and emerging threats such as mining and climate change. A section on conservation solutions, backed by valuable case studies, starts with an overview of the important role mountain communities play in assuring the snow leopard’s long-term persistence. In addition, chapters on the role of captive snow leopards for the conservation of the species, state-of-the-art techniques and technologies for studying and monitoring snow leopards, status reports from around the region, and future perspectives, such as transboundary conservation initiatives, international conventions (CITES, CMS, etc.), the role of the IUCN Cat Specialist Group and the Snow Leopard Network, and undertakings such as the Global Snow Leopard Forum facilitated by the World Bank are also included.
