Leadership 101 Jul 18 2021 Drawing from John Maxwell's bestsellers *Developing the Leader Within You*, *The 21 Irrefutable Laws of Leadership*, *The 21 Indispensable Qualities of a Leader*, and *Becoming a Person of Influence*, *Leadership 101* explores the timeless principles that have become Dr. Maxwell's trademark style. Maxwell focuses on essential and time-tested qualities necessary for true leadership -influence, integrity, attitude, vision, problem-solving, and self-discipline -and guides readers through practical steps to develop true leadership in their lives and the lives of others.

The ABC's of Motivational Supervision Aug 07 2020 All too often, companies promote their best worker/technician/salesperson into a supervisory position. The common misconception is that if you're good at doing something, you'll be good at managing or supervising others doing that same job. Doing a job and supervising others doing that job are two very different functions and require very different skills. So if you know of anyone who has been thrown into this very difficult situation (maybe your own supervisor?) this handbook gives them simple, yet very effective, ways to supervise and motivate employees.

The New Outreach Mar 26 2022 This is not a book about why people give; it is a guide for how to create outreach partnerships to provide better help more efficiently and responsibly. With text aided by practical worksheets, it explores the entire step-by-step process of outreach, from motivations and documentation of available resources, to focus on desired outcomes and alternative methods to achieve goals. Written in clear, concise language and illustrated by real-life stories of good and bad programs, the authors include evaluation techniques, bibliography, and index.

El ABC's de Liderazgo para Niños Nov 02 2022 ¿Puedes pensar en un mejor momento en la vida que el tiempo en el que uno tiene pocas preocupaciones y preocupaciones? ¿Los años de la infancia donde las decisiones son tomadas por mamás, papás, abuelos, tutores y muchos otros adultos para el bien común? Los años más impresionables son los años de la infancia. Estos son los años en los que los niños reúnen una gran cantidad de información y formulan sus impresiones y opiniones sobre muchos de los eventos de la vida. Estos eventos se convierten en lecciones, y estas lecciones dan forma a cómo los niños ven el mundo. Como adulto, he tenido la suerte de relacionarme con niños en varios países y comunidades. Nunca me decepciona su entusiasmo por la vida y por el aprendizaje. La inocencia en atreverse a intentar lo imposible y su comprensión de que a veces no siempre alcanzamos el éxito en el primer intento, es francamente refrescante. En el ABC de Liderazgo para Niños, tratamos de estimular el amor por el aprendizaje de rasgos y atributos de cuidado, compartir y liderazgo. Creemos que estos rasgos, una vez tejidos en la esencia del niño, hacen que los ciudadanos globales sean productivos. Los niños son la promesa de que el mundo debe continuar. Es nuestra esperanza que al leer los ABC con su persona especial, a su vez

descubrirá al "niño en usted".

Lecciones de liderazgo creativo Jun 28 2022 El CEO de Disney comparte las ideas y los valores que le han permitido reinventar una de las compañías más admiradas del mundo e inspirar a las personas que dan vida a la magia. Robert Iger se convirtió en CEO de la Walt Disney Company en 2005 durante un momento difícil para la empresa. La moral se había deteriorado, la competencia era intensa y la tecnología estaba cambiando más rápido que en cualquier otro momento de la historia. Su proyecto de futuro se basaba en tres ideas muy claras: renovar el compromiso con la importancia de la calidad, integrar la tecnología en lugar de luchar contra ella y pensar con ambición y con una visión global para convertir a Disney en una marca más fuerte en los mercados internacionales. Catorce años después, Disney es la compañía de medios más grande y respetada del mundo, y cuenta entre sus propiedades con Pixar, Marvel, Lucasfilm y 21st Century Fox. Con Robert Iger al frente, reconocido como uno de los CEO más innovadores y exitosos de nuestra era, el valor de la empresa se ha quintuplicado. En *Lecciones de liderazgo creativo*, Iger comparte las lecciones aprendidas al frente de Disney y de sus 200.000 empleados y explora los principios necesarios para un verdadero liderazgo, que son: Optimismo. Incluso ante las dificultades, un líder optimista encontrará el camino hacia el mejor resultado posible y se centrará en ello, en lugar de ceder ante el pesimismo y la culpa. Valentía. Los líderes deben estar dispuestos a correr riesgos y a hacer grandes apuestas. El miedo al fracaso destruye la creatividad. Decisión. Todas las decisiones, por complejas que parezcan, pueden tomarse de manera oportuna. La indecisión es un derroche y mina la moral. Equidad. Hay que tratar a las personas con decencia, empatía y ser accesible para ellas. Este libro muestra la inagotable curiosidad que ha impulsado a Iger durante cuarenta y cinco años, desde el día en que comenzó como humilde aprendiz en un estudio de la ABC. Y trata también de la consideración y el respeto, y la primacía de la dignidad sobre el dinero que ha sido fundamental en todos los proyectos impulsados por Iger, desde la profunda amistad con Steve Jobs en sus últimos años hasta el perdurable amor por la mitología de «Star Wars». Reseñas: «Cultivar la creatividad es más un arte que una habilidad, especialmente en una empresa que es sinónimo de creatividad. Y eso constituye un gran reto. Bob Iger no solo ha estado a la altura de noventa y seis años de una historia revolucionaria, sino que ha llevado la marca Disney mucho más allá de cualquier expectativa y lo ha hecho con audacia y con acierto. Este libro cuenta cómo lo ha logrado.» Steven Spielberg «Hemos esperado años a que Bob Iger compartiera sus secretos de liderazgo. Por fin lo ha hecho y son absolutamente brillantes. Lecciones de liderazgo creativo no son solo unas memorias, pues el libro ofrece la oportunidad de departir abiertamente con el CEO más clarividente, sino también son una guía imprescindible para afrontar los desafíos más relevantes de nuestra era: cómo impulsar el cambio, aprovechar la tecnología, construir una cultura duradera y empoderar a las personas. Una lectura apasionante y muy reveladora.» Daniel Coyle, autor de *Cuando las arañas tejen* juntas pueden atar a un león y *El pequeño libro del talento*

ABC of Clinical Professionalism May 28 2022 Clinical professionalism is a set of values, behaviours and relationships which underpins the public's trust in healthcare providers both as individuals and organisations. 'First, do no harm' is expressed most clearly today in the patient safety movement and the imperative for transparency and candour in the delivery of healthcare. Professional conduct is essential for safe and high quality clinical care. The ABC of Clinical Professionalism considers recent evidence on how healthcare practitioners maintain professionalism including how values are developed and affected by the working environment, the challenges of maintaining personal and organisational resilience and the ethical and regulatory framework in which practice is conducted. Topics covered include: Acquiring and developing professional values Patient-centred care Burnout and resilience Confidentiality and social media The culture of healthcare Ensuring patient safety Leadership and collaboration Ethical and legal aspects of professionalism Teaching and assessing professionalism Regulation of healthcare professionals The chapter authors come from a range of countries and have experience of working in multidisciplinary clinical teams, research, and in the training of future healthcare practitioners including their development as professionals.

The ABC's of Effective Leadership Nov 21 2021 The ABC's of Effective Leadership provides insights and practical tools that will enable those in leadership positions to improve their performance, accelerate process development, and succeed in a world that is constantly changing. It will help leaders bring out the best in people whether they work in corporations, educational institutions, government offices, small businesses, churches, or other not-for-profit groups. An effective leader is someone who stands out from the crowd, challenging the status quo, and doing the unexpected in search of new directions. They are catalysts for change by pushing the envelope and challenging others to think outside-the-box. Effective leaders are trustworthy individuals who lead by example and deliver on their promises. They treat people with respect and fairness. They get things done efficiently through their influence and are able to convey a compelling vision of the future. If you are ready to bring changes in attitude, creativity, buy-in, and commitment to your business, this book will benefit you. It follows a simple ABC format. Each letter of the alphabet is represented by two words. Each word, 52 in all, is presented as a weekly tip for improving effective leadership skills. Each weekly tip includes a brief narrative or story, a practical application, and a daily affirmation. For example, here are the affirmations from the sections for the letters A and B:

Acknowledgement-Everyone wants to feel important!- I acknowledge others and make them feel important to me by giving them the gifts of time and attention. Adversity-Struggle gives birth to progress!- I become better each day in every way by treating adversity in my life and others' as opportunities to grow in strength and wisdom. Become the change you wish to see!- I model effective leadership by becoming the change that I want to see in the world. Break Away from old thought patter

The Manager's Guide to Handling the Media in Crisis Sep 07 2020 Attracting media attention is surprisingly easy -- you just want it to be the right kind! If an event causes the phone to ring and TV cameras to appear in your lobby, you need confidence that the people who happen to be at your worksite that day are prepared. That's easy if everyone -- executives, PR, managers, and employees -- is familiar with Jim Lukaszewski's sure-fire methods for handling the media. James (Jim) Lukaszewski, America's Crisis Guru TM, is one of the most visible corporate go-to people for companies when there is trouble in the room or on the horizon. The Manager's Guide to Handling the Media in a Crisis: Doing and Saying the Right Thing When it Matters Most, shares with you the skills he has developed in 30+ years of helping companies in crisis management, employee communications, ethics, media relations, public affairs, reputation preservation, leadership restoration, and recovery. Jim speaks annually before a wide variety of local, statewide, national and international organizations and associations heard by thousands of each year -- and in this book, he is speaking directly to you. With this book as a guide, you will be able to: Create and deliver the message that best represents your organization. Understand what it takes to be an effective spokesperson. . Make sure everyone is aware of company policies and procedures relating to the press. . Be aware of the needs, deadlines, and priorities of reporters. . Prepare to give good answers to all sorts of questions. . Monitor social media, assess its impact. . Identify the ways social media could be used to attack your company. . Preserve company reputation amid a flurry of conflicting publicity. . Reading this book, you will see why, wherever there is or can be trouble and crisis, affected audiences and troubled leaders are waiting to learn the way out of their problems from Jim. The book is practical, easy to read, filled with real-world case studies, checklists, anecdotes, discussion questions, and easy-to-remember tips for success. ABC for Leaders Feb 22 2022 ABC for Leaders describes different sides of leadership through 26 simple yet powerful metaphors represented by each letter of the English alphabet. The main idea of the book is embodied in its form and structure: big concepts like leadership can be explained in a simple way. Anna Dvornikova shares her leadership findings that she made over the course of seven years in AIESEC, an international non-for-profit organization dedicated to development of young leaders. These easy-to-capture and hands-on observations will be useful to everyone who wants to become a better leader, seeks inspiration, and works with people and ideas.

ABC's of Cultural Understanding and Communication Dec 23 2021 This book is a valuable one for teacher educators and teacher education programs in the United States and Europe, since it is organized around numerous data sources. It contains national and international adaptations of the ABC's of Cultural Understanding and Communication. Authors for this book represent many languages and cultures and know, first hand, the socially constructed issues related to language, culture, and ethnicity. This book promises to make a significant contribution to preparing teachers to work with families and children. It should be read by all teacher educators as well as preservice and inservice teachers. In the new millennium teachers must redefine their responsibilities to ensure that ALL children have the opportunity to succeed. ABC's of Cultural Understanding and Communication: National and International Adaptations is a perfect place to start.

A Survey of Activity-Based Costing (ABC) Practices Within the Department of the Army Dec 31 2019 Activity-Based Costing (ABC) does not appear to have been as readily accepted within the Department of the Army as within private industry (Kehoe et al., 1995). Barely able to accomplish their missions at current resource levels, military resource managers know historically that identified efficiencies and savings often are translated into self-inflicted budget and manpower cuts. Yet, it is almost universally accepted that the benefits of using Activity-Based Costing are real and obtainable, but not yet worth the effort required with the perceived risk being taken. Current conventional wisdom is for Army Resource Managers to wait and see what benefits and fates come to those who pioneer ABC. The US Army Cost and Economic Analysis Center (CEAC) had been charged with the role of establishing policy for ABC within the Army. Wanting to base policy on successful applications, their first task is to define Army ABC, and then to find such initiatives from which to draw from. The purpose of this thesis is to find Activity-Based Costing practices within the US Army, and then to use them to discover the major dimensions of ABC in the Army environment. This research found that the home of Activity-Based Costing is in the Army Major Commands

and their subcommands. Within these commands there is much interest in ABC, but efforts are stymied by lack of policy and widespread knowledge of ABC principles. Training is perceived not as individual, but as an organizational need. Base Operations was identified as the area most suitable for ABC, while combat units the least. Overall ABC is generally considered to be a positive tool which can be employed to help leadership better manage their operations and resources.

V Is for Vulnerable Aug 19 2021 *V is for Vulnerable* by Seth Godin is a full-color ABC book for grown-ups, with a powerful message about doing great work. V is for Vulnerable looks and feels like a classic picture book. But it's not for kids, it's for hardworking adults. It highlights twenty-six of Seth Godin's principles about treating your work as a form of art, with illustrations by acclaimed cartoonist Hugh MacLeod. A sample: A is for Anxiety, which is experiencing failure in advance. Tell yourself enough vivid stories about the worst possible outcome and you'll soon come to believe them. Worry is not preparation, and anxiety doesn't make you better. F is for Feedback, which can be either a crutch or a weapon. Use it to make your work smaller, safer, and more likely to please everyone (and fail in the long run). Or use it as a lever to further push you to embrace what you fear and what you're capable of. This is unlike any previous Godin book and makes a great gift, both for loyal fans and those who've never read him before. Seth Godin is the author of thirteen international bestsellers that have changed the way people think about marketing, the ways ideas spread, leadership and change including Permission Marketing, Purple Cow, All Marketers are Liars, The Dip and Tribes. He is the CEO of Squidoo.com and a very popular lecturer. His blog, www.sethgodin.typepad.com, is the most influential business blog in the world, and consistently one of the 100 most popular blogs on any subject.

ABC of Clinical Leadership May 16 2021 The ABC of Clinical Leadership explores and develops the key principles of leadership and management. It outlines the scope of clinical leadership, emphasising its importance in the clinical context, especially for improving patient care and health outcomes in rapidly changing health systems and organisations. Using short illustrative case studies, the book takes a systematic approach to leadership of clinical services, systems and organisations; working with others and developing individual leadership skills. This second edition has been fully updated to reflect recent developments in the field, including current thinking in leadership theory, as well as a focus throughout on workforce development and working in multidisciplinary healthcare teams. International examples are used to reflect global practice and two new chapters on leading projects and followership have been added. Combining theory and practical clinical examples, and written by clinical educators with a wealth of experience of leadership in the clinical and educational environment, the ABC of Clinical Leadership is an ideal resource for all healthcare professionals, both during training and for continuing professional development.

Actitud 101 Jan 04 2023 Los grandes líderes comprenden que la actitud correcta brinda el ambiente adecuado que posibilita que los demás tengan las respuestas apropiadas. La actitud puede ser el éxito o la ruina suya y la de la gente que dirige. Las buenas actitudes no garantizan el éxito de un equipo, pero las malas actitudes sí garantizan su ruina. Así dice el afamado escritor y experto en liderazgo John C. Maxwell en este manual sumamente práctico, *Actitud 101*. Cualquiera que haya intentado dirigir personas con malas actitudes sabe la frustración que esto puede provocar. Con esta guía concisa y fácil de leer, usted aprenderá a dominar las cuestiones de la actitud. Aprenda a: Reconocer cómo las actitudes de los individuos influyen en su desempeño Señalar problemas de sentimientos, conductas y pensamientos en usted y en otros Identificar seis problemas comunes de actitudes que socavan el equipo de trabajo Descubrir el secreto de cambiar una mala actitud Crear nuevas definiciones de fracaso y triunfo que mejorarán su desempeño Adoptar la actitud que ayuda a un líder a pasar al siguiente nivel La actitud es contagiosa, ¡usted querrá asegurarse de que su equipo esté contagiándose de la actitud correcta!

The Monroe Doctrine Oct 21 2021 Leadership is the key to excellence. And leadership can be learned. Thank goodness, because many people who fall into managerial positions haven't the foggiest notion how to lead. They don't feel driven to attain the competencies of a boss--much less a great boss. Lorraine Monroe is a born leader. She caught the bug early, as secretary of the student council in the fourth grade at P.S. 157 in Central Harlem. She went on to found the Frederick Douglass Academy in Harlem, a remarkably successful and innovative public school, and became one of the most respected education reformers in

America. Now Monroe translates her extensive experience in New York City public schools into the "Monroe Doctrine" to show other education and business leaders how to create and maintain high-achieving organizations. The Monroe Doctrine offers readers concrete lessons in the craft of leadership. Its brief, catchy lessons and anecdotes will help potential leaders tap into their natural gifts and harness those gifts to lead seemingly by instinct. Monroe's personal story of conquering the most overwhelming challenges will inspire leaders of all types to try new ideas to enrich their lives and the lives of their organizations. With *The Monroe Doctrine* by their side, readers will be able to lead any organization--whether a hospital, a house of worship, a sorority, a family, a school, or a business--with renewed passion and results.

ABC for the PCC 5th Edition Jan 12 2021 This bestselling book has been fully revised and updated to take into account recent changes in canon law and secular law. The 5th Edition includes revisions to existing entries, and many new entries, such as data protection; the Alpha Course; the process of appointing Churchwardens and their legal duties; building regulations; the Pastoral Measure; Last Will and Testament, ... It also carries a new foreword by William Fittall, the Secretary General of the General Synod of the Church of England, a name that will resonate with PCC members. Since it was published in 1979, *An ABC for the PCC* has proved an invaluable source for parochial church councillors, churchwardens and clergy alike. It provides information and practical suggestions about the legal and spiritual duties and responsibilities of the PCC, with an emphasis on real partnership between clergy and laity.

Presidential Power: Documents Decoded Oct 09 2020 *Presidential Power: Documents Decoded* provides a thorough examination of the historical and political context of key, critical moments in constitutional history and presidential power that makes possible opportunities for students to explore American politics in an interesting, memorable, and dynamic way. Each of the case studies reveals important dimensions of the constitutional order in the United States—and enables readers to better grasp how executive power has shifted and expanded. The book takes specific events, people, institutions, or ideas and places them in a broader context so that readers can observe patterns and make connections among seemingly disparate happenings and concepts relating to executive power. Accompanied by explanatory sidebars, the included primary sources let students examine actual documentary evidence of key elements of executive power—for example, the presidential memorandum, the National Security cable, and the prisoner's petition—and reach their own judgment of the implications of that document for the American political system.

Liderazgo 101 Apr 07 2023 Tomado de los bestsellers de John Maxwell, *Liderazgo 101* explora los principios eternos que han pasado a ser parte del estilo del doctor Maxwell. En un estilo conciso y directo, Maxwell se concentra en las cualidades esenciales y probadas, necesarias para un verdadero liderazgo (influencia, integridad, actitud, visión, solución de problemas y autodisciplina) y guía al lector en los pasos necesarios para desarrollar un verdadero liderazgo en su vida y en la vida de otros.

ABC of Clinical Leadership Mar 14 2021 This new title in the ABC series is written by clinical educators involved in running leadership programmes for doctors and other healthcare professionals, and defines the scope of clinical leadership, emphasising its importance in the clinical context. It develops and explores the key principles of leadership and management, and outlines the main leadership theories that have influenced healthcare practice. Through the use of short illustrative case studies, the book considers the challenges and skills in leading multi-disciplinary health care teams as well as the key factors involved in the leadership and management of change both at an individual and organisational level. It explains the running of departments, units and practices and considers the healthcare system as part of wider social systems and structures. The ABC of Clinical Leadership is written with reference to the Medical Leadership Competency Framework - co-developed by the NHS and all UK Medical Royal Colleges - and considers a systematic approach to leading clinical services, strategic planning, and the management of people and resources. It also covers educational leadership, collaborative working and the importance of leading ethically and with integrity. The book concludes by asking the all important question - does leadership development make a difference?

The No. 1 Secret of Thriving Your Leadership Influence Nov 09 2020 High-impact speaking and presenting comes with various obstacles, and every so often, even the most experienced speakers and presenters find them challenging to overcome. As essential as communication skills might be, many people are still struggling to master it. This book provides an in-depth look at the typical issues surrounding this most sought-after leadership skill. It highlights the practice of a method that was developed by the author based on his numerous years of experience in the industry - the ABC Method. Each principle of the ABC Method; Aspiration, Behaviour, Connection; is by itself fundamental to the equation, and when combined, provides clarity and a clear sense of direction which eventually meets the expectations of the audience. The ABC Method is thoroughly explained in this book, and the author has included real-life examples of concerns and challenges pertaining to communication skills and how to individually address them. This, along with the

author's effective tips and techniques on how you can improve the skill, has proven to be useful in shaping successful speakers and presenters.

Lecciones de liderazgo creativo. Lecciones aprendidas como CEO de Walt Disney Company por 15 años / The Ride of a Lifetime Jun 04 2020 El CEO de Disney comparte las ideas y los valores que le han permitido transformar una empresa mágica. Robert Iger, CEO de The Walt Disney Company, comparte en este libro la visión que le ha permitido reinventar una de las empresas más populares del mundo e inspirar a las personas que dentro de ésta permiten hacer realidad la magia y los sueños de niños y adultos. Iger se incorporó a Disney en un momento difícil. Los cambios tecnológicos acelerados y la competencia más intensa que nunca habían minado la moral de la empresa. «Sabía que nada ganaríamos discutiendo sobre el pasado», escribe Iger. «Lo único que importaba era el futuro, y tenía una idea clara de la dirección que debía tomar Disney». Su visión tenía tres pilares: 1) Crear contenido de mayor calidad. 2) Abrazar y adoptar la tecnología en lugar de luchar contra ella. y 3) Convertir a Disney en una marca más fuerte en los mercados internacionales. Doce años después, Disney es la mayor y la más respetada compañía de medios del mundo, y cuenta entre sus empresas con Pixar, Marvel, Lucasfilm y 21st Century Fox. y su valor es casi cinco veces mayor que cuando Iger, reconocido como uno de los CEO más innovadores y exitosos de nuestro tiempo, se hizo cargo de ella. ENGLISH DESCRIPTION #1 NEW YORK TIMES BESTSELLER • A grand vision defined: The CEO of Disney, one of Time's most influential people of 2019, shares the ideas and values he embraced to reinvent one of the most beloved companies in the world and inspire the people who bring the magic to life. Robert Iger became CEO of The Walt Disney Company in 2005, during a difficult time. Competition was more intense than ever and technology was changing faster than at any time in the company's history. His vision came down to three clear ideas: Recommit to the concept that quality matters, embrace technology instead of fighting it, and think bigger—think global—and turn Disney into a stronger brand in international markets. Fourteen years later, Disney is the largest, most respected media company in the world, counting Pixar, Marvel, Lucasfilm, and 21st Century Fox among its properties. Its value is nearly five times what it was when Iger took over, and he is recognized as one of the most innovative and successful CEOs of our era. In *The Ride of a Lifetime*, Robert Iger shares the lessons he's learned while running Disney and leading its 200,000 employees, and he explores the principles that are necessary for true leadership, including: • Optimism. Even in the face of difficulty, an optimistic leader will find the path toward the best possible outcome and focus on that, rather than give in to pessimism and blaming. • Courage. Leaders have to be willing to take risks and place big bets. Fear of failure destroys creativity. • Decisiveness. All decisions, no matter how difficult, can be made on a timely basis. Indecisiveness is both wasteful and destructive to morale. • Fairness. Treat people decently, with empathy, and be accessible to them. This book is about the relentless curiosity that has driven Iger for forty-five years, since the day he started as the lowliest studio grunt at ABC. It's also about thoughtfulness and respect, and a decency-over-dollars approach that has become the bedrock of every project and partnership Iger pursues, from a deep friendship with Steve Jobs in his final years to an abiding love of the Star Wars mythology. "The ideas in this book strike me as universal" Iger writes. "Not just to the aspiring CEOs of the world, but to anyone wanting to feel less fearful, more confidently themselves, as they navigate their professional and even personal lives."

Liderazgo Mar 06 2023 Este libro incluye materiales que, en el estilo de Maxwell, han ayudado a muchos lectores a alcanzar su potencial en cualquier etapa de su carrera. Puede ser considerado como un curso intensivo sobre los fundamentos de liderazgo o como una herramienta práctica para afilar los fundamentos básicos que todo profesional necesita sobre actitud, autosuperación, liderazgo, relaciones, éxito, trabajo en equipo, capacitación y mentoría.

ABC's of Leadership Jun 16 2021 This book is about 26 characteristics that have been proven to assist people in becoming better leaders. Too often leaders are leaders in title or position and not in reality. Many people in leadership positions continue to be a manager. The real budding leader is in the process of mastering the art of influence. These characteristics added to his/her ability to influence will only enhance their leadership ability, but also ease the leaders role in influencing others.

The ABC's of Business Sep 19 2021 THE RULES OF BUSINESS SUCCESS DON'T NEED TO BE COMPLICATED... ..just straightforward and easy to follow. These snippets of success are taken from Tony

Falkenstein's many years of highs and lows of business, and offer astounding insights into a career founded on common sense, bravery and smart thinking. A deceptively simple handbook for entrepreneurs. A highly readable set of insights from and into the mind of an entrepreneur and leader. This book delivers a pep talk spiced with insights from his own business highs and lows. I recommend re-reading a section every 21 days ("H is for Habit"). The wisdom espoused is valuable, usable, and timeless. --Dr. Graeme Camp, University of Auckland Business School
