The Mating Power (Dragon Fights 1) Nov 30 2022 [Siren Classic ManLove: Paranormal, Fantasy, Shape-shifter, Gay/Alternative, Action, Suspense, Contemporary, MM, HEA] Zack never mooned over the dragons as powerful celebrities the way most humans do. He ' s not a pure redhead the dragons tend to like, but he's not interested in becoming a dragon lover anyway. A group of dragons might not give him a choice. A handsome dragon comes to Zack's rescue, pulling him out of the arms of his attackers, and making Zack reconsider his position on dragons. Tory, the dragon with those gorgeous green eyes, stirs something inside Zack that he never knew was there. Having a powerful male like that getting to his knees and proclaiming his love for Zack doesn't hurt either. Tory doesn't just want him for a lover, he believes Zack to be his true mate. Zack will join Tory in a dragon battle to get back at the devious dragon who tried to force himself onto Zack. He will give Tory his energy to fight the other male, and to win. Marcy Jacks is a Siren-exclusive author.

Zachary's Christmas Oct 30 2022 A failed North Polar expedition—dog sled teams are tough to find on short notice in Washington DC—and a Christmas model train display can change a life. Or maybe two lives. Anne Darlington ' s little

brother may be the President ' s Chief of Staff, but that fails to give her life any direction—which it is sorely lacking. Being the daughter of one of the South ' s leading families isn ' t helping either. Vice President Zachary Thomas fights battles of his own. His disaffected path drives him to fight for the future. Once he meets Anne, he finally knows why. But if the climate change conference doesn ' t finish him off, battling Anne ' s heart definitely will. [Can be read stand-alone or in series. We Will Not Die Here Nov 18 2021 In this redemption tale, an unlikely friendship offers a glimpse into the resilience of the human spirit. During the Battle of the Bulge in the frozen winter of 1944, Henry Gerald Briggs, a deserting American soldier, stumbles across the German soldier, Dieter Von Strauss, in an abandoned barn near the Ardennes Woods after fleeing their respective sides. Their learned hostility thaws into

an unlikely friendship as these men try not only to escape capture and the war, but to survive the fiercest winter Belgium had seen in years. Once inside the barbed wired fences of Buchenwald, Henry obtains a piece of paper containing information that could bring an end to the war in Europe. But in order to get it to his men, he ' ll have to escape the oppressive labour camp and face an army that would have him killed for desertion. Will he put the fate of the war before his own survival? Will a final act of redemption redeem an act of treason? In this grim but hopeful fiction, *We Will Not Die Here* reads like the memoir of Henry Gerald Briggs, a replacement assigned to Easy Company, one of the most revered companies of the Second World War. This gripping tale follows Henry and Dieter, from the snow-laden trees of the Ardennes to the soul-crushing conditions of one of Germany ' s most infamous labour camps, Buchenwald. This is a story of cowardice and bravery, of friendship and cruelty, and—ultimately—of the human spirit ' s will to survive.

mission into the wilderness to uncover it.

Release the Snyder Cut May 05 2023 We ' re currently in the golden age of superhero blockbusters. Movies like Black Panther, Wonder Woman, Joker, and Avengers: Endgame routinely break box office records and compete for Oscars. Yet, Zack Snyder's 2017 behemoth Justice League—a veritable sure bet at the Hollywood casino—tanked miserably, and the behind-the-scenes reasons for the movie's demise are fascinating. The true story behind Justice League ' s failure is only half of the juicy narrative, though. Snyder—who left the project months before filming concluded—still fans the flames that surround the rumor of a "Snyder Cut" of the film. This allegedly is the version of the story he wanted to tell before the studio, Warner Bros., pulled him off of the project. Hence, the "Snyder Cut." Pop-culture fans love a meaty mystery, and the controversy swirling around the lost Snyder Cut of Justice League has been captivating comic-book movie fans for years. Additionally, an army of passionate DC and Snyder fans are committed to getting the "Cut" released. They already have gone to incredible lengths to fight for the movie's opening, and have found strength, support, and charitable goals in their global "family" of Snyder Cut supporters. Their stories are remarkable, and the book is just as much about the dedicated fans who make up the Snyder Cut movement as it is about the unreleased film. Their efforts finally paid off with the recent announcement that Snyder's cut will be released in 2021 by Warner Bros. and HBO Max. Release the Snyder Cut tells the

entire story.

Zachary Ying and the Dragon Emperor Aug 04 2020 Percy Jackson meets Tristan Strong in this hilarious middle grade “ edge-of-your-seat adventure ” (James Ponti, New York Times bestselling author of City Spies) that follows a young boy as he journeys across China to seal the underworld shut and save the mortal realm. Zachary Ying never had many opportunities to learn about his Chinese heritage. His single mom was busy enough making sure they got by, and his schools never taught anything except Western history and myths. So Zack is woefully unprepared when he discovers he was born to host the spirit of the First Emperor of China for a vital mission: sealing the leaking portal to the Chinese underworld before the upcoming Ghost Month blows it wide open. The mission takes an immediate wrong turn when the First Emperor botches his attempt to possess Zack ’ s body and binds to Zack ’ s AR gaming headset instead, leading to a battle where Zack ’ s mom ’ s soul gets taken by demons. Now, with one of history ’ s most infamous tyrants yapping in his headset, Zack must journey across China to heist magical artifacts and defeat figures from history and myth, all while

learning to wield the emperor ' s incredible water dragon powers. And if Zack can ' t finish the mission in time, the spirits of the underworld will flood into the mortal realm, and he could lose his mom forever.

Obsolete Absolution Jan 09 2021 Obsolete Absolution is a creative fiction authored by Zack Meredith. In this book, readers will follow how four young warriors strengthen their

special gifts to face the ultimate battle. The story begins with an introduction of Tsuno, an outcast. The blood of the demon runs in his veins, and as he grew, apparent changes in his physicality became undeniable. The horns on his head signified the being inside him, as well as his increased senses, strength, and agility. These skills did not go unnoticed, for after saving a young boy from bandits, Tsuno was invited in The Academya highly regarded place for warriors and magic-users to hone their skills for the betterment of the world. At The Academy, Tsuno met Rose, a melee fighter with a nature spirit and an attitude, and a little girl named Riin, who is gifted with magic, but still learning to control it. A prince later enters the story leading his movement to put an end to the war between Angelics and Demons. Altogether, they train and put their skills to a test in dangerous missions, but the ultimate battle is yet to come. In a battle between Demons and Angelics, will they survive? The engaging and suspenseful conclusion awaits in *Obsolete Absolution*.

The Rodeo Southwest Jan 27 2020 Tom Lacey and Samuel Embers were outlaws who split from the Younger Brothers Gang. Their handles were the Nevada Kid and Smokey. After the robbery of the Kingston-Downey Express, they took honest jobs while seeking refuge at a prominent cattle ranch. Tom had been shot through the left thigh, and taking on honest jobs was the only way Smokey could get his partner back on his feet again without getting captured. When returning to the O ' Connor ranch from a cattle drive up

north, they had no idea their cover was revealed to the local sheriff. They were arrested, tried, and convicted to prison terms. Smokey was released after five years, but Tom Lacey (the Nevada Kid) had to stay an extra two for misbehavior. What got Nevada the two extra years was his stubbornness and his bad-boy attitude. It was his sour venom that got him in there in the first place—that along with his love, respect, and damned cursed weakness for beautiful women. In book 3 of the Southwest Series, the Nevada Kid and Smokey are released from prison. Nevada heads southwest and joins the Broken Arrow Ranch rodeo circuit to make some fast money, hoping to reach the goal he set for himself of buying a cattle ranch. What kind of trouble does he get into there with his new friend Recordina “Ricki,” the barrel racer? Who is cutting cinch straps, trying to cause a planned murder to look like an accident?

The American Dream and Contemporary Hollywood Cinema Oct 18 2021 While the myth of a classless America endures in the American Dream, the very stratification that it denies unfairly affects the majority of Americans. Study after study shows that it's increasingly difficult for working class people to achieve upward mobility in the US - so how does the American Dream continue to thrive? J. Emmett Winn shows us that the American Dream's continued glorification in contemporary Hollywood cinema should not be ignored. The book explicates three major themes surrounding the American Dream in contemporary Hollywood cinema and relates those findings to the United States' social and cultural changes in the last 25 years. Through his thoughtful analysis of films as diverse as Working Girl, Titanic, Pretty Woman, Flashdance, The Firm, Good Will Hunting, Saturday Night Fever, Wall Street and many others, Winn shows that contemporary Hollywood is very much in the business of keeping the Dream alive.

Liminal States Mar 30 2020 “ An awe-inspiring, helter-skelter journey through mind-blowing SF, western dime novel, noir mystery, and near-future dystopian horror ” (Publishers Weekly, starred review). The debut novel from Zack Parsons, editor of the Something Awful website and author of My Tank Is Fight!, is a mind-bending journey through time and genres. Beginning in 1874, with a blood-soaked western story of revenge, Liminal States follows a trio of characters through a 1950s noir detective story and twenty-first-century sci-fi horror. Their paths are tragically intertwined—and their choices have far-reaching consequences for the course of American history. It ’ s a remarkable mashup that “ somehow manages to become a cohesive, thought-provoking whole . . . There ’ s no way a novel with this many moving parts should hold together, but it does, and even readers initially daunted by the jumble will soon be glad to go wherever Parsons takes them ” (Publishers Weekly, starred review). “ Parsons ’ s debut is a tour-de-force, a justifiably showy demonstration of the author ’ s chameleon-like ability to write in several genres all at once, and it emerges as one of the scariest and bleakest tales I can remember. ” —Cory Doctorow

Making Choices Dec 08 2020 When Harlee finally made that hard choice, she knew that Grace would stand by her. Through the tears and the crying and the screaming in frustration, Grace always had been there. When a friendship turned into more, Harlee wasn't sure what to do. Should she run the risk of ruining a friendship she's had for 8 years just to try out a relationship? Does she take the chance when it could mean breaking up an 8 year team? A hard decision was an understatement but it was a choice she'd have to make. Zack Walker had been part of Harlee's band for what felt like forever. When he saw her relationship with Jake crumbling around her, all he wanted to do was jump in and save her from it all. After telling her that he'd spent his life waiting for her to be single, Harlee almost laughed him right out of the room. He'd had the typical rock star past full of one night stands and girlfriends who didn't mean much to him, but would she really hold all of that against him? When the right time came, he'd jumped at the chance to be with her, and

wasn't about to give it up. When Grace saw Zack and Harlee together, part of her questioned if it was right, the other part questioned what Jake would do when he found out. She had to put her feelings aside when her relationship was rekindled with Kevin, but would she be able to hide Harlee's new love from Jake? She had to hide a lot from Kevin and Jake, but she knew that there was that chance that Harlee was going to lose it all. When you have to make the hardest choice ever, it better be what you want. Living with the hard choices was easy if it was the right choice and the right man.
