Three Lines in a Circle Jul 20 2023 One line straight down. One line to the right. One line to the left, then a circle. That was all—just three lines in a circle. This bold picture book tells the story of the peace symbol—designed in 1958 by a London activist protesting nuclear weapons—and how it inspired people all over the world. Depicting the symbol's travels from peace marches and liberation movements to the end of apartheid and the fall of the Berlin Wall, *Three Lines in a Circle* offers a message of inspiration to today's children and adults who are working to create social change. An author's note provides historical background and a time line of late twentieth-century peace movements.

Superpower Jan 14 2023 Bestselling author and strategist Ian Bremmer argues that Washington's directionless foreign policy has become expensive and dangerous. Since the end of the Cold War, the U.S. has stumbled from crisis to crisis in Afghanistan, Iraq, Iran, Libya, Syria, and Ukraine with no clear strategy. Bremmer urges us to think more deeply about what sort of role America should play and how it should use its superpower status. He explores three competing options: • Independent America: America should no longer take responsibility for solving other people's problems, and instead should lead by example. • Moneyball America: Washington can't meet every international challenge, but we can and should focus on opportunities and defend U.S. interests where they're threatened. • Indispensable America: Only America can defend the values on which global stability increasingly depends. We will never live in a stable world while others are denied their most basic freedoms. There are sound arguments for and against each of these choices, but we must choose. Washington can no longer improvise a foreign policy without a lasting commitment to a coherent strategy.

Haikus for Jews Feb 03 2022 Why is this haiku book different from all other haiku books? For centuries, the Japanese haiku has been one of the world's most dazzling poetic forms. In just three short lines, it captures the sublime beauty of nature--the croak of the bullfrog, the buzzing of the dragonfly, the shriek of the cicada, the scream of the cormorant. Now, with *Haikus for Jews*, there is finally a collection that celebrates the many advantages of staying indoors. Inspired by ancient Zen teachings and timeless Jewish noodging, this masterful work is filled with insights that will make you exclaim, "Ah!" or at least "Oy!" Whether you are Jewish or you simply enjoy a good kosher haiku, these chai-kus (so called because of their high chutzpah content) are certain to amuse. What's more, with each poem limited to seventeen syllables, *Haikus for Jews* is perfect for people in a hurry. Find out why God has made these The Chosen Haikus.

Who's Looking Out for You? May 26 2021 From the mega-bestselling author of *The O'Reilly Factor* and *The No Spin Zone*, a no-holds-barred exposé of the people and institutions who are letting Americans down – and what we should do about it. Bill O'Reilly is mad as hell – and he's not going to let you take it anymore. In his most

powerful and personal book yet, this media powerhouse and unstoppable truth-teller takes on those individuals and institutions in American life who are failing in their duties – big-time. In his inimitable style, mixing wit, pugnacity, and plain common sense, O'Reilly kicks butt and takes (and also names) names – from crooked corporate weasels to venal politicians to lazy and/or politically correct bureaucrats to sexually predatory priests and the Church hierarchy that protects them to a media establishment rife with political bias and economically hooked on violence and smut. At the same time that he calls the famous and powerful to account, he dares to get personal, questioning just how much our closest friends, families, and lovers do look out for us, and delivering a powerful message about personal responsibility and self-reliance in an uncertain world. He forces us to ask just how much genuine altruism is left in a society that thrives on self-indulgence and ruthless competition. Who's Looking Out for You? is a book that boldly confronts our worst fears and biggest problems in a post-9/11, post-corporate-meltdown world. Its sage, candid advice on regaining control and trust in these troubled times will resonate with the millions of readers and viewers who have come to believe in Bill O'Reilly as the man who speaks for them.

The Explanation for Everything Aug 09 2022 As she did in the bestselling novel *A Friend of the Family*, Lauren Grodstein has written another provocative morality tale, this time dissecting the permeable line between faith and doubt. College professor Andy Waite is picking up the pieces of a shattered life. Between his research in evolutionary biology and caring for his young daughters, his days are reassuringly safe, if a bit lonely. But when Melissa Potter—charismatic, unpredictable, and devout—asks him to advise her study of intelligent design, he agrees. Suddenly, the world that Andy has fought to rebuild is rocked to its foundations. “A well-crafted story of wayward souls searching for forgiveness, healing and personal truth.” —Family Circle “Grodstein handles everything with a subtle wit, managing to skewer both the ultraconservative and the ultraliberal without making either seem absolutely wrong . . . Reminiscent of Carolyn Parkhurst’s *Dogs of Babel*.” —Booklist “Finding or losing God proves to be an equally destabilizing tectonic shift, and this novel is full of them . . . Their cumulative force will leave you happily unsteady, and moved.” —The Washington Post “A master storyteller . . . Tackles the tough topics: healing after loss, the relevance and possibility of the divine in our lives, the gilded shackles of academic life, and life in Southern New Jersey—all while always being terrifically entertaining.” —*Ben Schrank, author of *Love Is a Canoe* “Engrossing . . . You’ll likely close the book with a new perspective on faith, justice, mercy, and the difficulty of holding a moral high ground.” —Bust “A novel of ideas and a deeply felt story of love, loss, hope, and the healing powers of forgiveness . . . A provocative, moving story, and a beautifully written one.” —Dani Shapiro, author of *Devotion*

Reading Like a Writer Jul 08 2022 DIV In her entertaining and edifying New York Times bestseller, acclaimed author Francine Prose invites you to sit by her side and take a guided tour of the tools and tricks of the masters to discover why their work has endured. Written with passion, humour and wisdom, *Reading Like a Writer* will inspire readers to return to literature with a fresh eye and an eager heart – to take pleasure in the long and magnificent sentences of Philip Roth and the breathtaking paragraphs of Isaac Babel; to look to John le Carré for a lesson in how to advance plot through dialogue and to Flannery O'Connor for the cunning use of the telling detail; to be inspired by Emily Brontë's structural nuance and Charles Dickens's deceptively simple narrative techniques. Most importantly, Prose cautions readers to slow down and pay attention to words, the raw material out of which all literature is crafted, and reminds us that good writing comes out of good reading. /div

Happy for You Jan 02 2022 A NEW YORK TIMES BOOK REVIEW EDITORS' CHOICE NAMED A MOST ANTICIPATED BOOK OF 2022 BY GLAMOUR, ELECTRIC LIT, AND THE MILLIONS “Engrossing and clever . . . Stanford captures the allure, absurdity and menace of corporate spaces with wit and levity . . . Anyone who has resisted fitting neatly into an algorithm will find a companion in Evelyn, and in this book.” —The New York Times Book Review “The optimal novel for the strange times we find ourselves in.” —Rachel Khong, author of *Goodbye, Vitamin* A whip-smart, funny, affecting novel about a young woman who takes a job at a tech company looking to break into the “happiness market”—even as her own happiness feels more unknowable than ever Four years into writing her still-unfinished philosophy dissertation, and anticipating a marriage proposal from her long-term boyfriend, Evelyn Kominsky Kumamoto is wrestling with big questions about life: How can she do meaningful work in the world? Is she ready for marriage—and motherhood? But no one else around her seems to share her ambivalence. Her relentlessly optimistic, Midwestern boyfriend has no hesitation about making a lifelong commitment; her best friend, Sharky, seems to have wholeheartedly embraced his second-choice career as a trend forecaster; and her usually reserved father has thrown himself headlong into a new relationship—his first since her mother's passing when Evelyn was fourteen. Swallowing her doubts, Evelyn makes a leap, leaving academia for a job as a researcher at the third-most popular internet company, where her team is tasked with developing an app that will help users quantify and augment their happiness. Confronting Silicon Valley's norm-reinforcing algorithms and predominantly white culture, she struggles to find belonging: as a biracial person, as an Asian American, and as someone who doesn't know how to perform social media's vision of what womanhood should look like. As her misgivings mount, an unexpected development upends her assumptions about her future, and Evelyn embarks on a journey toward an authentic happiness all her own. Wry, touching, and sharply attuned to the ambivalence, atomization, and illusion of control that characterize modern life, *Happy for You* is a story of a young woman at a crossroads that movingly explores how, even in this mediated world, our emotions, contradictions, and vulnerabilities have a transformative power we could never predict.

A Species Guide for the Berryessa Snow Mountain Region Mar 04 2022 Tuleyome, a nonprofit conservation organization based in Woodland, California spearheaded the campaign to permanently protect the Berryessa Snow Mountain region which includes parts of Yolo, Lake, Napa, Mendocino and Solano Counties. Our efforts came to fruition when, on July 10, 2015, President Barack Obama signed the proclamation that designated the region as the Berryessa Snow Mountain National Monument. The monument is comprised of over 330,000 acres of federal public lands and includes the Cache Creek Wilderness, the Cedar Roughs Wilderness, and the Snow Mountain Wilderness. This species guide contains photographs and information on over 200 distinct species of plants and animals, but they still only comprise a tiny fraction of the flora and fauna found throughout the Berryessa Snow Mountain region. While the guide is not comprehensive, it provides an introduction to the diversity of life found in this rich area, including many common as well as threatened and endangered species.
