How to Raise Kind Kids How to Be Respectful Executive Presence: The Art of Commanding Respect Like a CEO The Respect Dare The 48 Laws of Power Let's Talk about Body Boundaries, Consent & Respect What If Everybody Did That? To Love, Honor, and Vacuum We Need to Respect Choices That Women Make. -Ann Romney Respect Trumps Harmony How You Can Command Respect and Be Loved for It Let's Talk about Body Boundaries, Consent and Respect Twelve Ways to Please and Keep Your Man B State Respect The Respectful Leader If It's Love You Want, Why Settle for (Just) Sex?*

Explains how couples can practice unconditional love and respect in their marriage based on Ephesians 5:33 and biblical and psychological research. Learn what motivates men and women. Men are motivated by the core emotional need of respect. Women are motivated by the core emotional need of love. These two make for a solid foundation in any relationship. There are still many good men in the world that want to be faithful, and remain in love with one woman. However, with the complexities surrounding today's relationships and dating scene and the distinct ideologies of today's women, treating a man with love and respect has subsided. There have been many women that want love and respect, but hold true to their principles of, "What are you going to do for me, first?" The confusion and trouble with relationships and marriage, makes it almost seem that no one believe in love, or is afraid to love because it makes them vulnerable. Thus, for those women that still believe in love and with one man, this book will help them keep their man happy, and stop other women from doing what they are not doing to get their man. Also, this book respectfully look at love from a woman's point of view, so they will not be doing essential things to keep their man, when their man is not deserving of such treatment. This book is specifically for women to get and keep men that have been good for them and who they want to remain in a committed relationship and marriage. Alternatively, it may also help those trying to convince old lovers they have change by using these TWELVE WAYS, to make changes that led to break ups or divorces. After writing 'I Want What They've Got' which gives a plan for all round self-improvement, I felt there was a need for a book which dealt more specifically with 'presence' and 'leadership', hence 'How You Can Command Respect And Be Loved For It' This book is for people who wish to become more assertive and more respected, and is full of exercises and tips to raise your social status. For example, in a conversation where you wish to impress, you probably agree a lot of the time which you know will generate rapport. If you disagree sometimes you will show that you have your own mind, and may stimulate more conversation. Agreement is compliance which generates rapport, disagreement generates status, careful balance is needed. People may bully you, using presuppositions to lower your status. Presuppositions are nasty put-downs which are hard to respond to quickly. Examples, 'You know you can't do it!' or 'Do you realize you're letting the team down?' This book examines presupposition patterns with many exercises and examples, enabling you to respond to them quickly and effectively. If you wish to speak to a busy person you risk being nervous, speaking too quickly and losing status. You can make them WANT to hear your words, also you can use this 'being busy' phenomena to YOUR advantage! This book is full of exercises, tips, eye openers and social dynamics to change your life for the better, for ever. An all-encompassing guide to help guys navigate sex, relationships and consent in the post-#MeToo world. The world has changed, and the revelations of the #MeToo movement have raised serious questions about how men are raised to understand their own sexuality and the concept of consent. Respect is an all-encompassing guide that sheds light on these issues and more, laying out how men should approach and understand sex and relationships in the 21st century. So instead of simply parroting lines about how they ought to behave, young men can gain a deeper understanding of how they ought to behave. In direct, approachable language, Inti Chavez-Perez delves into the meaning of topics from consent and relationships, to body image, to gender identity and sexual orientation among others, and does so without judgement. Respect is a book for guys to learn from and then go back to, telling you everything you should know and everything you would want to know. Women like to be treated in a certain way; they want to be treated with respect. A lot of men, in this culture are taught by movies and even friends to treat women like they are objects. This, however, is very wrong. Women are people just like us. God calls us to respect all people, especially women. We should also respect women because God respects women. We are all made in the image of God; so we are all equal. This book is a collection of our experiences in counseling and suggestions offered at different times to different women regarding their relationships. We are sharing it with all humility because we understand that no relationship is perfect. Mistakes will continue to crop up. This book will show you practical ways to: - Handle and overcome verbal abuse in a relationship - Overcome emotional abuse - Handle a cheating partner - Overcome the challenges from an addicted partner and appropriately respond to physically abusive partner You will discover: - The 7 Things women take as respect in a relationship - men take note. - The 10 signs of disrespect in a relationship. - The 7 reasons men disrespect women - not what you think and - The 7 ways to restore your respect in a relationship. Why does communication between couples remain the number one marriage issue? Because most spouses don't know that they speak two different languages. Communication expert Dr. Emerson Eggerich says that the problem is couples are sending each other messages in 'code,' but they won't crack that code until they see that she listens to hear the language of love and he listens to hear the language of respect. Dr. Eggerichs' best-selling book, Love and Respect, launched a revolution in how couples relate to each other. In The Language of Love and Respect, you will discover: The basic communication differences between men and women A biblical perspective with easy-to-use tips and advice A quick review and summary for each chapter This book offers a practical, step-by-step approach for how husbands and wives can learn to speak each other's distinctly different language -- respect for him, love for her. The result is mutual understanding and a successful, happy marriage. Previously released as Cracking the Communication Code. The secret to parenting success is out! Children need love, parents need respect. It's as simple and complex as that. Bestselling author Dr. Emerson Eggerichs has studied family dynamics for more than 30 years, earning a Ph.D. in Child and Family Ecology. As a senior pastor for nearly two decades, he builds on a foundation of strong biblical principles, walking the reader through an entirely new way to approach the family dynamic. When frustrated with an unresponsive child, a parent doesn't declare, "You don't love me." Instead, the parent asserts, "You are being disrespectful right now." A parent needs to feel respected, especially during conflicts. When upset a child does not whine, "You don't respect me." Instead, a child pouts, "You don't love me." A child needs to feel loved, especially during disputes. But here's the rub: An unloved child or teen negatively reacts in a way that feels disrespectful to a parent. A disrespected parent negatively reacts in a way that feels unloving to the child. This dynamic gives birth to the FAMILY CRAZY CYCLE. This book teaches you to: See love and respect as basic family needs Stop the Family Crazy Cycle of conflict Parent in six biblical ways that energize your children Discipline defiance and overlook childishness Be the mature one since parenting is for adults only Become a loving parent in God's eyes, regardless of a child's response Based on what the Bible says about parenting, this book focuses on achieving healthy family dynamics. Dr. Eggerichs offers unprecedented transparency from his wife and three adult children, who share wisdom gained from the good, the bad, and the ugly of their family life. It's all here in this eye-opening exploration of the biblical principles on parenting that can help make families function as God intended. This book explores consent and respect with children especially in relation to body boundaries, both theirs and others. A child growing up knowing they have a right to their own personal space, gives that child ownership and choices as to what happens to them. These concepts are presented in a child-friendly and easily-understood manner. In this testimony to self respect and discipline, Laurie Langford explains why any woman will want to consider postponing the sexual side of a relationship until a solid foundation of love and commitment is well established. Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control – from the author of The Laws of Human Nature. In the book that People magazine proclaimed “beguiling” and “fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28: Enter Action with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, The 48 Laws of Power is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game. Marriage, for Equals: The Successful Joint (Ad)Ventures of Well-Educated Couples pulls back the curtain on a number of dangerously misleading messages promoted in the media and popular press that encourage us to commit to ticking-time-bomb relationships. In addition to revealing the telltale signs of doomed relationships, this book also describes a form of marriage that is highly successful and deeply rewarding to many of the smartest women in this generation. To profile these relationships, Marriage for Equals draws from a poll of more than 1200 women, mostly Harvard graduates and their equally capable friends, who are working to create truly equal partnerships. The end result is a guidebook to a marriage of equals that offers a blunt, bold, and refreshingly truthful approach about what it takes to create and sustain an exceptional partnership. With a combination of research, clinical insight, and plain good sense, author Shauna Springer sorts out the state of romantic love today, bursting more than a few myths in the process. For anyone confused about intimate relationships, this book offers a clear, highly readable, and entertaining road map. Dr. Benjamin Karney, Professor of Psychology, UCLA A fresh look at love and marriage, stripping away the fantasies and revealing the realities, this book should be read by every person who is (or hopes to be) in love and/or married. While grounded in research, the concepts are presented in common sense terms and are presented in a way that is both entertaining and enlightening. I wholeheartedly recommend it. Peggy Vaughan, Author and Host of DearPeggy.com The best predictor of well-being is a healthy and happy relationship. By drawing on clinical experience and solid research, this wonderful book can help you realize your potential for well-being and love. Dr. Tal Ben-Shahar, Author of Being Happy Shauna Springer, Ph.D., earned her undergraduate degree in English Literature from Harvard University and her doctoral degree in Counseling Psychology from the University of Florida. She has particular expertise in marital counseling, stressor effects on marriage, trauma recovery, and women's issues." The definitive biography of the Queen of Soul from acclaimed music writer David Ritz, hailed by Rolling Stone as "a remarkably complex portrait of Aretha Franklin's music and her tumultuous life." Aretha Franklin began life as the golden daughter of a progressive and promiscuous Baptist preacher. Raised without her mother, she was a gospel prodigy who gave birth to two sons in her teens and left them and her native Detroit for New York, where she struggled to find her true voice. It was not until 1967, when a white Jewish producer insisted she return to her gospel-soul roots, that fame and fortune finally came via "Respect" and a rapidfire string of hits. She has evolved ever since, amidst personal tragedy, surprise Grammy performances, and career reinventions. Again and again, Aretha stubbornly finds a way to triumph over troubles, even as they continue to build. Her hold on the crown is tenacious, and in Respect, David Ritz gives us the definitive life of one of the greatest talents in all American culture. "Comprehensive and illuminating." --USA Today Get the Key to the Boardroom with Powerful Executive Presence! "This book can be a key aid in helping you make it to the next level! Great coaching for anyone who is even thinking of becoming an executive!" Marshall Goldsmith, New York Times bestselling author of What Got You Here Won't Get You There "On the corporate battlefield a true leader's success is based upon his or her ability to communicate effectively, persuade others to follow a goal, and execute it. This leads to success for all. When the stakes are high, you're well advised to read this book first." Scott A. Gaines, vice president, Hertz Corporation "If you are seriously looking to be perceived in the light you choose, Executive Presence is the book that not only answers the question, but shows you how to apply the answers." Kevin Hogan, author of The Psychology of Persuasion "Harrison Monarth is a first-rate thinker who writes as clearly as he thinks. No matter where you are on the career ladder, Executive Presence will put you a step ahead of your competition." T. Scott Gross, author of Positively Outrageous Service "Most people know that to move up in your career, you need to have self-awareness and the ability to manage the perceptions of those whose opinions count. . . . Executive Presence is your comprehensive guide to help you become more proficient at self-marketing and the art of ethical persuasion to achieve your personal and professional goals." Larina Kase, PsyD, MBA, author of The Confident Leader and coauthor of the New York Times bestseller The Confident Speaker About the Book An expert in coaching high-level players in the art of perception management, Harrison Monarth reveals the critical difference between CEOs and those of us who wish to be CEOs. It's not a matter of intelligence, connections, or luck. It can be summed up in two words: executive presence. While most of us toil in obscurity and expect great things to follow, those on the path to corporate leadership spend their time perfecting the types of leadership communication skills that generate respect and get others to share their vision. They use these skills to establish how they are perceived by others and to manage their reputation throughout the organization. In other words, these soon-to-be top players have developed the presence of an executive through careful image management—and they make sure they have the goods to back it up. In Executive Presence, Monarth shows how you can seize control of your own career using the same skills. Inside, he explains how to: Accurately “read” people and predict their behavior Influence the perceptions of others Persuade those of opposing views to your side Create and maintain a personal “brand” Manage and control your online reputation Perform damage control when things go wrong Monarth's conclusions aren't based solely on his keen insight and extensive experience; they're the result of the latest scientific research in interpersonal communication and human behavior. Talent and skills are important, but they alone won't take you to the top of your organization. People reach highly influential positions because they deeply understand the power of perception and know how to leverage it in their favor. The good news is, anyone with the will to succeed can do it. Executive Presence provides all the techniques you need to take your career to the highest level of any organization. The remarkable true story of footballing star and war hero Walter Tully is brought to life in this brand-new edition of a Barrington Stoke bestseller. Tully and his brother don't have much. But they do have each other. And Tully has an amazing talent. Football. But when the First World War begins, Tully must fight for respect on the battlefield not the pitch. Based on the amazing true story of Walter Tully, a First World War hero and one of the first black British professional football players. From the New York Times best-selling author of Love & Respect comes the definitive book for mothers and sons. Love is important but it is respect that is the key to your son's heart. As Emerson Eggerichs transformed millions of marital relationships with a biblical understanding of love and respect, he now turns these principles to one of the most important relationships of all, a mother and her son. The idea of moms respecting their sons may sound alien to some, but it seems to ignite curiosity across the board. It is easy to relate to the need for all of us to feel a mother's love, but is that the same thing as respect? Even for young boys, the effect of respect is nothing short of astounding when applied properly. Moms yearn to learn anything that better helps them with their sons. After all, they love their boys, but many find them more difficult to parent than their girls, especially from age four and

up. What makes this all the more urgent is that moms are coaching fathers to love their daughters, but no one has said boo to moms on specific ways to show respect to their sons, at least not in a way that is applicable and fully explained. All realize that little girls need daddy's love, but who is strongly promoting the truth that little boys (and big ones) need Mom's respect? No wonder mothers feel left in the dark on this topic. Mother & Son is also available in Spanish, Madre e hijo. With All Due Respect is a handbook for parents navigating the difficulties of the tween and teen years. Roesner and Hitchcock help parents identify what successful relationships look like and give easy-to-follow lessons in enforcing rules, communicating lovingly, resetting relationships, overcoming fears and exhaustion, and handling rebellion. Each day features a story every mom can relate to, down-to-earth questions to think about, and a prayer to launch an action plan. As a result, the reader gains new skills and perspective, greater strength, and an ability to live out faith daily as never before. With All Due Respect is for all parents seeking not only to connect more deeply with and positively impact their teens and tweens, but also to grow more deeply in faith through the process. Offering the same brand of practical, no-holds-barred, expert advice that made Nice Girls Don't Get the Corner Office an international million-copy bestseller, Nice Girls Just Don't Get It teaches us the skills we need to turn from a nice girl into a winning woman, not just in our careers but in our relationships, families, and everyday lives. Have you ever felt invisible? Taken advantage of? Reluctant (or unable) to articulate what you really want? If so, join the club. The nice girls club. Nice girls—that's right, girls—are those more concerned with pleasing others than with addressing their own needs and haven't yet learned how to overcome the childhood messages cultural stereotypes keeping them from getting their voices heard, their needs met, and the lives they want. This book will turn those nice girls into winning women. That is, women who factor their own needs in with those of others, confront those who treat them disrespectfully, maintain healthy and mutually beneficial relationships with appropriate boundaries—and as a result, are happier and more successful in every area of their life. In 2004, Lois Frankel blew the lid off so many of our long-held ideas about gender and success with her bestselling Nice Girls Don't Get the Corner Office, which went on to become such a huge phenomenon, the term "nice girls" has secured a place in our cultural lexicon. Here, Frankel teams up with negotiation expert Carol Frohlinger to bring this bestselling advice out of the workplace and provide a broader set of skills that any woman—whether a CEO or stay-at-home mom—can use to win anywhere, with anyone. Presented in the straightforward, digestible format that helped make Nice Girl's Don't Get the Corner Office an instant hit, Frankel and Frohlinger outline seven practical strategies and 99 supporting tactics that every winning woman should know. By the time you've finished reading this book, you'll be able to:

- Get your husband to do his half of the household chores—without being made to feel like a nag.
- Stop overextending yourself by taking on all the unpleasant tasks no one on your volunteer board, or your team at work will go near.
- Win an argument with your mother in law about who will be hosting Christmas dinner.
- Have the courage to send back a meal that isn't prepared the way you'd ordered it.
- Confront a colleague who is shirking responsibility or taking credit for your work.
- Convince a sales person to reduce a fee, waive a surcharge, or honor a store credit.
- Question a doctor's course or treatment or request a second opinion, instead of simply going along in order to be a "good" patient.
- Firmly but politely bow out of an extravagant vacation to celebrate a friend's birthday that you simply can't afford—without feeling guilty about it. And so much more.

A must-read for anyone who's ever felt taken advantage of by a friend or family member, unappreciated by a spouse or partner, or exploited by a vindictive neighbor or co-worker, Nice Girls Just Don't Get It offers women the indispensable knowledge and skills to get the things they want, the respect they've earned, and the success they deserve. From the Hardcover edition.

A Devotional Unlike Any Other! Through the millions of products sold on Love & Respect, Emerson Eggerichs has transformed marriages around the world with his biblically based approach to understanding the love that she most desires and the respect that he desperately needs. Now, in this long-awaited release, Emerson has created an experience for couples that is effective, flexible and life-changing. To build this couples devotional, Eggerichs has taken the top concerns that surfaced in a survey of thousands of couples and has developed 52 devotionals around the three cycles that are at the heart of Love and Respect. On one occasion the couple will be talking about how to stop the Crazy Cycle or keep it at bay. The very next devotional will talk about a concept built upon the Rewarded Cycle, which stresses the ultimate purpose for marriage. And the next may have both people talking about ways to use the Energizing Cycle in their efforts to love and respect each other. Some may ask, "Why 52 and not 365, like other couples devotionals I have seen?" The author's research shows that married couples don't want to deal with that much material, that often. Therefore, the specific devotionals, which can be done weekly or at any chosen pace, are specifically guided to what couples say they most need. And this is a husband-friendly devotional, having been written and designed in such a way that the husband can feel comfortable in the entire process. With this wealth of new material and video devotionals available online to support the product, The Love & Respect Experience will be indispensable to anyone wishing to better their marital relationship. Wives who choose to follow Ephesians 5:33-"and the wife shall respect her husband"-make a dramatic impact on their marriages. But many married women struggle with the concept of respecting their husbands. What does respect actually look like? Why should wives respect their husbands? Shouldn't they have to earn it? The Respect Dare is a forty-day guide that will take away the confusion. Utilizing a unique and proven experiential training method, the reader develops a more intimate connection with her husband and God by doing a series of dares. The book is filled with stories of struggle and success, and many practical applications of respect that have dramatically impacted marriages. This book is for women who want to understand the biblical model for healthy marriages reconcile the Bible's teaching about respect in marriage with a culture that values something completely different enjoy stronger marriages and stronger families Showing respect is very important. But what does that mean? Readers will learn through examples in a fun question-and-answer format that treating others the way you would want to be treated shows respect. This short little book is written in response to the many women who just want to know the answers to two questions: * What does respect actually look like? * How do I respect my husband?It's merely a small background, a bit of explanation, and a list of 101 things you can actually DO that many men would consider respectful. We get out of marriage what we pour into it. Would you like for your husband to be more attentive? Do you long for him to notice and admire you? Wish he'd recognize and appreciate all your hard work? Want him to be respectful of your wishes and opinions? Would you like for him to spend more time with you? Then treat him the way you want to be treated." Libro da colorare Monster Truck per bambini fornisce ore di divertimento e creatività! Chiunque sia affascinato dai monster truck sarà entusiasta di questo divertente libro da colorare Monster Truck per bambini, specialmente per i ragazzi di tutte le età! Questo libro da colorare caratteristiche: Copertina opaca Grandi pagine 8.5x11 pollici Pagine a un solo lato per non sanguinare attraverso Disegni unici Un'idea regalo carina per qualsiasi amante dei Monster Truck! A New York Times best-selling marriage book with more than one million copies sold Based on over three decades of counseling, as well as scientific and biblical research, Dr. Emerson Eggerichs and his wife, Sarah, have already taken the Love & Respect message across America and are changing the way couples talk to, think about, and treat each other. What do you want for your marriage? Want some peace? Want to feel close? Want to feel valued? Want to experience marriage the way God intended? Then why not try some Love and Respect. A wife has one driving need to feel loved. When that need is met, she is happy. A husband has one driving need to feel respected. When that need is met, he is happy. When either of these needs isn't met, things get crazy. Love & Respect reveals why spouses react negatively to each other, and how they can deal with such conflict quickly, easily, and biblically. What readers say about Love & Respect "I've been married 35 years and have not heard this taught." "This is the key that I have been missing." "You connected all the dots for me." "As a counselor, I have never been so excited about any material." "You're on to something huge here." Partner Love & Respect with the Love & Respect Workbook for Couples, Individuals, and Groups for an added experience. Love & Respect is also available in Spanish, Amor y Respeto. Hi I am Carlos Bernard... I have worked within the High Tech Industry as a Quality and Operations expert for the majority of my life. I specialize in fostering and developing customer relationships. I have worked with Fortune 500 companies whose revenues are in the billions. I have come to find a simple truth about relationships. Whether it's for customers that are building multi-billion dollar communications infrastructure or simply selling tomatoes. People like doing business with people they like. Customers develop strong relationships with companies that respect them and most importantly have a concern for their success. Successful companies don't sell products; they sell solutions. The sweet spot is to become a consultant and advisor rather than becoming a supplier. Take a look at the major malls across the world. There is a dominant high tech player that showcases their products where you can interact with them. It also has tons of employees who are on site to assist you with any questions that you may have about their products. They are eager to help you and don't disrespect you should you not be tech savvy. I have always walked away with a very positive experience when working with their employees. I feel like they really care about me and want me to succeed. I in turn reward them with money, by purchasing their products. You can probably guess who they are. So how does success in the business world lead to success in your interpersonal relationships? They both share a common characteristic; they both deal with people. If you want to be successful in business you have to be good with people. If you want to have a successful relationship you need to be in the people business with your man I have gone through the multiple books out there that provide you with simple easy steps on how to fix or flip something in someone else. I find these types of strategies interesting. We all know that true change comes from within, and that you have the power to influence your environment on how you perceive the world around you. And I'm here to tell you that there's no easy way or magical recipe to fix or strengthen your relationship. Relationships are hard and complex. They take time to build up and they have a life of their own. And most importantly they need maintenance. So what are we to do if there is no simple fix? We can look for a tool that will assist us and strengthen us in our journey to build and maintain your relationship. There is tool that you can harness that is time tested and centuries old. It has helped build empires and toppled governments. There is power in your words. The bible speaks of the power of your words; words can choose life or death. Recall the old saying sticks and stones may break my bones, but words will never hurt me. Words have the power to scar people for life or have the power to uplift someone's soul. What you'll discover in this remarkable book is the ability to build up your man by using respect, love and gentleness. He will come to realize that you are just more than someone he shares things with, but as powerful ally that will help him become a better person. The change that is needed is not from him but from you. You will come to understand the struggles that men face and come to appreciate their deep desire to provide and please you. The secret on changing your perspective and how he reacts to your words of encouragement and praise can all be summed up with learning how to treat your man better than your own dog. Getting the best out of your man is not that far removed from getting the best out of your dog. You want Love, Romance, and your Soul Mate. Your man wants to be Respected and Successful. My desire is that this book will strengthen an already strong relationship and help those who want more from their man. I pray that you become the instrument of change for your man. All of this for less than a good cup of coffee. Is it possible that the way to win in business is to give employees exactly what they want? Yes. As RESPECT reveals, managers and organizations who give their employees what they want outperform those who don't. This is no hunch – it's a fact based on more than 25 years of global research. Drs. Jack Wiley and Brenda Kowske have amassed a research database unlike any other, and it all started with this simple question: "What is the most important thing you want from the organization for which you work?" Organizations that apply this research have more engaged employees, more satisfied customers, and better shareholder returns. It all boils down to seven key elements, summarized by the acronym RESPECT. These are the seven things that employees really want: Recognition, Exciting Work, Security, Pay, Education, Conditions and Truth. This book taps the authors' "in the trenches" consulting experience and offers real solutions on each element of RESPECT. Written for all types of leaders—from supervisors to the c-suite—readers can pick and choose the proven solutions that are relevant to their own organizations. By weaving stories and narrative, the authors make complex information easy to understand and fun to read. In addition, RESPECT meets the demands of the global economy, offering an international perspective with corresponding cultural nuances that are critical to helping leaders manage the needs of their workforces. Write Your Daily Quarantine Memories As You know we are all at home waiting for the good news, for sure the good news will come soon, the world will start a new beginning, that's why I thought to make a good idea to make this quarantine memories notebook as a legacy for you and your children, with some famous quotes to start your day with. Details : 100% Sanitised Delivery 120 Pages (6"x9") Matte Premium Cover 100% Free Refund Designed by mother of 4 in U.S.A This Book is about respect. Respect is a very difficult concept to explain to children. Long before children understand what respect is, they need to learn some of the behaviors associated with it. Repetition is a wonderful way to teach this. It is the goal here through repetition to teach, review, and reinforce some of the behaviors of respect Can you teach a child to be kind? This vital question is taking on a new urgency as our culture grows ever more abrasive and divided. We all want our kids to be kind. But that is not the same as knowing what to do when you catch your son being unkind. A world-renowned developmental psychologist, Dr. Thomas Lickona has led the character education movement in schools for forty years. Now he shares with parents the vital tools they need to bring peace and foster cooperation at home. Kindness doesn't stand on its own. It needs a supporting cast of other essential virtues—like courage, self-control, respect, and gratitude. With concrete examples drawn from the many families Dr. Lickona has worked with over the years and clear tips you can act on tonight, How to Raise Kind Kids will help you give and get respect, hold family meetings to tackle persistent problems, discipline in a way that builds character, and improve the dynamic of your relationship with your children while putting them on the path to a happier and more fulfilling life. Otis Redding's classic song "Respect"—as popularized by Aretha Franklin—becomes an empowering picture book exploring the concept of mutual respect through the eyes of a young girl. R-E-S-P-E-C-T / Find out what it means to me R-E-S-P-E-C-T / Take care, TCB Oh (sock it to me, sock it to me, sock it to me, sock it to me) A little respect Respect is a children's picture book based on lyrics written and originally recorded by Otis Redding in 1965. Aretha Franklin's iconic rendition of the song later peaked at #1 on Billboard's Hot 100 in 1967. Redding's lyrics continue to resonate with listeners today. With lyrics by Otis Redding and illustrations by Rachel Moss, this irresistible book shows a young girl, her brother, and her parents conjuring as many positive futures for each other as they can dream. Packed with playful vignettes as they imagine a life full of possibility, Respect provides families an opportunity to explore themes of mutual respect—while revisiting one of the greatest songs ever written. The Otis Redding Foundation. Redding was dedicated to improving the quality of life for his community through the education and empowerment of its youth. He provided scholarships and summer music programs which continued until his untimely death on December 10, 1967. Today, the mission of the Otis Redding Foundation, established in 2007 by Mrs. Zelma Redding, is to empower, enrich, and motivate all young people through programs involving music, writing, and instrumentation. To learn more, visit: otisreddingfoundation.org. This book explores consent and respect with children especially in relation to body boundaries, both theirs and others. A child growing up knowing they have a right to their own personal space, gives that child ownership and choices as to what happens to them. These concepts are presented in a child-friendly and easily-understood manner. Develop a high-performing team based on a culture where respect trumps harmony As teams become more diverse, we won't always see eye to eye. We won't agree on everything, and we may not even like each other. In order to achieve results, we need to have robust, candid and constructive discussions. Respect Trumps Harmony offers a proven approach to navigating the difficulties faced in teams and workplaces today. To build collaboration; strengthen innovation; and manage safety, risk and well-being, it's critical that there is a foundation of respect, not harmony. Developed during author Rachael Robertson's time leading one of the toughest workplaces on the planet—Davis Station, Antarctica—and further informed by over 15 years of research, case studies and feedback, Robertson suggests that harmony in the workplace is overrated, and can even be dangerous, and that above all else, respect is the key ingredient of a high-performance culture. A focus on respect over harmony improves everything from morale to productivity. Respect Trumps Harmony integrates the three pillars at the core of Robertson's leadership practice: No triangles, The bacon wars, and Lead without a title, enabling you to:

- Manage conflict and put an end to gossip
- Improve accountability and the quality of feedback,
- Recognise and manage dysfunctional behaviour
- Build collaboration to strengthen innovation
- Identify and manage risk
- Inspire trust and confidence by displaying personal leadership, and encourage others to do the same irrespective of their title

Respect Trumps Harmony is a contemporary leadership handbook, essential for all modern leaders and those who wish to transform the culture within their own team. JUST FOR YOU ! How to Become the Man That Women Want to Love and Obey...in Every Way In order to attract and more importantly, KEEP a good woman in your life, you must become the kind of man that she simply can't live without. This is your only job as a man when it comes to dating and relating with women. You don't need a bunch of seduction techniques, mind games, or pick-up tactics to make a woman want you. Because quite frankly, no seduction technique in the world will turn a woman on and make her want you if she does not RESPECT you as a man. If a woman cannot respect you as a man, she won't be able to trust you. If she isn't able to place her trust in you, she simply cannot fall in love or STAY in love with you. Discover the Secrets of What Women Want in a Man Most guys simply don't know what women want in a man. Because of this, they try all kinds of "seduction tactics" to attract women, and only end up with low-quality women and terrible relationships. If you ask the average guy what women want, he may say things like confidence, money, or ridiculous good looks, but all of these things are just the tip of the iceberg. Here's what women really want from men... Security. How to Get the Respect, Desire, and Unwavering Loyalty of a Woman If you can communicate to a woman that you're a man that can offer her security in the world, she will give you her heart and more. And get this, you don't need to be ridiculously good-looking or have a big bank account to make a woman feel secure with you. There's a much better (and easier) way, and that's what you'll discover inside What Women Want In A Man. In What Women Want In A Man you're going to learn: How to understand women and the one thing that you can improve about yourself to make a woman want you more. The reason why a really great woman is HARD-WIRED by NATURE to CHASE the kind of man that possesses several qualities that are rare in most men. (Hint: This is the key to understanding how women think) Ten ways in which you can IMMEDIATELY begin working on yourself to become an overpowering magnet for the woman of your dreams. How to be decisive and become a master at dealing with conflict while staying perfectly calm and poised. The unforgivable sin that can ruin your chances of getting (and keeping) a girlfriend. This is the thing that FORCES her to either want to DUMP YOU or CHEAT ON YOU without her understanding why. How to take control of your emotions in any situation and be the rock that she needs you to be. How to make a woman happy by being THE MAN in your relationship; you know – the one that “wears the pants.” The reasons why the woman you want may put you in the friend zone, and how to avoid falling into this horrifying category. Why men who suffer from the nice guy syndrome have the most difficulties attracting and keeping a phenomenal woman to build an amazing relationship with. How to become an alpha male and become more assertive with women. This is the key to transforming yourself into the kind of man that she can confidently rely on and most importantly, RESPECT. How to silence your "inner weakling" and become so secure with yourself as a man that she won't be able to entertain the thought of being with some other guy. And much, much more... Would You Like to Know More? Get started right away and learn how to become the confident man that can naturally attract a high-quality woman and keep her "well-behaved." Transforming Business, Organizational Culture, and Self In business and life, there are often moments when one simply can't seem to find a way forward. Searching in the past for solutions to persistent problems results in frustration and confusion. Issues in corporate teamwork and individual relationships can feel overwhelming and even insurmountable. There's a lack of control and a sense of being stuck. B State provides a clear roadmap from point A to point B to rapidly achieve measurable, breakthrough results. It's about a true transformation that removes old mindsets and silos, while replacing inefficient behaviors with desired habits to quickly create the highest performing culture for groundbreaking business outcomes. Equipped with over 30 years of professional and academic expertise, author, speaker, and change agent Mark Samuel helps companies (and the individuals that comprise them) achieve their B State, enabling them to make the necessary changes they didn't think were possible. His strategies for finding and enacting solutions to complex challenges use real life examples to help readers embrace accountability and envision their success in order to achieve the transformation they need. This book focuses readers on where they want to go, and it helps them get there fast. ?Written for business executives, managers, supervisors, and leaders at all levels, this is a book about how to not just do business but also live life. It brings about the dynamic forward launch readers are looking for, creating results that are both unprecedented and sustainable. "Sheila speaks to both the heart and habits of the woman who is wife and mother. The lessons in this book are biblical, doable, and affordable!"--Margaret B. Buchanan From advertisements to mommy blogs to Pinterest, scenes of domestic bliss abound, painting a picture of perfection and expectation nearly impossible to live up to. Why can't you work a full-time job, stylishly clothe yourself and your children, plan a party for twelve with handmade decorations, keep your house sparkling clean without chemicals, and bake a gourmet meal in the same day? Everyone else is doing it! For many women, housework has become more than chores that need to be done; it is a symbol of identity. Sheila Wray Gregoire wants to stop that thinking in its tracks and help women back to a life of balance--for their sakes and for their families. She encourages women to shift their focus from housekeeping to relationships and shows them how to foster responsibility and respect in all family members. The second edition retains the helpful, concrete advice on everyday situations such as strategies for tackling chores and budgets and tips on effective communication, while incorporating the wisdom Sheila has gained through her interaction with thousands of readers of her blog and through her speaking ministry over the past ten years. Through the principles in To Love, Honor, and Vacuum, Gregoire promises readers they can grow and thrive in the midst of their hectic lives--even if their circumstances stay the same. Boost morale and productivity by leading with respect The Respectful Leader presents an engaging, thought-provoking lesson for companies seeking off-the-charts performance. Author Gregg Ward draws on 25 years of leadership consulting, coaching and training experience to reveal the secret to great results: respect. In this true-to-life business fable, he shares the story of Des Hogan, a CEO who discovers that disrespectful behavior on the part of his leadership team is eating away at his company's morale, productivity, and profits. At a loss for a solution, he meets Grace—a straight-shooting, self-described "little old lady" in the maintenance department. With her no-nonsense advice, he sets out to revamp the culture and turn his company around; but first, he has to turn inward and realize that his own behavior sets the tone for the company at every level. This enlightening, engaging and honest story will help you recognize and analyze your own behaviors and interactions, and show you how to create a winning culture based on leading with respect. Intimidation, micro-management and insecurity do not drive top-level performance. True success is built on free-flowing, trusted, and open collaboration between departments, levels, and specialties. This book shows you how to build respect among the ranks—from the top down. Learn the key respectful leadership behaviors that significantly impact morale Learn how to adjust your own, and others', attitudes to boost productivity, teamwork, and profits Benefit personally and professionally by leading from a place of mutual respect and consideration People perform best when they feel valued and valuable. And, when they are respected for their experience, talents and skills, they'll become personally invested in outcomes—both short- and long-term—and consistently go the extra mile. Respectful leadership ignites passion, innovation, creativity, and efficiency, while control-based leadership and intimidation breeds complacency and mediocrity. Which environment would better serve your company? The Respectful Leader shows you how to achieve sustainable success with a simple behavioral paradigm shift.
