Annotation This book is a compilation of information about the call to ministry and the avenues The United Methodist Church offers to embody that call. It is based in the concept of servant ministry and servant leadership presented by the Council of Bishops. The ministers and church-workers should be trained well so that they can perform well, and do God's Assignments for them faithfully and satisfactorily. Many are in the ministry today without adequate training, and they have either messed things up or performed, by far, below God's Expectation from them. A minister is not supposed to be a novice, and he is to hold the mystery of the faith with a pure conscience. The Word says, "If you instruct the brethren in these things, you will be a good minister of Jesus Christ, nourished in the Words of Faith and of the Good Doctrine which you have carefully followed" (1 Tim. 4:6). Becoming a minister of substance is a book borne out of the heart that is crying for a revolution in ministry. It was written out of a God-ordained desire to see ministers take their place of honour in the affairs of men. Have you ever had that sinking feeling that you were missing out on something very valuable in your ministry but just couldnt put your finger on it? Well, these resources for adventures in service to God for the church are valuable assets to those seeking a dynamic experience in Gods Kingdom work. To invest yourself in Larry Spencers Ministry of Helps Manual and Workbook can enhance your ministry and greatly format your service with usable hands on tools that complete your tool chest. Bring these practical things home and put them to work. Great results have already been seen from individuals who respect Gods Word and value what it can bring to the Board room as well as to the church service. You will not be sorry you invested in this training for you and your ministry team. Rev. Lloyd Tremain, Paradise Community Church of the Nazarene A thorough, practical and much needed Biblically sound treatment. Wish it had been available 20 years ago when I could have use it to a great positive effect Dan Wilderman, Retired Assemblies of God Pastor the order and practical instruction presented will benefit all organizational levels of any Christian Church today. John Steffensen, Radio Host, Christ Today KKXX Radio Chico CA Hopefully this manual will lay the groundwork for pastors and churches to spread the burden and get others involved in the work of the ministry. I once had a pastor that was often unprepared for a service because he was busy helping a parishioner with some needed chore, or church maintenance, or the myriad other duties needed to keep a church going. The result was that the church stayed the same size. Some leave; others enter. But no growth was apparent despite the considerable preaching talents of the pastor. God is apparently making sure he has only the amount of people that he can handle. We learn that the ancient church had some of the same challenges we face today. Acts 6:14 says, Now in those days, when the number of the disciples was multiplying, there arose a complaint against the Hebrews by the Hellenists, because their widows were neglected in the daily distribution. Then the twelve summoned the multitude of the disciples and said, It is

not desirable that we should leave the word of God and serve tables. (Read this as doing manual labor.) Therefore, brethren, seek out from among you seven men of good reputation, full of the Holy Spirit and wisdom, whom we may appoint over this business; (the manual labor) but we will give ourselves continually to prayer and to the ministry of the word. It was even bringing strife to the local body. What did they do? And what was the result? The first thing the apostles did was pick out people they knew to be wise and that had had received the baptism of the Holy Spirit and appointed them to do practical ministerial duties (the manual labor). This freed up the apostles so they could minister the Word of God. Wow, Gods way is so simple, and our grandiose plans just waste time and get nothing done. Pastors need to learn from the apostles and appoint over this business so the pastors has more time to do the spiritual work that promotes Gods church. This manual gives a road map for accomplishing the goal of choosing and training people and tips for managing them. Lawless collects and interprets the stories of ten women ministers and examines their public and private lives, their ministries, their images of God, and their negotiations of sexuality and the religious life. Merit winner in the 2006 Christianity Today Book Awards! "As the Father has sent me, so I send you." Those of us called to Christian ministry are commissioned and sent by Jesus, just as he himself was called and sent by the Father. Thus we naturally pattern our ministries after Christ's example. But distinctively Christian service involves the Spirit as well, just as Jesus himself accomplished his ministry in the power of the Spirit. Thus the whole Trinity--Father, Son and Holy Spirit--gives shape to truly authentic Christian ministry. Though as Christians we all affirm the doctrine of the Trinity, many of us might struggle to explain how understanding the Trinity could actually shape our ministry. Stephen Seamands demonstrates how a fully orbbed theology of the Trinity transforms our perception and practice of vocational ministry. Theological concepts like relationality and perichoresis have direct relevance to pastoral life and work, especially in unfolding a trinitarian approach to relationships, service and mission. A thoroughly trinitarian outlook provides the fuel for our ministry "of Jesus Christ, to the Father, through the Holy Spirit, on behalf of the church and the world." Essential reading for pastors, parachurch workers, counselors, missionaries, youth ministers and all who are called to any vocation of Christian ministry. Each One a Minister, a revised and enlarged edition of Carter's previous book by the same title, begins with a 6-session study of Ephesians. Carter engages the reader in discovering the meaning of church, ministry, and gifts from the early church up to the present. As a follow-up to the Bible study, readers and study groups look at ways in which God's gifts are practical as well as spiritual. Four ministry categories, closely connected to the congregational primary task (receive, relate, equip, send), are identified. Scripture readings, activities, and ways to implement specific ministries are suggested. Designed to encourage individuals to discover God's call to ministry in their own lives, Each One a Minister leads toward practical ways of using gifts in ministries in our congregations and in our communities. An ideal resource for clergy, lay leaders, study groups, and others seeking to identify and use their gifts in meaningful ways. Discover Your Spiritual Gifts Leader's Guide is also available. Watchman Nee's writings have become well known for their deep spiritual insight among Christians in many nations for many years. Through these volumes a full understanding of his balanced and proper view concerning the Bible and the spiritual life can be accurately appreciated. This new compilation and retranslation of Watchman Nee's writings present the reader a fresh and unedited version of his ministry and promises to shed new light on the reader's understanding of Watchman Nee's ministry. Do you feel stuck in a job while your desire is to be in ministry? 9789, Paul Gazelka, Paul G When we preach, we speak in the highest possible authority, the authority of a God who manifests God's creative power in the reality we experience and God's benevolent intentions in what happened to Christ. The message of God's suffering, transforming acceptance of the unacceptable in Christ, is the most critically important message that a suffering, self-serving, and self-destructive humanity needs to hear. Preachers cannot be casual about such a monumental task. Inspired by the spirit of Christ, they will try to develop their gifts to the fullest. This book offers an on-the-job training and self-enhancement course for lay preachers and the ordained clergy. Its interactive approach encourages preachers to discover their own best

way of going about their task in a critical dialogue with the author. Learn Ministry from One of the Best When Bob Russell became the pastor of Southeast Christian Church, it was just 120 people meeting in a basement. When he retired forty years later, it was nearing 20,000. Though Bob's ministry was a clear success, he'd be the first to say it wasn't perfect. In After 50 Years of Ministry he shares why. He reflects on the best of what he's learned--sometimes the hard way--about ministry and leadership, like how to: Respond to criticism Protect your marriage Stop comparing yourself to other pastors Handle a staff moral failure Build trust with your elders Make the best use of downtime Hilarious, warm, and full of great stories and illustrations, After 50 Years of Ministry is sage advice from a faithful servant of God. If you are in leadership of any kind, don't miss this chance to learn from one of the best By the year 2000, 52% of the population of the United States over the age of 25 will be single. The implications of this prognosis for an institution such as the Church are enormous. The patterns of worship and program will require a radical shift away from the traditional nuclear family. In her book, Dr. Collier-Slone points out ways to engage the problem and does a tremendous service in lifting up congregations which have successfully begun to make this shift. Her book not only helps the leadership of congregations but also gives a reassuring new perspective to those who are living alone. - Pamela P. Chinnis, on back cover. Millions of people are sexually abused each and every day. Not just by rapist, child molesters or pedophiles, but by choice and through life style preferences. Who would enjoy being raped again and again? Why is rape spiritual as well as physical? Can a sex offender be healed, delivered from abusing others? Find answers to these questions and many others in these pages This book is a sequel to my first book "The Story of Me". I wrote my very personal story eight years ago and had it published six years later. It told of my pain, struggle and victory over the sexual abuse that occurred in my child hood. Since the release of that book, I have been persecuted, shunned, educated, strengthened and supported in ways that only better prepared me for ministry to others in this arena. This book is more of a "how to" manual, how to recognize, relate to, categorize and be delivered from the effects of sexual abuse in your life. Although I outline the process and the steps involved in getting free from the vicious cycle of abuse, my intent is still not to advise but mainly to let you know, what the process is and that there is a process. My advice would be that you seek the Lord about your specific experiences and your specific needs. My prayer is that this outline will aid you in your process. To God be the glory for all he has done for me! This book has been written for Christian Ministers and for all those who are seeking to become one. Hot coals of Fire is the title that the author has chosen because it well describes the spiritual realities of Divine ministry. Throughout his forty years of Christian life and ministry, the author has become increasingly aware of the need to remind those who are engaged in the ministry of Christ; that they are handling the holy things of God. In an age where spiritual things are not readily understood, it is the ignorance of the sacred that has caused many to be burned. Hot coals of Fire will hopefully help to redress this imbalance - gently but firmly warning the Ministers of Christ, that working for God is a wonderful and yet, dangerous thing! One of the unique aspects of the religious profession is the high percentage of those who claim to be "called by God" to do their work. This call is particularly important within African American Christian traditions. Divine Callings offers a rare sociological examination of this markedly understudied phenomenon within black ministry. Richard N. Pitt draws on over 100 in-depth interviews with Black Pentecostal ministers in the Church of God in Christ--both those ordained and licensed and those aspiring--to examine how these men and women experience and pursue "the call." Viewing divine calling as much as a social process as it is a spiritual one, Pitt delves into the personal stories of these individuals to explore their work as active agents in the process of fulfilling their calling. In some cases, those called cannot find pastoral work due to gender discrimination, lack of clergy positions, and educational deficiencies. Pitt looks specifically at how those who have not obtained clergy positions understand their call, exploring the influences of psychological experience, the congregational acceptance of their call, and their response to the training process. He emphasizes how

those called reconceptualize clericalism in terms of who can be called, how that call has to be certified, and what those called are meant to do, offering insight into how social actors adjust to structural constraints. Yes, there is a way to experience joy in ministry again. Sixteen hundred ministers are either terminated or leave the pulpit every month. Alienation and isolation afflict ministers who now sojourn in spiritually dry places. You might be one of the statistics, wondering if you will ever be able to escape the wilderness and be useful to God again. In For Those in Dry Places, William Phares presents a personal and biblical understanding of how spiritual dry places occur in the lives of ministers and how to avoid them. For those already there, he shares the way to move back into God's call and experience a second opportunity. A seasoned pastor and evangelist, Phares explores personal and biblical principles, offering ways to • recognize the road signs warning of approaching wilderness; • avoid becoming the scapegoat for congregational dysfunction; • find hope when experiencing the "Silence of God"; • hear God's voice of guidance again; • enjoying the ministry the "second time around." "I highly recommend For Those in Dry Places, which comes to us in absolutely supreme timing. Many pastors today are going through dry, tough times and can hardly see light at the end of the tunnel. Dr. Phares addresses what to do when you are in this position--how to deal with your thoughts and what to do, day after day, to get out of your current difficult situation and stay out." --Dr. Mark T. Barclay, Mark Barclay Ministries John Brown of Haddington, eighteenth-century Scottish divinity professor, invested deeply in the lives of his students. Counsel to Gospel Ministers presents a collection of his letters to students who were training to be ministers. Throughout these letters, Brown stresses the need for preaching a clear gospel message with precise application. Yet he equally emphasizes the importance of exemplary behavior in ministers' conduct. Here is sage advice to pastors for taking the gospel seriously in all aspects of their life and ministry. With the publication of these letters, Brown's pastoral wisdom can be shared with new generations of gospel ministers. Table of Contents: Biographical Introduction Part One: Six Letters on Gospel Preaching Part Two: Ten Letters on the Exemplary Behavior of Ministers Part Three: Address to Students of Divinity The Church of God with Strength In the New Testament times, there was a strong church at Ephesus. The church at Ephesus is today's model of strong church. Paul started the church at Ephesus with great ministry and open doors for the gospel. The church at Ephesus was strong because of the Holy Spirit, Prayer, the Word of God, Faith and the Name of Jesus Christ. After Paul went to be with the Lord and all other witnesses of Jesus Christ and ministers of the word, many churches became weak and they lost their strength and impact. But the church at Ephesus continued to be strong in the Lord and in the ministry. The apostle Paul left a young minister and witness, Timothy continued His ministry. Timothy is respected and recognized as a pastor of the church at Ephesus. Timothy was instructed by pastoral Epistles of Paul (1 and 2 Timothy). Timothy was servant of the Lord Jesus Christ, as a key pastor of this great church. The gift of ministry in his life, he received it by prophecy through the laying on of hands by presbytery. The aim to write this book: 21st Century Church, is to strengthen the people of God. Do not be weak, but be strong in the Lord and in the ministry. God has given you the gift of ministry. Be strong in your gift and serve the Lord Jesus Christ. The Lord Jesus Christ who is strong in power and grace is able to strengthen you in all things. In reading 21st Century Church, you will learn about: Jesus Christ and Church, Sound Ministry, Dynamic Holy Spirit, Divine Word and Strong Church. As you read my book on Church strength, may you find strength on your spirit, soul and body. May you be strong in the Lord. May your church also be strong. May the church of today, be the church of strength and longevity. "There are men in the church of Jesus Christ who are not mighty preachers or evangelists, but are outstanding servants of the Lord because of their God-given ability to visit a congregation and spread encouragement. The very news of their coming can lift the spirits of a church with anticipation and then their actual ministries, both privately and publicly, can renew the aspirations of young and old in Christ. Full of faith and the Holy Spirit, these people are the means under God of building up the morale of wilting congregations, giving them courage and making God's people feel they can stand, and they can go on, and that they will indeed overcome a time of heaviness. Such Christian leaders are inspirational men and their ministries make people feel strong. Of course it is God who gives such gifts to them to do this. The same Spirit that came upon Barnabas and made him a son of encouragement is upon them, and hundreds like them in our day. But as in all the stewardship of preaching and pastoral graces, such a gift needs

to be refined, educated, and stirred up. This is one of the grand benefits that comes from the careful and prayerful reading of this book. You owe it to the people of God to become a son or daughter of encouragement. It is an exercise of Christian prudence, and an energizing ministry of the Spirit of God to do this in you and through you to the body of Christ."

Geoff Thomas, pastor of Alfred Place Baptist Church, Aberystwyth, Wales

When you have to answer questions about "what you are" or "what you do" in life, what do you have to say? Well, this book is not so much about what you have to say to others, but what you have to say to God and yourself. I don't know the details of how you should answer this question, but I do know this. It, however, does not allow opportunity for advancement, because, in a real sense, those who are grass-roots ministers of the Kingdom of God already own the highest position of all. As cultural symbols, they reflect subtle changes in society and belief-specifically people's perception of God and the evolving role of the church. For more than forty years, Douglas Alan Walrath has tracked changing patterns of belief and church participation in American society, and his research has revealed a particularly fascinating trend: portrayals of ministers in American fiction mirror changing perceptions of the Protestant church and a Protestant God. From the novels of Harriet Beecher Stowe, who portrays ministers as faithful Calvinists, to the works of Herman Melville, who challenges Calvinism to its very core, Walrath considers a variety of fictional ministers, including Garrison Keillor's Lake Wobegon Lutherans and Gail Godwin's women clergy. He identifies a range of types: religious misfits, harsh Puritans, incorrigible scoundrels, secular businessmen, perpetrators of oppression, victims of belief, prudent believers, phony preachers, reactionaries, and social activists. He concludes with the modern legacy of nineteenth- and early-twentieth-century images of ministers, which highlights the ongoing challenges that skepticism, secularization, and science have brought to today's religious leaders and fictional counterparts. Displacing the Divine offers a novel encounter with social change, giving the reader access, through the intimacy and humanity of literature, to the evolving character of an American tradition. One of America's most respected ministers teaches readers how to reignite their faith when their once warm and comforting relationship with God is interrupted by a period of spiritual isolation. The third millennium. It's a time of tremendous opportunity for the church--and tremendous challenge. More than ever, pastors need a model for ministry that can equip them for the rigors of a restless, increasingly secularized culture. In the 21st Century Pastor, David Fisher explores the apostle Paul's concept of ministry to offer a paradigm that is both biblical and relevant. Paul's view is fleshed out with examples from Fisher's own twenty-five years of pastoral experience, presenting a roadmap for today's pastor that is scholarly, practical, dynamic, and inspiring. The 21st Century Pastor first addressees crucial issues of pastoral identity, the significance of geography, time, and ecclesiology. It then explores Paul's metaphors for ministry (jars of clay, farmers and builders, servants and stewards, and others) to reveal an accurate portrait of an effective, biblical pastor--the kind who will speak to the heart of modern culture rather than languish on its fringes. Filling the rare role of a pastor to pastors, Fisher's sage insights help pastors answer their own identity questions, empowering them to minister to a deeply needy society. Says Fisher, "Pastors who know what time it is will,

in the name and power of God, create communities of faith where the values of the Gospel are embraced, taught, and lived out." This Odd and Wondrous Calling offers something different from most books available on ministry. Two people still pastoring reflect honestly here on both the joys and the challenges of their vocation. / Anecdotal and extremely readable, the book covers a diversity of subjects revealing the incredible variety of a pastor's day. The chapters move from comedy to pathos, story to theology, Scripture to contemporary culture. This Odd and Wondrous Calling is both serious and fun and is ideal for those who are considering the ministry or who want a better understanding of their own minister's life. This topical Bible guide provides a minister with a biblical perspective on how to deal with 105 frequently encountered situations in his personal and family life. It is divided into thirteen chapters. It references over 2,600 Bible verses. It will help a minister get a biblical perspective quickly and efficiently. How can we, God's masterpiece, created in HIS image, think of situations as funny, unless the whole idea came from God in the first place? Many say that the nature of God is unknowable, but I'm certain of one thing at least. God Almighty does have a sense of humor. And we need to see this side of Him as well, in order to totally appreciate Him. Today, we live in a world that most times seems so overwhelming, where a good laugh and a real smile are rarely ever seen or heard. The everyday stresses of life can leave us feeling hassled, hurried, hopeless and harassed. Add to that a fragile economy during a time of threatened security, and we could be left feeling frightened, vulnerable, and totally off on the stress meter. We therefore need tools for coping, as it's easy to lose simple joy. But, maintaining a close relationship with God, who "sits in the heavens and laughs" (Ps. 2:4) will release that grace to enjoy this 'joy and laughter' in our lives, for in His "presence is fullness of joy" (Ps. 16:11). HE is that 'spring of happiness' that will enable us to overcome the pressures and trials of life. And joy helps break down those barriers allowing laughter to freely flow. Humor and laughter will not just change your day; they can change your life! It is said that young children laugh as much as 100 to 200 times a day, compared to the majority of adults that only get zero to a few daily laughs a day. Yet laughter is good not only for the body but also for the soul and Spirit. This reservoir of: Christian Jokes for the 'Serious Religious' Folks! is an exhaustive collection of rib-tickling, humorous jokes with the purpose being twofold: To help bring joy and laughter into our everyday lives and to help as a great preaching resource for Preachers, Ministers and Teachers of the Word, by helping to tickle any congregation's funny bone -- and grab their attention. So, given the above "license to laugh" now, just enjoy the rib-tickling pages that follow and learn to laugh and laugh and laugh, so you'll last and last and last! Reverend Stanley Rexroth's Walk with God is spiritually uplifting. A reader will learn and gain inspiration of a faithful life journey with God. You will feel that you are present witnessing this faith mission. You will experience the poor souls of the world who yearn for love and healing. Over and over again, you will be filled with Pastors sharing the bible's loving message of truth and wisdom. We experience the sacrifice of suffering of Pastors saving souls for our God. One is given tremendous insight into their own life's faith journey. Yes, the story of Walking with God will change your life as it helps you listen and grow in spirituality with the love of our Savior. Jerry Lemons Senior MSgt. USAF Retired Note: Jerry Lemons has witnessed the suffering of the world's poorest of the poor in the Philippines, Vietnam and other areas of our world When I first became acquainted with Stanley Rexroth, I was suspicious of his intent. I was teaching in a public school at the time and he was speaking out on an issue that was dividing our district. He then was elected to the school board. We became acquainted by being on opposite sides of a controversial issue but through time we gained a mutual respect for each other and have become friends in recent years. After reading Stanley's autobiography A Walk With God I came to realize that despite humble beginnings, he has led a truly remarkable life. Stanley is a deeply religious man and his book centers upon his growth in faith and service. He served in the USAF and founded mission churches while stationed in the Philippines. He has made numerous mission trips back to the Philippines and to Nigeria throughout his life. He started his own church. As his congregation struggled financially he went to college to become a public school teacher. He taught American history and agriculture, in part to support his congregation. He served his community in various capacities and extended his influence religiously by organizing a national convention of pastors of independent Churches of God, which continues to meet annually after 21 years. Throughout his journey he remained steadfast in his belief in and commitment to his family, his God, and his country. This book can benefit the reader in that many people give up on

their attempts to make a commitment to God because they expect a revolutionary event to occur similar to St Paul's conversion on the road to Damascus. A Walk With God enables one to understand that such a commitment is more likely to be an evolutionary process, one that results from an ongoing journey filled with questioning, occasional doubt, and often blind trust. Upon reading this book one cannot help but be reminded of Mark's gospel (RSV Ch. 4) where Christ is explaining the kingdom of God with the parable of the sower who went out to sow. In clarifying the parable for his disciples he explains in verse 20, But those [seeds] that were sown upon the good soil are the ones who hear the word and accept it and bear fruit, thirtyfold and sixtyfold and a hundredfold. Stanley Rexroth's autobiography, A Walk With God, is the witness of one who represents the seed that fell on good soil. A VIVID PORTRAIT OF HIS LIFE AND MISSION WORK Stanley Rexroth, long time school teacher, pastor and missionary, has written a very interesting account of his life. He is very exacting and detailed in his descriptions of different involvements through the years. If you want to read a good book, which has incidents to which we can all relate, or are interested in mission work, I encourage you to read Stanley Rexroth's autobiography, A Walk with God. The stories Bro. Stanley shares of his life are very heartwarming and intriguing. We have served on the mission field together, and I have always looked up to him because of his wisdom and experience. He has been a true brother in the faith.
