Unlocking the Mysteries of the Holy Spirit May 06 2023 The world is full of mysteries. Many are intrigued by earth's mysteries — UFO's, the lost city of Atlantis, the pyramids, the Nebula of Orion, etc. God knows the answer to every mystery. However, as interesting and captivating as these mysteries are, they pale in comparison to the revelation of the deep secrets of God. The Holy Spirit may seem a mystery to some people, but God's desire is for His believers to know and understand the deep things of the Spirit. "God has revealed them to us through His Spirit. For the Spirit searches all things, yes, the deep things of God" (1 Corinthians 2:10). Because of fear or tradition, many have chosen to ignore teachings concerning the Holy Spirit. In this book, Dr. Larry Ollison sets aside religious political-correctness and digs deep into the mysteries of the Holy Spirit. Remember the final words of Jesus as He ascended into heaven from earth: "You shall receive power when the Holy Spirit has come upon you" (Acts 1:8).

Unlocking the Mysteries to One's Mind Aug 29 2022 This book is a variety of emotions on stories behind each poem. They've been created of flashbacks from past traumas I've encountered, new beginnings, and the changes of life. Some are dark, but others are very light and warm. Although I do believe many can relate to one or more. They all come straight from the heart. Not one poem I had to sit and change and correct. They've each been written as soon as they cross my mind. I don't even realize what's being said in them until I go back and reread what's just been written. Pure emotion and energy is intertwined deep within the words. They've touched the lives that have heard of them already, and I hope for the readers to feel the same.

Spirit Traveler Mar 31 2020 "We have relied on science to tell us what happened in ancient sites around the world, it is time for research that is connected to Source." —Sonja Grace "Spirit Traveler: Unlocking Ancient Mysteries and Secrets of Eight of the World's Great Historic Sites" takes a unique approach to analyzing why famous historic sites, including the Great Pyramids, Stonehenge, and Tiwanaku, were constructed. Scientists and

archaeologists have written thousands of books about these sites. While this information is crucial to our knowledge today, much of the mystery about these places remains unsolved and questions surrounding their purpose have lingered throughout the centuries. "Spirit Traveler", the companion book to the documentary film with the same title, offers a completely different perspective on why these sites were erected and what purpose they served. Only Sonja Grace, the internationally known mystic healer, is able to reveal the secrets of these ancient buildings in this new and fascinating way. Sonja is a Spirit Traveler deeply devoted to the protection of our beautiful Earth. She has spent a lifetime working in the ethers with angels and guides. She sheds light on what the people and cultures of the past were doing at these sites and why, offering a brand new understanding of the events that took place there centuries ago. Sonja Grace brings her unique understanding of the truth to history. In Spirit Traveler, Sonja travels back through the realms to reveal history as it happened. She answers the questions that have puzzled historians and archaeologists for hundreds of years: What was the purpose of Stonehenge? How were the Great Pyramids built, and why is their particular geometry so significant? Why was Skellig Rock so important to the monks? Have our beliefs about these great sites been wrong all along? Is their importance something other than what we have always thought? Sonja Grace's discoveries shine a whole new light on our historical understanding of these places and on their relationships to the Earth. Sonja Grace aims to bring a new spiritual truth to these questions and fulfill her purpose in the awakening of humanity. Spirit Traveler is a purposefully structured book. Sonja discusses eight specific historical sites: Skellig Michael (Ireland) Tiwanaku - The Gate of the Sun (Bolivia) Stonehenge (England) Hagar Qim (Malta) St. Winifride's Well (Wales) Chichen Itza and Temple of Kukulcan (Mexico) The Great Khafre Pyramids (Egypt) the Rock of Cashel (Ireland). Each chapter tackles the scientific and historical information available about each site up to

this point in time. Sonja addresses the questions that continue to puzzle archaeologists and historians. The second half of each chapter is devoted to Sonja's Spirit Traveler' experience, what she learned, and the answers to some of those longstanding questions. Few people possess the gifts of Sonja Grace. Her heritage (part Native American, part Norwegian) provides her with the extraordinary ability to transport anywhere. She sees, hears, smells and feels the places she visits. In Spirit Traveler, Sonja shares every single detail of her riveting travels through space and time. Her work is marked by her distinct understanding of the dimensions and realms along with the convergence of Divine and Earth energies, which allows her to travel through the ethers and gather historic information.

Dudzinski and Toni Frohoff take us into the dolphins' aquatic world to witness firsthand how they live their lives, communicate, and interact with one another and with other species, including people. Kathleen M. Dudzinski and Toni Frohoff are scientists who have collectively dedicated more than 40 years to studying dolphins beneath the ocean's surface, frequently through a close-up underwater lens.
