The Kindle Paperwhite has been the best Kindle for most people since 2015 when Amazon last updated it with a screen that was nearly on par with the high-end Voyage and Oasis models at just a fraction of the price. Today, Amazon has updated the Paperwhite again, adding new features that were introduced with the second-generation Oasis, including waterproofing and support for Audible audiobooks in a lighter and thinner package. Nearly every aspect of the new Paperwhite is better. The screen is now flush with the front in a seamless sheet of glass -- just like the now-defunct Voyage offered -- there are more LEDs for the illuminated display, and storage has been doubled on the base model to 8GB, with another model offering 32GB of storage. There's support for Audible audiobooks over a connected pair of Bluetooth headphones or speakers, just like the Oasis. In this book the author has made it simple for anyone with the Kindle Paperwhite to master their device in just an hour. Here is a preview of what you will learn:

- \*Checking out books and purchasing them on the Kindle store
- \*Enhancing your reading experience on your device
- \*How to download and install app on your Paperwhite

Traditional book reading and library culture are gradually transformed with the help of new technologies. These days some people appreciate the versatility of conventional Tablets while others make their choice for dedicated reading devices - electronic books. \* Why read a book on a laptop computer or smartphone? \* Are you sure that you selected the right type of device. \* What is Kindle and a Kindle Reader? \* What are the technical specifications of Kindle Reader or Kindle Fire? \* How much time was working the device from Amazon? \* You're confused

about the gift you want to get to your friend, who also happens to love books, but you're at odds about what to buy him? \* Do you wish to instill in your child a love for reading, but afraid to do so by using the tablet since you're worried about his possible health issues? \* Want to buy a reader based on e-paper or tablet from Amazon? \* You do not have time to go to bookshops, but want to keep abreast of new books? Take personal time more usefully, and download the latest product from the online store Amazon. Well, not to be mistaken with the choice of the reader, be sure to read this book. On these and other questions, I tried to answer in this book.
