Council of Fae      Feb 27 2023 Follows the story 18 year old Princess Delphine the youngest sister of one of the most feared Alpha Kings in the world who finding her place in the world out of her brother's shadow. She is navigating her way through life, love and a family secret in a world where the Fae coincides with humans, The Fae Council is the law for supernaturals follow especially in the neutral protected Providence City. However three Fae have been found murdered causing the council to hunt the perpetrator who they name the Hood.

The King's Sister      Apr 29 2023 Elizabeth of Lancaster Sister. Wife. Traitor. One betrayal is all it takes to change history... June, 1380: Elizabeth Plantagenet – seventeen years old, spoilt, headstrong, fun-loving and intelligent — is about to be married. The Earl of Pembroke is an advantageous choice for all concerned, except Elizabeth, as the Earl is only eight years old. June, 1386: Scandalously pregnant by Sir John Holland, Duke of Exeter, whilst still married to the Earl, Elizabeth is hastily married again. As half-brother to King Richard II, Sir John is a man known to all for both his charm and self-interested scheming. Soon Elizabeth is drawn into the heart of a dangerous rebellion with her brother, King Henry IV, on one side, and her husband on the other. As tensions become a matter of life or death, Elizabeth is presented with an impossible choice of where to give

her loyalty... "One of the best writers around... she outdoes even Philippa Gregory." — The Sun  
"Extremely compelling historical fiction." —  
Cosmopolitan "...packed with powerful emotions and tumultuous unfolding of an affair that changed the course of royal history, this is a novel in which to enjoy the past in all its rich colour and dramatic detail..." — Lancashire Evening Post "Anne O'Brien has joined the exclusive club of excellent historical novelists." — Sunday Express

Esarhaddon and Ashurbanipal Mar 04 2021 Eisenbrauns  
is pleased to announce this quality reprint of Simo Parpola's classic work, Letters from Assyrian Scholars to the Kings Esarhaddon and Assurbanipal. "Part II: Commentary and Appendices" originally appeared in 1983 as AOAT 5/2

Sisters to the King Apr 17 2022 Although Henry VIII's sisters Margaret and Mary were once considered more important than his six wives, they received less of the contemporary limelight. Maria Perry's groundbreaking biography brilliantly illuminates the amazing lives, characters, and influence of these two remarkable women. She also includes new evidence that radically alters our understanding of Tudor history--including a revealing study of Henry's illegitimate son, the Duke of Richmond.

Heimskringla: The Chronicle of the Kings of Norway  
Jan 26 2023 Heimskringla is a collection of sagas about the Norwegian kings, beginning with the saga of the legendary Swedish dynasty of the Ynglings, followed by accounts of historical Norwegian rulers from Harald Fairhair of the 9th century up to the

To Dance with Kings Jul 28 2020 An epic  
generational tale of loves lost, promises kept,  
dreams broken, and monarchies shattered, To Dance  
with Kings is a story of passion and privilege,  
humble beginnings and limitless ambition. On a May  
morning in 1664, in the small village of Versailles,  
as hundreds of young aristocrats are coming to pay  
court to King Louis XIV, a peasant fan-maker gives  
birth to her first and only child, Marguerite.  
Determined to give her daughter a better life than  
the one she herself has lived, the young mother vows  
to break the newborn's bonds of poverty and ensure  
that she fulfills her destiny—to dance with kings.  
Purely by chance, a drunken nobleman witnesses the  
birth and makes a reckless promise to return for  
Marguerite in seventeen years. With those fateful  
words, events are set into motion that will span  
three monarchies, affecting the lives of four  
generations of women. Marguerite becomes part of the

royal court of the Sun King, but her fairy-tale existence is torn out from under her by a change of political winds. Jasmin, Marguerite's daughter, is born to the life of privilege her grandmother dreamed of, but tempts fate by daring to catch the eye of the king. Violette, Marguerite's granddaughter, is drawn to the nefarious side of life among the nobles at Versailles. And Rose, Violette's daughter, becomes a lady-in-waiting and confidante to Marie Antoinette. Through Rose, a love lost generations before will come full circle, even as the ground beneath Versailles begins to rumble with the chaos of the coming revolution.

My Sister, My Soul      Oct 11 2021 Two sisters, two kings, and a kingdom in the balance. In a desperate attempt to save their kingdom, Dunyazad discovers her sister wants to wed King Ryar. Although his wives do not live past one night, Scheherazade believes her gift of storytelling will turn the king's heart. And she needs Dunyazad's help. That night when Dunya comes to say goodbye, she asks for one last story. Her sister begins a tale which doesn't end by dawn and the king lets them live until the next night. Dunya isn't convinced the plan will keep working. What if he grows tired of her tales? And when his brother asks for help to fight the northern tribes, King Ryar has a story of his own to tell. But even he doesn't believe the legend of the phoenix feather. Can they soften the king's heart in time - or will their plan crumble like the

kingdom around them?

Heimskringla; Or, The Chronicle of the Kings of Norway Nov 24 2022 'Heimskringla' is a collection of sagas about Swedish and Norwegian kings, beginning with the saga of the legendary Swedish dynasty of the Ynglings, followed by accounts of historical Norwegian rulers from Harald Fairhair of the 9th century up to the death of the pretender Eystein Meyla in 1177. It was written by Snorri Sturluson. Heimskringla consists of several sagas, often thought of as falling into three groups, giving the overall work the character of a triptych. The saga narrates the contests of the kings, the establishment of the kingdom of Norway, Norse expeditions to various European countries, ranging as far afield as Palestine in the saga of Sigurd the Crusader, where the Norwegian fleet is attacked by Arab Muslim pirates, referred to as Vikings.

Norroena, the History and Romance of Northern Europe Dec 21 2019

The Tudor Kings and Queens Jan 02 2021 Tudor Kings and Queens is the ideal, handy guide to what is a perennially popular era in British history. Beginning with the accession to the English throne of Henry VII, the author guides the reader through a succession of monarchs, who also included the

infamous King Henry VIII, Mary I, Edward VI and Elizabeth I. Identifying the key moments of their reigns, from insurrections to their handling of foreign policy to their many marriages, Alex Woolf clarifies the way in which these kings and queens governed their realm and what they had to deal with. It's the perfect companion for anyone who enjoys historical drama and wants to know more about one of the most intriguing royal dynasties.

Heimskringla or the Chronicle of the Kings of Norway Feb 15 2022 Reproduction of the original.

My Brother Martin Mar 28 2023 Renowned educator Christine King Farris, older sister of the late Dr. Martin Luther King Jr., joins with celebrated illustrator Chris Soentpiet to tell this inspirational story of how one boyhood experience inspired a movement. Mother Dear, one day I'm going to turn this world upside down. Long before he became a world-famous dreamer, Martin Luther King Jr. was a little boy who played jokes and practiced the piano and made friends without considering race. But growing up in the segregated south of the 1930s taught young Martin a bitter lesson--little white children and little black children were not to play with one another. Martin decided then and there that something had to be done. And so he began the journey that would change the course of American history.

Illustrious Dames of the Court of the Valois Kings

---

Dec 01 2020

Brotherhood of Kings May 18 2022 Amanda Podany here takes readers on a vivid tour through a thousand years of ancient Near Eastern history, from 2300 to 1300 BCE, paying particular attention to the lively

interactions that took place between the great kings of the day. Allowing them to speak in their own words, Podany reveals how these leaders and their ambassadors devised a remarkably sophisticated system of diplomacy and trade. What the kings forged, as they saw it, was a relationship of friends-brothers-across hundreds of miles. Over centuries they worked out ways for their ambassadors to travel safely to one another's capitals, they created formal rules of interaction and ways to work out disagreements, they agreed to treaties and abided by them, and their efforts had paid off with the exchange of luxury goods that each country wanted from the other. Tied to one another through peace treaties and powerful obligations, they were also often bound together as in-laws, as a result of marrying one another's daughters. These rulers had almost never met one another in person, but they felt a strong connection--a real brotherhood--which gradually made wars between them less common. Indeed, any one of the great powers of the time could have tried to take over the others through warfare, but diplomacy usually prevailed and provided a respite from bloodshed. Instead of fighting, the kings learned from one another, and cooperated in peace. A remarkable account of a pivotal moment in world history--the establishment of international diplomacy thousands of years before the United Nations--Brotherhood of Kings offers a vibrantly written history of the region often known as the "cradle of civilization."

The Golden Bough Jun 07 2021

The Kings & Queens of Britain Sep 29 2020

Kings' Daughters Apr 05 2021 Originally published

in 1937, this book presents short biographies of seven important women who made charitable contributions to the University of Cambridge and played an important role in the founding of several of its colleges. Sorley describes the lives of Eleanor of Castile, Elizabeth de Burgh, Marie de St Pol, Margaret of Anjou, Elizabeth Wydville, Margaret Beaufort and Frances Sidney in elegant and readable prose, and demonstrates the power and influence that these women held and how they used it in the service of the University. This book will be of value to anyone with an interest in the role of women in the formation of the University of Cambridge.

Fated to the Kings Jul 08 2021 "Anna May had dedicated her whole life that caring for her sisters. She was a beauty queen with history, trying to live a new life in a big city. Little did she know, she is in for a big surprise destined to change her life forever. He is a king with a longing so soul-deep, craving for the gift he had been waiting for his entire existence. What will he do when he finally finds her? Is he willing to share all his secrets to be with her? \*\*\* Rie had always put her sisters first above anything and anyone else. She is the epitome of joy. Bubbly, adorable, and innocently sweet. All her life had devoted herself to caring for her loved ones. All of a sudden, her dreams came true. No, there's no time for love. Food is her romance. Cooking is her passion. But what if love comes knocking on her door by accident? Will she run or stay? He doesn't care for a mate. Moreover, he doesn't care for romance at

all. His energy is drained from managing his realm. He doesn't even have the energy to bed a woman. But what if he meets his silver hand? Will he fight for her or let her slip through his fingers? \*\*\* Two sisters. Two journeys to unexpected romance full of dangers, mysteries to last them a lifetime to spend lifetimes with the ones destined for them."

### The Chronicle of the Kings of Norway (Heimskringla)

---

Dec 25 2022 Heimskringla is a collection of sagas about the Norwegian kings, beginning with the saga of the legendary Swedish dynasty of the Ynglings, followed by accounts of historical Norwegian rulers from Harald Fairhair of the 9th century up to the death of the pretender Eystein Meyla in 1177.

Contents: Kings' Sagas Ynglinga Saga Halfdan the Black Saga Harald Harfager's Saga Hakon the Good's Saga Saga of King Harald Grafeld and of Earl Hakon Son of Sigurd King Olaf Trygvason's Saga Saga of Olaf Haraldson (St. Olaf) Saga of Magnus the Good Saga of Harald Hardrade Saga of Olaf Kyrre Magnus Barefoot's Saga Saga of Sigurd the Crusader and His Brothers Eystein and Olaf Saga of Magnus the Blind and of Harald Gille Saga of Sigurd, Inge, and Eystein, the Sons of Harald Saga of Hakon Herdebreid Magnus Erlingson's Saga

The Kings' Mistresses Mar 16 2022 The Mancini Sisters, Marie and Hortense, were born in Rome, brought to the court of Louis XIV of France, and strategically married off by their uncle, Cardinal Mazarin, to secure his political power base. Such was the life of many young women of the age: they had no independent status under the law and were entirely a part of their husband's property once married. Marie and Hortense, however, had other

ambitions in mind altogether. Miserable in their marriages and determined to live independently, they abandoned their husbands in secret and began lives of extraordinary daring on the run and in the public eye. The beguiling sisters quickly won the affections of noblemen and kings alike. Their flight became popular fodder for salon conversation and tabloids, and was closely followed by seventeenth-century European society. The Countess of Grignan remarked that they were traveling "like two heroines out of a novel." Others gossiped that they "were roaming the countryside in pursuit of wandering lovers." Their scandalous behavior—disguising themselves as men, gambling, and publicly disputing with their husbands—served as more than just entertainment. It sparked discussions across Europe concerning the legal rights of husbands over their wives. Elizabeth Goldsmith's vibrant biography of the Mancini sisters—drawn from personal papers of the players involved and the tabloids of the time—illuminates the lives of two pioneering free spirits who were feminists long before the word existed.

Seven Ways to Kill a King Mar 24 2020 She was born a princess. They made her an assassin. Myrina of Stormskeep should be dead. The seven self-crowned, murderous kings of the Storm Queen's Realm thought she was killed in their massacre. But Myrina lives, and while she draws breath, she plots their end: One will appear an accident. Two a coincidence. By three, they will know. But vengeance rarely goes according to plan. The worst of the kings holds her sister--rightful queen and heir to the kingdom--captive. If Lettie isn't freed before she

comes into her magic, the kings will hold her power as well. Myrina can let nothing stop her. With the help of her loyal bloodsworn Cassius, the shadow princess will have her revenge. Vowed to enact retribution and rescue her sister with no more than her wits and a sword--and the last of her queensguard--this sweet and slightly stabby YA fantasy is perfect for fans of Shielded and The Princess Will Save You.

The Famous History of the Life of King Henry the Eighth Jun 26 2020

The Heimskringla Apr 24 2020

A History of the Revenues of the Kings of England, 1066-1399 Jan 14 2022

Mediæval Popes, Emperors, Kings, and Crusaders Oct 31 2020

King of Kings Feb 21 2020 All NEW from MJ Porter. 'An epic tale of the birth of a nation. Truly mesmerising. Game of Thrones meets The Last Kingdom' - Gordon Doherty In the battle for power, there can be only one ruler. AD925 Athelstan is the king of the English, uniting the petty kingdoms of Wessex, Mercia, the Danish-held Five Boroughs and York following the sudden death of his father, King Edward. His vision is to unite the realms of the Scots and the Welsh in a peace accord that will protect their borders from the marauding threat of the Norse Vikings. Whilst seemingly craving peace and demanding loyalty with an imperium over every kingdom, Athelstan could dream of a much bigger prize. But danger and betrayal surround his best intentions, namely from his overlooked stepbrother, Edwin, who conspires and vies for what he deems is his rightful place as England's king. As ever,

powerful men who wish to rule do not wish to be ruled, and Constantin of the Scots, Owain of Strathclyde, and Ealdred of Bamburgh plot their revenge against the upstart English king, using any means necessary. An epic story of kingsmanship that will set in motion the pivotal, bloody Battle of Brunanburh where allies have to be chosen wisely... 'MJ effortlessly draws you into early Medieval England with this fascinating tale.' - Donovan Cook 'The year is 925 and Athelstan has been chosen as the King of the English with 'imperium' over Britain, making him King of the Kings of Wales and Scotland. These kings are called upon to sign an agreement to recognise his authority. And so our novel commences and we follow Athelstan and his family and followers for the next few years. Not everyone wishes to follow this accord and will try in different ways to undermine it. Eventually things will come to a head. A very good read and MJ Porter is at her best bringing flesh to the facts and giving the main players personalities. Great way to read about the history of this time. Enjoy.' - Goodreads

The Heimskringla; Or, Chronicle of the Kings of Norway Sep 10 2021

The Kings and Queens of Roam Oct 23 2022 When their parents die an untimely death, a blind, naïve younger sister becomes wholly dependent on her bitter and conniving older sister, who overprotectively imparts stories of a brutal and dangerous world until the younger sister makes a surprising choice. By the author of Big Fish.

Nubian Pharaohs and Meroitic Kings Dec 13 2021  
NUBIAN PHARAOHS AND MEROITIC KINGS: THE KINGDOM OF

KUSH Necia Desiree Harkless has completed her odyssey of 24 years initiated by a poem that emerged in the odd moments of early morning and her studies as a Donovan Scholar at the University of Kentucky with Dr. William Y. Adams, the leading Nubiologist of the world. The awesome result is her attempt to map the cultural, social, political history of Nubia as a single people as actors on the world stage as they act out their destinies in the cradle of civilization. The underlying purpose of her book is to reconstruct the collective efforts of the past and present Nubian campaigns and their collaborative scholarship so that the African American as well as all Americans can begin to understand the contributions of the civilization of Africa and Asia as a continuous historical entity. The history of the Kingdom of Kush begins with its earliest kingdom of Kerma in 2500 BC. It continues with the conquest of Egypt by the Nubian Pharaohs in 750 BC, reluctantly recognized as the Twenty-fifth Dynasty of Egyptian Pharaohs. They ruled as black pharaohs from their Kingdom at Napatan until they were forced one hundred years later to retreat to Napata by the Assyrians who assumed control of the Egyptians. It was at Meroe, the last empire of the Kush, that forty generations of Meroitic kings and queens continued the Kingdom of Kush reaching monumental and dynastic heights. Their symbiotic relationship with Egypt was over, allowing them to develop their own indigenous culture with a language and script of their own. Their architecture, arts, politics, material and spiritual culture in the minds of many scholars surpassed that of Egypt. Over two hundred pyramids have been investigated. It is an epic that

will be long remembered. The dawn of Christianity in the Kingdom of Kush has been found in the treasure cove of the Frescoes of Faras.

Anna, Duchess of Cleves      Sep 22 2022 A fresh look at Anne of Cleves' life as a German noblewoman, and the Continental politics that affected her marriage. Did the doomed union really cause the fall and execution of Thomas Cromwell?

The Year of Three Kings, 1483      Aug 29 2020 Richard III has the most controversial reputation of any English king. If he was the murderer of his two nephews and (as many contemporaries thought) the poisoner of his own wife, he has a place among the foremost villains of history. If however his only real crime was to have been on the losing side, then he is the victim of an extraordinary and enduring smear campaign. Which version is correct? Whether true or false, the legend of Richard III's villainy has embedded itself in the nation's consciousness. In this clear, careful narrative, first published in 1983 (the 500th anniversary of a year in which three kings occupied the throne of England) Giles St. Aubyn relates the violent and blood-stained story, his cool, witty style contrasting with the brutality of the period he describes.

The Wicked Sister      Jul 20 2022 "Chilling and captivating, *The Wicked Sister* explores the complex layers of family bonds, guilt, and redemption. A beautifully written, haunting psychological thriller." --Megan Miranda, author of *All the Missing Girls* From the bestselling and award-winning author of *The Marsh King's Daughter* comes a startling novel of psychological suspense as two generations of sisters try to unravel their tangled

relationships between nature and nurture, guilt and betrayal, love and evil. For a decade and a half, Rachel Cunningham has chosen to lock herself away in a psychiatric facility, tortured by gaps in her memory and the certainty that she is responsible for her parents' deaths. But when she learns new details about their murders, Rachel returns, in a quest for answers, to the place where she once felt safest: her family's sprawling log cabin in the remote forests of Michigan's Upper Peninsula. As Rachel begins to uncover what really happened on the day her parents were murdered, she learns--as her mother did years earlier--that home can be a place of unspeakable evil, and that the bond she shares with her sister might be the most poisonous of all.
