The Naked Chef The Return of the Naked Chef Happy Days with the Naked Chef Jamie's Kitchen Jamie's Dinners '20 years on . . . Does it stand the test of my kitchen? The answer is a resounding yes. Jamie's genius is in creating maximum flavour from quick, easy-to-follow recipes . . . It hasn't dated at all' Daily Telegraph on The Naked Chef _____ The incredible diversity in American cooking was a real revelation to me. So although I went looking for “quintessential American food,” my conclusion is that there is no such thing; instead there’s a huge wealth of seriously exciting dishes. Many of us outside of America may think we already know all there is to know about it from movies or the occasional holiday, but the truth is that this doesn’t even scratch the surface. In many ways, the country is still a bit of a mystery to us. This trip was my chance to explore the ingredients, food culture, and traditions within this incredible country. I felt that I knew cities like New York and Los Angeles pretty well, but this time I ventured beyond the neighborhoods I was familiar with and into areas better known for their immigrant communities. I was rewarded with some of the most incredible food I’ve ever tasted. The story was the same when I moved beyond the big cities. Whether it was Creole cooking in Louisiana or soul food in Georgia, the Mexican influences in Arizona or the hearty cowboy cuisine of Big Sky Country, every place I went had its unique treasures. I came back with more recipes than I knew what to do with, and although it was tough, I managed to narrow this book down to 120 of my absolute favorites. These are my takes on some of the best food I came across, as well as a few things I made up along the way. I hope you enjoy them, and maybe even discover new and inspiring sides to America you’ve never seen before. Enjoy! Taking readers on a culinary adventure around the world, the chef features recipes from six of his favorite countries, including Spain, Morocco, and Sweden, that are authentic and infused with incredible flavor. 7 Ways to reinvent your favorite ingredients with more than 120 new, exciting and tasty recipes Naked Chef television personality Jamie Oliver has looked at the top ingredients we buy week in, week out. We’re talking about those meal staples we pick up without thinking – chicken breasts, salmon fillets, ground beef, eggs, potatoes, broccoli, mushrooms, to name but a few. We’re all busy, but that shouldn’t stop us from having a tasty, nutritious meal after a long day at work or looking after the kids. So, rather than trying to change what we buy, Jamie wants to give everyone new inspiration for their favorite supermarket ingredients. Jamie will share 7 achievable, exciting and tasty ways to cook 18 of our favorite ingredients, and each recipe will include no more than 8 ingredients. Across the book, at least 70% of the recipes will be everyday options from both an ease and nutritional point of view, meaning you’re covered for every day of the week. With everything from fakeaways and traybakes to family and freezer favorites, you’ll find bags of inspiration to help you mix things up in the kitchen. Step up, 7 Ways, the most reader-focused cookbook Jamie has ever written. And in recent years there’s been an exciting revolution in the British food world in general.
