Publishing public domain and PLR books is a numbers racket to some degree. It will depend on the niche and the earlier recognition of that author and work. The quality on these vary intensely. Some of the more recent ones are better written and edited. Now they are coming with high-quality covers and source files to edit them fully. Like public domain, there are essentially limitless competition out there with all these copies. But also like public domain, you will see that mostly they have been poorly edited or poorly marketed and are really no competition at all. In East Asian tradition, an anthology was a recognised form of compilation of a given poetic form. In this model, which derives from Chinese tradition, the object of compiling an anthology was to preserve the best of a form, and cull the rest.

**Fake or Follower** Jun 24 2020 We live in a culture where many identify as "Christian" without fully embracing what it looks like to follow Jesus day-in and day-out. After gathering on a Sunday, do we simply go about our business, void of true transformation? Is the gospel simply a self-help tool, the church just a place where our needs can be met? It's time to ask ourselves, "Am I really following Jesus? Or am I just faking it?" With eye-opening personal stories, Scripture, and thought-provoking questions, Andi Andrew lovingly invites readers to examine their hearts to discover whether their faith is a genuine, life-giving marriage of belief and practice in response to Christ's life and sacrifice, or if it is just a lifestyle choice on par with any other. She encourages readers to surrender their whole lives to Jesus daily, grapple with hard questions they may have been avoiding, and discover a life fully alive, following in the way, the truth, and the life of Jesus Christ.

*Seeing and Savoring Jesus Christ (Revised Edition)* May 04 2021

Who is Jesus Christ? You've never met him in person, and you don't know anyone who has. But there is a way to know who he is. How? Jesus Christ-the divine Person revealed in the Bible-has a unique excellence and a spiritual beauty that speaks directly to our souls and says, "Yes, this is truth." It's like seeing the sun and knowing that it is light, or tasting honey and knowing that it is sweet. The depth and complexity of Jesus shatter our simple mental frameworks. He baffled proud scribes with his wisdom but was understood and loved by children. He calmed a raging storm with a word but would not get himself down from the cross. Look at the Jesus of the Bible. Keep your eyes open, and fill them with the portrait of Jesus in God's Word. Jesus said, "If anyone's will is to do God's will, he will know whether the teaching is from God or whether I am speaking on my own authority." Ask God for the grace to do his will, and you will see the truth of his Son. John Piper has written this book in the hope that all will see Jesus for who he really is and will come to enjoy him above all else.

**And I Turned to See the Voice (Studies in Theological Interpretation)** Feb 01 2021

Vision reports in the New Testament--Stephen's vision at his stoning, Paul's experience in the third heaven, John's apocalyptic visions on the isle of Patmos--pull readers and listeners into a dramatic and dynamic thought world. Author Edith M. Humphrey takes a literary-rhetorical approach to examine how word and image work together in understanding vision reports, demonstrating how biblical visions convey and reinforce messages that deeply affect readers.

Visions, Humphrey believes, have not only been seen and heard but also can be transmitted as more than teaching. *And I Turned to See the Voice* uncovers a fascinating combination of beauty, potency, and mystery behind New Testament vision accounts.

Her Heart Can See Aug 27 2020 Fanny J. Crosby (1820-1915) was the most prolific of all American hymn writers. Having lost her sight in infancy through a doctor's negligence, Fanny went on to compose more than 9,000 hymns, as well as various other songs,

cantatas, and lyrical productions. Crosby's hymns, including such all-time favorites as "Blessed Assurance," continue to be sung around the world. She was also involved with New York City's rescue missions and with other benevolent efforts. She rubbed shoulders with the likes of Henry Clay, Grover Cleveland, Winfield Scott, Dwight L. Moody, Ira Sankey, Jenny Lind, P. T. Barnum, and many other famous figures who people these pages. Drawing on primary sources, including thousands of unpublished manuscripts, Blumhofer sorts fact from fiction in the life of this remarkable nineteenth-century northeastern Protestant woman, in the process showing why "this diminutive woman" was so beloved.--From publisher description.

Twain transcended the apparent limitations of his origins to become a popular public figure and one of America's most beloved writers.

How to See the Holy Spirit, Angels, and Demons Jul 06 2021 Are God, angels, and demons really invisible? Or can the spirits be seen with human eyes, through the lens of Church Ethics? The gift of discerning of spirits is indispensable to the study of church ethics. Ignatius of Loyola, founder of the Society of Jesus (Jesuits), wrote two sets of Rules for Discerning of Spirits in his Spiritual Exercises in the early 1500s. He taught how the church can receive from God the gift to see otherwise invisible angels, demons, and the Holy Spirit. Ignatius' views were influenced by John Cassian, Jacobus de Voragine, Ludolph of Saxony, and Thomas a Kempis. Ignatius' Rules are exegeted in dialogue with contemporary scholars Karl Rahner, Hugo Rahner, Piet Penning de Vries, Jules Toner, and Timothy Gallagher, and applied to one study of ecclesial ethics in the narrative theology of Samuel Wells. A four-step Ignatian "pneumato-ethical method" is developed, which any analyst can follow to see the spirits, by consolation/desolation, consent, manifestation, and pneumato-ethics. This method revolutionizes how we study ecclesiology, soteriology, missiology/world religions, liturgy, worship, Eucharist, hermeneutics, homiletics, pastoral counseling, church history, and politics. The spirits are not invisible at all. They can be clearly discerned through the lens of ecclesial ethics.

**Sight Unseen** Apr 22 2020 The New York Times bestselling author of *Witnessed*, *Intruders*, and *Missing Time* -- three groundbreaking books on the UFO phenomenon -- returns with astonishing evidence that other-worldly beings are a very real -- and growing -- part of our lives. In *Sight Unseen*, Budd Hopkins and coauthor Carol Rainey show how fascinating discoveries in modern science support the plausibility of the UFO phenomenon. Featuring sixteen never-before-published cases, *Sight Unseen* probes two newly uncovered patterns in alien abduction: cases of UFO "invisibility" and reports of genetically altered alien beings who interact with humans during their routine lives. The "invisibility" accounts detailed by Hopkins include numerous daylight abductions in densely populated urban areas -- all apparently unseen and accomplished through a technology of invisibility. Two air force non-coms are snatched from the tarmac of a busy military airfield. An Australian family is levitated up into a hovering craft while the father remains paralyzed on the ground with a camera to his eye. The resulting evidence on film is discussed in terms of our own scientific advances. In the second series of cases, abductees report encounters with beings who appear human but apparently possess paranormal powers and stunted emotional ranges. Three young women, unknown to each other, are mysteriously summoned to "job interviews." In ordinary office settings, they encounter human-looking beings who lead them into baffling UFO abduction experiences. A Wisconsin farmer meets "Damoe," a man with odd behavior who closely resembles his son. Damoe eventually reveals himself as an accomplice of UFO occupants in a startling abduction of the

farmer and his wife. Five-year-old Jen is abducted at night to a nearby playground. There she must teach the techniques and skills of "play" to twelve seemingly identical, quasi-human children. Along with these bizarre, first-person stories told by credible people, Hopkins and Rainey explore cutting-edge advances in our own technologies and scientific theories that show how these new UFO patterns could have a concrete basis in contemporary science. Included are an examination of cloaking devices for aircraft, mind-control technologies, and teleportation achieved in the lab. Perhaps the most compelling argument to support these cases lies in the startling and controversial new science of transgenics that actually allows for the creation of alien/human beings.

Why does this have to be so hard? In Wait and See, Wendy Pope draws on the life of King David to help us focus on the Person of our faith rather than the object of our wait; prepare for the future by participating in God's work in the present; view God's pauses as opportunities to know Him better; gain confidence in God's plans, even during uncertain times; and step out of the security of the known to find peace in the unknown. How can we take every opportunity to focus on God and His beautiful future? This hands-on guidebook will show you how to transform a difficult season of waiting into a sweet season with God.

All the Light We Cannot See May 16 2022 Winner of the Pulitzer Prize, a New York Times Book Review Top Ten Book, National Book Award finalist, more than two and a half years on the New York Times bestseller list From the highly acclaimed, multiple award-winning Anthony Doerr, the stunningly beautiful instant New York Times bestseller about a blind French girl and a

German boy whose paths collide in occupied France as both try to survive the devastation of World War II. Marie-Laure lives in Paris near the Museum of Natural History, where her father works. When she is twelve, the Nazis occupy Paris and father and daughter flee to the walled citadel of Saint-Malo, where Marie-Laure's reclusive great uncle lives in a tall house by the sea. With them they carry what might be the museum's most valuable and dangerous jewel. In a mining town in Germany, Werner Pfennig, an orphan, grows up with his younger sister, enchanted by a crude radio they find that brings them news and stories from places they have never seen or imagined. Werner becomes an expert at building and fixing these crucial new instruments and is enlisted to use his talent to track down the resistance. Deftly interweaving the lives of Marie-Laure and Werner, Doerr illuminates the ways, against all odds, people try to be good to one another. Doerr's "stunning sense of physical detail and gorgeous metaphors" (San Francisco Chronicle) are dazzling. Ten years in the writing, a National Book Award finalist, *All the Light We Cannot See* is a magnificent, deeply moving novel from a writer "whose sentences never fail to thrill" (Los Angeles Times).

**Revelation** Sep 20 2022 The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Turn Around and See the Lord Mar 26 2023 The book Turn Around and See the Lord takes inspiration from the experience that Mary Magdalene had with Christ Jesus and His angels at the Lord's sepulchre. The author relates Mary's human frailties to the emotional discomfort, stress, poverty, famine, social mishaps and political servitude that may come upon us. These hardships, she believes, are inflicted upon some believers because of their wickedness, stubbornness, unbelief and lack of simple trust in Jehovah God. She recommends that there is a need for a change or repentance. The author has put together more than twenty renowned biblical characters and her personal-life testimony to address some of the challenges our generation is facing with idol worship and adulterous and obnoxious practices. Rev. Joy Vassal was born in Allison, Manchester-Jamaica West Indies. While she was living in Jamaica she studied at Beaumont College and graduated from Caledonia Educational College Jamaica. When she came to Toronto, Canada, she continued her education, where she matriculated in the Ministerial Affirmation and the Ministerial Internship Programs offered by the Church of God and Lee College (now Lee University) in Cleveland, Tennessee. She obtained an Addiction Social Worker's Diploma at Everest College (formerly CDI College). She is currently attending Tyndale University and Seminary. Joy is a devoted member of the West Toronto New Testament Church of God, where she serves as Missions Representative. Joy is a prolific playwright. Her playwriting skills were exemplified in The Old Man and the New Man drama production that she wrote and produced. It was an

educative and insightful episode, which was developed for television in 1999. She also produced two other plays, Gloria Suffering and The King Is Coming. Adding to her writing schedule, she writes for Miles magazine, Canada's first Christian magazine covering current events, issues and testimonials worldwide.

**O Taste and See** Feb 13 2022 KING DAVID lived three thousand years ago, the most illustrious King of Israel, who provided ascendancy to the nation. A downward trajectory then occurred until 1948. In modern times Israel has vanquished all her enemies and reclaimed part of her homeland. Great resilience in the survival of Israel can be credited to being chosen by God for a purpose: "In thy Seed shall all Nations of the Earth be blessed." Israel is a Royal Priesthood and Holy Nation. This task has been mightily accomplished to almost its completion, and has provided the vanguard in the progress of humanity. Israel produced the Bible, the Old and New Testaments, a book I label as inspired but not inerrant. It is inspired to solve the problem of good and evil on the planet by the Judaism of Moses and David -- Messianic Redemption. King David towers over the Old Testament, and the Son of David towers over the New. Despite the loss of Temple Judaism in 70 AD, Redemptive Judeo-Christianity will triumph.

**Take Off Your Glasses and See** Apr 15 2022 This revolutionary new look at vision will broaden your understanding of how you see and how you can see without your glasses or contact lenses. Take Off Your Glasses and See shows you how to free yourself from the crutch of prescription lenses, to build your self-confidence and awareness, and to open up your inner and outer vision in order to see more clearly. Jacob Liberman, an internationally recognized authority on holistic vision care, explains how most vision problems are the result of an unconscious decision to "close your eyes" to emotional discomfort or pain, and how increasingly powerful corrective lenses only encourage eyesight to withdraw even further. By removing lenses

and practicing breath- and movement-awareness techniques to shift your perception, you can reintegrate the original disruption in the mind/body system. Dr. Liberman's approach can help you join the thousands who have escaped from the self-defeating cycle of poor vision.

Heaven is for Real Sep 27 2020 Why should we care about heaven? -- What is heaven like? -- When does a person go to heaven? -- Where is heaven? -- Who goes to heaven?

**Oh, Taste and See That God Is Good** Jul 18 2022 The reason I wrote this book, *Oh, Taste and See That God is Good*, is because I've already tasted the goodness of the Lord, and he is who he says that he is an awesome, mighty, loving, and powerful Savior. I'm just overwhelmed by his love and the effect that he has on people who have tasted of his goodness. To me, his Word is like a beautiful song or symphony played by an orchestra. That is why I can put it to poetry and make it rhyme so sweetly. I thank the Lord for using me to do the work that he has chosen me to do.

*Hawk & the Lady* Dec 19 2019 Leah I didn't belong in their world, but I made a good show of pretending I did. Mother and Father expected it. All I wanted to do was get a cosy cottage in the suburbs and live with my million cats. What I got instead was suitor after suitor paraded in front of me and the threat of a looming engagement. So, what else was a girl to do? After bumping into Mrs Fortescue's 'companion' one too many times, I decided he'd do. Mother and Father wanted an engagement? They'd get one. Except I'd be the one having the last laugh because Patrick is the total opposite of what my parents want in a son-in-law - his nickname is Hawk for goodness' sake - and I have no obligations to him in any department. But of course, the best laid plans make fools of us all and it's not long before I want him to hold me accountable only to him in EVERY department. There's just the small problem of him being completely unsuitable and without any inclination to settle down. If there's one thing I know about men, it's that it takes a remarkable woman to tame them. I know I'm a remarkable woman. I only hope it's not too late for

this lady to tame her hawk. Patrick If there's one thing that makes a guy reconsider his womanising ways, it's seeing his best mate and his little sister settle down. If there's another, it's a gorgeous woman in a stunning red dress. But she's a part of a world I can only pretend to fit into and she's a damned lady - elegant and sophisticated - and she's totally off-limits to a grunt like me. Every time we meet, there's a look in her eyes that suggests she's far less sophisticated than she'd have me believe. And it's not long before this hawk is close to begging to relinquish his freedom, even just for one night. So, how could I say no when she needed my help? I was expertly qualified to serve, and if I got to be myself for once that was just icing. But the more time I spend with her, the more I want to be around her. The more it feels less like a job and more like something real. There's just the small problem of her being an heiress with obligations that don't include me and the job will only last so long. I don't know a lot about ladies, despite my remarkable ability to play a part. All I know is there's always more underneath the mask, and there's only one lady who can tame this hawk.
