**A PIRATE'S LIFE** Hoping to recruit the fabled Saint of the Western Seas, Miledi leads the party to the island city of Andika. There, they encounter pirate queen Meiru—at the same moment that the Holy Church sends a force to the island to exterminate Meiru's crew! Tension sparks as three different factions come face to face on the island, and the possibility of battle seems nigh... After welcoming his old friend Kaori into their party, Hajime and company set off on a quest to conquer the Gruen Volcano. As one of the ancient labyrinths built by the Liberators in days of old, it contains rare magic that can't be found anywhere else...and the cure for the plague ravaging the nearby Duchy of Ankaji. Blazing-hot trials and unexpected adversaries await within, as Hajime's adventure starts heating up...literally! **SAVE THE QUEEN** The Liberators have a new mission: protect Queen Lyutillis Haltina of the beastmen republic from the fanatical armies of the Church. The Church will stop at nothing to carry out their god's orders and kidnap Lyutillis, last of the seven ancient magic users. But not all the Liberators can reach the republic before the Church lays siege. Now, Miledi, Naiz, and Meiru must hold out until help arrives—and they must hope their friends return before the Church's own divine backup descends. Long before any child of Earth came to the world of Tortus, the Liberators fought their own war: a struggle against the gods themselves. Oscar Orcus was never the type to seek out that kind of conflict. He lives a simple life as a magical craftsman. But when the powerful magician Miledi Reisen barges into his life, he's swept up into the tides of history. When the two of them meet, sparks fly that will set the whole world ablaze! **THE NEXT LABYRINTH** With the addition of Kaori into their party, Hajime and his friends make for the coastal city of Erisen. While crossing the Gruen Desert, they meet a young man on the hunt for a cure to a mysterious disease that has struck his people. A mineral known as stillrock holds the key to saving his country, but it can only be found inside the Grand Gruen volcano. Hajime agrees to help him procure some, and the party begins their quest to conquer yet another labyrinth. But along the way, they meet the most unexpected foe... **FATHER FIGURES?!** With their business in Ur concluded, Hajime and his party return to Fuhren. After getting Yue, Shea, and Tio their Status Plates, Hajime decides to take a break from adventuring—or so he thinks. If he doesn't find trouble on his own, it manages to find him! Running afoul of a

shady underground organization during a date with Shea, Hajime ends up rescuing a young girl named Myu. Wait. Is he supposed to be her surrogate father now?! **ONE MAN ARMY** Hajime and his companions have returned to the town of Ur, where a horde of demons looms just over the horizon. The town might not mean anything to him, but after hearing a heartfelt plea from his old teacher, Hajime decides to try saving it. Bolstered by the overwhelming power of the dragonborn princess, Tio, Hajime's party stands against an entire army all by themselves! **CHILLED TO THE BONE** Having finally found a way home, Hajime and his party head to the final labyrinth—the Frost Caverns. Its frigid depths hold the last ancient magic they need to return to Earth, but upon entering the caverns, a strange presence unsettles the party and splits them up, and they become lost in a maze of ice. Separated from the others, Shizuku is forced to fight a copy of herself. Will she be able to overcome this trial and surpass her limits? A backstory series for the hit franchise Arifureta: From Commonplace to World's Strongest! (And check out the light novel version of this series, too!) Before Hajime was transported to Tortus, the Synergist Oscar Orcus was having his own adventure--but not willingly! Oscar is a simple working man, keeping his head down to earn his money and support an orphanage, until Miledi Reisen bursts into his life. She wants Oscar to join her in a quest to defeat the gods. Oscar refuses to chase after that kind of danger...until that kind of danger finds its way to him. Having finally found a way home, Hajime and his party head to the final labyrinth--the Frost Caverns. There, in that frigid land, the party seeks out the last ancient magic they'll need to go back to Earth. Upon entering the caverns, a maze of ice and an ever-present sinister whispering chips away at their concentration. As they proceed through it, the party is split up. Separated from the others, Shizuku is forced to fight a copy of herself. Will she be able to overcome this trial and surpass her limits? **THE WORLD'S STRONGEST...DAD?!** Hajime's life is one over-the-top adventure after another, but against all odds, Shea manages to convince him to take a break from all the madness and go out on a date. Unfortunately, trouble has a way of finding Hajime regardless. The two of them wind up face-to-face with Myu, a young mermaid who's fallen into the clutches of a nefarious organization. Does Hajime maybe have a huge paternal soft spot for this little aquatic girl...? **THE EMPIRE AWAITS!** With the battle at the capital settled, Hajime's next destination is the Empire. Together with Lilliana and Kouki, he takes to the skies with his newly built airship—only to discover that the Haulia have been fighting against both the empire and the demons, and that Verbergen has been sacked. Suddenly, Hajime has a new reason to head to Hoelscher's capital! The bestselling fantasy light novel comes to print for the first time--now with an anime series! Seventeen-year-old Hajime Nagumo is your average, everyday otaku. However, his simple life of pulling all-nighters and sleeping in school is suddenly turned upside down when he, along with the rest of his class, is summoned to a fantasy world! They're treated like heroes and tasked with the duty of saving the human race from utter extinction. But what should have been any otaku's paradise quickly turns into Hajime's nightmare. While the rest of his class are blessed with godlike powers, Hajime's job, Synergist, only has a single transmutation skill. Ridiculed and bullied by his classmates for being weak, he soon finds himself in despair. Will he be able to survive in this dangerous world of monsters and demons with only a glorified blacksmith's level of strength? **THE FINAL SHOWDOWN BEGINS** At last, Hajime has conquered all seven labyrinths and found a way home. But a massive army of apostles awaits him outside the Frost Caverns—led by Fried, supreme commander of the demon army. Fried has an invitation for Hajime, one he can't refuse: come to the Demon Lord's castle, or lose his old classmates...and Myu. Left with no choice, Hajime surrenders. Little does he know, terrible secrets await him in the heart of the demon empire, and the revelation of Ehit's true plan may destroy him once and for all. An apostle of the false god Ehit descends upon the Liberators, prepared to inflict death and destruction without mercy. The Liberators came to the desert to recruit Naiz, the wielder of ancient spacial magics, but his refusal leaves them alone against an overwhelming foe.
