Madly Marvelous Jun 24 2020 From the
award-winning costume designer of Amazon
Prime Video's *The Marvelous Mrs. Maisel*,
a collection of the show's costumes, with
never-before-seen photography, sketches,
production stills, and more Amazon Prime
Video's Emmy- and Golden Globe-winning
series *The Marvelous Mrs. Maisel* centers
on Miriam "Midge" Maisel, a 1950s New
York City woman whose seemingly perfect
life suddenly takes an unexpected turn,
taking her from a comfortable life on

Riverside Drive through the basket houses and nightclubs of Greenwich Village as she embarks on a groundbreaking standup comedy career. Created by Amy Sherman-Palladino (creator and showrunner of *Gilmore Girls*), and starring Rachel Brosnahan, Alex Borstein, and Tony Shalhoub, *The Marvelous Mrs. Maisel* has garnered fan and critical praise alike, with much of the attention focused on the exquisitely designed period costumes. *Madly Marvelous: The Costumes of The Marvelous Mrs. Maisel* explores the inner workings of award-winning costume designer Donna Zakowska's process, as well as the many inspirations for the show's wardrobe, including period photography, American and European fashion trends, and the various cultures and countercultures of late-1950s New York. The clothes of Mrs. Maisel are gorgeous, authentically detailed, and carefully crafted. Illustrated with sketches, photographs from Zakowska's workspace, behind-the-scenes shots, and production stills, the book follows the series from season to season, showing how

the vocabulary of fashion—context, style, color, cut, accessories, and more—is integral to defining and developing the characters in the show. Madly Marvelous is a must-have for fans of the show and fashionistas alike, providing readers with a curated and well-informed look at an integral period in fashion history.

Remaking America Dec 31 2020 Argues that public commemoration of historic events expresses a need to reinforce personal sentiments dealing with issues of class, race, sex, and regional identity

Dress in Anglo-Saxon England Jul 06 2021 Based on the revised and expanded edition of 2004, this paperback is an encyclopaedic study of English dress from the fifth to the eleventh centuries, drawing evidence from archaeology, text and art (manuscripts, ivories, metalwork, stone sculpture, mosaics), and also from re-enactors' experience. It examines archaeological textiles, cloth production and the significance of imported cloth and foreign fashions. Dress is discussed as a marker of gender, ethnicity, status and social role - in the context of a

pagan burial, dress for holy orders, bequests of clothing, commissioning a kingly wardrobe, and much else - and surviving dress fasteners and accessories are examined with regard to type and to geographical/chronological distribution. There are colour reconstructions of early Anglo-Saxon dress and a cutting pattern for a gown from the Bayeux tapestry; Old English garment names are discussed, and there is a glossary of costume and other relevant terms. GALE OWEN-CROCKER is Professor of Anglo-Saxon Culture at the University of Manchester. She has a special interest in dress throughout the medieval period - she advises on dress entries to the Toronto Old English Dictionary and has consulted for many museums and television companies. She is co-editor of the journal Medieval Clothing and Textiles.

Ancient Egyptian, Mesopotamian & Persian Costume Jul 18 2022 Over 250 illustrations, drawn in the artistic style of the period, depict apparel worn by Egyptian royalty, manual workers, and military, as well as by ancient

**Sumerians, Babylonians, and Assyrians.

Fashion through History Jul 26 2020 This collection arises from an international fashion conference held at Sapienza University in Rome, Italy, in May 2015. It is dedicated to one of the main indicators of social change, fashion, analysed within various scientific fields, historical periods, and geographical areas. It offers a comprehensive and detailed analysis of the world of clothes, starting from a historical perspective, religious clothes, and traditional costumes, and then exploring fashion theories and more recent approaches and developments in the media and advertisements. The book analyses the clothing of various cultures, including the Hittite peoples and the less explored fashion of Eastern Europe, and it deals with craft traditions and national costume in different areas, including China, Greece, Romania and Georgia. It also investigates the style of marginalized groups and youth movements and the interpretation of

fashion in the studies and writings of sociologists, philosophers and linguists, such as Fausto Squillace and Christian Garve.

Survey of Historic Costume Study Guide

Apr 27 2023 Fairchild's Survey of Historic Costume Study Guide is designed to guide students through each chapter of Survey of Historic Costume 5th edition (ISBN: 9781563678066) and help them identify and synthesize core information. With its emphasis on the text and flexibility to be adapted to different course structures and methods, this resource is a valuable tool for instructors as well as students. For every chapter, the Study Guide includes concise Historical Snapshots to situate students in time; At a Glance; tables summarizing of key information about dress from the time period covered by each chapter; space to take notes about major content and themes; questions to help students identify this information in the text; activities in which students must sketch or describe key styles; and further review questions. The Study Guide

also provides students with a complete glossary of key terms used throughout the text.

Fabric of Society Nov 29 2020 Essays inspired by the collections at Platt Hall, The Gallery of English Costume, Manchester.

Coins and Costume in Late Antiquity Aug 07 2021 This catalogue focuses on numismatic gold jewelry, from pendants set with coins and medallions to stamped pseudo-medallions, or a combination of both. Special attention is given to the technical issues of mounting techniques.

The Guide to Historic Costume Jan 24 2023 This is essentially a guide to items of historical dress in British Museum collections. However since there is more

surviving historical costume in this country than anywhere else in the world, it doubles as a dictionary of costume, providing information on where to find a specific garment.

Costumes of the Seventeenth and Eighteenth Century Jun 05 2021

Costume and Fashion Jan 12 2022 An authoritative account of the history of fashion and costume from prehistoric times to today. From the momentous invention of the needle some 40,000 years ago to the development of blue denim, from Neolithic weavers to the biggest names in the fashion industry today, this classic guide covers the landmarks of costume history. *Costume and Fashion* explores the forms and materials used in fashion through the ages, the underlying motives of fashion, and the ways in which clothes have been used to protect, express identity, and attract or influence others. This updated sixth edition features a new foreword and concluding chapter by Amy de la Haye and a new discussion about the major political shifts within the fashion

industry, highlighting how it has responded to issues surrounding racism and sexism, LGBTQIA rights, mental health awareness, body and age diversity, and global sustainability. Generously illustrated with paintings, drawings, and photographs, and with a new angle on the emergence of ethical fashion, *Costume and Fashion* feels more current than ever.

Uniforms Aug 19 2022 Presents a series of anecdotes that tell the history and meaning of American uniforms, identifying their cultural significance in terms of how uniforms unite and divide people as well as how they vary throughout the world.

5th International Congress on Mar 22 2020

A Survey of Historic Costume Dec 23 2022

A basic text for those who want an overview and chronology of western costume, it discusses the dress of each era within its historical, cultural and economic contexts.

Dressing Up Debutantes Apr 03 2021 For ninety years, young society women in San Antonio, Texas have donned custom-designed dresses and trains to take part in the Coronation of a queen and her court. These royal robes, which weigh fifty pounds and more and cost an average of \$18,000, are highly embellished with rhinestones and beads. The Coronation is part of the ten-day, century-old festival celebrating the final battle of the 1836 Texas revolt against Mexico. This book provides a significant contribution to the study of social elites in Western society through a material culture analysis of the Coronation costumes worn by the Euro-American debutantes. Set against the backdrop of a city undergoing many demographic, socioeconomic, and political changes, the themes of Coronation pageants represent the mythologized ethnic and class history

which reinforces the hierarchical positioning of its participants. The royal robes serve as the canvas upon which this theme is carried out. The Coronation, held in a city with a Hispanic majority, has come under attack for its elitism, but participation in it is still important for the old Euro-American aristocracy and for a very few extremely wealthy Hispanic families. Integral to the continuation of this increasingly contested tradition is the emotional appeal that wearing these intricately decorated gowns holds for participants.

Costume Since 1945 Dec 19 2019 "Since the mid-20th century fashion has undergone phenomenal change at a rapid pace in the context of unprecedented social, political and cultural upheaval. This fully updated and expanded second edition of Costume Since 1945 brings this period to life through accessible, lively text and over 100 illustrations. From the austerity of the utility years to punk and protest to 21st century fast fashion and vintage style, the volume captures

changes the mood and style of each era across street fashion, sportswear, formal wear from suits to couture gowns, underwear and nightclothes. Based on a wide range of sources, the author's illustrations offer engaging insights on fashion history as well as design inspiration. Written for students and scholars of costume design and fashion history, practitioners and anyone interested in historical dress, this book provides a unique perspective on fashion from a renowned international costume designer"--

The History of Men's Underwear and Swimwear, Second Edition Feb 19 2020 The History of Men's Underwear and Swimwear features a detailed, thoroughly illustrated chronology of the development and changing styles of these two "bare necessities" of masculine dress. Interwoven throughout the study is also an examination of how these most intimate forms of men's clothing not only reflected society but also how the evolution of styles inexorably influenced social change, especially notions of

masculinity, modesty, and erotic exhibitionism. In addition, Daniel Delis Hill looks at more than 100 years of the mass marketing of men's underwear and swimwear, especially the progression of visual presentation and the written message in the era of mass production and mass communication. Cover to cover, the second edition of *History of Men's Underwear and Swimwear* is richly illustrated in color throughout with over 200 period photos and artwork, many never published before.

A Concise History of Costume May 16 2022
Dress in Eighteenth-century Europe
1715-1789 Sep 20 2022

Survey of Historic Costume Mar 26 2023
In the Preface of the 5th Edition of *Survey of Historic Costume*, Tortora and Eubank conclude with the following: "In the history of dress at the beginning of the 21st century, costume might be compared to a constantly moving river. This river divides into many narrower channels that separate, cross, come together, and separate again, and yet that river continually moves on."

Building on the previous editions, the authors update their analysis of Western dress to 2008. Survey of Historic Costume has, from its beginnings, taken seriously the need to accompany the text with appropriate illustrations and the major change in the 5th Edition is the move to full color throughout the book to enrich the text and the concepts. Perfect for anyone interested in historic costume, fashion, textiles, drama, and design, this beautifully illustrated book is full of interesting facts and commentary. New to this Edition:-- Over 500 four-color photographs and illustrations-- Updated text to 2008-- Additional influences from one period or civilization to another, including influences from other cultures-- Index - updated and organized to be utilized as glossary with terms defined and page numbers printed in boldface-- Instructor's Guide provides sources for visuals, websites, teaching strategies and evaluation techniques-- PowerPoint® Presentation contains interactive visual presentation with links to Internet

Survey of Historic Costume Nov 22 2022
"Survey of Historic Costume presents a thorough overview and chronology of Western dress from the ancient world to the trends of today"--

Folk Costume of Southern Europe Nov 10 2021 Describes the regional costumes of Italy, Switzerland, Spain, Portugal, and Mediterranean ports and islands, and the influence on them of climate, geography, and historical events.

Cosplay: A History Apr 22 2020 This look at the colorful and complex history of cosplay and fandom fashion examines the relationship between franchises and the cosplayers they inspire and the technology that helps bring the details of costumes to life.

Mammal Anatomy Oct 29 2020 Provides details on the anatomy of fourteen mammals, including dolphins, chimpanzees, squirrels, and humans, and describes the musculoskeletal, circulatory, nervous, digestive, and reproductive systems of each animal.

Contemporary World History Mar 02 2021
Duiker's comprehensive, balanced history

of the world in the twentieth and twenty-first centuries provides you with context for interpreting the events that you hear about in the news each day. You'll view history from the broader global perspective, while at the same time gaining insight into the distinct character of individual civilizations and regions. To ensure that you'll have a well-rounded understanding of the most decisive moments in recent times, Duiker integrates political, economic, social, and cultural history into a smoothly written narrative. The Fifth Edition text includes a special insert that guides you in using the text's many detailed maps and helps you learn how to make important connections between geography and the turn of historic events. Additional tools include timelines that highlight and contrast different cultures and nations--giving you an "at-a-glance," holistic perspective on eras and their defining events; photos from William Duiker's own collection for a closer, more personal look at the world we live in; and primary-source documents that

illustrate and clarify key points.
