Poor Maha! Her jealous stepmother makes her do all the housework while her selfish stepsister lazes about. Since Maha's father is away fishing most of the time, there is no one to help or comfort her. All that begins to change when Maha finds a magical red fish. In return for sparing his life, the fish promises to help Maha whenever she calls him. On the night Maha is forbidden to attend a grand henna to celebrate the coming wedding of a wealthy merchant's daughter, the fish is true to his word. His magic sets in motion a chain of events that reward Maha with great happiness, and a dainty golden sandal is the key to it all. Rebecca Hickox's eloquent retelling and Will Hillenbrand's lush pictures offer a beguiling version of a story well-loved by many cultures the world over. An Instant New York Times Bestseller! This joyful and lyrical picture book from New York Times bestselling author Eva Chen and illustrator Sophie Diao is a moving ode to the immigrant experience, as well as a manifesto of self-love for Chinese American children. What do you see when you look in the mirror, Mei? Do you see beauty? We see eyes that point toward the sun, that give us the warmth and joy of a thousand rays when you smile. We see hair as inky black and smooth as a peaceful night sky. We see skin brushed with gold. Praise for *I Am Golden*: "[A] richly metaphoric celebration of Chinese American identity ... Luminous, gently textured digital art by Diao includes thoughtful, recognizably Chinese cues that add further dimension ... A loving, affecting tribute to how children of immigrants can serve as bridges and torchbearers for their communities." —Publishers Weekly, starred review "From the outset, this gorgeous picture book exudes joy and celebration of identity. Through dazzling illustrations, Diao brings to exuberant life best-selling Chinese American author Chen's message of finding love and power in one's differences. ... This powerful and uplifting story captures [Chinese] American joy and is a definite must-read." —Booklist, starred review Share the true meaning of Christmas with your children this holiday season. This merry Little Golden Book from 1964 is reissued for a new generation of children to enjoy. When forty-year-old cop Winnie Farlowe lost his shield, he lost the only protection he had. Ever since, he's been fighting a bad back, fighting the bottle, fighting his conscience. But now he's in for a special fight. Never before has he come up against anyone like Tess Binder. She's a stunningly beautiful, sexually spirited three-time divorcee from Newport Beach--capital of California's Golden Orange, where wallets are fat, bikinis are skimpy, and cosmetic surgery is one sure way to a billionaire's bank account. Nearly a year ago Tess Binder's father washed up on the beach with a bullet in his ear. The coroner called it suicide, but to Tess it means the fear of her own fate. And Winnie Farlowe is a man willing to follow wherever she leads--straight into the juicy pulp of the Golden Orange, a world where money is everything, but nothing adds up . . . where death and chicanery flourish amidst ranches, mansions, and yachting parties. In his long-awaited new novel, best-selling author Joseph Wambaugh combines harrowing suspense, scathing humor, and a moving portrait of a man on the brink of self-destruction. Grandpa explains that the

golden rule is a simple statement on how to live that can be practiced by people of all ages and faiths, then helps his grandson figure out how to apply the rule to his own life. Silence isn't just the absence of noise. It's a presence that brings us energy, clarity, and deeper connection. Justin Zorn and Leigh Marz take us on an unlikely journey—from the West Wing of the White House to San Quentin's death row; from Ivy League brain research laboratories to underground psychedelic circles; from the temperate rainforests of Olympic National Park to the main stage at a heavy metal festival—to explore the meaning of silence and the art of finding it in any situation. Golden reveals how to go beyond the ordinary rules and tools of mindfulness. It's a field guide for navigating the noise of the modern world—not just the noise in our ears but also on our screens and in our heads. Drawing on lessons from neuroscience, business, spirituality, politics, and the arts, Marz and Zorn explore why auditory, informational, and internal silence is essential for physical health, mental clarity, ecological sustainability, and vibrant community. With vital lessons for individuals, families, workplaces, and whole societies, Golden is an engaging and unexpected rethinking of the meaning of quiet. Marz and Zorn make the bold and convincing argument that we can repair our world by reclaiming the presence of silence in our lives. NEW YORK TIMES BESTSELLER • A finger in a wedding cake is only the beginning in this deliciously shocking mystery featuring Flavia de Luce, “the world’s greatest adolescent British chemist/busybody/sleuth” (The Seattle Times). Although it is autumn in the small English town of Bishop’s Lacey, the chapel is decked with exotic flowers. Yes, Flavia de Luce’s sister Ophelia is at last getting hitched, like a mule to a wagon. “A church is a wonderful place for a wedding,” muses Flavia, “surrounded as it is by the legions of the dead, whose listening bones bear silent witness to every promise made at the altar.” Flavia is not your normal twelve-year-old girl. An expert in the chemical nature of poisons, she has solved many mysteries, sharpening her considerable detection skills to the point where she had little choice but to turn professional. So Flavia and dependable Dogger, estate gardener and sounding board extraordinaire, set up shop at the once-grand mansion of Buckshaw, eager to serve—not so simple an endeavor with her odious little moon-faced cousin, Undine, constantly underfoot. But Flavia and Dogger persevere. Little does she know that their first case will be extremely close to home, beginning with an unwelcome discovery in Ophelia’s wedding cake: a human finger. Praise for *The Golden Tresses of the Dead* “Delightful . . . The mysteries in Mr. Bradley’s books are engaging, but the real lure is Ms. de Luce, the irreverent youngster.”—The Wall Street Journal “A ghoulish question is at the heart of Bradley’s excellent tenth Flavia de Luce novel. . . . Bradley, who has few peers at combining fair-play clueing with humor and has fun mocking genre conventions, shows no sign of running out of ideas.”—Publishers Weekly (starred review) Originally published in 1958, this book contains a selection of 28 traditional stories from the French, German, Danish, Russian and Japanese traditions. Includes *The Sleeping Beauty*, *The Frog Prince*, *Puss in Boots*, *Thumbelina*, *Cinderella*, *Little Red Riding Hood*, and *Beauty and the Beast*. Fifteen-year-old Laura lives apart from her family for the first time, teaching school in a claim shanty twelve miles from home. She is very homesick, but keeps at it so that she can help pay for her sister Mary's tuition at the college for the blind. During school vacations Laura has fun with her singing lessons, going on sleigh rides, and best of all, helping Almanzo Wilder drive his new buggy. Friendship soon turns to love for Laura and Almanzo in the romantic conclusion of this Little House book. Golden is the first book to provide an all-access look at Steph Curry and the team that has fueled Dub Nation—by longtime Warriors beat reporter and Bay Area News Group sports columnist Marcus Thompson, the go-to expert on all things Golden State. A lifelong Warriors fan turned insider Thompson is uniquely qualified to tell the definitive story of a singular talent, pulling back the curtain on the crazy work ethic and on-court intensity that make Curry great—and the emphasis on family and faith that keeps him grounded. Combining the competitive grit and fun-loving spirit of his mother with the mild demeanor, easy charm, and sharp shooting of his father, former NBA player Dell Curry, Steph Curry derives support and strength from his close-knit kin and his commitment to Christianity. This hard-working, wholesome image however is both a blessing and curse in a League of big personalities. Thompson unravels the complicated underpinnings of the Steph Curry hate with a nuanced analysis of how class and complexion come into play when a child with an NBA pedigree becomes the face of a sport traditionally honed on inner-city black top and dominated by the less privileged. With unprecedented access, Thompson draws from exclusive interviews with Steph Curry, his family, his teammates, Coach Steve Kerr, and the Warriors owners to bring readers inside the locker room and courtside with this remarkable athlete and man. "Seventeen-year-old Parker Frost has never taken the road less traveled. Valedictorian and quintessential good girl, she's about to graduate high school without ever having kissed her crush or broken the rules. So when fate drops a clue in her lap--one that might be the key to unraveling a town mystery--she decides to take a chance"--After a parrot makes fun of Sooki's big ears, long nose, and wrinkled skin, the "saggy baggy" elephant isn't too sure of himself. But once he meets some beautiful creatures who look just like him, Sooki celebrates with a joyful "one-two-three-kick." For over 50 years, parents and children have treasured this tale, with gorgeous art by Gustaf Tenggren, the illustrator of *The Poky Little Puppy*. A classic work of science fiction, this novel was one of the first to explore the world of the atom. *The Girl in the Golden Atom* is the story of a young chemist who finds a hidden atomic world within his mother's wedding ring. Under a microscope, he sees within the ring a beautiful young woman sitting before a cave. Enchanted by her, he shrinks himself so that he can join her world. ø Having worked for Thomas Alva Edison, Ray Cummings (1887-1957) was inspired by science's possibilities and began to write science fiction. *The Girl in the Golden Atom* was enormously successful at its publication in 1923, and Cummings went on to write an equally successful sequel, *The People of the Golden Atom*. Both volumes are featured in this Bison Books edition, along with a new introduction by Jack Williamson. Back in print, the fascinating history of Little Golden Books, in celebration of their 75th anniversary in 2017! With a Foreword by Eric Carle. Eminent children's historian Leonard Marcus' *Golden Legacy* chronicles the fascinating story of the creation, marketing, and worldwide impact of Little Golden Books, the most popular children's books of all time. Launched during the dark days of WWII, Golden Books such as *The Poky Little Puppy* were an instant sensation. Hallmarked by their superlative

quality yet affordable to nearly all, they changed the cultural landscape and mirrored our changing postwar culture: the powerful influence of television, the post-Sputnik renaissance in American science education, and the birth of the civil rights movement. Lavishly illustrated with the iconic Golden Book covers and colorful artwork generations of children have pored over, Golden Legacy is a compelling tale of mavericks, innovators, and renowned authors and illustrators. . . a stirring celebration of the humble books in which we scrawled our names, with the cardboard cover and the shiny gold-foil spine. "Together, through a depression, a world war, and the McCarthy era, through job losses and race riots and the joyous births of their two children, Harry and Ruby weathered much and shared an incredible love. But then the inevitable happened. One of them had to go first. When Ruby was ninety-one, she contracted leukemia and died. Alone for the first time in his life, Harry felt the loss acutely and terribly, and for a long while, despite continued good health, he was uncertain about whether he could go on without Ruby. It was then that he turned to the past for solace - and ended up fulfilling a lifelong dream of becoming a published author."--BOOK JACKET. A brother and sister's search for a new life and new home . . . 5,000 years ago in ancient Mesopotamia during a terrible drought, Jomar and Zefa's father must send his children away to the city of Ur because he can no longer feed them. At fourteen, Jomar is old enough to apprentice with Sidah, a master goldsmith for the temple of the moon god, but there is no place for Zefa in Sidah's household. Zefa, a talented but untrained musician, is forced to play her music and sing for alms on the streets of Ur. Marjorie Cowley vividly imagines the intrigues, and harsh struggle for survival in ancient Mesopotamia. THE NEW YORK TIMES BESTSELLER Lucas Davenport's first case as a U.S. Marshal sends him into uncharted territory in the thrilling new novel in the #1 New York Times bestselling series. The man was smart and he didn't mind killing people. Welcome to the big leagues, Davenport. Thanks to some very influential people whose lives he saved, Lucas is no longer working for the Minnesota Bureau of Criminal Apprehension, but for the U.S. Marshals Service, and with unusual scope. He gets to pick his own cases, whatever they are, wherever they lead him. And where they've led him this time is into real trouble. A Biloxi, Mississippi, drug-cartel counting house gets robbed, and suitcases full of cash disappear, leaving behind five bodies, including that of a six-year-old girl. Davenport takes the case, which quickly spirals out of control, as cartel assassins, including a torturer known as the "Queen of home-improvement tools" compete with Davenport to find the Dixie Hicks shooters who knocked over the counting house. Things get ugly real fast, and neither the cartel killers nor the holdup men give a damn about whose lives Davenport might have saved; to them, he's just another large target. Filled with his trademark razor-sharp plotting and some of the best characters in suspense fiction, Golden Prey is further reason why "Sandford has always been at the top of any list of great mystery writers" (The Huffington Post). BANNED: The Golden Book of Chemistry Experiments was a children's chemistry book written in the 1960s by Robert Brent and illustrated by Harry Lazarus, showing how to set up your own home laboratory and conduct over 200 experiments. The book is controversial, as many of the experiments contained in the book are now considered too dangerous for the general public. There are apparently only 126 copies of this book in libraries worldwide. Despite this, its known as one of the best DIY chemistry books every published. The book was a source of inspiration to David Hahn, nicknamed "the Radioactive Boy Scout" by the media, who tried to collect a sample of every chemical element and also built a model nuclear reactor (nuclear reactions however are not covered in this book), which led to the involvement of the authorities. On the other hand, it has also been the inspiration for many children who went on to get advanced degrees and productive chemical careers in industry or academia.
