Christian Camping Today May 18 2022 Each year millions people of all ages and types pack their bags and expectations and head for a Christian camp. While Christian camps and conferences have embraced millions, only a handful have a clear grasp of camping's history, working principles, and future prospects. Fewer still can capture on paper the heart and soul of this great movement. Lloyd Mattson is one of these. In *Christian Camping Today* he takes us on an exciting journey that will instruct the novice student and enlighten even the camping veteran. Few are as well qualified as Mattson to undertake this challenge. He easily has been the most prolific writer of Christian camping literature of all time.

Deeply Rooted May 26 2020 Spiritual growth sounds great, but what does it mean? There is something very grounding about trees. We understand how they grow and how dirt, seeds, water, and roots support the life and seasons of a tree. Using a tree as a metaphor, Christopher Maricle presents a model for spiritual growth that is easy to use and remember. *Deeply Rooted* borrows Catherine of Siena's image of the soul as a tree and categorizes it into four parts: the garden, the soil and roots of the tree, the trunk and essence, and the fruits. The reader explores self-knowledge and knowledge of God and how these two work together to help the soul grow.

Christy Miller Collection, Vol 3 Jul 28 2020 The first twelve books in the popular Christy Miller series are now available in four treasured volumes! Bestselling author Robin Jones Gunn packs each one with enough action, romance, and drama to keep you reading and wanting more. It all starts the summer Christy vacations on a California beach and meets two friends who change her life forever. But after moving across the country with her family, Christy must begin her sophomore year of high school uncertain where she'll fit in. A red-headed new best friend, a try at cheerleading, a job at a pet store, and expectations for the prom fill Christy's high school years with a string of laughter-and-tears moments. Fireball Katie keeps everyone guessing what she'll do next, and surfer Todd keeps showing up while popular Rick has determined to get her full attention! As these memorable years unfold, Christy and her God-loving friends find out what it means to be a "peculiar treasure." Follow Christy Miller as she stays true to her identity in Christ, drawing closer to God for help in realizing her dreams and dealing with her disappointments. Whether you're meeting her for the first time or have known her for years— Christy Is a Forever Friend True Friends What is a true friend? Christy Miller knows she has two of them: Todd and Katie. To show how much she appreciates them, she writes to Todd, who's off surfing in Hawaii, and she agrees to join the ski club with Katie...even though she's scared of skiing! Fortunately, Christy and Katie can laugh as they bumble their way around the bunny slopes at Lake Tahoe. But Christy finds herself caught between new friends and her loyalty to Katie. Will Christy find a way to be a true friend when it counts most? And will she ever hear from Todd? *Starry Night* It's Christmastime, and Christy Miller has so much going on: family time, work, and maybe, just maybe, going to the Rose Bowl Parade with a bunch of friends. If only she could answer Uncle Bob's tough questions. Todd's buddy Doug gives her some insight, and she starts to appreciate him in a whole new way. Rick Doyle shows up again...but is he pursuing Christy or the cutest elf at the mall? Through it all, will Christy find someone special to count the stars with? *Seventeen Wishes* It's summer, and that means the beach and other adventures. And Christy Miller's best friend, Katie, is always full of ideas. They'll be camp counselors! But when Katie can't go, Christy is bewildered and overwhelmed by her fifth-grade girls, who have boundless energy for anything except what Christy wants them to do. Do they even hear a word she says? Soon they're playing matchmaker between Christy and Jaeson, a handsome counselor...and he doesn't seem to mind. When Christy's seventeenth birthday arrives later in the summer, just what will she be wishing for? *Story Behind the Book* "The Christy Miller series was actually born when a group of thirteen-year-olds challenged me to write a novel. I'd been questioning the content of their favorite books when they said, 'Why don't you write a book for us?' I told them no, I only wrote picture books. But they persisted: 'How hard could it be? We'll even tell you what to write! We want a love story with teenagers at the beach.' And there you go. *Summer Promise* first released seventeen years ago and is now translated into five languages. I continue to hear from readers all over the world, many girls saying that they gave their life to Christ after reading *Summer Promise*. I love that!" —Robin Jones Gunn

Sacred Playgrounds Jul 08 2021 Sacred Playgrounds explores the wisdom of camping ministry for Christian education and faith formation, examining its rich history and fundamental characteristics with compelling stories, groundbreaking research, and theological grounding. Christian summer camp is an integral part of the ecology of faith formation in North America, though it has received surprisingly little attention in the scholarly community until now. Camping ministry is often dismissed as simple fun and games or a brief spiritual high that does not last. However, camp experiences often serve as deeply relational and immersive faith experiences that have lasting impacts on participants. Five fundamental characteristics combine dynamically in the effective camp experience: participatory, faith-centered, safe space, relational, and unplugged from home. Together, they open the space for participants to consider new understandings of God, to have time for deep self-reflection, and to build intentional Christian community. These camp experiences are essential components in a larger ecology of faith formation, including the home and congregation. The insight and evidence presented in this book demonstrate that the contributions of camping ministry must be taken seriously among scholars, Christian educators, and ministry professionals.

Camp Days and Coming Clean Jan 14 2022 Dear Journal, Today was the first day of Dinah, Dylan, and my week at Montag Christian Camp. For Dinah, it was her first time attending this camp. She had attended another Christian camp before over the years before she moved to Dallas. From what I understand from her and Dylan, Dinah had a great first day. Not only are she and Dylan the only campers in their cabin, they also have Rachel as their camp counselor. She is truly one of the most awesome camp counselors ever. From what I also understand, the other people (campers and counselors alike) took to her quickly. I am not surprised by this at all. After all, Dinah is one of the nicest, genuine, and down to earth people ever, and it is not hard to get attached to her quickly. Speaking of Dinah, I have decided to finally come clean to her this week about how I feel about her. I have held it in too long, and don't think that I can hold it anymore. -Doug
