Amateur faceter Tom Herbst lays out the steps  
necessary to transform a shapeless lump of rock  
into a glittering jewel that is unique and  
valuable. Along the way, he explains not only the

"how" but also the "why," and provides helpful tips in dealing with many of the pitfalls that confront the beginning gem cutter. Color A Creation Gemstones Volume 2, The 7th installment in the Color a Creation, adult coloring book series. Flip through these hand drawn pages designed specifically with a Gem lover in mind. Over 20 hand drawn illustrations have a variety of difficulty levels and intricacies. Included in this book are easy to follow written tutorials for both faceted and cabochon type gems complete with pictures. Learn the amazing (and sometimes magical) history of gemstones from around the world through the corresponding birthstones that represent each month of the year. Gemstones are among Earth's rarest and most beautiful creations. They are history's preeminent symbols of wealth and power. They are valued because they are beautiful and rare, but also because their beauty is undiminished with time. The stone that once adorned a king or maharaja, might today be set

in a ring or necklace, and if not destroyed, will continue to sparkle thousands of years from now. This history only increases the value of these stones. What better way to teach young readers about gemstones than by focusing on the different birthstones that correspond to each month of the year? Everyone (mostly) knows their birthstone. But do they know the full history of these stones--where they were mined, how/why they were popular, or how to best harness a stone's energy to help deal with matters of friendship, family, and life? Your Birthstone Book will give readers insight into the powers assigned different birthstones while exploring their fascinating uses over the course of history. In the ancient Chinese art of feng shui, when you change the placement of objects in your living space, you change a corresponding area of your life. With Gemstone Feng Shui, you can affect change by using gemstones according to feng shui principles This book provides an easy-to-understand introduction to feng shui and

gemstones, and includes a guide to the uses of sixty-three specific gemstones. Here's a sample of what gemstones can do for you: ·Amber-- attracts luck, calms energy, and aids in building vitality ·Cat's-eye--protects against poverty ·Coral--promotes love and harmony, and helps build community ·Diamond--helps build relationships and support longevity ·Garnet-- fosters confidence and success ·Jade--aids in remembering dreams and solving problems ·Jet-- engenders honor and justice ·Lapis lazuli-- strengthens personal expression and intuition Put the natural energy of the earth's treasures to work for you. What do Pearls, hummingbirds, and crystals have in common? Gemstones Volume 4 of course! This is the newest in the series of adult coloring books full of beautifully hand illustrated designs, with the Gem lover in mind. Over 25 designs, helpful tips, and practice pages, make this an amazing book to add to your collection. Just as all of creation speaks of our Creator, the study of Revelation's gemstone wall

can reveal important truths needed for our journey towards spiritual maturity in the kingdom of God. Each of the twelve stones represent twelve very distinct areas of focus of which God may be addressing in our lives as we move closer to fulfilling His dreams for each of us. With reports of heavenly gemstones appearing in regions all over the world, the book, The 12 Gemstones of Revelation helps us discover what message these stones might be bringing to this generation, to this world, and most importantly, to our hearts. • Features beautifully lit, color photos of each stone to aid in identification and to showcase the beauty of the crystals and gemstones • Provides a description of each stone, a quick-look list of keywords, elemental and chakra correspondences, scientific data, and the story of each stone's beneficial physical, emotional, and spiritual qualities • Based on the bestselling The Book of Stones: Who They Are and What They Teach Detailing the spiritual and healing

qualities of 390 members of the mineral kingdom, *The Pocket Book of Stones* is a condensed reference guide to crystals and gems based on the bestselling *The Book of Stones: Who They Are and What They Teach*. This portable A-to-Z guide features beautifully lit, full-color photos of each stone to aid in identification and to showcase the beauty of the crystals and gemstones. This updated edition describes 47 new stones not covered in the original *Pocket Book of Stones* and contains a comprehensive index of the spiritual, emotional, and healing qualities of the stones. Every entry contains a vivid color photo, quick-look list of keywords, elemental and chakra correspondences, plus the beneficial physical, emotional, and spiritual qualities of each mineral, crystal, or gemstone. Author Robert Simmons provides a description of each stone, including scientific data and the story of each stone's spiritual and healing qualities, as well as recommendations for other stones that combine harmoniously with it. The

scientific information offered provides a familiar frame of reference for those not yet familiar with crystal energies and also broadens the knowledge of those who come to stones primarily for spiritual purposes. This book provides an ideal introduction to stones and their energies for those who are new to the field as well as an invaluable portable reference for well-versed readers. Unlock the healing power of crystals with detailed crystal profiles and more than 200 crystal healing remedies. The resonating energies of crystals have long been believed to hold the secrets to healing, well-being, and success. With *Crystals for Healing*, beginners and seasoned healers can address more than 90 of the most common states people struggle with or aspire to achieve, including: "Anxiety • Courage • Grief • Inspiration • Emotional Balance • Love • Worry • and Dozens More " From agate to zoisite, this comprehensive crystal bible explores a multitude of stones, their unique healing properties, the

influence of color, and each corresponding chakra. It also provides guidelines for creating grids to further harness the positive energy of crystals and gemstones. With daily meditations and mantras, *Crystals for Healing* offers a truly holistic approach to healing and unearthing the deep connection between mind, body, and spirit. Create positive change and open yourself to a more fulfilling life through crystals and crystal healing. "Gems and Gemstones" features nearly 300 color images of cut gems, precious and semiprecious stones, gem-quality mineral specimens, and fine jewelry to be unveiled in the new Grainger Hall of Gems at the Field Museum in Chicago. • Details the spiritual, healing, and energetic qualities of stones such as Moldavite, Nuummite, Circle Stones, Nirvana Quartz from the Himalayas, and high-vibrational Natrolite from the emerald mines of Russia • Features color photos of exceptional examples of each of the stones • Includes practices for deepening one's awareness of the stones' gifts--from

expanding consciousness, to healing, to awakening the Light Body, to fulfilling one's personal and collective destiny In *Stones of the New Consciousness* Robert Simmons examines the 62 most important stones to help accelerate and enhance conscious evolution and spiritual awakening. Each entry is illustrated with color photos of exceptional examples. The stones include Moldavite, the extraterrestrial amorphous crystal; Nuummite, the oldest gemstone on Earth; and Circle Stones, the highly energetic Flint found in crop circle formations. Other featured rarities include Nirvana Quartz from the Himalayas and high-vibrational Natrolite from the emerald mines of Russia. Simmons begins with a new approach to meditation with stones and to the possibility of conscious relationship with the spiritual beings who express themselves in our world as crystals and minerals. He includes historical and mythological references for each stone, positing that the fabled Stone of the Holy Grail and the

Philosopher's Stone of the alchemists may have physical counterparts among the minerals discussed. Simmons presents practices for deepening one's awareness of the stones' gifts--from expanding one's consciousness, to healing, to awakening the Light Body, to fulfilling one's personal and collective destiny. While emphasizing direct contact with stones, the book also explores crystal energy tools, energy environments, and applications such as stone elixirs and essences that can aid anyone on a spiritual path. A comprehensive manual for using crystals, gems, and stones to address physical, emotional, and spiritual health conditions • Includes an extensive Materia Medica detailing the healing and spiritual properties of 200 crystals and stones based on Classical Chinese Medicine • Explores the role played by the color of each stone, its Yin and Yang qualities, crystalline structure, chemical composition, and topical and internal applications • Explains how to make stone and

crystal elixirs, wear stones as healing jewelry, use them in massage and energy work, and cleanse and recharge them • Based on the oral teachings of Dr. Jeffrey C. Yuen, a Taoist priest from the ancient lineage of the Jade Purity School (88th generation) masters In addition to herbalism and acupuncture, Chinese Medicine has a rich tradition of using stones as medicine, passed from generation to generation for thousands of years. In this comprehensive guide and extensive Materia Medica, Leslie J. Franks presents the Stone Medicine teachings of Dr. Jeffrey C. Yuen, an 88th generation Taoist priest from the ancient lineage of the Jade Purity School, which dates to the Han dynasty, 206 BCE. Detailing the therapeutic properties of 200 gems, stones, minerals, and crystals, Franks begins with an extensive look at 15 different forms of quartz, followed by chapters on transformative stones, protective stones, nourishing stones, source energy stones, and alchemical stones. She explains the physical,

emotional, and spiritual conditions each stone can treat and how their color, form, hardness, and energetic qualities affect us according to Chinese Medicine. She discusses how to make stone and crystal elixirs for internal and topical use, how to charge quartz with the healing properties of other stones, how to cleanse and recharge a stone after use, and how to combine stones to create healing formulas for individual conditions. She explains different techniques of wearing stones as healing jewelry and how to use them in massage and energy work. She examines the chemistry and sacred geometry of crystal structure, revealing how the minerals contained in the stones affect our physiology by supporting our Jing (Essence); by nourishing Qi (energy), blood, and fluids; and by clearing Wind, Cold, Damp, and Heat conditions that can lead to disease. Including a thorough primer on Traditional Chinese Medicine and backed by modern scientific research, this book explains how stones access our deepest layers, vibrating

ever so slowly, to initiate deep lasting change. Add dimension and luminosity to your quilts with gorgeous gemstone piecing! Create your own collection of glamorous pieces,

and walk (and rock) your own runway! Gem cutting, or lapidary, most certainly got its start as an offshoot of mundane everyday activities. A stone may have fallen into a fire where the heat caused it to break or flake. Perhaps a sharp edge resulted. Certainly, flint and other hard stone possess sharp edges, but a blade-like cutting edge on a newly flaked piece of rock suggested some very interesting possibilities. Hobbyists enjoyed cutting and polishing gemstones and mounting them in prefabricated jewelry settings or in the metalwork of their own creation (silversmithing). Primarily, lapidary hobbyists enjoyed creating three types of stonework: cabochons, faceting, tumbling stones. In all fields of lapidary, you'll need to take large pieces of stone and turn them into useful, smaller-sized pieces. If you're in the field, you might be able to drop them off a precipice and retrieve the pieces at the bottom. This book will show you how to do lapidary with techniques and easy patterns to follow. You will find it interesting to make

jewelry for yourself or even sell it as a souvenir. Buy this book now and you will be amazed by its elegance and nobleness. • Explores 455 crystals, minerals, gemstones, and their metaphysical energies, including vivid color photographs for each stone • For each stone, shares its scientific information, its element and chakra correspondences, its history, and its physical, emotional, and spiritual benefits • Includes guidance on how to work with crystals and stones and also explores the concept of crystal resonance Offering an illuminating alphabetical journey through the mineral kingdom, this comprehensive reference guide takes you deep into the world of crystals and their uses for spiritual awakening and self-healing. A full-color illustrated guide to co-creative alchemy with crystals and stones for personal and planetary healing and enlightenment • Reveals that those who love and work with crystals and stones have been intuitively following the path of spiritual alchemy • Provides meditative practices with specific stones to go with each stage of the alchemical transformation process as well as other tools and techniques • Includes an illustrated dictionary summarizing the spiritual qualities of more than 375 different minerals, crystals, and gemstones

The Alchemy of Stones presents an inspired breakthrough in Robert Simmons' thirty-five year career of exploring and revealing the spiritual qualities and potentials of minerals, crystals, and gemstones. This holistic, Earth-based framework for understanding stones and their energies initiates readers into an alchemical worldview that leads to spiritual healing, transformation, and transcendence. Engaging readers step by step, Simmons

provides guidance on discovering and harnessing the three human powers of intention, attention, and imagination, each a crucial component for meeting and working in harmony with the energies of the Stone Beings. Simmons also introduces us to the Divine Feminine intelligence known as Sophia, or Wisdom. The Stone Beings are her emissaries, and through relating and co-creating with them, the healing and redemption of ourselves and the Earth becomes a reality. Offering an illustrated dictionary of the spiritual qualities of more than 375 different minerals, crystals, and gemstones, Simmons also explores in depth what he calls the Four Cornerstones of the Alchemy of Stones: Moldavite, Phenacite, Azeztulite, and Rosophia. He discusses the stages of alchemical transformation and provides meditative practices with specific stones to go with each stage. He also explores how to work with stone mandalas, crystal body layouts, gemstone elixirs, and Orgonite energy devices and details

powerful techniques for working with stones. Woven throughout are Simmons' personal stories of the pivotal mystical experiences that triggered his capacity to feel stone energies and led him to develop his relationship with the stones, revealing how this work can open minds and awaken hearts. Lavishly illustrated, *The Alchemy of Stones* is an invitation to a journey of enlightenment, transformation, and spiritual metamorphosis aligned with the path of our living, conscious Earth. *Gemstone Wire Tree Sculptures* is a guide to help create and design gem trees as another form of the lapidary arts. Gem, mineral and bead enthusiasts as well as those who love craft projects, now have the opportunity to learn this lost art form and how it is used as a creative outlet. All instructions are designed with the beginner in mind and include photos and diagrams to help navigate through the steps. This is a great hobby for creating inexpensive gifts for family and friends that will delight and amaze them. Learn how the trees

can be personalized for that special person by using gemstones, beads and charms. As a bonus, a chapter has been included on how this hobby can become a positive influence on your personal development and help manage your stress. One of Dana's students once commented that she didn't realize that just the simple act of twisting gems on wire could be so relaxing and take your mind off other worries. Drawing on the ancient Hindu disciplines of Tantra and Ayurveda, as well as astrology and his own family tradition of gemology, Harish Johari offers practical methods to utilize the power stored in gems to maximize physical and psychological balance and well-being. The origins of gem healing can be traced to the earliest Sanskrit scriptures, in which gems are valued for their ability to absorb and transmit vital life forces. Ayurvedic healers, Indian astrologers, and Tantric alchemists all made use of gem formulas in their various practices. the attributes and powers of the sun and planets according to Hindu astrology and legend as they relate specifically to the use of gems. Here they play a critical role in enhancing the positive power of the planets and reducing their negative influence. Charts are included that determine the appropriate gems to be worn according to one's astrological sun sign and ascendant. Detailed instructions necessary for the creation of gem talismans and the rituals that use gems to obtain desired effects are also supplied by the author. *The Healing Power of Gemstones*, the most comprehensive survey of this subject available today, is both a practical guide to the chemical and subtle nature of gemstones and a traditional overview of their use throughout the ages. See crystals of every color, find out which gemstones are priceless, and explore the uses of crystals in technology as well as jewelry. From the rarest crystal to the most common stone, gems from around the world are revealed in dazzling detail in this illustrated guide. Young

readers can use the encyclopedic profiles to identify all kinds of crystals and gems, and watch how a diamond in the rough becomes the show-stopping centerpiece of a valuable ring. Packed with essential information, this edition is more interactive than ever with new infographics, statistics, facts, and timelines. Find out what gives a labradorite its colors, discover how piezoelectricity is used, and see how crystals can be made in a laboratory. *Eyewitness Crystal & Gem* is the perfect guide for homework help on crystals or those simply wanting to further their knowledge of these fabulous natural creations. This book also comes with a fact-filled poster, great for your bedroom wall or classroom. An alchemical guide to healing, awakening, and co-creating with crystals from the author of the classic *Book of Stones*. For readers looking to expand their knowledge of sacred crystals and stones beyond the foundations, *The Alchemy of Stones* presents a holistic, Earth-based framework for

understanding why and how they work and initiating readers into a transformational, healing, alchemical worldview. Engaging readers step by step, Simmons provides guidance on discovering and harnessing the three powers of intention, attention, and imagination, each a crucial component for meeting and working in partnership with the energies of crystals. Readers will understand the philosophical underpinnings of alchemy--surprisingly deeper than what one might expect--and translate ancient alchemical wisdom into modern, practical applications for healing, meditation, and self-knowledge. Simmons shows how to co-create with stones to open minds and awaken hearts, and describes the mystical experiences that led him to develop his own relationship with crystals. Offering illuminations on the universe's conscious and benevolent nature, *The Alchemy of Stones* is an invitation to a journey of enlightenment, transformation, and spiritual metamorphosis aligned with the path of

our living, conscious Earth. Also included are chapters on making stone mandalas, elixirs, and Orgonite energy devices; powerful techniques for working with stones, including using the web of consciousness to bring change anywhere in the world; and an illustrated metaphysical stone dictionary, with 500 different stones and an index of their spiritual and healing qualities. The author connects two natural, healing powers for a potent mutual effect. While Reiki, the universal life energy, brings the physical and emotional functions back into their original harmony, gemstones concentrate light-filled powers and color vibrations into the chakras, whose unrestricted functioning is greatly important for vitality and well-being. By connecting Reiki and gemstone therapy, the powers of self-healing are activated in a natural manner. Rings, bling, crystals, and glam!!! *Gemstones Volume 5* has it all! This is the newest in the series of adult coloring books full of beautifully hand illustrated designs, with the Gem lover in mind. Over 30

designs, with pages for any level colorist make this an amazing book to add to your collection. Beading doesn't get more elegant than this, with such gleaming gems as amethyst, quartz, and lapis lazuli. Valerie MacCarthy--whose work graces the pages of high fashion magazines around the world--has created a magnificent collection of sophisticated, unique jewelry. The 30 projects include bracelets, earrings, necklaces and rings, and they tend to the playful and colorful. In addition, an entire section is dedicated to the different stones and their properties, including their spiritual and healing aspects. But what will really entice intermediate jewelers, beadrs, and other general crafters are the pieces themselves: a balloon ring, festooned with seed pearls; chandelier earrings with sparkling, dangling stones; and a fireworks necklace of citrine, peridot, and apatite. Introductory chapters present all the gems, tools, and techniques used in the pieces. A Selection of the Crafter's Choice Book Club. A

compilation of articles from Lapidary Journal Magazine and poems and stories by Olive M. Colhour, with poems and stories and quips by Ralph R. Colhour. Enter into the fascinating world of precious gems through this unique volume that brings together the wonders of mineralogy and masterpieces of jewelry. Both a reference book and an exhibition catalog, Gems unveils the fascinating world of minerals and gems through a dialogue between the prestigious collections of the Muséum national d'histoire naturelle in Paris and the great French jeweler Van Cleef & Arpels. The Muséum national d'histoire naturelle in Paris welcomes the exhibition Gems from September 16, 2020–May 4, 2021. This beautifully illustrated volume brings together an international team of mineralogists, scientists, and specialists in natural history and in the history of jewelry, under the editorial direction of François Farges, to explore the diversity of the mineral universe through an exceptional selection of geological

specimens (some published here for the first time), legendary gems, and exceptional ornaments created throughout history. Raw crystals, cut stones, and jewelry are compared and contrasted, shedding light on both the natural wonders made by the Earth itself and the virtuoso creations of human hands that transform them into works of art. Crystals and gemstones can enhance your power to create beautiful realities for yourself. Inside each gemstone exists a world of sacred geometry, pure energy, and high sentience that can harmonize with you to initiate healing, expansion, and a windfall of blessings. If you are someone with an attraction to gems and crystals that has resulted in a growing collection, and you are now wondering what you can do with all of your treasures, then this book is for you! Crystal energy expert, Adrienne Goff, shares her secrets for experiencing a deeper connection with your crystals and for creating life-changing results through her clear explanation of specific

crystal techniques she's gathered and created through over decade of work with the crystalline kingdom. Discover the power of programming Quartz crystals for manifestation, building crystal grids to enhance your space and your goals, and creating gemstone body layouts to illuminate your energy and consciousness.
