The Kingdom Life provides an integrated approach to spiritual formation. This rich compilation from an extraordinary team of thinkers offers sound theology and key practices to strengthen you and those you disciple in light of Christ's lordship and life in the kingdom. -- back. Nationally known pastor, Bill Winston brings this powerful message of God's provision, healing, and more that is already resident in the

believer and available to those who will seek God's direction. If the Kingdom of God is in us, why aren't we living lives of greatness in our world? Bill Winston recognizes that there are two kingdoms at work in this world, and tragically, even within the church, the majority of people are still living under the destructive lies and patterns of Satan's rule. They don't have the power and provisions of God - wisdom, understanding, peace, joy, health, abundant material provision, life-changing ministry, and so much more - because they simply have not recognized the kingdom in them. The promises

of God rarely come from some outside sovereign work of God, but from the kingdom already inside. The pastor of one of America's fastest growing churches, Winston helps believers to start walking their faith out in miraculous ways. Why? We have a power within us that is supernatural and flies in the face of the world's arrogant - but ultimately inadequate - self-reliance on human understanding and effort. With the faith of a child, even as small as a mustard seed, we unleash God's provision and power in our lives not by focusing on what we want, but by asking what the King of the

Kingdom, God Almighty, wants us to accomplish. We quickly discover that our "grand dreams" and aspirations are miniscule in light of the greatness He has in store for us to do. This book is not for Christians who are complacent and desire the status quo. This is a soul-changing book that will turn the timid into the bold, and result in miracles that will build God's Kingdom right here and right now. Spiritual warfare is not a game, and the devil is not an innocent puppy. He is the master deceiver, thief, and murderer, and the force behind nearly all evil. He is full of all kinds of cruelty, pain, curses, and

blight known to the human family. To survive his attacks, you must realize that the devil is a real enemy, hell-bent on destroying you. I challenge you to get serious today about determining methods to rebuke him and keep him from hindering your service to the Lord. Where did Satan come from? Did God create the Devil? Is God responsible for evil? Such questions plague the individual who wrestles with the existence of our adversary in the light of the Bible's revelation of the holiness of God. Philosophy can never give a satisfactory answer to these questions. The only satisfying answer is God's

answer, found in his Word. If we are going to combat this enemy known as "Satan," then we must know his motives and his methods. Our goal in this book is to resolve this and answer many other questions as we talk about every believer's responsibility in spiritual warfare. A Jewel of the Kingdom is an informed and conclusive guidebook and commentary on the spiritual gift of prophecy. Going from Scripture to Scripture, like stepping stones through the Bible, the reader is guided into the truths of this powerful, meaningful, and revelatory gift. Readers will find

their hearts and souls quickened to the truth of the Holy Spirits gifting and empowering work to prepare those who are called to minister and serve in the awesome gift of prophecy, given for the purpose of revealing Jesus Christ. Have you had unexplainable spiritual experiences in your life? Unexplained instances that left you terrified and haunted by dreams, visions, dark shadows, and unusual noises? If so, as a normal person, you may have experienced troubling thoughts and even doubted your own sanity. While it seems that other people have a deeper understanding of

the spiritual forces that are out there, you still want answers. As a Christian, you may have read biblical accounts of unclean spirits, however, you do not fully understand some of the things that have been going on around you. The Lord instructed Bishop Renteria to write *Understanding the Spiritual Realm* using all of the personal supernatural experiences the Holy Spirit has helped him get through in his life. If you want to understand the spiritual realm, this book will bring insight to your personal walk with the Lord. It will bring light and revelation through

the power of the Holy Spirit. Author Miguel Renteria gets right to the point about the spirit realm by providing definitions of key biblical words, along with Greek and Hebrew descriptions, to help you gain a better understanding of spiritual realities. Learn how the enemy operates, and how he desperately desires to bring fear and hopelessness into your consciousness, leaving you in a state of spiritual exhaustion. Allow the Holy Spirit to use this book to bring deliverance and victory in your spiritual life. The spiritual subject of past lives and reincarnation is

highly controversial. Most religions don't believe it, and science cannot prove it yet. This book is an "energy healing communication" with a DNA surprise, assisting you to integrate and understand the deep-seated truths about who you are and where you came from. The information explains what is happening to us, the earth, and the universe, and what one needs to do to adapt to the new energies on the planet at this time and for the years to come. These pages contain a profound message with the new energy—a message that I have delivered many times over my many

lifetimes. Who am I? and Where do I come from? are questions that have been on the minds of everyone since the beginning. These thoughts are imprinted in our basic DNA. When I became aware of who I was in the previous lifetime just before this one (less than five months between lives)—my newfound identity propelled me into the search for the answers to the questions gnawing at my soul. Each answer provided new questions, leading me down the enlightened path to an encounter with the "Grand Divine Plan," delivering a message of peace and preparation. We all have gifts

and abilities unimaginable, ready for anyone who walks through the door. My search brought me into an awareness of knowing many of my past lives. It also revealed that my purpose of discovering was not about who I was, but that I would write about past lives and reincarnation at a time on the planet when this information would be so needed. There are moments in the lives of all of us when we catch glimpses of a life—our life—that is infinitely beyond the life we are now living. We realise that we are living below our possibilities. We long for the realisation of the

life that we feel should be. Instinctively we perceive that there are within us powers and forces that we are making but inadequate use of, and others that we are scarcely using at all. Practical metaphysics, a more simplified and concrete psychology, well-known laws of mental and spiritual science, confirm us in this conclusion. Our own William James, he who so splendidly related psychology, philosophy, and even religion, to life in a supreme degree, honoured his calling and did a tremendous service for all mankind, when he so clearly developed the fact that we have within

us powers and forces that we are making all too little use of—that we have within us great reservoirs of power that we have as yet scarcely tapped. The men and the women who are awake to these inner helps—these directing, moulding, and sustaining powers and forces that belong to the realm of mind and spirit—are never to be found among those who ask: Is life worth the living? For them life has been multiplied two, ten, a hundred fold. It is not ordinarily because we are not interested in these things, for instinctively we feel them of value; and furthermore our observations and experiences

confirm us in this thought. The pressing cares of the everyday life—in the great bulk of cases, the bread and butter problem of life, which is after all the problem of ninety-nine out of every hundred—all seem to conspire to keep us from giving the time and attention to them that we feel we should give them. But we lose thereby tremendous helps to the daily living. Through the body and its avenues of sense, we are intimately related to the physical universe about us. Through the soul and spirit we are related to the Infinite Power that is the animating, the sustaining force—the Life

Force of all objective material forms. It is through the medium of the mind that we are able consciously to relate the two. Through it we are able to realise the laws that underlie the workings of the spirit, and to open ourselves that they may become the dominating forces of our lives. The Spirit-Filled Life Study Guides are perfect companions to the New Spirit-Filled Life Bible or for use on their own. Their interactive approach offers an in-depth look at practical living in God's kingdom and challenges users to examine and live their daily lives in light of God's Word. “...you will be catapulted into new levels of Kingdom Power!” Hank Yonce, Senior Pastor at Vivid Life Church in Deland, FL “This book brings biblical truth to many controversial topics.” Raquel Appa Falcao, M.D - Richmond, VA This book debunks the popularly held views of religion and highlights the true relationship with Almighty God as in a father-son relationship. Many erroneous teachings are explored, and several biblical truths are enunciated by examining the true purpose and makeup of the kingdom of God on earth, mankind’s true spiritual

identity as a son of God, the oneness and sameness of the one body of Christ (its makeup, potency, and role in restoring God’s will for all of creation), and the divisiveness of religion, which is deliberately created by a worldly system. Even as a young boy, Kynan Bridges understood that he was not alone in this world. He sensed the

presence of God, but when he rededicated his life to Jesus in 1996, he also encountered the dark side of the spiritual realm firsthand. For several months, he was tormented by nightmares, demonic attacks, and the spirit of fear. Little did he know that such demonic attacks on the mind and body were not unique to him. Many people in the church battle with the realm of darkness, yet they remain silent and therefore stuck in its throes, with no knowledge of how to achieve victory. One night, feeling suffocated in his sleep, Kynan called on the only name he knew to call upon: the name of Jesus. Instantly, he was

set free from the tyrannical grip of the devil. In that moment, he realized that he had authority over the enemy because the name of Jesus is more than a word used casually in Sunday school—it is the embodiment of the sovereign power of the kingdom of God. Kingdom Authority provides deep biblical insight into the authority that you possess as a child of God. You will discover how to invoke God's Word and the name of Jesus to gain victory over the enemy and take dominion over the powers of darkness and their torments, finding freedom from fear, depression, lust, sickness, poverty, and bondage of all

1988 is available now for purchase. Simple. Practical. Powerful. That's the gospel of the kingdom! Wherever God's kingdom rules on earth, it is visibly demonstrated. The kingdom of God is His will exercised on earth as it is in heaven. Each time Jesus announced the good news of the kingdom, sin, sickness, demons, poverty, and death could not remain. Likewise, Jesus did not authorize the church to preach a gospel of mere words. He empowered us to proclaim the good news with supernatural evidence of miracles, healings, and deliverances. We are carriers of the kingdom, which

is revealed in and through us by the Holy Spirit. The kingdom is a reality today—not just in the future—and it may be applied to each circumstance we encounter in life. Through the studies in The Kingdom of Power (Spirit-Led Bible Study), you will learn how to... Enter the kingdom of God Demonstrate God's existence through tangible evidence Manifest healings and deliverances Expand the kingdom in your God-given "territory" Drive out the kingdom of darkness Overcome the "impossible" Rule on earth as God's king and priest Jesus said, "The kingdom of God is within you"

(Luke 17:21). The only thing you need to do is to demonstrate it here and now! This book is designed as a stand-alone Bible study. It may be completed independently by individual students or be used in a group setting, such as a Bible study, a Sunday school class, a course on the foundations of the Christian faith, or a prayer group. What if my pastor s advice is not what I perceive in my spirit? What are the 4 questions for accuracy in life Treasures of the Kingdom is not about finding your spiritual gift, it's not about self-discovery, and it's not about searching for your niche in the service and ministries of the church. This book will be required reading for those engaged in as well as those preparing for a life of teaching and ministry in our increasingly multicultural world. Seven is such an important number. It means finished, completed, rest. In this lesson we are exploring the seven levels of water and spirit, with an

excerpt on the kingdom of water. We begin with the history of water, and the many historical uses and purposes of water; to do so we had to study biblical history where we found what occurred in the beginning. This historical study reveals that there were seven levels of water. Mist, dew, rain, wells, rivers, waters of the atmosphere, waters of the deep and the underworld. These levels of water also relate to the seven manifestations of the spirit. This information is a source of revelation, inspiration and study for readers. Encounter the power of the Word. freedom God intends. Experience the Holy Spirit. The KJV Spirit-Filled Life Bible provides a compelling look at Scripture and the work of the Holy Spirit - now in full-color with updated features. Your spiritual journey awaits. In this book, I attempt to reconcile events in the Bible to factual science discoveries such as archaeological and DNA discoveries. I explain what I believe was Moses's true motivation for marching the slaves into Canaan and his embedded messages in his writings. Applying this theory, I now believe and explain why creating a god and religion was

man's early way of governing and controlling people, placing priests as the gatekeepers to heaven and giving them power over the masses. I explain how I believe that Moses's writings sowed the seeds of racism, tribalism, sexism, and homophobia. The ripple effects through time perpetuated by the priests and clerics have created a divided, dysfunctional, and unholy society in the USA and abroad. Materialism and greed are the gods of today. Our society is and has always been man's animal kingdom that has murdered Jesus, disconnecting us with the Holy Spirit

and derailing our spiritual evolution. Too many Christians have a pessimistic and doom and gloom view of the future because of a lack of understanding concerning what Jesus came to establish—the kingdom of God. If believers cannot see the kingdom, they will focus on the negative things the news has to offer. There is a difference between being a God's Kingdom woman and a woman of God. Isaiah 6:8-9: The call of God One of the tasks of the Holy Spirit is to call godly leaders in the kingdom. All men and women are "called" to God (Rom. 8:28, 30) yet only a few respond (Matt. 7:13, 14;

22:14; John 15:16). Leaders, however, experience a different kind of call and are called in different ways. • Many are called sovereignly. Moses was singled out by God who spoke to him from a burning bush (Ex. 3:1-4, 17). The child Samuel was called while he was asleep (1 Sam. 3:1-18). Young Isaiah was worshiping in the temple when called by God (Isa. 6:1-9). • Others are called through men. Samuel went to David and anointed him with oil (1 Sam. 16:1-13). Paul instructed Titus to appoint elders in the churches of Crete (Titus 1:5). There is a difference between being a "man/woman of

God"—as all are called to be, and being "God's man/woman"—one called to leadership (Matt. 16:13-20). So let's make this personal; then God said, "Let Us make _____ (put your name in there), in Our (Father, Son, and Holy Spirit) image, according to Our likeness (Gen. 1:26)." She will seek first the kingdom of God and His righteousness, and all these things will be added to her (Matt. 6:33). She shall love the Lord her God with all her heart, with all her soul, and with all her strength (Deut. 6:5). Therefore, she will pray, "Our Father in heaven hallowed be Your name, Your kingdom come,

Your will be done on earth as it is in heaven (Matt. 6:9-10)." She will go through her daily activities teaching and preaching the good news of the kingdom and healing every disease and sickness (Matt. 9:35). Because she seek My kingdom, the knowledge of the secrets of the kingdom of heaven will be given to her (Matt. 13:11). I will give her the keys of the kingdom of heaven; whatever she bind on earth will be bound in heaven, and whatever she loose on earth will be loosed in heaven (Matt.16:19). I am sending her to preach the kingdom of God and heal the sick (Luke 9:2). Do

not be afraid, little flock, for your Father has been pleased to give you the kingdom (Luke 12:32). "Wow, you see how much love and thought went in to your creation?" When God says, "Let Us make man in Our image," He is not talking about a physical likeness, but a personal and spiritual likeness. He is not talking about our physical feature such as the size of our nose, the shape of our head, or our skin color. Man has intellect, emotions, and will. We are a creative being. These are some characteristics of God that are shared by man. We, are not reaching our full potential because we have not realized Whose

DNA we have. Therefore, we have unresolved issues that may have started from in the womb. God's Kingdom Woman takes you back to the Garden of Eden to get your healing. You will realize that it does not matter your entrance into this world but, only that you fulfill the mandate of Christ, which is to establish His kingdom on earth. As it is in heaven so shall it be on earth. Sis, if you are reading this book, God is calling you to complete your assignment as a God's Kingdom Woman. But seek first the kingdom of God and His righteousness, and all these things shall be added to you." (Matt. 6:33)

What is the kingdom of God? Now when He was asked by the Pharisees when the kingdom of God would come, He answered them and said, "The kingdom of God does not come with observation; nor will they say, see here! Or see there! For indeed, the kingdom of God is within you (Luke 17:20-21)." The kingdom of God is the spiritual reality and the dynamics available to each person who receives Jesus Christ as Savior and Lord. To receive Him—the King—is to receive His kingly rule, not only in your life and over your affairs, but through your life and by your service and love. "The

kingdom of God is within you," Jesus said. A woman of God operates mostly from the outside The New Spirit-Filled Life Bible offers a fresh look at the Scriptures and the work of the Holy Spirit. This Bible addresses important issues of Spirit-filled living in the context of solid biblical scholarship. The kingdom of God is the called out people of God (Col. 1:1314) from the world of darkness as the spiritual family of Christ. The kingdom of God is bound up in the age of grace and truth and is the fulfillment of Gods promise to Abraham to bless all nations of people. The kingdom of God in

prophecy started during the Roman rule (Dan. 2:44) with the Jews at Pentecost in Jerusalem (ca. 33 AD) and then to the Gentile world to include our present age. Jesus reigns as Lord and Christ over His church / the kingdom of God in the twenty-first century and continues to call people of every nation to walk with Him by faith, repentance, and baptism in His name until the consummation of all things and His second return. The Christian Age is the eschatology (Last Day events) of Jesus reign under the leadership of the Holy Spirit through the preached Word. The salvation of the

Gentile nations is the final work of God to restore what was lost in heaven through Satan and his angels (Rev. 12:710). When Jesus appears, his reign ends, and the spiritual family and the church of Christ / kingdom of God will go home. This is the third annual volume of the remarkably popular journal of biblical theology edited by Dr. Scott Hahn. This volume features important contributions by Pope Benedict XVI, Cardinal Christoph Schonborn, and Cardinal Avery Dulles. Also included are original and thought-provoking contributions on such topics as: the biblical basis of indulgences;

feminine and maternal images of the Holy Spirit in early Christianity; and the 'image of God' doctrine in St. Thomas Aquinas' writings. Hahn contributes a deep exploration of how the Gospel of Luke portrays Christ as the Davidic Messiah and the Church as the restoration of the Davidic kingdom. In this book I am going to take you through seven days of fasting and prayer against every marine spirit pollution in your life or family. These are seven days of exposing every hidden work of darkness in your life. The devil has put together a power base under the sea where people's lives are

held captive. This book is put together to put an end to all manner of spiritual attacks or bondages in your life and family that is caused by these spirits. The body of Christ has been ignorant for so long and the enemy has kept many blinded to his attacks from under the sea. But we thank God for books like *Marine Spirits Exposed* that are targeted at bringing to the light every lie and hidden work of the devil. Be blessed as you read and pray and know that the Lord is able. These seven days are very significant and I know God will honor your faith and disgrace your enemies in Jesus name. Unknown to most of us what

happens in the marine kingdom goes a long way in affecting human existence on earth. The marine kingdom has been used by satan to challenge the purposes of God on earth. Marine spirits are found in oceans, rivers, streams, pools of water and in the human body, etc. These are tough

demons that always resist deliverance. They are highly deceptive and possess spiritual capacity to ruin human lives and nations. The relationship between Spirit and Kingdom is a relatively unexplored area in Lukan or Pauline studies. This book offers a fresh

perspective of two different biblical writers on the subject. It explores the difference between Luke and Paul's understanding of the Spirit by examining the specific question of the relationship of the concept of the Spirit to the concept of the Kingdom of God in each writer.
