*Sunday Morning Memories* Aug 20 2022 Growing up in a small Protestant church in a typical small town may sound quite dull to some folks, but most churches of this sort have plenty of character - and characters! - to give them some excitement. If you've ever attended a church like this, you have probably encountered some people and situations just like the ones Don Reid describes in his humorous, sentimental, and very nostalgic book, *Sunday Morning Memories*. Don Reid, in his wonderfully witty and down-to-earth way: Runs the gamut of subjects from covered dish suppers to family pews to revivals to Vacation Bible School. Reminisces about stray radio signals coming through the PA system, using Sunday school money for purposes other than the collection plate, and skipping church on Sunday night to go to the movies. Reflects on candlelight services on Christmas Eve,

Easter Sunrise services, weddings, and funerals. Reminds us to appreciate our church family, our different denominations, our church traditions, and our Lord. Don's reminiscent stories will remind you of how really wonderful it is to have a church family to help make your own Sunday Morning Memories.

**Sunday Mornings** Mar 23 2020 Living in a time of economic uncertainty, how do we handle the inevitable stress? As unemployment, health care costs, and mortgage foreclosures all rise, where can we turn to regain our confidence? In the face of war, terrorist threats, and global warming, how can we get beyond our fears and anxieties? Where can we turn to find peace? Is there a "big picture" that can help us separate the merely urgent from the truly important? These are some of the questions this book confronts. Moving beyond simplistic answers, it offers an insightful and thought-provoking look at some of life's everyday concerns. Looking at the world through the lens of the Christian faith, the book is divided into three parts. Part one examines how we look at the world. Part two helps us determine what counts in coping with life's challenges. The third section introduces Jesus and what we can learn from his life as seen through the various roles he played.

*The Book of Gutsy Women* Dec 20 2019 Soon to be an eight-part docuseries on Apple TV+ Hillary Rodham Clinton and her daughter, Chelsea, share the stories of the gutsy women who have inspired them—women with the courage to stand up to the status quo, ask hard questions, and get the job done. She couldn't have been more than seven or eight years old. "Go ahead, ask your question," her father urged, nudging her forward. She smiled shyly and said, "You're my hero. Who's yours?" Many

people—especially girls—have asked us that same question over the years. It's one of our favorite topics. HILLARY: Growing up, I knew hardly any women who worked outside the home. So I looked to my mother, my teachers, and the pages of *Life* magazine for inspiration. After learning that Amelia Earhart kept a scrapbook with newspaper articles about successful women in male-dominated jobs, I started a scrapbook of my own. Long after I stopped clipping articles, I continued to seek out stories of women who seemed to be redefining what was possible.

CHELSEA: This book is the continuation of a conversation the two of us have been having since I was little. For me, too, my mom was a hero; so were my grandmothers. My early teachers were also women. But I grew up in a world very different from theirs. My pediatrician was a woman, and so was the first mayor of Little Rock who I remember from my childhood. Most of my close friends' moms worked outside the home as nurses, doctors, teachers, professors, and in business. And women were going into space and breaking records here on Earth. Ensuring the rights and opportunities of women and girls remains a big piece of the unfinished business of the twenty-first century. While there's a lot of work to do, we know that throughout history and around the globe women have overcome the toughest resistance imaginable to win victories that have made progress possible for all of us. That is the achievement of each of the women in this book. So how did they do it? The answers are as unique as the women themselves. Civil rights activist Dorothy Height, LGBTQ trailblazer Edie Windsor, and swimmer Diana Nyad kept pushing forward, no matter what. Writers like Rachel Carson and Chimamanda Ngozi Adichie named something no one had dared talk about before. Historian Mary Beard used wit to open doors that were once closed, and Wangari Maathai, who sparked a movement to plant trees, understood the power of role modeling. Harriet Tubman and Malala Yousafzai looked fear in the face and persevered. Nearly every single one of these women was fiercely

optimistic—they had faith that their actions could make a difference. And they were right. To us, they are all gutsy women—leaders with the courage to stand up to the status quo, ask hard questions, and get the job done. So in the moments when the long haul seems awfully long, we hope you will draw strength from these stories. We do. Because if history shows one thing, it's that the world needs gutsy women.

*Sunday Morning Wife* Sep 09 2021 The old saying is true. You never know what's going on in someone else's home. From the outside looking in, Yolanda Clarke appears to have it all. She's a beautiful woman, and her husband, Timothy, is the pastor of BrightStar Tabernacle. They seem to have the perfect life. But, looks are certainly deceiving. Yolanda has become a puppet on a string, totally controlled by Timothy. While everyone at church thinks he walks on water, Yolanda knows the person behind the mask. His constant verbal tirades, physical and emotional abuse has become unbearable. In walks Andre Hunter. He's the type of man that can make any woman forget all her troubles. His chocolate skin, pearly whites, and beautiful smile enthrall Yolanda. She has never entertained the idea of infidelity, but the abuse and lack of intimacy at home makes her adulterous affair justifiable in her mind. Andre gives Yolanda everything she's missing at home- respect, conversation, and passion behind closed doors. But, Andre is hiding secrets of his own. Will Yolanda finally climb from the abyss of despair she's lived in with Timothy and move to a brighter tomorrow with Andre? Or will she forever remain "The Sunday Morning Wife?"

**Dewey** Apr 23 2020 Experience the uplifting, "unforgettable" New York Times bestseller about an abandoned kitten named Dewey, whose life in a library won over a farming town and the world--with over 2 million copies sold! (Booklist) Dewey's story starts in the worst possible way. On the coldest night of the year in Spencer, Iowa, at only a few weeks old--a critical age for kittens--he was stuffed into the return book slot of the Spencer Public Library. He was found the next morning by library director

Vicki Myron, a single mother who had survived the loss of her family farm, a breast cancer scare, and an alcoholic husband. Dewey won her heart, and the hearts of the staff, by pulling himself up and hobbling on frostbitten feet to nudge each of them in a gesture of thanks and love. For the next nineteen years, he never stopped charming the people of Spencer with his enthusiasm, warmth, humility (for a cat), and, above all, his sixth sense about who needed him most. As his fame grew from town to town, then state to state and finally, amazingly, worldwide, Dewey became more than just a friend; he became a source of pride for an extraordinary Heartland farming community slowly working its way back from the greatest crisis in its long history.

**Sunday Morning** Sep 21 2022 Introduce little ones to the wonder of our God and to what the Church does on Sunday in a way even the youngest child can appreciate.

*Sunday Morning Teach: A Clarion Call For Divine Alignment* Feb 20 2020 Sunday Morning Teach is a loud, clear clarion call to repent and align our lives to God through the power of a Rhema Word. As God speaks through this collection, we should approach each lesson with an open mind, an open heart and receptive spirit. It is the will of God that none should perish and that all should come to repentance (2 Peter 3:9). This treasury of messages was delivered to the author through personal visitations from God Himself. Beginning in February 2018 just before daybreak on 1st and 3rd Sunday mornings, God wrote this publication by awakening, teaching and mandating the author to listen and type as He explicitly downloaded his heart toward us. The design of each visitation is to intentionally tug at the heart of mankind, purposefully invoke sharpness in humanity's spiritual hearing and listening skills, and ultimately obeying the unadulterated holy Word of God. The time is now to hear God's voice. And the times of this ignorance God winked at; but now commands all men everywhere to repent: Because he hath appointed a day, in the which he will judge the world in

righteousness by that man whom he hath ordained (Acts 17:30-31).

**The Double Life of Bob Dylan** Jul 19 2022 From the world's leading authority on Bob Dylan comes the definitive biography that promises to transform our understanding of the man and musician—thanks to early access to Dylan's never-before-studied archives. In 2016 Bob Dylan sold his personal archive to the George Kaiser Foundation in Tulsa, Oklahoma, reportedly for \$22 million. As the boxes started to arrive, the Foundation asked Clinton Heylin—author of the acclaimed *Bob Dylan: Behind the Shades* and 'perhaps the world's authority on all things Dylan' (*Rolling Stone*)—to assess the material they had been given. What he found in Tulsa—as well as what he gleaned from other papers he had recently been given access to by Sony and the Dylan office—so changed his understanding of the artist, especially of his creative process, that he became convinced that a whole new biography was needed. It turns out that much of what previous biographers—Dylan himself included—have said is wrong. With fresh and revealing information on every page *A Restless, Hungry Feeling* tells the story of Dylan's meteoric rise to fame: his arrival in early 1961 in New York, where he is embraced by the folk scene; his elevation to spokesman of a generation whose protest songs provide the soundtrack for the burgeoning Civil Rights movement; his alleged betrayal when he 'goes electric' at Newport in 1965; his subsequent controversial world tour with a rock 'n' roll band; and the recording of his three undisputed electric masterpieces: *Bringing it All Back Home*, *Highway 61 Revisited* and *Blonde on Blonde*. At the peak of his fame in July 1966 he reportedly crashes his motorbike in Woodstock, upstate New York, and disappears from public view. When he re-emerges, he looks different, his voice sounds different, his songs are different. Clinton Heylin's meticulously researched, all-encompassing and consistently revelatory account of these fascinating early years is the closest we will ever get to a

definitive life of an artist who has been the lodestar of popular culture for six decades.

*When Harry Met Minnie* Oct 22 2022 \*An Instant New York Times Bestseller!\* A memoir of love and loss, of being in the right place at the right time, and of the mysterious ways a beloved pet can bring people together, from CBS Sunday Morning News correspondent and multi-Emmy-Award-winning Martha Teichner. There are true fairy tales. Stories that exist because impossible-to-explain coincidences change everything. Except in real life, not all of them have conventional, happily-ever-after endings. When Harry Met Minnie is that kind of fairy tale, with the vibrant, romantic New York City backdrop of its namesake, the movie *When Harry Met Sally*, and the bittersweet wisdom of Tuesdays with Morrie. There's a special camaraderie among early-morning dog walkers. Gathering at dog runs in the park, or strolling through the farmer's market at Union Square before the bustling crowd appears, fellow pet owners become familiar—as do the personalities of their beloved animals. In this special space and time, a chance encounter with an old acquaintance changed Martha Teichner's world. As fate would have it, her friend knew someone who was dying of cancer, from exposure to toxins after 9/11, and desperate to find a home for her dog, Harry. He was a Bull Terrier—the same breed as Martha's dear Minnie. Would Martha consider giving Harry a safe, loving new home? In short order, boy dog meets girl dog, the fairy tale part of this story. But there is so much more to this book. After Martha agrees to meet Harry and his owner Carol, what begins as a transaction involving a dog becomes a deep and meaningful friendship between two women with complicated lives and a love of Bull Terriers in common. Through the heartbreak and grief of Carol's illness, the bond that develops changed Martha's life, Carol's life, Minnie's life, Harry's life. As it changed Carol's death as well. In this rich and touching narrative, Martha considers the ways our stories are shaped by the people we meet, and the profound love we can find

by opening our hearts to unexpected encounters.

**Sunday Morning Stickup** Feb 02 2021 Today's Christian experience is not what it used to be. So much has changed. One visit to a Sunday morning service and you will know that this is not the church you grew up with. Churn and frustration are at an all-time high as many have voted with their feet and no longer attend worship service. CHURCH - her thirst to be accepted by

the world and possess what it has to offer has negatively impacted her preaching and influence on society. Silent, she has no response to the moral decay of our time, yet she takes in more money than most will earn in two life-times. Product pitches from the pulpit and product tables in the lobby are normal and a guaranteed scriptural reference to paying Tithes is inevitable. Laboring over souls on the altar is a thing of the past as many ministries look for ways to be more profitable. Being about My Fathers Business has taken on a whole new meaning as the North American Church struggles to hold to the code of Divine Ethics that was once delivered to the saints by those who once valued the concept of no compromise. You have questions? Sunday Morning Stickup has Biblically based answers concerning the subject of tithes. Click here if you are an author or if you are interested in becoming a published

*Another Hour on a Sunday Morning* Jun 06 2021 Julia and her adopted brother, David, are sixteen-years-old. Julia is white.

David is black. It is the mid-1980s and their family has just moved to rural Indiana, a landscape of cottonwood trees, trailer parks, and an all-encompassing racism. At home are a distant mother--more involved with her church's missionaries than her own children--and a violent father. In this riveting and heartrending memoir Julia Scheeres takes us from the Midwest to a place beyond imagining: surrounded by natural beauty, the Escuela Caribe--a religious reform school in the Dominican Republic--is characterized by a disciplinary regime that extracts repentance from its students by any means necessary. Julia and David strive to make it through these ordeals and their tale is relayed here with startling immediacy, extreme candor, and wry humor.

Fifty years later, the Cuban refugee retired from the Central Intelligence Agency as the CIA equivalent of a two-star general. Black Ops is the story of Ric's legendary career that spanned two eras, the Cold War and the Age of Terrorism. Operating in the shadows, Ric and his fellow CIA officers fought a little-seen and virtually unknown war to keep USA safe from those who would do it harm. In late 1995, he became Deputy Chief of Station and co-founding member of the Bin Laden Task Force. Three years later, after serving as head of Korean Operations, Ric took on one of the most dangerous missions of his career: to re-establish a once-abandoned CIA station inside a hostile nation long since considered a front line of the fight against Islamic terrorism.
