**Bound In Sin (A Vampire/Werewolf Romance)** Jul 05 2020 What's the price of sin? Human Paige Sloan once loved werewolf Drake Wyler more than life, but then that life was taken away from her. Attacked by vampires, Paige was bitten, and, on a cold, dark night, the life she'd known ended. She was reborn as a vampire--a werewolf's deadliest enemy. Paige ran from the vampires who attacked her, and she ran away from her lover. She didn't want Drake to know what she'd become, and she didn't want to face the fury of his pack. But a girl can only run for so long until the past catches up with her. Some sins mark your soul. When Paige learns that Drake is being targeted for death, she knows that she can't hide in the shadows any longer. She has to return to him, and she will do anything--anything--in order to make sure that he keeps living. The vampires might have destroyed her chance to live and love Drake, but they won't take him. Not over her undead body. She'll slay them all...and maybe, just maybe...she'll even have the chance to sin--one more time--with the werewolf who'd marked her as his mate. Some sins are worth dying for... Word Count: 22,000 words This is a sexy paranormal novella. As such, it contains hot vampires, sexy werewolves, graphic language, and adult good times. The Royal Sorceress Apr 01 2020 It's 1830, in an alternate Britain where the 'scientific' principles of magic were discovered sixty years previously, allowing the British to win the American War of Independence. Although Britain is now supreme among the Great Powers, the gulf between rich and poor in the Empire has widened and unrest is growing every day. Master Thomas, the King's Royal Sorcerer, is ageing and must find a successor to lead the Royal Sorcerers Corps. Most magicians can possess only one of the panoply of known magical powers, but Thomas needs to find a new Master of all the powers. There is only one candidate, one person who has displayed such a talent from an early age, but has been neither trained nor officially acknowledged. A perfect candidate to be Master Thomas' apprentice, in all ways but one: the Royal College of Sorcerers has never admitted a girl before. But even before Lady Gwendolyn Crichton can begin her training, London is plunged into chaos by a campaign of terrorist attacks co-ordinated by Jack, a powerful and rebellious magician. The Royal Sorceress will certainly appeal to all fans of steampunk, alternate history, and fantasy. As well as the fun of the 'what-ifs' delivered by the rewriting of our past, it delights with an Empire empowered by magic - all the better for being one we can recognise. The scheming and intrigue of Jack and his rebels, the roof-top chases and the thrilling battles of magic are played out against the dark and unforgiving backdrop of life in the sordid slums and dangerous factories of London. Many of the rebels are drawn from a seedy and grimy underworld, while their Establishment targets prey on the weak and defenceless. The price for destroying the social imbalance and sexual inequality that underpin society may be more than anyone can imagine. Fish Bites Cop! Stories To Bash Authorities Jun 15 2021 Fish Bites Cop! Stories To Bash Authorities is a whole trunk of surprises. A collection of horror, dark crime, pulp, and slipstream lampoonery that gleefully rips on police officers, security guards, organized religion, firefighters, police officers, bounty hunters, dyslexic paramedics with dog complexes, police officers, military, middle management, and even more police officers. Bad Cop movies are usually just bad cop movies. It's time they paid for it. EDITORIAL REVIEWS "Bizarre and hysterically twisted, these stories crisscross between the satirical and the pulpy at a maddening pace. I endorse this crazy-ass book! Wild ride. David James Keaton is a writer to keep an eye on." --Frank Bill, author of Donnybrook and Crimes in Southern Indiana "This is exquisite writing and fast-paced storytelling--the peanut butter and chocolate of fiction. Bet you can't read just one." --Stephen Graham Jones, author of The Last Final Girl and Growing Up Dead in Texas "If you're a cop, have ever known a cop, or been arrested by one, or even if you're just one of those people who are scared of cops, FISH BITES COP! is the collection you must read. Also if you like watching, catching, or eating fish. Or cops." --Scott Phillips, author of The Adjustment and The Ice Harvest "Don't expect any nice-making from David James Keaton. FISH BITES COP! is full of people acting badly, and it's as fun to watch them self-destruct as it is to watch a ten-car pileup on the interstate. Trust me: you'll enjoy your couple of hours rubbernecking." --Kyle Minor, author of In the Devil's Territory "David James Keaton by his own confession has a problem with authority. You might say he has a hard-On for cops, a hard-On of the nightstick variety he brandishes with abandon, gleefully bashing cliches with his own savvy brand of literary mayhem. Keaton goes Dirty Harry on the cop shop of conventional crime fiction. Heads roll, donuts get gored. It's so good it should be illegal." --Randy Chandler, author of Dime Detective and Bad Juju "Keaton's at his manic best in this collection, populated by prize winners and barn burners, each one coated in his special brand of pulp sauce. These are stories to read by the bonfire as the world burns. In the worlds Keaton conjures here, spinning with barely repressed anarchy, that's the general drift." --Court Merrigan, author of Moondog Over the Mekong "David James Keaton holds the lovechild of convention and expectations down to the hard, concrete floor, puts his hand over its mouth, and slits its throat. Each of the stories in this collection help sop up the blood, his hands wiped cleaned by the time the last story is wrought and reeking of his touch." --Michael Czyzyniejewski, author of Chicago Stories "With a command of contemporary slang force-bred with imagery, Keaton is one of the strongest voices in American fiction today. The first story alone is one I will read forever." --Jason Stuart, author of Raise a Holler "Reading these stories feels like the guys in the garage at the St. Valentine's Day Massacre probably felt as the bullets struck them. They will rip you up, tear you apart, and when you're done, you'll be exhausted with emotion but know that you've been in the presence of greatness." --Les Edgerton, author of The Rapist "Quite simply, David James Keaton is a twisted genius, and you read his work at your own risk, risk of a neural or moral melt-down. Keaton's stories are as sickly exuberant and gargantuan as gothic dirigibles, tall tales of teleportation into urban myth and mystery, post-truth, anti-reality, they break every rule of regular fiction and good taste." --Chuck Kinder, author of Last Mountain Dancer "It's Technicolor Noir." --Charlie Trout, reporter for the Pittsburgh Pulp Exchange

Whatever Gets You through the Night Jan 11 2021 An irreverent and deeply funny retelling of the Arabian Nights "I fear each passing night that I will not receive my maintenance dose of suspense, and then I will cease to exist."—Whatever Gets You through the Night Whatever Gets You through the Night is an irreverent and deeply funny retelling of the Arabian Nights and a wildly inspired exploration of the timeless art of storytelling. Award-winning writer Andrei Codrescu reimagines how Sheherezade saved Baghdad's virgins and her own life through a heroic feat of storytelling—one that kept the Persian king Sharyar hanging in agonizing narrative and erotic suspense for 1001 nights. For Sheherezade, the end of either suspense or curiosity means death, but Codrescu keeps both alive in this entertaining tale of how she learned to hold a king in thrall, setting with her endless invention an unsurpassable example for all storytellers across the ages. Liberated and mischievous, Codrescu's Sheherezade is as charming as she is shrewd—and so is the story Codrescu tells.

The Bombay Marines Dec 22 2021 The Bombay Marines are the East India Company's private fighting ships, defending India's coast and naval trading routes. Captain Adam Horne is the commander of history's first naval commandos and a hero in the mould of Hornblower, Alexander Kent's Bolitho or Patrick O'Brian's Aubrey and Maturin. In this, the first part of the Adam Horne trilogy, it is 1761, and Pondicherry, the last stronghold of the French in India, has fallen to the British. In a novel that 'Lloyd's List' described as "everything a good yarn should have" Captain Horne is given a secret mission: to capture the defeated French commander, Thomas Lally, from the prison of Fort St. George on Madras - if he fails his unit will be disbanded. When most of the Bombay Marines are deployed on the east coast of India Horne finds his unit is left unmanned. Horne is left with only one choice: to take his pick of the motley collection of thieves, rapists and murderers held in the prisons of Bombay Castle and train them for what will be the most closely guarded campaign of the Seven Years' War. Drawing on a wealth of historical characters and events from the East India Company's early history and the author's first-hand knowledge of India and the Arabian Sea the action moves from sea to land, from the colourful waterfront of Bombay to the sadistic penal colony of Bull Island and the cataclysmic denouement within the walls of Fort St. George. Captain Adam Horne is a dashing dare-devil operating among the exotic dangers of Britain's most coveted territory.
