"A better teaching and learning experience This program will provide a better teaching and learning experience"--"for you and your students. Here's how:

"Personalize Learning"-- MyPoliSciLab is an online homework, tutorial, and assessment program. It helps students prepare for class and instructors gauge individual and class performance. "Explore Concepts and Current Events"--Examines the past, present, and future of Texas politics. "Improve Critical Thinking"-- Pedagogy throughout the text supports active learning of key themes. "Engage Students"-- A new design simplifies the presentation of content to facilitate print "and" digital reading experiences. "Emphasize Learning Outcomes"--In MyPoliSciLab, study plans based on book-specific learning objectives give students follow-up reading, video, and multimedia activities for further practice. "Support Instructors"--A full set of supplements, including MyPoliSciLab, provides instructors with all the resources and support they need. TEXAS POLITICS: IDEAL AND REALITY critically compares Texas government and politics to the concepts of democratic theory by raising three main themes: democratic ideals, conservatism, and conflict. Lively presentation of material encourages students to consider controversial issues and debates. In the 2015-2016 Edition, new policy coverage, updates reflecting the Texas legislative session that ended in June 2014, and new "Texas Politics and You" features that ask students to become directly involved in current and contentious issues, often through social media, keep this book cutting edge. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. TEXAS POLITICS TODAY encourages critical thinking and civic participation with ideas, essays, and questions related to Texas politics, presented from different viewpoints. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. Moneyhon looks at the reasons Reconstruction failed to live up to its promise. Finally, a Texas truth-telling tale about Lone Star State politics by three authors with over 100 combined years of experience as Austin insiders and outsiders. "How Texas Politics Really Works" is an uncommon introduction to a subject that is shrouded in economic and governmental myths, This book exposes exactly how Democratic and Republican party leaders, in the past and the present, have ridden herd over the people of Texas in their desire to do the bidding of the rich and powerful. The authors believe that the masses, who have historically received the short end of the rope from elites, can come together to change the state power dynamic through peaceful political action. Knowledge is where it starts, and this book is a long hard look at the reality of Texas politics. This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Updated in its 12th edition, Texas Government introduces the essentials of Texas government and its often colorful politics in a way that any reader can understand. With an emphasis on public policy and active learning, this popular and highly accessible text contains an abundance of useful study aids and exercises in every chapter and a lively, straightforward writing style. Showing readers the impact that government has on their lives, this insightful and sometimes humorous critique of Texas government engages readers in the course material and encourages them to become active participants in their government. This Book a la Carte Edition is an unbound, three-hole punched, loose-leaf version of the textbook and provides students the opportunity to personalized their book by incorporating their own notes and taking the portion of the book they need to class - all at a fraction of the bound book price. The fifth edition of this popular text is now expanded and updated to better fit the needs of a stand-alone Texas Politics course. Jillson continues to approach the politics of the Lone Star State from historical, developmental, and analytical perspectives, while giving students the most even-handed, readable, and engaging description of Texas politics available today. Throughout the book students are encouraged to connect the origins and development of government and politics in Texas--from the Texas Constitution, to party competition, to the role and powers of the Governor--to its current day. The fourth edition of this popular text is now expanded to better fit the needs of a standalone Texas Politics course. Jillson continues to approach the politics of the Lone Star State from historical, developmental, and analytical perspectives, while giving students the most even-handed, readable, and engaging description of Texas politics available today. Throughout the book students are encouraged to connect the origins and development of government and politics in Texas--from the Texas Constitution, to party competition, to the role and powers of the Governor--to its current day practice and the alternatives possible through change and reform. This text helps instructors prepare their students to master the origin and development of the Texas Constitution, the structure and powers of state and local government in Texas, how Texas fits into the U.S. federal system, as well as political participation, the electoral process, and public policy in Texas. Texas Politics offers instructors and students an unmatched range of pedagogical aids and tools. Each chapter opens with an engaging vignette and a series of focus questions to orient readers to the learning objectives at hand and concludes with a chapter summary, a list of key terms, review questions, suggested readings, and web resources. Key terms are bolded in the text, listed at the end of the chapter, and included in a glossary at the end of the book. Each chapter includes "Let's Compare" boxes to help students see how Texas sits alongside other states, and "Pro & Con" boxes to bring conflicting political views into sharper focus. Tables, figures, and photos throughout highlight the major ideas, issues, individuals, and institutions discussed. Delivering unrivaled coverage, TEXAS POLITICS TODAY, ENHANCED, 18th Edition combines a comparative approach with tightly integrated learning objectives and questions addressing the Texas GOVT2306 Core Objectives. Reflecting the latest trends and issues, it offers expanded coverage of ideology and social issues, Texas demographic changes, the rising importance of Latinos in Texas politics and the growing role of social and digital media. It also includes a special focus on immigration, LGBT politics, gun control policies, abortion laws and the culture wars in education. First person essays from the governor, political activists, campaign consultants and others illustrate how Texas politics works in real-world practice. Closing the gap between political theory and reality, the text gives you a clear understanding of how Texas compares with other states. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. TEXAS POLITICS TODAY is the standard in its coverage of Texas institutions, policies, and politics. It combines a comparative approach with tightly integrated learning objectives and questions addressing the Texas GOVT2306 Core Objectives. The text closes the gap between theory and practice with its Insiders and Politics in Practice features. The text reveals the inner workings of Texas elites, interest groups, campaign megadonors, and policy makers. The authors tapped their resources among political activists and officeholders to provide students with exclusive essays written by essayists ranging from the governor to campaign consultants to marijuana advocates, showing students how real-world politics operates in Texas. Texas Politics Today stimulates critical thinking and civic participation with a special focus on current political issues ranging from immigration, LGBT politics, gun control policies, abortion laws, and Latino politics to the culture wars in education. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. Updated in a new 11th edition, this book introduces the essentials of Texas government and its often colorful politics in a way that any student can understand. An abundance of useful study aids

and exercises in every chapter and a lively, straightforward writing style makes the material accessible to students of every level. This book shows students the impact that government has on their lives, this insightful and sometimes humorous critique of Texas government engages students in the course material and encourages them to become active participants in the course and their government. A dangerous forbidden romance rocks a Texan oil town in 1937, when segregation was a matter of life and death. A Top Ten Most Challenged Book of the Year "This is East Texas, and there's lines. Lines you cross, lines you don't cross. That clear?" New London, TX. 1937. Naomi Vargas is Mexican American. Wash Fuller is Black. These teens know the town's divisive racism better than anyone. But sometimes the attraction between two people is so powerful it breaks through even the most entrenched color lines. And the consequences can be explosive. Naomi and Wash dare to defy the rules, and the New London school explosion serves as a ticking time bomb in the background. Can their love survive both prejudice and tragedy? Race, romance, and family converge in this riveting novel that transplants Romeo and Juliet to a bitterly segregated Texas town. Includes a fascinating author's note detailing the process of research and writing about voices that have largely been excluded from historical accounts. A Printz Honor Book A Booklist 50 Best YA Books of All Time Selection A Kirkus Reviews Best Book of the Year A School Library Journal Best Book Winner of the Tomás Rivera Mexican American Children's Book Award This unique book combines state-specific facts and 30 fun-to-do hands-on projects. The Government Projects Book includes making a three branches state government tree and adding leaves of each branch's functions, designing a simple census questionnaire, staging a mock classroom election, holding a meeting with Robert's Rules of Order and more! Kids will have a blast and build essential knowledge skills including research, reading, writing, science and math. Great for students in K-8 grades and for displaying in the classroom, library or home. "Inside Texas Politics provides students with an exciting insider's perspective on the world of Texas government. Its focus on how power struggles have shaped Texas institutions and political processes offers students a fresh perspective that differentiates itself from all other texts on the market. Rottinghaus' anecdotes make Inside Texas Politics fun and relevant for today's students, and his visual representations of data foster the skills students need in order to understand and think critically about the political world around them"-- The #1 selling book for Texas government courses, with a new focus on the future of Texas politics. With an emphasis on public policy and active learning, this popular and highly accessible text introduces the essentials of Texas government and its often colorful politics in a way that any reader can understand. An abundance of useful study aids and exercises in every chapter and a lively, straightforward writing style makes the material accessible to readers of every level. Showing them the impact that government has on their lives, this insightful and sometimes humorous critique of Texas government engages readers in the material and encourages them to become active participants in their government. Texas Southern University is often said to have been "conceived in sin." Located in Houston, the school was established in 1947 as an "emergency" state-supported university for African Americans, to prevent the integration of the University of Texas. Born to Serve is the first book to tell the full history of TSU, from its founding, through the many varied and defining challenges it faced, to its emergence as a first-rate university that counts Barbara Jordan, Mickey Leland, and Michael Strahan among its graduates. Merline Pitre frames TSU's history within that of higher education for African Americans in Texas, from Reconstruction to the lawsuit that gave the school its start. The case, Sweatt v. Painter, involved student Heman Marion Sweatt, who was denied entry to the University of Texas Law School because he was black. Pitre traces the tortuous measures by which Texas legislators tried to meet a provision of the state's constitution that called for the establishment and

maintenance of a "branch university for the instruction of colored youths of the State." When the U.S. Supreme Court ruled in 1950 that the UT Law School's efforts to remain segregated violated the U.S. Constitution, the future of the institution that would become Texas Southern University in 1951 looked doubtful. In its early years the university persevered in the face of state neglect and underfunding and the threat of merger. *Born to Serve* describes the efforts, both humble and heroic, that faculty and staff undertook to educate students and turn TSU into the thriving institution it is today: a major metropolitan university serving students of all races and ethnicities from across the country and throughout the world. Launched during the early civil rights movement, TSU has a history unique among historically black colleges and universities, most of which were established immediately after the Civil War. *Born to Serve* adds a critical chapter to the history of education and integration in the United States. Excerpt from Texas Christian University Bulletin, Vol. 14: January, 1918; Texas Christian University, Summer School, Fort Worth, Texas; June 10 to July 19, 1918 Professor Cockrell. 17, Political Science, three credits. Text: Introduction to Political Science, Gettell. 35. Modern City Problems, three credits. Text: Chapters from Beard; lectures; assigned work. A driveway IN forest park. Fort Worth has many beautiful parks. Forest Park, which contains a Zoo. Lies within ten minutes' walk of the campus of Texas Christian University. It is a favorite place for the students of the summer school to resort and to have their evening lunches under the wide-spreading trees. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. AMERICAN GOVERNMENT AND POLITICS TODAY is known nationwide for its balanced, unbiased, and up-to-date coverage of constitutional, governmental, political, social, and economic structures and their processes. It encourages readers to experience the excitement that comes with being an active, engaged, and informed citizen and provides them with the tools they need to get involved. This latest edition includes a variety of updates including in-depth coverage of the 2012 elections. This text is also available without policy chapters. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. Cal Jillson continues to approach the politics of the Lone Star State from historical, developmental, and analytical perspectives, while giving students the most even-handed, readable, and engaging description of Texas politics available today. Throughout the book students are encouraged to connect the origins and development of government and politics in Texas--from the Texas Constitution, to party competition, to the role and powers of the Governor--to its current day practice and the alternatives possible through change and reform. This text helps instructors prepare their students to master the origin and development of the Texas Constitution, the structure and powers of state and local government in Texas, how Texas fits into the U.S. federal system, as well as political participation, the electoral process, and public policy in Texas. Pedagogical Features Each chapter opens with an engaging vignette and a series of focus questions to orient readers to the learning objectives at hand. Each chapter concludes with a chapter summary, a list of key terms, review questions, suggested readings, and web resources. Each chapter includes "Let's Compare" boxes to help students see how Texas sits alongside other states, "Pro & Con" boxes to bring conflicting political views into sharper focus, and "Texas Legend" boxes featuring important figures in Texas political history. Tables, figures, timelines, and photos throughout highlight the major ideas, issues, individuals, and institutions discussed. Key terms are bolded and defined in the text, listed at the end of the chapter, and included in a glossary at the end of the book New to the 6th Edition Comprehensive assessment of the impact of Rick Perry's unprecedented 14-year tenure as Governor of Texas Thorough consideration of the election of Sylvester Turner as Mayor of Houston and the national response to the police shootings in Dallas Coverage and analysis of the 2014 gubernatorial and state elections, the 2015 state legislative session, and the 2016 national elections as they affect Texas New boxes and narrative on current issues and laws, including: state-constitutional conventions, secession, and federalism voter identification abortion state budget, taxation and spending, and the 2016 Texas Supreme Court school funding decision the University of Texas battle between Wallace Hall, Jr. and William Powers, and its implications for gubernatorial power over directing and changing state institutions In Texas, myth often clashes with the reality of everyday governance. The Nacogdoches author team (Ken Collier, Steven Galatas, & Julie Harrelson-Stephens) of Lone Star Politics

explores the state's rich political tradition and explains who gets what, and how by setting Texas in context with other states' constitutions, policymaking, electoral practices, and institutions. Critical thinking questions and unvarnished "Winners and Losers" discussions guide students toward understanding Texas government. This Fifth Edition expands its coverage of civil rights in the state, and includes the contemporary issues that highlight the push and pull between federal, state, and local governments. Texas has a history of producing nationally prominent leaders. It is also important for its burgeoning population and its natural resources. Few can argue that its politics are not fascinating. The years from 1938 to 1957 were the most primitive period of rule by the Texas Establishment, a loosely knit plutocracy of the Anglo upper classes answering only to the vested interests in banking, oil, land development, law, the merchant houses, and the press. Establishment rule was reflected in numerous and harsh antilabor laws, the suppression of academic freedom, a segregationist philosophy, elections marred by demagoguery and corruption, the devolution of the daily press, and a state government that offered its citizens, especially minorities, very few services. Important elements in the contemporary political scene originated between 1938 and 1957. Known for the extremely student-friendly, jargon-free style of the two books from which it was made, the new "American and Texas Government: Policy and Politics" introduces the essentials of American and Texas government in a way that any student can understand. Neal Tannahill's "American Government" and "Texas Government" are offered together in one comprehensive and accessible text. This new version features the same public policy emphasis that shows students the impact that government has on their lives, and offers the wealth of useful study aids and exercises to engage students in the course material and encourage them to become active participants in their government. This new edition is published as a Longman Study Edition and therefore contains a battery of chapter tests for student study and practice. It also offers the latest coverage of issues in both American and Texas government, including the results of the 2008 elections, immigration reform, and the challenge posed by nuclear programs in Iran and North Korea. TEXAS POLITICS: IDEAL AND REALITY critically compares Texas government and politics to the concepts of democratic theory by raising three main themes: democratic ideals, conservatism, and conflict. Lively presentation of material encourages students to consider controversial issues and debates. In the 2015-2016 Edition, new policy coverage, updates reflecting the Texas legislative session that ended in June 2014, and new "Texas Politics and You" features that ask students to become directly involved in current and contentious issues, often through social media, keep this book cutting edge. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. Packed with up-to-date coverage of the latest issues, Newell/Prindle/Riddlesperger's TEXAS POLITICS: IDEAL AND REALITY, 14th Edition, helps you see how state politics impact your everyday life. Timely and relevant, it explores the Texas government through the lenses of three main themes: the ideals of democratic theory, political conservatism and private influence over public policy. Thoroughly updated, it offers insightful coverage of the 2020 election results and their bizarre aftermath, voting versus abstention, immigration, climate change, the fight over mandatory child vaccinations, the ongoing debate surrounding capital punishment, the Legislature's increasing partisan polarization, the impact of the COVID-19 pandemic on state politics and much more.
