Contacts Jun 16 2021 Now offered on DVD, the Pas de problème 60-minute video filmed in and around Paris with a multicultural cast is custom-designed to accompany Contacts. Twelve modules focus on everyday situations, while six documentary Impressions sections provide additional background and information.

Contacts Euro Edition Feb 05 2023 Both students and instructors find this popular introductory text easy to use. The grammar lessons are presented in a logical sequence with constant vocabulary reinforcement and practice of the four skills--listening, reading, writing, and speaking. In addition, Contacts meets the five "Cs" of the national standards for foreign languages--culture, connections, comparison, communities, and communication--which are denoted by icons when they appear in the text.

Classe de langues et culture-s, vers l'interculturalité Sep 07 2020 Le colloque de l'AFDECE (Association Française d'Education Comparée et des Echanges), qui s'est tenu à Montréal en octobre 2010, a été consacré à la place de la (des) culture(s) dans la classe de langues, parce qu'il nous a semblé important d'étudier la nécessaire association entre langue et culture et l'enjeu considérable que représente l'ouverture sur les autres cultures dans la classe de langues. La mise en perspective internationale de cette question devait nous permettre de voir ce que représente l'enseignement des langues dans différents pays (Algérie, Maroc, Espagne, Portugal, France, Canada anglophone et Canada francophone), comment la culture du pays dont on enseigne la langue est étudiée et ce qui naît de la confrontation entre la culture du pays qui propose cet enseignement et la nouvelle culture abordée. En mettant en parallèle différents approches du cours de langue et de culture étrangers dans des contextes nationaux différents, nous voulions tenter de mieux comprendre les enjeux de cet enseignement, la forme qu'il revêt, voire les résistances qu'il peut provoquer dans certains cas (langue et culture de l'ex-colonisateur en Algérie par exemple). Nous voulions également essayer de mettre au jour les questions récurrentes qui se posent à propos de cet enseignement : quelle(s) culture(s) enseigner ? Comment faire découvrir cette (ces) culture(s) ? Comment créer le désir d'entrer dans cette nouvelle culture ? Par une approche de la culture littéraire et artistique ? En étudiant les écrivains de l'exil qui vivent au quotidien la confrontation des cultures et qui entrent dans la culture de l'autre sans renoncer à leur propre culture ? En étudiant des textes poétiques et en proposant, à partir de cette étude, de mettre au jour ses propres fantasmes, ses propres inquiétudes et ses propres aspirations par une création personnelle et littéraire ? En découvrant la pluralité de sens d'une œuvre artistique et en mettant au jour la polyphonie des textes littéraires, des œuvres d'art ? En faisant percevoir la multiplicité des interprétations émanant de la réception d'un discours ?

Thou Shalt Not Speak My Language May 04 2020 It has been said that the difference between a language and a dialect is that a language is a dialect with an army. Both the act of translation and bilingualism are steeped in a tension between surrender and conquest, yielding conscious and unconscious effects on language. Thou Shall Not Speak My Language explores this tension in his address of the dynamics of literary influence and canon formation within the Arabic literary tradition. As one of the Arab world's most original and provocative literary critics, Kilito challenges the reader to reexamine contemporary notions of translation, bilingualism, postcoloniality, and the discipline of comparative literature. Wail S. Hassan's superb translation makes Thou Shalt Not Speak My Language available to an English audience for the first time, capturing the charm and elegance of the original in a chaste and seemingly effortless style.

D'accord! Langue Et Culture Du Monde Francophone (French 1A Nov 21 2021

Langue et culture Jul 06 2020

Langue et culture dans la classe de français Apr 02 2020 Le rehaussement culturel des programmes d'études constitue l'un des axes prioritaires de la réforme de l'éducation entreprise par le gouvernement du Québec dans les années 1990. A cet effet, dans son énoncé de politique éducative, le

gouvernement prescrit qu'une place plus grande soit accordée aux matières « plus naturellement porteuses de culture », dont le français, langue première, et qu'une approche culturelle prénée à l'enseignement de toutes les matières. Or, les documents officiels accompagnant cette prescription accordent des significations plurielles à la culture et à l'approche qui en découle. En outre, les auteurs ayant pensé la culture et la langue en lien avec l'éducation proposent des conceptions non seulement nombreuses, mais également conflictuelles de la culture et de la langue. Par conséquent, que peut signifier l'approche culturelle dans l'enseignement du français, langue première, au secondaire?

Répondre à cette question s'avère essentiel afin d'éclairer la pratique d'enseignants soucieux d'intégrer la culture dans leur classe. Pour ce faire, nous avons circonscrit différents discours tenus sur la langue, la culture et l'éducation et les avons examinés sous l'angle de leurs fondements, de leurs finalités et des rôles qu'ils accordent à l'élève, à l'enseignant et au savoir dans le cadre d'une approche culturelle de l'enseignement. De la sorte, il nous est possible de proposer des pistes pour donner sens à cette dernière dans l'enseignement du français, langue première, au secondaire et pour penser la relation fondamentale entre la langue et la culture sur le terrain de l'école.

Parlons ukrainien Dec 31 2019 Cet ouvrage présente aussi bien un rappel de l'histoire de l'Ukraine que des caractéristiques de la grammaire de l'ukrainien, des éléments de conversation courante, des textes typiques de la culture ukrainienne et toutes les explications souhaitables sur les thèmes les plus divers de cette culture. Quelques textes bilingues ainsi que des lexiques ukrainien-français et français-ukrainien complètent cet ouvrage.
