Now Or Never the 11 Secrets of Arimathea Jan 12 2022 Joseph of Arimathea, the Mystery Man of the Bible, is introduced like never before. Experience with him the heart-wrenching ramifications of Jesus' crucifixion and witness the ultimate descent into depression for this successful businessman and member of the Sanhedrin. You will go behind the scenes for the first time in literary history as author Joseph Rocco Cervasio tells ... "The Greatest Story NEVER Told." Now or Never: The 11 Secrets of Arimathea provocatively enhances itself with a simple, didactic self-help component. A seemingly unqualified servant attempts to restore Joseph of Arimathea, ably assisted by those with Secrets that will rescue any one of us today from personal recession and depression. Join this historical figure and his ensemble of friends as fact, fiction, and tradition blend to support the validity of each Secret and the destiny of each character. More importantly, discover the Secrets for yourself ... NOW. "Joe Cervasio's lessons in Now or Never: The 11 Secrets of Arimathea could surely have helped the wonderful Biblical characters he introduces. But in the 21st Century, I can also assure you his Secrets will assist a young kid trying to hit a curve ball, a major leaguer attempting to stay focused in the mesmerizing world of professional baseball, or just anyone reaching for goals to fulfill a destiny. And what a story he tells " Dan Shaughnessy, award-winning author and sportswriter for the Boston Globe. "Not only

does Mr. Cervasio weave a mystifying tale unfolding 2000 years ago in the alleyways, markets, and countryside in and around Jerusalem, but he also reveals powerful Secrets to living each of us can apply today. He's created a fundamental, yet profound formula for individuals to efficiently and effectively channel their talents and strengths into each moment, thereby fulfilling their destinies." Pisces Ascendant Secrets Feb 13 2022 There are times when people just can't identify with the attributes of their Sun or Moon sign. In fact, they may feel that they are an antithesis of their zodiac sign. You may also have observed it. Your Leo friend may not seek attention, may be because he or she has a Capricorn ascendant. Your Sagittarius friend is very possessive, may be because he or she has a Scorpio Ascendant. It is easy to understand why some people do not correspond to their Sun or Moon signs once you know about what is the rising sign or Ascendant in a horoscope. Ascendant is the degree of the zodiac sign that was highest on the Eastern horizon at the time and place of birth. When seen from Earth, the sky seems to move, so the entire zodiac can be observed in a span of 24 hours day which means the rising sign changes on the Eastern horizon every 2 hours because there are 12 zodiac signs. People tend to associate their physical, emotional and spiritual attributes more with rising sign at times.

Secrets to Becoming a Successful Author Boxset Jul 18 2022 Frustrated with the plethora of conflicting information on how to self-publish? Wouldn't it be wonderful to sit down with someone who has already made the mistakes, done the analysis, and will provide you the short cuts—the secrets about the things that work? Now you have that chance with the Career Author Secrets series. Indie Publishing (Self Publishing) has changed dramatically in the past five years. There are now new, easier tools to use for every part of the process—editing, formatting, distribution, sales, and analysis. This boxset contains three books. **Secrets Every Author Should Know: Publishing Basics** It contains everything a DIY author needs to get her book from manuscript to professional publication in both ebook and print, including: * Why books don't sell * Options for DIY or contracting professionals *The truth about ISBNs & Copyright Registration * Secrets for formatting your book the easy way * Creating book covers that sell * Making decisions about distribution **Secrets to Pricing and Distribution: Ebook, Print and Direct Sales** Once you have a finished book, you need to get it into readers' hands. Loading your book to a vendor looks deceptively easy. However, the career author knows that each vendor has its own methods for promoting books, performing searches, and identifying ready buyers. You need to take advantage of these differences in order to maximize your profits and discoverability. Capitalize on competitive retail pricing in different markets, and use effective metadata to draw more readers to your books. Learn to: * Write compelling book blurbs for each title that focus on “reader cookies” and • marketing. * Unlock keywords and get access to hidden category options. * Take advantage of search algorithm nuances at Amazon, Barnes and Noble, Kobo, and Apple. * Use aggregators to increase distribution opportunities around the world. * Evaluate opportunities for direct sales to bookstores and individual consumers. **Secrets to Effective Author Marketing: It's More Than 'Buy My Book'** This book provides specific techniques to exploit the value of your books without resorting to the typical overexposure in social media and newsletters with “Buy My Book” sales messaging. Instead, focus on the top three proven techniques that

actually sell books. Follow step-by-step instructions and timelines to learn how to: 1) Create an Effective Plan for Communicating to Readers; 2) Use Social Media and Email lists to Engage with Your Readers; and 3) Plan for Effective Campaigns for both Book Launches and Backlist Rejuvenation throughout the year. In addition this book provides techniques to: * Distinguish specific groups of readers most likely to buy your novel or nonfiction book. * Understand your competition and the advantages that your book offers. * Clarify hooks that capture attention of the media, reviewers, and readers. * Identify where and how to reach readers, reviewers, and media. * Create and implement a consistent brand throughout all marketing efforts. * Effectively select, from 100+ options, the appropriate marketing tactics and timing that matches your book intentions and values. * Maximize organic reach and stay to a budget of less than \$100 per book campaign. * Develop a long-term online marketing plan.

Game of Secrets Feb 01 2021 Felicity Cole sells flowers in the streets of Victorian London to feed herself and her young brother. But she has a close-guarded secret—her brother is a Tainted, born with special abilities that society fears and a shadowy organization called the Huntsman scours the country to eliminate. When Felicity becomes the target of one of these individuals, she discovers something horrible: she's Tainted, too. Rescued by a mysterious gentleman on the eve of execution, she's whisked away to a school funded by Queen Victoria, established to train selected Tainted into assassins in service of the crown. Struggling to harness her incredible strength, speed, and agility, and despised by her classmates, all she wants is to use her new position to find a cure so she can be normal and reunited with her brother. But with the Golden Jubilee fast approaching and the discovery that there's a traitor in their midst, she has no choice but to embrace the one thing she's been fighting all along.

House of Secrets Apr 03 2021 Hailed as “a breakneck, jam-packed roller coaster of an adventure” by J. K. Rowling, this New York Times bestseller is the first installment in the explosive tween fantasy series by famed Hollywood director Chris Columbus (of Harry Potter fame) and bestselling author Ned Vizzini (It's Kind of a Funny Story). Siblings Brendan, Eleanor, and Cordelia Walker once had everything they could ever want. But everything changed when Dr. Walker lost his job. Now the family must relocate to an old Victorian house, formerly the home of occult novelist Denver Kristoff—a house that simultaneously feels creepy and too good to be true. By the time the Walkers realize that one of their neighbors has sinister plans for them, they're banished to a primeval forest way off the grid. Bloodthirsty medieval warriors patrol the woods around them, supernatural pirates roam the neighboring seas, and a power-hungry queen rules the land. To survive, the siblings will have to be braver than they ever thought possible—and to fight against their darkest impulses. The key may lie in their own connection to the secret Kristoff legacy. But as they unravel that legacy, they'll discover that it's not just their family that's in danger . . . it's the entire world.

The Imperfect Secret May 16 2022 By 2020, we we will be unable to protect 75% of our online data - put simply: three out of four of our most precious secrets will be completely public. There is no such thing as total security. I wanted to write a book for everybody, but I couldn't write what I wanted to, because first I had to write it for a chosen few. There's a gap, wide as an ocean, between the ordinary reader's knowledge and that of the specialist, when we talk about information security issues. After 25 years as a cyber security expert, I have become convinced that this gap needs a bridge, in the form of a book, but that ocean is so wide, that first it needs a book to narrow it. This is that book. This book is about the smallest and most delicate asset that anyone and everyone possesses: our secrets. And I have bad news for you: our secrets are under threat, just when we thought they were in the most secure place that they could possibly be. Something happened, and it's irreversible, and still not fully understood. Don't think about those small secrets that are easy to share, or lose, or bring out into the light of day. Think about your most hidden, perhaps even forgotten secrets, things that could ruin your life, or the life of your loved ones; or bring down a company's reputation, damage its profits, or just tear the whole thing into pieces. Remember the VW emissions scandal? just insert the name of your company! Pretty scary, no? And now for the good news. I partnered with a good friend and social-psychology expert, Zsuzsanna Szvetelszky, and took a good look at where the world is heading. Should we really share everything with each other? Can a secret-service exist any longer, where secrets will remain secrets? In the future, will we know everything about our politicians, company leaders, or the family living across the street? What is a secret anyhow? Why are they so important for us? Critical and complicated times are ahead, from the point of view of sociologists and information theorists, and we need to change the way we protect our data. In this book you'll find some practical advice and observations, to offer some answers for the emerging challenges of the new world that is already arriving.

The Deepest of Secrets Jan 20 2020 #1 New York Times bestseller Kelley Armstrong returns to the captivating town of Rockton in *The Deepest of Secrets*, the next installment in one of the most imaginative crime series on shelves today. "This is a series that covers all the bases." —St. Louis Post Dispatch It's not always easy to live in the hidden town of Rockton, something Detective Casey Duncan knows firsthand. Tucked away in the Yukon wilderness, the community survives—and thrives—because the residents' many secrets stay just that—secret. But what happens when these secrets start to come out? Overnight, no one is safe. It's not a question of if your secret will come out—but when. Casey and her boyfriend, Sheriff Eric Dalton, need to find the culprit while protecting those who have been thrust into the spotlight. For a place built on privacy and new beginnings, Rockton isn't handling these revelations very well. People are turning on one another, and when one of the loudest complainers turns up barely alive, it's clear that their trickster is actually a murderer. The threat of exposure is reaching its breaking point, and no one knows what's going to happen next.

101 Secrets a Good Dad Knows Sep 08 2021 Dads have a special way of relating to children. They tend to rough-house and tease children more than moms do. It is usually a father who teaches a child how to shoot a free throw, catch a frog, or fix a broken bicycle chain. Knowing how to do these things raises a child's self-esteem, increases self-confidence, and fosters self-reliance because they expand a child's ability to cope with and understand the world. Each of the 101 secrets in this wonderful gift book is explained in short descriptions accompanied by a drawing and a fact or tip. Many of these skills involve a simple secret to do them successfully. Knowing these secrets will enable any dad to look like a hero to his children. Included are instructions for... How to fly a kite How to find the north star How to skip a rock How to make a paper airplane How to tie a necktie How to change a spark plug How to carve a whistle How to bait a hook How to pitch a tent How to identify five icky things under a rock Which properties to buy in Monopoly How to tell how tall a tree is How to whistle with a blade of grass How to photograph lightning "The perfect gift for any father, grandfather, or mother who wants to teach children skills that will increase self confidence, raise self-esteem, and foster self-reliance." - Nashville Lifestyles

The Protection of Trade Secrets in China Jun 05 2021 For business investors in China, the legal handling of trade secrets is often crucial. However, initiatives are often complicated by a

patchwork trade secrets protection system – pieced together haphazardly over the last two decades and drawing on disparate elements of competition law, contract law, employment law, and criminal law – that diverges in significant ways from global standards and corresponding regimes in other countries. Now at last interested parties can benefit richly from a thorough and practical approach to the subject. This detailed analysis of China’s trade secrets law provides in-depth information and guidance on such important factors as the following: the current framework of China’s trade secrets law, its past development and its ongoing trends; legal comparison of China’s trade secrets law with various international, regional, and national schemes; what constitutes trade secrets infringement in China and what remedies are available; and the legal interaction in China between employment relations and trade secrets protection. The author pays close attention to judicial practice and precedent in the areas of civil remedies, criminal punishment, and administrative penalties. She also offers insightful proposals formulated to align China’s trade secrets law more efficiently with prevailing global standards and generally improve the mechanisms for its implementation. Corporate counsel and international lawyers concerned with intellectual property rights or labour law in China will greatly appreciate the knowledgeable guidance this book affords. They will gain a deeply informed perspective that allows them to avoid infringement, to battle it effectively if occasion arises, and to plan dispute resolution strategies for contingencies involving trade secrets protection in China.

It’s a Secret. Don’t Tell. Jun 17 2022 Most of the time, secrets told are good and fun that you share with best friends. Occasionally, a secret that is shared is ICKY or bad. Through the eyes of two child friends we learn the fun side - and the good side - of sharing secrets. Yet, we also learn that bad secrets should be shared with parents. The icky ones are not meant for children.

Sales Secrets Oct 29 2020 Sales professionals are seeking new ways to increase their sales and their income. Organizations are striving for top line revenue and greater profits. Sales Secrets is the solution. Most companies suffer from one problem: lack of sales. A study by Dun & Bradstreet reported that the biggest difference between successful and unsuccessful companies was one attribute: successful companies sold more than unsuccessful ones. "Nothing happens until a sale is made" is truer now than it has ever been. Some sales people blame the economy, while others sell regardless of economic conditions. Sales Secrets enables companies to avoid downsizing, expand their business and improve their profitability. Using the techniques inside, growing revenue, rather than cutting expenses, will become a reality, in spite of the economy. Author Mark Shaughnessy imparts reference materials designed to provide sales people with all of the tools and resources needed to fully develop and maximize their sales potential.
