The five key questions are: Where did we come from? Does God exist and what is His nature? Does man have a soul which transcends death? Why do pain suffering and evil exist? Straightforward and easy to read, *55 Answers to Questions About Life After Death* satisfies that nagging, curious voice whispering from the corner of your mind. Story Behind the Book "Three key experiences in my life have come

together to make this book a reality. First, as the pastor of a local church for thirteen years, I have had the privilege of visiting people who are facing imminent death, conducting funerals, and ministering to grieving families. During these times people often have probing questions about life after death. Second, due to my interest and writing in the area of Bible prophecy, I am frequently asked questions about the afterlife at conferences and via e-mail. Third, all kinds of books, TV shows, and groups out there today are fostering unbiblical views of life after death. Knowing that this is a subject of universal interest and great confusion, I have a passionate desire to create a user-friendly, clear, straightforward resource to answer all the key questions that people everywhere are asking about life ' s greatest mystery. ”
