American Journal of Pharmacy, Vol. 73: November, 1901 I have no doubt that a good many of you present have read an account of adrenalin, and some of you no doubt have used it. Inasmuch as, however, this is the first time the active principle of the suprarenal glands was isolated in a commercial scale, and such might lead to the isolation of the active principle of other interesting glands, I venture to submit before you a brief sketch as far as investigation has gone.
