War: its object and its patrons: its influence as an agent of despotic power Mar 18 2022

An Agent Tells All Apr 30 2023 A working Hollywood talent agent gives honest and humorous advice to aspiring actors.

How to Make It Big As a Real Estate Agent Apr 06 2021 "There are many great suggestions in *How To Make It Big As A Real Estate Agent*. I am returning to real estate sales after a several decades long hiatus and have a game plan to implement which lines up with those which Mark has used. But the idea of building a team is a new one to me and is one I will implement. Great advice for new agents, particularly making it clear the extent of dedication and hard work required to achieve the upper levels of success. I strongly recommend this book."-RayMark Ferguson has been a Realtor for over 15 years. He runs a sales team of 10 who have sold over 1,000 homes. Mark has personally sold over 200 homes in one year. Mark has been featured in the Washington Post, Yahoo, Zillow, Realtor.com, Realtor Magazine, Time, Trulia and many other major media outlets. In this 220 page book Mark describes exactly how he has made it big in real estate and what to expect as a real estate agent. Mark breaks down how much money real estate agents can really make as well as how much work an agent will have to do. There are many stories out there about how little money agents make and how they are on call at all hours. The truth is real estate can be a wonderful business if you treat it as a business and plan accordingly. There are many things an agent can do to be successful, which Mark details in this book. Choosing the right brokerGetting off to a fast start selling housesFinding the right lead sourcesWhere to spend your money Where not to spend your moneyThe best ways to networkHow to build a business not create a jobHow to make your real estate agent business a sell-able assetMuch, much moreIf you are family with Mark and his writing style, you know he hates fluff. This is a straight to the point book with an immense amount of usable information and techniques. You can find mark at <https://Investfourmore.com>, where he has created one of the most popular real estate blogs.

Confessions of an Undercover Agent Feb 23 2020 This true story of an ex-Marine who fought crime as an undercover cop, a narcotics agent, and finally a federal prosecutor spans a decade of crime fighting and narrow escapes. Charlie Spillers dealt with a remarkable variety of career criminals, including heroin traffickers, safecrackers, burglars, auto thieves, and members of Mafia and Mexican drug smuggling operations. In this riveting tale, the author recounts fascinating experiences and the creative methods he used to succeed and survive in a difficult and sometimes extremely dangerous underworld life. As a young officer with the Baton Rouge Police Department, ex-Marine Charlie Spillers first went undercover to infiltrate criminal groups to gather intelligence. Working alone and often unarmed, he constantly attempted to walk the thin line between triumph and disaster. When on the hunt, his closest associates were safecrackers, prostitutes, and burglars. His abilities propelled him into years of undercover work inside drug trafficking rings. But the longer he worked, the greater the risks. His final and perhaps most significant action in Baton Rouge was leading a battle against corruption in the police department itself. After Baton Rouge, he joined the Mississippi Bureau of Narcotics and for the next five years continued working undercover, from the Gulf Coast to Memphis; and from New Orleans to Houston, Texas. He capped off a unique career by becoming a federal prosecutor and the justice attaché for Iraq. In this book, he shares his most intriguing exploits and exciting undercover stings, putting readers in the middle of the action.

Characteristics of the Principal as an Agent of Change Oct 01 2020

Charles Dickens as an Agent of Change Oct 25 2022 Sixteen scholars from across the globe come together in *Charles Dickens as Agent of Change* to show how Dickens was (and still is) the consummate change agent. His works, bursting with restless energy in the Inimitable's protean style, registered and commented on the ongoing changes in the Victorian world while the Victorians' fictional and factional worlds kept (and keep) changing. The essays from notable Dickens scholars—Malcolm Andrews, Matthias Bauer, Joel J. Brattin, Doris Feldmann, Herbert Foltinek, Robert Heaman, Michael Hollington, Bert Hornback, Norbert Lennartz, Chris Louttit, Jerome Meckier, Nancy Aycock Metz, David Paroissien, Christopher Pittard, and Robert Tracy—suggest the many ways in which the notion of change has found entry into and is negotiated in Dickens' works through four aspects: social change, political and ideological change, literary change, and cultural change. An afterword by the late Edgar Rosenberg adds a personal account of how Dickens changed the life of one eminent Dickensian.

Confessions of an Insurance Agent Jul 10 2021 Do you hate shopping for insurance? Try selling it!Although insurance companies have some of the most entertaining commercials on television, most people still dread shopping for insurance more than just about any other product or service. The experience people have often leaves them confused as to what they are really paying for.As an insurance agency owner since 2001, I have learned it doesn't have to be that way.This book will explain how people can have a better experience when buying insurance if:* They feel that their needs are the focus of the agent.* They feel confident the insurance coverage will help them when it's needed.* The customer relationship is maintained by the agent through effective communication.This book will also explain how insurance agents can:* Create a learning environment when meeting with a client.* Foster the perception of an insurance expert.* Build an agency team of teachers.* Continue to educate and coach clients beyond the initial purchase.The best salespeople are good teachers. Buying insurance requires trust that the policy you buy is what you need. An insurance agent that can educate someone on their needs as well as their policy coverages will earn that trust. Maintaining that trust as life and needs change will allow for a long term client/advisor relationship which is the ultimate goal.

The Printing Press as an Agent of Change May 20 2022 A full-scale historical treatment of the advent of printing and its importance as an agent of change, first published in 1980.

You and Your Broker Nov 13 2021

COMMUNITY RADIO AS AN AGENT OF SOCIAL CHANGE – A COMPARATIVE STUDY OF SANGAM AND NAMMA DHWANI Feb 14 2022 There exists no doubt, considering the proactive role of mass communication in gathering, disseminating and gauging the public opinion and motivating them towards a desired change. This role by mass media is more important, particularly, in India where citizens are being seen as information starving and being deprived of much required knowledge to better their lives. Studies in the past have pointed out that, media have and continues to play an important and decisive role in nations that are categorized as third world countries, in bringing about development and leading to a predetermined social change. Furthermore, media can play an independent and objective role in a democratic political setup in India, by bringing forth various opinions and ideas, thereby nurturing an informed citizen about the policies, developments and issues concerning them.

Art as an Agent for Social Change Sep 23 2022 Art as an Agent for Social Change explores through original research, experiences, and personal narratives the role of the arts in bringing forth social change within three interconnected themes: community building, collaborations, and teaching and pedagogy.

An Agent of Deceit: A Ben Webster Novel 1 Apr 26 2020 "The best debut spy adventure I've read in a long time" The Times "Morgan Jones does invite comparison with Le Carré ... mesmerizing stuff" Guardian A tycoon with a deadly secret. A spy dying to find it. Ten years ago, journalist Ben Webster had his investigation into a corrupt Russian business in Kazakhstan crushed, the cost of his scrutiny a terrible tragedy... Now employed by a private London intelligence agency, Webster's interest is piqued when a client asks him to expose the dealings of shadowy Russian oligarch Konstantin Malin. Before long, Webster finds himself fixated by Malin and by his front man Richard Lock. But how far is he willing to risk the wellbeing of his family? And that of Lock himself? Against a background of Moscow, London, and Berlin, a journey of impossible decisions begins...

Ask an Agent Mar 30 2023 This book is no bull, straight from the mouth of a blunt talent agent, currently hustling for over 500 clients and closing deals daily. His words are legit instructions on how to be a working actor in film and TV. Organized into three sections: Getting an Agent, Working with Your Agent, and Thriving with Your Agent, this Q&A format addresses actor questions at all stages of a career. After nearly a decade of sitting on panels and acknowledging that the majority of raised hands are never called upon, Jason Lockhart decided to answer them ALL, right here, right now, in an energetic, honest, and organized place. Getting inside the mind of an agent is crucial, as they are generally the first gatekeeper to an actor's success. Consider this book your secret weapon to breaking in or leveling up.

The Principal as an Agent of Change Oct 13 2021

Essays in Collective Epistemology Feb 26 2023 We often talk about groups believing, knowing and testifying. Epistemic claims of this sort are of significant consequence, given that they bear on the moral and legal responsibilities of collective entities. A team of leading experts in the field present new, cutting-edge theories, insights and approaches in collective epistemology.

Research Policy as an Agent of Change Mar 25 2020

You and Your Broker Aug 11 2021 Excerpt from *You and Your Broker: Your Duties and Rights as Customer, His Obligations to You as an Agent* This booklet is compiled solely for the purpose of educating the broker's client in the intricacies of the brokerage business. There are so many chances for misunderstandings between broker and client, that much of the broker's time is occupied in explanation, and, on the other hand, the customer, not understanding the reasons for certain acts on the part of the broker, decides without due consideration, that he is being taken advantage of. The various chapters in this booklet cover all the recognized subjects of controversy. In addition, the addenda contains the rules for transfer and delivery, which in the past have been very acceptable to the managers of branch offices and correspondents. All the information given has appeared in *The Magazine of Wall Street* at various times. That which was in some of the older numbers has been brought up to date to apply to present conditions in the business. It is especially valuable for the investor or the trader, as it is the only compilation which goes into the subject from the viewpoint of both client and broker. In the case where the illustrations do not conform to the particular method of the broker, the basic principles are set forth, so as to be applicable to every situation. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. The Real Estate Agent's Guide to FSBOs May 27 2020 According to the National Association of Realtors, 86% of new real estate agents don't make it past their first year. The majority give up due to frustration and the overwhelming start-up costs involved in the industry. But there is an untapped resource that will help agents take their careers to new heights-the For-Sale-By-Owner (FSBO) listing. Many homeowners try to sell their home, without an agent, believing that they can find a buyer just as quickly and avoid paying a commission. But often, nothing can be further from the truth. Author John Maloof has built a stellar career by farming FSBOs. He made six figures his first year as a real estate agent using his prospecting plan. Now, in *The Real Estate Agent's Guide to FSBOs*, he shows other agents how they can do the same. Using these proven techniques, agents will learn how to: • find FSBOs • approach a prospect • make a listing presentation that will convince even the most reluctant homeowner • handle rejections • formulate a marketing plan • service listings • build a referral base • stage open houses • closethe sale Complete with Internet resources and a sample resume and log sheet, this is the one book that will show new agents and experienced Realtors alike how to make more money than they ever thought possible.

Agent Zero (an Agent Zero Spy Thriller-Book #1) Feb 02 2021 "You will not sleep until you are finished with AGENT ZERO. The author did a superb job creating a set of characters who are fully developed and very much enjoyable. The description of the action scenes transport us into a reality that is almost like sitting in a movie theater with surround sound and 3D (it would make an incredible Hollywood movie). I can hardly wait for the sequel."--Roberto Mattos, Books and Movie Reviews In this much-anticipated debut of an epic spy thriller series by #1 bestseller Jack Mars, readers are taken on an action thriller across Europe as presumed-CIA operative Kent Steele, hunted by terrorists, by the CIA, and by his own identity, must solve the mystery of who is after him, of the terrorists' pending target-and of the beautiful woman he keeps seeing in his mind. Kent Steele, 38, a brilliant professor of European History at Columbia University, lives a quiet life in a New York suburb with his two teenage daughters. All that changes when late one night he gets a knock on his door and is abducted by three terrorists-and finds himself flown across the ocean to be interrogated in a basement in Paris. They are convinced that Kent is the most lethal spy the CIA has ever known. He is convinced they have the wrong man. Do they? With a conspiracy around him, adversaries as smart as he is, and an assassin on his tail, the wild game of cat and mouse leads Kent on a perilous road-one that may lead back to Langley-and to a shocking discovery of his own identity. AGENT ZERO is an espionage thriller that will keep you turning pages late into the night. "One of the best thrillers I have read this year."--Books and Movie Reviews (re Any Means Necessary) Book #2--TARGET ZERO--is also available! Also available is Jack Mars' #1 bestselling LUKE STONE THRILLER series (7 books), which begins with Any Means Necessary (Book #1), a free download with over 800 five star reviews!

The Insurance Agent Jan 04 2021

Let the Seller Beware Mar 06 2021 Why this handbook? Texas real estate contracts are driven by consumer-focused law. In some ways, it is as if the seller is viewed as a giant corporate manufacturer of this large product to be sold for many thousands of dollars, vs the poor, defenseless buyer, whom we must protect. To provide this protection, there are more than thirty "outs" for buyers in our residential contract and related addenda. There are only three for the Seller! This book outlines and explains the entire Texas Real Estate Sales Contract for the resale of One-to-Four Family Residential properties and includes all related addenda explained by a seasoned negotiator. It will benefit any Agent, Broker, Buyer or Seller of residential property in Texas. Many of the aspects may also apply to contracts available in other states, but this book applies to practice in Texas. The real estate sales contract is THE most important document in a real estate agent's briefcase. Listing agreements are nice, buyer representation agreements are nice, but their use only indicates the possibility of income. Nobody is going to get paid until a contract is written and closed. It is imperative that you know the contract inside and out, for yourself and for your clients, since the contract conveys property and large sums of money. It is the single most important aspect of our business.

Industrialization as an Agent of Social Change Aug 23 2022 Herbert Blumer wrote continuously and voluminously, and consequently left a vast array of unpublished work at the time of his death in 1987. This posthumously published volume testifies further to his perceptive analysis of large-scale social organizations and elegant application of symbolic interactionist principles. Blumer's focus on the processual nature of social life and on the significance of the communicative interpretation of social contexts is manifest in his theory of industrialization and social change. His theory entails three major points: industrialization must be seen in processual terms, and the industrialization process is different for different historical periods; the consequences of industrialization are a function of the interpretive nature of human action and resembles a neutral framework within which groups interpret the meaning of industrial relations, and the industrial sector must be viewed in terms of power relations; industrial societies contain inherently conflicting interests. The editors' introductory essay outlines Blumer's metatheoretical stance (symbolic interactionism) and its emphasis on the adjustive character of social life. It places Blumer's theory in the context of contemporary macro theory, including world systems theory, resource dependence theory, and modernization theory.

Caring and Sharing: The Cultural Heritage Environment as an Agent for Change Apr 18 2022 This proceedings volume explores the socio-economic dimension of the heritage sector from a broad, interdisciplinary perspective. Featuring contributions from the 2016 ALECTOR International Conference held in Istanbul, Turkey, this book presents current theoretical and empirical research related to such topics as: R&D and ICT in tourism; heritage products and services; climate change; finance and tourism; cultural communication; anthropological cultural heritage; and heritage management. Collectively, the papers presented in this book provides methodologies, strategies and applications to measure the socio-economic dimension of the heritage sector and also good practices in the heritage sector that drive regional, cultural and economic development and sustainability. The EU Neighbourhood Info Centre (ENPI) Cross-Border Cooperation (CBC) Black Sea project "Collaborative Networks of Multilevel Actors to Advance Quality Standards for Heritage Tourism at Cross Border Level", or ALECTOR, focuses on different types of heritage assets as a means to invest in human capital and tourism innovation in order to achieve socio-economic development and cooperation with social partners in the Black Sea region. Featuring collaborations from Greece, Romania, Bulgaria, Moldova Ukraine, Georgia and Turkey, the project proposes a cognitive and educational framework for using a region's assets, which would guide final beneficiaries (regions, communities, SMEs) to identify, signify, valorize and manage their natural and cultural resources, in order to use heritage potential as a vehicle for tourism. Presenting case studies of successful initiatives, the enclosed papers are divided into two parts: • Part I: Economics of Heritage features innovative research results on the heritage and tourism topics from countries such as Bulgaria, Croatia, Russia, and Romania • Part II: Best Practices features best practices, experiences, and promotion plans for cultural heritage through tourism from countries such as Bulgaria, Republic of Moldova, Turkey, Russia, and Romania

Law as an Agent of Delinquency Prevention Jul 30 2020

Fire as an Agent in Human Culture Jun 20 2022 This work undertakes the presentation of salient features of an encyclopedic subject in a more or less condensed fashion. The importance of the study of heating and illumination is thought to be its contribution to the history of culture as connected with the inventiveness displayed by man in the adaptation of the primary natural key force nearest to his needs in all the earlier stages of progress. The history also suggests the intellectual, esthetic, and religious reactions marking the several stages of culture gradually attained by man.

You and Your Broker Jan 16 2022

Economics as an Agent-Based Complex System Jan 28 2023 In agent-based modeling the focus is very much on agent-based simulation, as simulation is a very important tool for agent-based modeling. We also use agent-based simulation in this book with a stress on the mathematical foundation of agent-based modeling. We introduce two original mathematical frameworks, a theory of SLD (Social Learning Dynamics) and an axiomatic theory of economic exchange (Exchange Algebra) among agents. Exchange algebra gives bottom-up reconstruction of SNA (System of National Accountings). SLD provides the concept of indirect control of socio-economic systems to manage structural change and its stability. We also compare agent-based simulation with gaming simulation and investigate the epistemological foundation of agent-based modeling.

Sold Dec 03 2020 87% of real estate agents fail within the first five years. Don't become another casualty According to the National Association of REALTORS(R), real estate agents with less than two years' experience have a median gross income of \$9,300, while real estate agents with 16 years experience have a median gross income of \$71,000. What if there was a better, more efficient way to build your real estate business without waiting 15 years or more? Six-Figure Real Estate Agent gives both new and seasoned real estate agents a practical and proven guide to get more clients, generate more sales, and earn higher commissions. Bestselling author, investor, and top-producing real estate agent, David Greene, shares the exact systems and processes that he used to scale his own real estate agent business, from solo agent to a thriving funnel and referral system with repeat business. This book will teach you an easy-to-implement system that will grow your real estate business quickly--without having to waste your time door knocking, calling FSBOs and expirds, or spending all your money chasing after paid-for internet leads. Inside, you'll discover: Why most agents don't succeed, and how to overcome those common hurdles How to inhabit the mindset of a top-producing agent Steps to build a massive sales funnel that always replenishes itself Tips, tools, and proven strategies for moving clients down the sales funnel How to master the art of the close Ten lead generation strategies (that you'll actually enjoy) Lead follow-up techniques that will keep you clients coming back How to build a thriving database And so much more

The Practical Guide to Career Opportunities in Real Estate Jan 22 2020 Part One - Introduction to the Real Estate Industry. Part one of the book provides an overview of real estate and real estate careers. It introduces the basics of real estate as well as of the real estate industry, the different types of residential as well as commercial real estate, and provides a survey of 35 real estate as well as related careers. Part Two - Introduction to Real Estate Sales. Part two looks at what successful real estate agents do, from establishing properties' value to closing deals. It looks at the valuation (pricing) of real estate, how agents handle occupied properties they list for sale, how agents handle vacant properties, what agents do to market properties, how agents manage offers, and how agents handle closings (escrow). This part of the book is laden with technical details and procedures. They are provided to you so you can determine if real estate sales are genuinely for you. Part Three - What It Takes to Succeed in Real Estate Sales Part three looks at what it takes to be a successful real estate agent. It looks at the skills you should possess as an agent, how to choose the right brokerage for you to join, and how you should market yourself, your brand, and your services as an agent once you join a brokerage. Part Four - Additional Real Estate Careers Part four provides a more in-depth look at additional career opportunities in and related to the real estate industry. It looks at real estate finance, property management, real estate auctions, 1031 exchanges, residential leasing, commercial leasing, and investing in real estate.

A Career as an ATF Agent May 08 2021 ATF agents have to be ready for anything—fires, guns, and even explosions. In this book, readers will explore the different ways agents working for the Bureau of Alcohol, Tobacco, Firearms, and Explosives help protect the citizens of the United States. Readers will learn about the history, mission, and special agents of the ATF, as well as the different kinds of jobs they do on a daily basis. Information-rich text and color photographs bring this job to life, as readers learn about the different skills they'd need to land a career as an ATF agent. A graphic organizer and multiple sidebars will deepen the reader's understanding of this intense career in law enforcement.

The Business of Being a Writer Jun 08 2021 Writers talk about their work in many ways: as an art, as a calling, as a lifestyle. Too often missing from these conversations is the fact that writing is also a business. The reality is, those who want to make a full- or part-time job out of writing are going to have a more positive and productive career if they understand the basic business principles underlying the industry. The Business of Being a Writer offers the business education writers need but so rarely receive. It is meant for early-career writers looking to develop a realistic set of expectations about making money from their work or for working writers who want a better understanding of the industry. Writers will gain a comprehensive picture of how the publishing world works—from queries and agents to blogging and advertising—and will learn how they can best position themselves for success over the long term. Jane Friedman has more than twenty years of experience in the publishing industry, with an emphasis on digital media strategy for authors and publishers. She is encouraging without sugarcoating, blending years of research with practical advice that will help writers market themselves and maximize their writing-related income. It will leave them empowered, confident, and ready to turn their craft into a career.

Religion as an Agent of Change Nov 25 2022 In Religion as an Agent of Change leading historians and Church historians discuss religion as a driving historical force on the basis of three particular cases from the history of Christianity in Western Europe: the Crusades, the Reformation, and Pietism.
