He's playing hurt. She's laying low. And they're both flirting with disaster. "Kelly Jamieson is my go-to author for hockey romance."—Jami Davenport Chase: The last thing I'd ever want to do is let my team down. After overcoming my bad-boy reputation, I was dominating on the ice. But things aren't going so well this season, and even my parents think I'm partying again. Now I'm really worried about my career. The only bright spot in my life is the Twitter flirtation I've struck up with pop princess Jordyn Banks. Turns out she's a huge hockey fan—and she's willing to wager a date on her favorite team. . . . Jordyn: Even though I'm an L.A. fan now, I've always had a soft spot for the Aces, since I grew up in Chicago. Then I lose a bet to Chase Hartman, and suddenly I'm up close and personal with a pro athlete who's anything but soft. Not only is Chase the hottest guy I've ever met, he's secretly super sweet. As if I had time for a relationship . . . yeah, right. But when I suddenly have nothing but time on my hands, he's the only one who understands. Now, with both of our careers at stake, Chase is tempting me to put my heart on the line too. Coming back to Seattle and facing Jamie is the second hardest thing I've done in my life. The first was burying his brother and then walking away. But my son needs a positive male role model, and there's no one I trust for the job but his Uncle Jamie. I ran away from him after the fatal car accident—not because I blamed him, but to protect him. When I learn he blames himself for the accident, I know I must tell him the truth. But will knowing the real reason behind the crash give him the freedom to forgive himself and move on. Or will it destroy everything he's believed in, including me? For Jamie's sake, it's a risk I have to take. "My go to author for sexy romance." #1 NYT'S

Bestselling author Lauren Blakely. Getting involved with a client's father is a strict no. But when hot hockey player Zander shows me how good he is at talking bad, it sets off a firestorm of need hot enough to melt the ice on the rink he plays on. I'm not good at relationships and have basically given up on men. But a brief fling with a dirty talking hockey player sounds pretty good at the moment. I didn't expect to actually fall for him and his daughter. I think he might be falling for me too. Until I do that one thing that taps into his darkest fears and incinerates the fragile trust that's built between us. How can we possibly move forward after that? I wasn't looking for love. Falling for someone would dishonor the memory of my late husband. But wouldn't you know it. Love found me anyway—in the form of a NHL player who was celebrating Christmas in Holiday Peak. Brody Tucker's reputation preceded him. But he brought me back to life again—made me realize I was only going through the motions. Now one question remains. Can I move forward with him, find happiness again with a guy who seemed to know my deepest thoughts, my private secrets even though I had no idea how? I was ready to make the leap, take a chance on love, until I discovered the Sweet Talker was playing an off ice game I knew nothing about. I didn't want to ask him for a favor. He was the cockiest hockey player I knew. And my brother's best friend. But I needed to learn about the game, and he was down with a concussion. I didn't realize he had an agenda of his own. One that involved showing me his off-ice plays. I should have said no. Should have kept things in the central zone. But one sweet taste was a game changer, and the only words on my lips were yes. Until a lifetime of secrets spilled out... All books in the Players on Ice series can be read as standalones: *The Playmaker* *The Stick Handler* *The Body Checker* *The Hard Hitter* *The Risk Taker* *The Wingman* *The Puck Charmer* *The Trouble Maker* *The Rule Breaker* He's the playboy she shouldn't want. She's the woman he can't live without. Brit has spent her entire professional career trying to prove that she deserves a spot with the guys. So when she meets Stefan, the Gold's captain, she is determinedly not interested in the well-known playboy. But when management pushes Brit and Stefan together to gain good press for the beleaguered team, Brit finds that her carefully calculated disinterest doesn't mean anything. She wants him. And the more she falls, the more she risks it all. Can an idealistic dog lover teach a jaded hockey player new tricks? "Kelly Jamieson is an auto-buy for me."—Carly Phillips Lilly: My life is like the love child of a train wreck and a dumpster fire right now. I've been canned, my professional reputation is shredded, and now I'm walking dogs to make ends meet. But I still believe everything will work out. Somehow. Then a dog at the park attacks my friend's dog. At first, I'm ready to give the owner hell—but it turns out he's in desperate need of doggie daycare. I figure, why not? I love dogs and I need the cash. Too bad his cocky bad boy attitude annoys me. He's too damn cute for his own good. And I'm not talking about the dog. Easton: My coach is riding my ass and I'm not handling it well. When I'm saddled with an abandoned pooch, my teammate thinks a dog will keep my temper in check. I think I have enough problems already. But when my new dog gets into a tussle that leads me to meet a smoking hot chick who knows how to handle the rascal, I start to think pet ownership isn't all bad. At least it gives me an excuse to see Lilly again. . . . Neither of us are interested in a relationship. First they steal your bed, then they steal your heart. And I'm not talking about the dog. She's my best friend's kid sister, which puts her in the hands-off zone, so I used to tease her without mercy—the ballerina on ice—until a knee injury grounded her. But little Nina is all grown up now, and wants something from me, and I sure as hell want something back. Now it's game on, and I'm pulling out all the plays. The Stick Handler: Call me a prick for canceling our wedding at the eleventh hour, but when my ex threatens to ruin my career and reputation, it's the icing on the uncut wedding cake. She gives me a week to reconsider, and I take it—at the Italian resort booked for the honeymoon that will never be, and there's no one I'd rather take with me than Katee, the girl who has held a special place in my heart since forever. When the concierge mistakes her for the bride, we go with it. Only problem is, the place reeks of romance and keeping my hands to myself might prove to be the toughest game I've ever played. The Body Checker: I'm all about the game, a no attachment, no strings kind of guy, so when a puck bunny shows up at my door, shoves a pink bundle into my hands and drives off into the sunset, it turns my world upside down. I'm not cut out to be a family man. I know nothing about babies and I'm the last guy who should be taking care of one. But I do know someone who is equipped for the job—Quinn Reed, my best friend's kid sister. Problem is, she kind of...hates me. When Weston Hatfield rides back into town like he owns it, I don't want anything to do with him. I definitely don't want to take the mean boy from my youth out on my tour boat. Or laugh with him as we watch the whales play in the Bay. Know what else I don't want to do? Fall for him. He's an NHL superstar...I'm a girl who knows her way around a lobster boat. Can you say opposites? But I like who I am, and you know what? I'm beginning to think he likes me for who I am, too. Until he does the one thing that proves otherwise...the one thing I'm not sure I can come back from. A steamy and emotional standalone MM firefighter-hockey player romance ... "I loved Jude and Hudson and their hard-won romance! Watching them fight their love, then fall in love was everything!" - #1 NYT Bestselling Lauren Blakely It was supposed to be a random hookup. At a crossroads, my life a hot mess, I swiped right on the guy with the washboard abs and the tree-trunk thighs. His handle was Holt (yeah, really) but as soon as he opened the door, I recognized him: Hudson Grey, the hottest prospect in pro-hockey and apparently, secretly playing for my team. Not mind-blowing enough? He needed someone to punch his V-card, and I was only too happy to volunteer as tribute . . . Then he ghosted me when it got to be too much. A year later, my life is back on track and I'm a candidate firefighter at legendary Engine 6. While I might be new to the Chicago Fire Department, I'm a veteran in the game of steamy hookups. My No. 1 rule? No newbies. Except now Hudson has been traded to my hometown team, the Chicago Rebels, and he's out, proud, and ready to date. And he wants my help introducing him to the local gay scene. My messy past means I'm the worst guy to be mentoring the shy, sexy jock. But neither can I stand by and watch while others touch the man who already feels like mine. I might have been his first, but I'm about to learn that the new guy has even more to teach me about hunger, hope, and falling hard . . . Includes: First times, hot firefighters, sexy hockey players, mini-golf shenanigans, meddling friends, and fighting like hell for the love of a lifetime. "My go to author for sexy romance." #1 NYT'S Bestselling author Lauren Blakely. Jonah Long...a father? Move in and help him take care of his daughter? As crazy as that sounds, I agreed to the temporary arrangement—for the child's sake. Problem is, living with the guy I've crushed on since forever, is messing with my body as well as my brain. And now, watching him grow as a man, seeing the bond between father and daughter build, I can't help but want this family for myself. But we're just playing house, and

Jonah isn't interested in making this ready-made family the real deal...right? Redtails Hockey goaltender Shane Conrad had been having a great year...until recently. His slump couldn't happen at the worst time. He needs to get his head in the game, not find a woman to screw with it. Until he meets Bliss Vescovi. She's the perfect distraction--hot as hell in bed and smart enough out of it to realize their affair will end with the season. Bliss isn't looking for a commitment, especially not from an intense, driven man used to control. Her ex's need for control had nearly made her his emotional slave and she's sworn she'll never give another man that kind of hold over her again. But a one-night stand with a hot hockey player who won't be around forever? Totally doable. Until Shane's off-beat humor and killer smile get around the guard on her heart. And Bliss's open warmth makes him believe the game might not be everything there is in life. When Shane gets called up to the NHL, Bliss believes she's found the perfect way to break up. But Shane's nickname isn't Brick Wall for nothing. He won't go down without a fight because he knows, no matter where he is, Bliss belongs at his side. She didn't believe in it, at least not for her. More to the point, she wasn't sure she was even built for love. Cautious where her heart is concerned, Kat instead focuses on her career as sports reporter for the local paper. But when she meets him, Kat throws caution to the wind. After all, what girl wouldn't want to spend a steamy night with her all-time NHL crush? Especially one with mesmerizing chocolate brown eyes, a swoon worthy smile, and shaggy sex hair. Kris Lafleur, sexy star defenseman for the Pittsburgh Renegades ice hockey team has spent the last year dedicating himself to the game while getting over a disastrous relationship. A hopeless romantic, deep down Kris longs for a girl who is attracted to him and not his bank account. After their sexy night together, Kat tries to make a graceful exit. After all, she knows there's no happily ever after to see here. A guy like Kris Lafleur would never see a future with someone like her. But Kris has other ideas and he's determined not to let Kat walk out of his life. His heart insists she's the real deal, and he wants her, baggage and all. While Kat battles her insecurities, Kris contends with interference from a well-meaning teammate who wants to save him from being burned again. And when it looks like history is repeating and trust is called into play, will their love be strong enough to survive? All I want is to build my landscaping business and take care of my grandmother. But when some hot out-of-towner rams his vehicle into mine, and doesn't have the funds to pay for repairs, we come to a compromise. He works off the damage by working for me. When a touch leads to a kiss, I quickly learn that while he might not have a green thumb, he certainly has a magical touch. Who knew a collision would lead to a crash course on love? But after I discover the secret he's been hiding, will our feelings for one another wither or will they bloom into something more? "No touching, beautiful. I warned you. Tonight, I'm only using my mouth." As the NHL's sexiest, surliest bad boy, Kyle "Henny" Henderson basically wrote the book on awkward morning-afters. But nothing prepares him for the hat trick of waking up naked, hungover, and hard as hell with his face between a luscious pair of breasts he doesn't recognize... Because those soft, oh-so-lickable curves belong to his completely off-limits best friend. After a devastating breakup, Bex Canfield moved home to Buffalo to put her life back together, not cause another train wreck. But that was before. Before the hockey fight that led to Henny's suspension that led to the tequila that led to... Oh, God. Bedroom? Trashed. Dignity? Obliterated. Best friend? He's... wow. Seriously packing. Looks like last night was one to remember, but neither of them has a clue what happened. So maybe they should try it one more time—sober—just to get it out of their systems. Okay, two more. Three tops. Because nothing says train wreck like a wild, uninhibited, toe-curling, wall-banging sexcapade with your oldest friend... Except for maybe falling in love. DOWN TO PUCK is a sexy, steamy, best friends to lovers hockey romance and the second book in the Buffalo Tempest series. If you like red-hot, dirty-mouthed hockey players, smart and sassy women who aren't afraid to put their men against the boards, and a big, hilarious helping of bromance, then you don't want to miss this lineup! I needed a role model for my son. A big brother to mentor him. What I didn't need was a rebellious hockey player famous for his on and off rink fights. I should have said no. Should have vetoed the idea the second I heard it. But I didn't. Why, you ask. Two words. Liam. Dalton. God's gift to the universe, not to mention the needy spot between my legs. I didn't want to like him. I didn't want his name on my lips. But the second I heard mine on his, I couldn't help but wonder if my son's big brother... ..could be my big daddy. My teammate's incredibly sweet and gorgeous younger sister should have been off-limits, but my hockey stick didn't get that memo. After our team won the championship, and plenty of alcohol, our flirting turned physical and I took her to bed. Shame sent her running the next morning from our catastrophic mistake. She thinks I don't remember that night—but every detail is burned into my brain so deeply, I'll never forget. The feel of her in my arms, the soft whimpers of pleasure I coaxed from her perfect lips... And now

I've spent three months trying to get her out of my head. Which has been futile, because I'm starting to understand she's the only girl I'll ever want. I have one shot to show her I can be exactly what she needs, but Elise won't be easily convinced. That's okay, because I'm good under pressure, and this time, I'm playing for keeps. Get ready to meet your new favorite hot jocks in this series of stand-alone novels. If you like sexy, confident men who know how to handle a stick (on and off the ice), and smart women who are strong enough to keep all those big egos in check, this series of athlete romances is perfect for you! "Pleasure isn't a dirty word, gorgeous. Not unless you want it to be." Thanks to an epic playoffs loss and a somewhat regrettable bachelorette party video starring half the team and a can of whipped cream, Buffalo Tempest captain Roscoe LeGrand is on serious PR duty this summer. His assignment? Organize a youth hockey clinic and clean up the team's tarnished image before the season's first face-off. But one look at the hot-as-hell hockey mom storming the ice, and Roscoe's thoughts slide right back into the gutter... Ally Heinz is afraid of everything—with good reason. Three years ago, her husband died in a workplace accident, leaving Ally behind with their only child and a mountain of grief. Now, keeping her child safe is all that matters. Letting the kid play hockey? With all that hard, slippery ice and no onsite medical team? Not happening. If only the sweet, sexy NHL player in charge wasn't so good at charming the pants off her. Um, literally... Despite Ally's reservations, it's not long before her kid's rocking the rink, and Roscoe's rocking her world, unlocking pleasures Ally has denied herself for years. But hat tricks in the bedroom will only get him so far. When it comes to winning the hockey mom's wounded heart, Roscoe's going to need a lot more than a big, hard stick... **BIG HARD STICK** is a sexy, steamy, single mom romance and the third book in the Buffalo Tempest hockey romance series. But the hotter their chemistry burns, the harder it is to deny. So will they or won't they? In Vegas, there's only one way to

settle it—a bet, of course. Redtails Hockey Four Complete Novels

The Brick Wall He's crashing hard and needs the perfect distraction... Redtails Hockey goaltender Shane Conrad had been having a great year...until recently. His slump couldn't happen at a worse time. He needs to get his head in the game, not find a woman to screw with it. Until he meets Bliss Vescovi. She's hot as hell in bed and smart enough out of it to realize their affair will end with the season. Bliss isn't looking for a commitment, especially not from an intense, driven man used to control. Her ex's need for control had nearly made her his emotional slave and she's sworn she'll never give another man that kind of hold over her again. But a one-night stand with a hot hockey player who won't be around forever? Totally doable.

The Grinder He goes in deep and makes the plays... Riley Hatch is a fas-talking minor-league hockey player with a reputation as a grinder. He goes in deep, hits hard and comes out with the puck. He's not known for giving up and, when he meets a cool blonde who trips all his switches, he's not about to take no for an answer. Aly Martin's aversion to professional athletes falters when faced with the six-foot-four hockey god towering over her. He's everything she never wanted in a man...overtly sexy, rough around the edges and pushy. And absolutely irresistible. Riley falls hard and fast but he knows he's going to need more than determination to break down Aly's reservations. But will his lifelong dream of making it to the NHL cost him the woman of his dreams?

The Enforcer He's used to making an impression, not always a good one... Coming into a team in the middle of the season is never easy but veteran hockey player Will MacDonald is a tough guy. He's not afraid to drop his gloves in defense of his teammates and he's never met a woman who's made his heart pound as hard as a good fight. Until he has a chance collision with a curvy brunette. Jess Gardiner has been around hockey all her life. Her dad, an NHL scout, taught her everything he knows about the game and she believes Will is just what the young Redtails team needs. He's just not what she needs in her life, even if he is huge, hot and hard-bodied.

The Instigator He's an instigator on and off the ice... Derek Flaherty can goad any opponent into throwing down his gloves with a few well-chosen words. Off the ice, he can talk a woman into dropping her inhibitions in seconds. His Redtails teammates love him...when they don't want to gag him. From the moment he sees Sophie, Derek discovers what it's like to be struck dumb. For two seconds. Then he does what he does best. He charms his way into her bed. But can he charm his way into her life? Sophie Tsoukalos is well acquainted with chaos. As a waitress in her parents' bar and favorite aunt of her four sisters' kids, she's used to dealing with drunks and toddlers. But she's never met a man like Derek. His panty-dropping smile entices her to let loose and invite him into her bed. She never expected this playboy to want to stay. But when he pushes for more than she's prepared to give, will Sophie give him heart? Or let him slip through her fingers? I had perfected turning a bad situation around and making it work for me. But when dream sex turns out to be real and too much tequila ends up with Elvis and a sidewalk wedding that's actually legit, I thought I'd reached my limit.

First, I'm not the type of girl hot hockey player, Cason goes for. But the love marks on my body the next morning told a different story, so imagine my surprise when he offers to be my temporary husband to help me with a situation. Talk about turning a reckless mistake into a win-win situation! What could possibly go wrong with having a harmless affair with the hottest guy on the planet? Oh, only just about everything. Opposites attract...and ignite.

On the ice, Justin Perry is always in control. As one of the Reading Redtails' best defensemen, he plays with an intense focus and skates like he was born on blades. Off the ice, he's content to keep his head down and his eyes on the prize: a spot on an NHL team. Except when Vivi Martin's around. She's bright, bold and beautiful and Justin can't make himself look away. Vivi can't help but notice Justin's interest and, yeah, she's not immune to his awkward charm or his grin that steals her breath. But falling for another athlete who will only leave and break her heart is the last thing she needs. Been there, done that. No t-shirt required. She's too busy working three part-time jobs to make ends meet while figuring out how to use her passion for photography to build a career. Until Vivi gets a peek at what's underneath Justin's boy-scout exterior and discovers a tattooed hunk who rocks her world with a kiss. She'd be a fool to pass up a chance to get him in her bed...and in front of her camera. And Vivi's no fool. But when a career-focused hockey player pursues a free spirit who's built a fortress of ice around her bruised heart, Justin's going to have to step up and take his best shot to break through Vivi's walls...and hope it doesn't shatter them both.

Owen Cook I have one goal: To be the best hockey player I can be. I'm not going to waste the opportunity I have. All my focus is on hockey. I avoid distractions like women and relationships during the hockey season, but when a quirky subway busker asks me out on a fake date, somehow I'm intrigued enough to accept.

Owen When Emerie introduces me to her wicked stepfather (ha) I realize I've made a huge mistake. He's my boss—the man who owns the team I play for. And he's not happy to see me with Emerie. Can you say career ending move? Emerie Oops. I hate hockey. How was I supposed to know who Owen is? How are we going to keep Vince from trading him away? Even if it means everything gets a lot more complicated... He's her client. She's his lawyer. Nothing can happen between them. Except...it already did.

Maybe twenty. But I'm a firm believer in teaching by example, and by the end of our first sex lesson, we've graduated to a hands on approach to her education: my hands all over her, her hands all over me, and her hot mouth melting beneath mine as I prove to her there isn't a damned thing wrong with the way she kisses. Give me a month, and I'll transform Libby from wall flower to wall banger, and ensure she's confident enough to seduce any guy she wants. Problem is... the only guy I want her seducing is me. SEXY MOTHERPUCKER Laura Collins is the last woman I should be thinking about taking in the back seat of my car, in the woods behind my in-laws' house, or in a hotel room where we're sharing one very small, very squeaky bed. I need a steady, stable influence for my daughter, not a fling with this too wild, too young, too impulsive red head. So what if she's beautiful and intense and passionate and has the biggest heart I've ever known? I don't want to fall in love. I really don't. The whole "pretend girlfriend" thing was supposed to solve my problems, buy me a little more time. But when it comes to Laura? Hell, maybe I'm just not cut out for faking it. PUCK AHOLIC I hate my new roommate... And I want to do dirty, delicious things to her in that swing she installed that we both know has nothing to do with aerial yoga.
