When Joseph Joshua Ryebank (JJ) moved to America he brought three things with him; his possessions, his girlfriend and... a secret. Fast forward four years. JJ has a successful career in New York; a wide circle of friends, more money than he could have ever imagined and his past life in England has been consigned to history. That is until one day when, out of the blue, an email arrives from his childhood friend Jill, who he hasn't seen for seventeen years. She wants to meet. This leaves JJ with a dilemma as their past and his secret are intertwined. Was the email just to rekindle their friendship or is he being lured back because others know his secret too? His decision to return to England was his first mistake. What will he do with his new life now that he has his old life back? A

Historical Cookbook from a New York Times Bestselling Author! 17th century recipes with modern versions and gluten-free options If you enjoy cooking, historical recipes, or historical romance, you'll enjoy this cookbook from bestselling romance author Lauren Royal! Lauren's Chase Family Series characters love to eat! And Lauren does her research, so of course they eat period-appropriate foods. Lauren has collected dozens of antique cookbooks from the sixteenth and seventeenth centuries, and over many years of trial and error, she's learned how to make the recipes using modern methods. In this cookbook, Lauren shares her very favorite historical recipes with you, two from each of her Chase Family Series full-length novels, along with excerpts from the scenes where her characters enjoy each dish. All of the recipes are easy to make, even for beginner cooks. For each recipe, Lauren has included the original text and her modern adaptation, with current measurements and cooking methods. And every recipe includes gluten-free alternatives!

17th CENTURY RECIPE LIST Beef in Claret (a hearty dish served over toast) Chicken & Artichoke Pie (a Royal family favorite) Chicken Fricassee (a light and creamy dish) Claret Wine Punch (a historical drink for celebrations) Cream Toasts (17th century French Toast!) Mushroom Pie (another Royal family favorite) Nun's Biscuits (sweet and lemony...like madeleines, but better) Rabbit Stew (can also be made with other meats!) Sack Posset (a sweet and creamy hot drink for a cold winter night) Stewed Prawns (for the shrimp lovers in your family) Syllabub (a heavenly drink or dessert) Tarte of Spinage (Spinach Pie—it's delicious!)

BOOK DETAILS • Twelve historical recipes, both original and modern versions • Two photos for each recipe • Indexed and linked by course, to make it easy to find what you want • Excerpts that feature each dish, from Lauren's Chase Family Series This e-book contains **Bonus Material:** including a link to an online contest where you can enter to win a piece of jewelry featured in one of Lauren's books.

CONNECTING BOOKS While all of Lauren's books can be read as stand-alone novels, many readers enjoy reading them as part of a series. All of Lauren's books feature Chase family members. Should you wish to read them in chronological order, this is the sequence: Chase Family Series When an

The beautifully illustrated book exemplifies the importance of the extended family and allowing children the opportunity to be active. This is the perfect book for parents to read to children that will remain one of their favorites as they begin to explore literature on their own. Celebrate over twenty years of Carla Speed McNeil's Finder with this new color collection! As Finder: Chase the Lady's complex heroine, Rachel Grosvenor doesn't have time to celebrate her recent Llaverac clan victories. Every win seems to have come with a price. Her new title comes with too many responsibilities, her new home comes with too many expenses, and the Ascians who seem to have adopted her also fill her house with complications. Her assistant is in love with her, she's about to lose everything if she doesn't marry up, and she finds herself possessed by an ancient Ascian spirit. Then Jaeger returns. Collects all Finder: Chase the Lady chapters from Dark Horse Presents, as well as never-printed concluding chapters to finish the story, all DHP covers, and a bonus footnotes section. Katherine Jane "Kate" Chase Sprague (1840-1899) was a Washington society hostess during the American Civil

War. She was born in Cincinnati, Ohio, the daughter of politician Salmon Chase, who served as Treasury Secretary during President Abraham Lincoln's first administration and later Chief Justice of the United States. She was educated at the Haines School in New York City, where she learned languages, elocution and the social graces along with music and history. On her return to Columbus, Ohio, she served as official hostess for her father, the newly elected Governor of Ohio. In 1861, Salmon P. Chase became Secretary of the Treasury in Lincoln's administration and set up residence at 6th and E Streets Northwest in Washington, with Kate as his hostess; her soirees were eagerly attended in the nation's capital, and she effectively became the "Belle of the North." She married Rhode Island Governor William Sprague, a textile magnate, on November 12, 1863. *Kate Chase, Dominant Daughter* represents genuine research. Author Mary Merwin Phelps first went to Philadelphia to gather available material in the archives of the Pennsylvania Historical Society, and next to Washington, to examine the Chase papers in the Library of Congress. "They will require six months merely to read," she was told on the morning of her arrival in the Manuscript Division. The author remained a year and a half in Washington, building up the Chase characters and the scene. She visited the Chase home of the Sixties, where Kate Chase was married to Governor Sprague, and Edgewood, three miles north of the Capitol, where Kate Chase died in 1899. Phelps then went to Rhode Island to gather scraps of material still left on the Sprague terrain, and met the few living persons who knew Kate Chase and her husband. A long and devoted quest was consummated with the publication of *Kate Chase, Dominant Daughter* in 1935. Chase provides women a chance to discover the heart of God and what it is that He wants from us. This study takes a look at seven major events in the life of David, and his psalms that flowed out of those experiences. David was reckless, broken, sinful, passionate, and humble. The message of his life is that God wants the deepest part of us to truly know and love Him. Through this study, women will move beyond the appearance of godliness and learn to truly adore God. Features include: Seven weeks of study on key events in

David's life and selected Psalms Story-driven teaching with scripture study and personal application projects for each session An interactive study guide that facilitates heart and life transformation The Chase is a modern The Fugitive with characters only #1 New York Times and Globe and Mail bestselling author Candice Fox can write. "Are you listening, Warden?" "What do you want?" "I want you to let them out." "Which inmates are we talking about?" "All of them." With that, the largest manhunt in United States history is on. In response to a hostage situation, more than 600 inmates from the Pronghorn Correctional Facility, including everyone on Death Row, are released into the Nevada Desert. Criminals considered the worst of the worst, monsters with dark, violent pasts, are getting farther away by the second. John Kradle, convicted of murdering his wife and son, is one of the escapees. Now, desperate to discover what really happened that night, Kradle must avoid capture and work quickly to prove his innocence as law enforcement closes in on the fugitives. Death Row Supervisor, and now fugitive-hunter, Celine Osbourne has focused all of her energy on catching Kradle and bringing him back to Death Row. She has very personal reasons for hating him – and she knows exactly where he's heading... At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. What are you chasing? We're all chasing after something, something that we think will make us happy--comfort, success, a bigger house, or someone's approval. But if we are all honest, it feels like trying to catch the wind. A man after God's own heart... As David's life weaves throughout the pages of Scripture, we see he was a man who spent his life chasing after God. Chase explores the events that defined David's life and the Psalms that flowed out of those experiences. Through David's example we'll discover what God really wants from us. God is invisible, and yet He is the only thing we can chase that won't leave us feeling more empty. The lessons in Restless are designed for women to dig deeply into Scripture for themselves and complete study projects on their own. Then, during the group meetings, they STUDY, SEE, and ASK: they share their insights from their personal STUDY, they SEE the teaching video, then use the conversation

cards to ASK the discussion questions. Kit includes: Chase Leader's Guide Chase Study Guide Chase Video Study DVD Chase Discussion Card Set Additional Chase Study Guides (9781418549350) can be purchased separately. In the second book in #1 New York Times bestselling author Sandra Brown's beloved Texas! trilogy, readers meet another son of the troubled Tyler clan—Chase Tyler, a man hardened by life and desperately trying to outrun the sorrows of his past. Chase Tyler has been the object of Marcie Johns's desire since grade school. But when it came time to settle down, the handsome, laconic cowboy chose another woman to be his bride. Life was good for Chase—until things took an abrupt and tragic turn. Ravaged by grief, Chase has become a lost and embittered soul, a man without purpose, compassion, or hope. Then fate intercedes, reuniting Chase and Marcie, who was an unwitting player in Chase's unfathomable family tragedy. Guilt weighs heavily on Marcie, but she's also convinced that only the strength of her love can pull Chase back from the abyss. She's willing to risk everything on a daring plan to rescue his business, save his life, and bring them together at last. Hal Chase is considered by many to be one of the best first basemen ever to play the game of baseball. He was able to make the routine look spectacular, the spectacular look routine. But Chase will never have his plaque in Cooperstown because he has gone down in history as the biggest crook in baseball. Chase was repeatedly accused of throwing games, bribing players, betting against his own team, and various other crimes, yet with his relaxed nature he always managed to get off the hook for his misdeeds by working his charm. His major league career lasted from 1905 to 1919, and by the mid-1930s he was a destitute alcoholic living off friends. The last fifteen years of Chase's life saw him hospitalized repeatedly for a variety of ailments, living off a sister and brother-in-law who loathed him. This work traces the turbulent life and times of Hal Chase from his humble beginnings to his sad end. Professional development and leadership with you in mind A good friend once said about Chase Sargent that he's "a very intelligent man, but he sure does tick people off sometimes." Sargent doesn't disagree. He may have made some people mad, but he wishes he had done it more often to

get this point across: “Leadership—in all aspects of life—is sorely lacking.” The second edition of **From Buddy to Boss: Effective Fire Service Leadership** reinforces the fact that the fire service is screaming for leaders as men and women discover that leadership is important to their existence and success. Being a firefighter can be tiring and frustrating, but it can be rewarding. It’s not only about the job, “but also about raising kids, managing your life, and trying to be a good person, attached to God, country, family, and friends,” says the author. Many leaders today are surrounded by external politics, hidden agendas, fiscal constraints, and manipulative people. Consider these factors when navigating your career. Sargent knows from decades of experience that simply reaching the top of the organizational ladder does not make you a good leader. Before he went into teaching this subject, “It became apparent very quickly that the leadership and human resources training being provided was as scarce as water in a desert and that the fire service was thirsty.” This new second edition includes must-read topics on leadership lessons from the War in Iraq, knowing death in the fire service, and providing leadership in large-scale disasters. This book will change your life. Most of us have no idea where we’re going most of the time. Perfect. “Celtic Christians had a name for the Holy Spirit—An Geadh-Glas, or ‘the Wild Goose.’ The name hints at mystery. Much like a wild goose, the Spirit of God cannot be tracked or tamed. An element of danger, an air of unpredictability surround Him. And while the name may sound a little sacrilegious, I cannot think of a better description of what it’s like to follow the Spirit through life. I think the Celtic Christians were on to something.... Most of us will have no idea where we are going most of the time. And I know that is unsettling. But circumstantial uncertainty also goes by another name: Adventure.”

--from the introduction Since 1957, Chase's Calendar of Events lists everything worth knowing and celebrating for each day of the year: 12,500 holidays, historical milestones, famous birthdays, festivals, sporting events and much more. "The Oxford English Dictionary of holidays." NPR's Planet Money. The rich and vibrant history of Chase City, originally called Raine’s Tavern, dates back to the mid-1700s. With

its mineral springs and fertile farm and timberlands, Chase City, named for former Supreme Court justice Salmon P. Chase, has been a tourist destination since 1733 when surveyor William Byrd II dubbed the area the "Land of Eden." Depicted in this volume are the prosperous days of Thoroughbred racehorses and plantations in the 1850s to Reconstruction from 1866 to 1877. The rise, fall, and rebound of the town are traced through vintage photographs, as is the city's current status as the center for commerce and culture, and as a leader in Southside's tobacco market. A biography of Salmon P. Chase, one of the principal political figures in the American Civil War period. A rival to Abraham Lincoln for the Republican Presidential nomination in 1860, he subsequently became Secretary of the Treasury in Lincoln's war-time cabinet. Following the death of his beloved mentor, Dr. Robert "Rocket" Richter, American covert operative, Chase Fulton, inherits far more than a life insurance policy. In Richter's belongings, Chase discovers journals that take him back to the final days of World War II and into the skies over Europe, where he learns that his own battles with the demons of his past aren't so different from those of the man he'd admired and loved. The undeniable truths revealed in Richter's final hours send the young American operative on a harrowing, self-imposed mission into the frozen wilds of Northern Europe, and as far as the icy doorstep of the Kremlin, to fulfill unspoken promises, and to save the life of the beautiful Russian spy who almost cost him everything. The treacherous journey finally unveils the mystery of Anya's true identity and brings the two face-to-face in a dramatic reunion that could change both of their lives forever. In the most shocking and unpredictable ending in the Chase Fulton Series so far, Chase's decisions for his future violently collide with his deeds from the past, and leave everything in question. Don't run from your feelings. Run from the killer robot hunting you. Chase refuses to believe Grandad is dead. When he skips the old man's funeral, he finds shape shifting tech, Grandad's invention and the first hint of a secret life. Then his old teammates show up at Chase's, recruiting him to pilot the tech. Trusting these strangers, risking his life piloting this bleeding edge technology is the only way to find out if Grandad is still alive. It all leads to the

Military Camouflage Challenge, a clash of billion-dollar armor prototypes against clones and drones, and a classified game of hide-and-seek. That's why the team wants to train Chase. It's also the last place anyone saw Granddad. If he's going to learn the truth, Chase must train, qualify, and survive the deadly game. Given the chance, he'll do anything to reunite his family, including double-crossing his new teammates...or even risk disappearing himself. Chase: The Boy Who Hid is the action-packed first book of the Hide & Seek Chronicles, the teen Sci-Fi adventure series. If you like fast-paced sci-fi, LGBTQ representation, and adventure stories for all ages, you have to follow Chase: The Boy Who Hid today!

A survey of two literary devices that are indispensable for understanding salvation history

A biblical type is a person, place, or thing in salvation history that corresponds to a later person, place, or thing in the scriptural text. An allegory is a passage that says one thing in order to say something else. Both are common literary devices in the Bible that are vital for understanding truths about Jesus Christ found nowhere else. In 40 Questions About Typology and Allegory, Mitchell Chase provides a thorough introduction to both devices, showing where they appear throughout Scripture and the historical roles they have played in biblical interpretation. In a convenient question-and-answer format, Chase answers key questions such as:

- Why should interpreters care about typology and allegory?**
- How do we identify types?**
- What are the theological assumptions of typology?**
- Do all types lead to Christ?**
- What is allegorical interpretation?**
- How was allegory practiced in the early church?**
- How should we practice allegorical interpretation?**

Situating typology and allegory within salvation history, Chase shows how these devices reveal the interconnectedness of Scripture and commonly overlooked aspects of Christ's person and work. Scholars, Bible teachers, and preachers will find this an essential resource for interpreting Scripture more comprehensively. When a man falls to his death, it looks like a suicide-but Detective Michael Bennett finds evidence suggesting otherwise. A man plunges to his death from the roof of a Manhattan hotel. It looks like a suicide, except the victim has someone else's fingerprints and \$10,000 in cash. Enter Detective Michael Bennett.

BookShots Lightning-fast stories by James Patterson Novels you can devour in a few hours Impossible to stop reading All original content from James Patterson A New York Times bestselling author—and “a mythmaker for the millennium, a wiseacre wiseman” (New York Times Book Review)—delivers a surreal and elaborate quest that takes readers from Tokyo to the remote mountains of northern Japan, where the unnamed protagonist has a surprising confrontation with his demons. An advertising executive receives a postcard from a friend and casually appropriates the image for an advertisement. What he doesn’t realize is that included in the scene is a mutant sheep with a star on its back, and in using this photo he has unwittingly captured the attention of a man who offers a menacing ultimatum: find the sheep or face dire consequences.

A Classic Collection of Original Medical Remedies and Household Recipes Written by traveling physician Dr. Alvin Wood Chase, this reprint of Dr. Chase’s Recipe Book and Household Physician, on Practical Knowledge for the People, features a well of practical information on dozens of topics and subjects, including: Home remedies for illnesses and injuries Nursing and midwifery Food Household maintenance Beekeeping Medical terminology and diseases And many more! It also gives readers a unique look at what life was like more than 130 years ago. Get ready to run . . .

an edge-of-your-seat thriller with bite from international bestselling author Linwood Barclay, in his first novel for 9-12 year olds. Chipper is a very special dog. As part of a top-secret, multi-million dollar experiment to create the ultimate canine spy technology, Chipper’s whole life has been spent within the walls of a secret organization known only as The Institute. Chipper is supposed to be more machine than mutt, but something’s wrong and The Institute knows it. He’s about to be terminated. Across the state, twelve-year-old orphan Jeff Conway is working all hours at his aunt Flo’s lakeside cabin business. He misses his parents, his old life, and the dog he had to leave behind. When Chipper escapes and his and Jeff’s paths collide, dog and boy find themselves

tangled up in the most dangerous game of chase imaginable... Winner of the Arthur Ellis award for Best Kid's Crime Novel *Danger*, secrets and thrilling suspense in Linwood Barclay's action-packed first novel for children. A latest collaboration by the best-selling author of the Stephanie Plum series and the best-selling author of the Monk series finds FBI agent Kate O'Hare once again forced to covertly team up with brilliant con man Nicholas Fox to take down a big-league criminal. "Chase wanted so much to make a name for himself in American politics that early in his career he considered changing his 'fishy' appellation to the more important sounding Spencer Paynce Cheyce. That alteration never came about, but even without a fancy name, the New England-born, Ohio-bred attorney devoted his life to public service at many levels of government. Chase served as Free-Soil Senator from Ohio, as Governor of that pivotal Midwestern state, as Secretary of the Treasury under Lincoln, and as Chief Justice of the United States, although he never realized his primary ambition--the presidency. Complex, overly ambitious, and deeply religious, Chase perhaps undermined his presidential hopes partly by his strong antislavery stance, but primarily by his failure to organize systematically his drive for national office. Chase worked hard for the rights of fugitive slaves and became prominent in the antislavery movement and in the establishment of the Liberty and Free-Soil parties, but he was often accused of being concerned only with his personal advancement. Frederick Blue has done extensive research among Chase's voluminous and often hard-to-read correspondence, and has incorporated pertinent collateral primary and secondary sources as well, to produce the first modern biography of this key Civil War era personality."--book jacket. The Chase Leader's Guide serves as a tool to prepare you in leading the Chase study and to encourage you along the way. It helps you as the leader to effectively point your group to the overarching theme of each lesson and includes: The vision for Chase. Session-by-session helps to guide your group through the study, addressing the needs of the various types of learners in your group. Walk-through for using each piece of the study: Videos, the personal study projects in the Study Guide, and the Discussion Cards. Helpful tips for leading a group, and

much more. Through deep Bible study and practical exercises with Jennie Allen, discover that God has carved out a space in each of us that only he can fill. Are you doing everything right but still feel empty? Are you so busy doing things for God and everyone else that you altogether miss him? Do you ever, in your busy life, stop and see him, really see him? Jennie Allen once felt paralyzed in her relationship with God. It occurred to her that maybe she was chasing the wrong things. Maybe God was after something else. When she stumbled across the phrase in 1 Samuel 13, "David was a man after God's own heart," she was intrigued. She knew David was both completely broken, and completely sold out for God. David's life shatters our ideas of what God wants from us. In Chase, Jennie shows us a man who spent his life chasing after God. Designed for use with the following items, each sold separately: Chase Study Guide (9781418549350) Chase Video Study DVD (9780529104342) Chase Discussion Card Set (9781401677794) Cape Willington's annual Winter Moose Fest is in full swing when the sightings of a mysterious white moose-and rumors of a dead body found in the woods-send Candy scrambling to separate fact from fiction before she finds herself in the bullseye of a ruthless killer...
