This complete curriculum workbook provides hundreds of fun pages for practicing all the skills your child needs to succeed in the fourth grade. Singapore Math creates a deep understanding of each key math concept, is a direct complement to the current textbooks used in Singapore, includes an introduction explaining the Singapore Math method, and includes step-by-step solutions in the answer key. Singapore Math, for students in grades 2 to 5, provides math practice while developing analytical and problem-solving skills. Learning objectives are provided to identify what students should know after completing each unit, and assessments are included to ensure that learners obtain a thorough understanding of mathematical concepts. Perfect as a supplement to classroom work, these workbooks will boost confidence in problem-solving and critical-thinking skills! Give your soon-to-be fifth grader a head start on their upcoming school year with Summer Bridge Activities: Bridging Grades 4-5. With daily, 15-minute exercises kids can review fractions and prepositional phrases and learn new skills like finding volume and understanding homographs. This workbook series prevents summer learning loss and paves the way to a successful new school year. --And this is no average workbook! Summer Bridge Activities keeps the fun and the sun in summer break! Designed to prevent a summer learning gap and keep kids mentally and physically active, the hands-on exercises can be done anywhere. These standards-based activities help kids set goals, develop character, practice fitness, and explore the outdoors. With 12 weeks of creative learning, Summer Bridge Activities keeps skills sharp all summer long! Build a foundation and focus on what matters most for math readiness with Common Core Math 4 Today: Daily Skill Practice for fourth grade. This 96-page comprehensive supplement contains standards-aligned reproducible activities designed to focus on critical math skills and concepts that meet the Common Core State Standards. Each page includes 16 problems to be completed during a four-day period. The exercises are arranged in a continuous spiral so that concepts are repeated weekly. An assessment for the fifth day is provided for evaluating students' understanding of the math concepts practiced throughout the week. Also included are a Common Core State Standards alignment matrix and an answer key. Practice makes perfect! This large collection of fun and engaging practice pages is designed to help students master essential skills in reading, writing, vocabulary, math, and more. With more than 300 skill-building practice pages, students are well on their way to succeed in school! Includes ready-to-use flash cards for extra skills practice. For use with Grade 4. 3 BOOKS IN 1!
