The Pirate Bride Jun 02 2020 "The last time New Orleans attorney Jean-Luc Valmont saw Maribel Cordoba, a Spanish nobleman's daughter, she was an eleven-year-old orphan perched in the riggings of his privateering vessel proving herself as the best lookout on his crew. Until the day his infamy caught up with them all and innocent lives were lost. Unsure why he survived but vowing to make something of the chance he was given, Jean-Luc has buried his past life so deep that no living person will ever find it--until a very much alive and very grown up Maribel Cordoba arrives on his doorstep and threatens all he now holds dear."--Back cover.

Folk and Fairy Tales from Denmark - Vol. 2 - paperback Jun 26 2022 Folk and Fairy Tales from Denmark is a collection of stories hitherto unavailable to English speaking audiences. Recorded at source by Danish folklorist Evald Tang Kristensen towards the latter part of the 1800s, they were told to him by storytellers from different social positions; the majority of whom were well versed in the hardships of the rural life of the times. The stories are brim full of shrewd observations, humour, invention, down to earth advice and are as fresh and relevant today as when they were told over a century ago

Battle Stories – WWI 2-Book Bundle Nov 19 2021 Discover two pivotal battles of the First World War in this collection of Battle Stories. Somme 1916 The Battle of the Somme was one of the bloodiest fought in military history. It has come to signify for many the waste and bloodshed of the First World War, as hundreds of thousands of men on all sides lost their lives fighting over small gains in land. Yet this battle was also to mark a turning point in the war and to witness new methods of

warfare. In this Battle Story, Andrew Robertshaw seeks to lift the battle out of its controversy and explain what really happened and why. Passchendaele 1917 Passchendaele is perhaps one of the most iconic campaigns of the First World War, coming to symbolize the mud and blood of the battlefield like no other. Fought for over three months under some of the worst conditions of the war, fighting became bogged down in a quagmire that made it almost impossible for any gains to be made.

Summit Math books are for curious students who want learning to feel like a journey. The scenarios are arranged to show how new math concepts are related to previous concepts they have already learned. Students naturally learn at different paces and these books help teachers manage flexible pacing in their classes. Learn more at www.summitmathbooks.com. Topics in this book: The Pythagorean Theorem The distance between two points The Distance Formula Dividing a square to make a special right triangle The 45-45-90 triangle Dividing an equilateral triangle to make a special right triangle The 30-60-90 triangle Right triangle scenarios Cumulative Review Answer Key Book description: In this book, students will review the Pythagorean Theorem and then learn that

they can use right triangles to create the Distance Formula. They will discover that they can use squares to learn about 45-45-90 triangles. They will realize that 30-60-90 triangles are hidden inside equilateral triangles. They will use the Pythagorean Theorem in many different ways as they encounter a wide variety of right triangle scenarios. This book comes at the end of the Algebra 2 Series to prepare students for future learning in Geometry and Trigonometry. Student testimonials: "This is the best way to learn math." "Summit Math books are unlike typical textbooks. It doesn't matter how you learn or what speed you go at...you can learn at your own pace while still understanding all the material." "Summit Math Books have guided me through algebra. They are the stepping stones of what it takes to think like a mathematician..." "I really enjoy learning from these books...they clearly demonstrate how concepts are built over other concepts." "You don't just memorize, you actually understand it." Parent testimonials: "Summit Math Books not only helped my daughter learn the math, they helped her to love learning math in and of itself! Summit Math books have a fun, self-paced way to explain math concepts..." "I am absolutely thrilled with this math program. The books are so well organized and the content builds from one lesson to the next." "We are really impressed and grateful for our boys' understanding of what the math means, not just how to get problems right...we should all learn to understand math this way." "As the mother of a teenage daughter who previously had occasional difficulty in math, it was refreshing to watch her actually enjoy her math class and to understand the subject matter without struggling" "I have three kids that have used Summit Math. Using these books, they have more freedom to learn and explore at their own pace during class, with notes already incorporated within the book." Teacher testimonials: "Summit Math allows students to work at their own pace which allows me the opportunity to provide individualized attention to those who need it..." "Summit Math emphasizes understanding concepts rather than memorizing rules. Students take ownership while acquiring the necessary skills to solve meaningful math problems..." "It has been a real benefit having problem sets that are explicitly designed to guide students through the development of their understanding of the how and why behind the concepts they are studying." Writing Power 2 Feb 29 2020 The **Writing Power** series is unlike most other writing textbooks. Rather than focusing on one area of writing, such as fluency, language use, academic writing, or social writing, the series includes all of them to give students practical skills for writing in many different situations. Each book contains four separate parts that concentrate on four important aspects of writing proficiency. The structure is flexible, allowing the teacher to assign work from different sections of the book concurrently to target the students' greatest needs. To support and supplement in-class practice, there is the **Writing Power** blog. Teachers can log on to set up a private class blog, where students can post writing assignments and communicate with classmates in a fun online environment.

The Book of Two Ways Feb 20 2022 Order Jodi Picoult's stunning new novel about life, death, and missed opportunities. THE #1 NEW YORK TIMES BESTSELLER 'A writer the world should be reading right now.' Independent Who would you be, if you hadn't turned out to be the person you are now? Dawn is a death doula, and spends her life helping people make the final transition peacefully. But when the plane she's on plummets, she finds herself thinking not of the perfect life she has, but the life she was forced to abandon fifteen years ago - when she left behind a career in Egyptology, and a man she loved. Against the odds, she survives, and the airline offers her a ticket to wherever she needs to get to - but the answer to that question suddenly seems uncertain. As the path of her life forks in two very different directions, Dawn must confront questions she's never truly asked: what does a well-lived life look like? What do we leave behind when we go? And do we make our choices, or do our choices make us? Two possible futures. One impossible choice.

'It is hard to exaggerate how well Picoult writes.' Financial Times 'A matchless talent for hitting emotional notes.' Irish Times 'A wise, cerebral, propulsive adventure . . . eruditely spans the worlds of Egyptology, university physics and end-of-life care, while never losing sight of its high-stakes human story . . . a captivatingly immersive, multilayered, painstakingly researched and impressively realised exploration of deeply human geographies.' The Sunday Times 'This complex, time-shifting romance combines moral hazard with Wuthering

Heights echoes and degree-level Egyptology. And there aren't many books you can say that about.' Daily Mail

Irresistible in a Kilt Oct 19 2021 The sweetest lies are the most seductive... Eleven years ago, I fell in love with Alex Thorne. He was beautiful, charming, sexy, and the best lover I'd ever had. He's also a bloody liar. Every word that comes out of his mouth is a half-truth, a con, or an evasion. Now I find out my dream job at a university in America is his way of pulling me back into his world. I will never, never fall under the spell of the British Bastard again. Catriona MacTaggart is the one that got away. The Scottish lass has fire in her soul and in her eyes, especially when she punches me. I can handle that. Maybe the truth and I do have a different sort of relationship, but I've never lied about my feelings for Cat. I'll do whatever it takes to get her back, even if it means deceiving her. Alex still knows exactly how to get under my skin, and despite all my intentions, I still can't resist that body and that smile. Maybe it's time I turn the tables and seduce the seducer, to finally solve the mystery he doesn't want me to unravel. Who is Alex Thorne?

The Mortal Instruments: The Graphic Novel Dec 29 2019 The second installment of the graphic novel adaptation of Cassandra Clare's bestselling *The Mortal Instruments*! In the world of shadows, battling vampires and fending off wolves at knifepoint no longer frightens Clary. If it means finding her mother, she can deal with that much. But when a trusted ally betrays the Shadowhunters and Jace is nowhere to be found, she might have to face a truth too unsettling to bear... Cassandra Jean's lavish art brings the second volume to life with gorgeous illustrations of the beloved characters and another never-before-seen interlude penned by Cassandra Clare exclusively for this edition!

The Genius Files #2: Never Say Genius Sep 17 2021 The most exciting road trip in history continues! In this second book in the thrilling, *New York Times* bestselling adventure series, twelve-year-old twins Coke and Pepsi McDonald see the Midwest like you've never seen it before. They never asked to be geniuses. They never asked to get lowered into a basket of boiling French fries, either. And they certainly never asked to be frozen in soft-serve ice cream, stampeded in a wild stadium riot, or kidnapped on a high-speed roller coaster. But that's what happens when a red-haired villain named Archie Clone is chasing you across America. This just might be the most dangerous road trip in history—and the most awesome! With Dan Gutman's laugh-out-loud humor and featuring photos and weird-but-true American tourist destinations like the National Mustard Museum, *The Genius Files* is a one-of-a-kind mix of geography and fun. Don't miss the next action-packed book, *The Genius Files #3: You Only Die Twice!*
