"A stellar addition to the genre that will launch careers and inspire for generations, it deserves space alongside stories of other world leaders and innovators."—starred, Kirkus Reviews Drawing on his extensive experience evaluating applicants for his marketing agency, and featuring stories based on real-life situations, sample cover letters, resumes, and straightforward advice, Don Raskin's *The Dirty Little Secrets of Getting Your Dream Job* offers all the necessary tools for navigating the tough job market and securing your dream job. Based on his remarkable expertise, Raskin's book provides exclusive insight into the job search process and lets readers in on all of the dirty little secrets to finding career success. Right now is the perfect time to be looking for a job, because there are more opportunities for employees than ever before. That may seem hard to believe... but it's true. Few people

recognize what's happening in today's job market. Even fewer people have the tools they need to access those rewards. Today's workplace may be loyalty-free, but this environment can propel employees to assert their workplace independence and use this unprecedented flexibility to truly soar. The Perpetual Paycheck: 5 Secrets to Getting a Job, Keeping a Job, and Earning Income for Life in the Loyalty-Free Workplace is a nuts-and-bolts guide you can use to not only survive, but thrive. Offering a contrarian approach backed up by actual current workplace experiences, author Lori Rassas provides practical, accessible job-finding secrets for those looking for a new job, those looking to solidify their current position, those looking to advance their position, and those looking to change careers or industries. Don't you deserve a good job with benefits that provides you with the economic security to live a full life? The answer is a resounding yes, and there has never been a better time to achieve that than now. Improved material benefits are within everyone's reach—and by adopting the five attitudes and approaches outlined in this book, you'll be that much closer to having them in your grasp. A Wall Street Journal Bestseller "...this guide provides readers with much more than just early careers advice; it can help everyone from interns to CEOs." — a Financial Times top title You've landed a job. Now what? No one tells you how to navigate your first day in a new role. No one tells you how to take ownership, manage expectations, or handle workplace politics. No one tells you how to get promoted. The answers to these professional unknowns lie in the unspoken rules—the certain ways of doing things that managers expect but don't explain and that top performers do but don't realize. The problem is, these rules aren't taught in school. Instead, they get passed down over dinner or from mentor to mentee, making for an unlevel playing field, with the insiders getting ahead and the outsiders stumbling along through trial and error. Until now. In this practical guide, Gorick Ng, a first-generation college student and Harvard career

adviser, demystifies the unspoken rules of work. Ng distills the wisdom he has gathered from over five hundred interviews with professionals across industries and job types about the biggest mistakes people make at work. Loaded with frameworks, checklists, and talking points, the book provides concrete strategies you can apply immediately to your own situation and will help you navigate inevitable questions, such as: How do I manage my time in the face of conflicting priorities? How do I build relationships when I'm working remotely? How do I ask for help without looking incompetent or lazy? The Unspoken Rules is the only book you need to perform your best, stand out from your peers, and set yourself up for a fulfilling career. Secrets to Success provides detailed guidance on how to become personally, professionally and financially successful, without sacrificing who you are and what you care about. Considered required reading for any young or first generation professional in the field of law, medicine, education, business, engineering, science, technology, media or mass communications, art or design, entertainment, or any of the life, physical, or social sciences.
