Candy Floss Collection is a set of three novels. Together these novels create an overarching message about what it truly means to live a "big life" and the kinds of relationships we need with others and ourselves along the way. Remember the first time you carried your nephew and/or niece? And the first time you baked a cake or had a "date" together? And when he / she fell and you helped them to feel better? And remember when you were a child and your mother taught you so many things that you would also like to teach your nephew(s) and/or niece(s)? Our life is full of moments that deserve to be shared and this journal was designed to help with just that. It contains the following sections: ♥ Important Facts and Events of your Life - share about family origins, and memories from childhood to becoming an aunt ♥ Your Special Recommendations for your Nephew or Niece - recommend your favorite book, movie, place to visit, recipe, financial advice and more... ♥ Selected Memories & Stories Pages - share your top 24 memories and stories - eg. you may talk about a special trip, time living abroad, the experience in different places where you worked, a difficult experience that you were able to overcome, and more! ♦ How to use this journal: Fill any page that you would like, in any of the sections, at any time, until you complete the journal or until you feel that you, auntie, shared your most important memories. Then give it (back) as a treasured gift to your nephew and/or niece! Sharing memories and stories with your nephew(s) and niece(s) can be wonderful for you and for them, do you know why? □ He/she will realize that your story and the story of your ancestors relates to their own; □ Writing helps

organize the "shelves" of our mind and puts events in perspective, on a timeline; □ Writing also make you re-live happy moments, feel the joy once again; and it sometimes helps "heal" from past events, too; □ Your nephew and/or niece's understanding of the past helps them to accept themselves as they are, learn that their roots impact the way they are, □ Capturing your memories on paper will bring you joyful & funny memories that will now make others laugh! With this journal, you will give your nephew and/or niece an opportunity to learn about their family's history, an inspiration to live happy moments the way you did, and examples of strength that will help them overcome life's obstacles and challenges. CHOOSING BETWEEN PARENTS AND FRIENDS Candyfloss is the perfect introduction to Jacqueline Wilson. When Floss's mother and stepfather announce they are moving to Australia for six months, Floss has to decide whether to go with them or stay home with Dad--inept, but loving and always lots of fun. And how will her choice affect her friendship with her popular but not-so-loyal best friend, Rhiannon? About girls everywhere, for girls everywhere, Candyfloss speaks in universals: it's about friendship, family, and growing up in a complicated world. Like all Wilson's novels, it has an honesty and cheerful integrity that offers a real alternative to the materialistic values of so much fiction aimed at girls. Pay attention to the very sweet "Candy floss makes me smile" book for preschoolers. Some of the best candy choices might not always be the best! There are so many sweets and treats to choose from. Which candy will you choose? But be careful, as some candies might not be as yummy or healthy to eat as others. Brushing and flossing your teeth, especially after eating candy, is important to ensure a healthy smile. DAY OF THE DEAD, SUGAR SKULL, A GREAT COLLECTION OF AMAZING DESIGNSThese stress relieving

But one stormy night, change is forced upon him when his father, Eduardo, the local candyfloss man, unexpectedly catches him entertaining a captivated crowd with flamenco guitar rhythms. At that moment, Eduardo relinquishes the hold from the ghosts of his past and realises it's time for Diego to confront his fate. Eduardo arranges for Diego to live and work on a farm and sends him on his way with the gift of his old Spanish guitar. Candyfloss Guitar is a story about taking the first steps on a journey towards shrouded dreams and searching for meaning. Candy Floss explores family, media, the rise and ebb of juvenile emotions and most significantly, the subtle realization of feminine identity in an urban setting. The text is an insight into the mind of a waning adolescent, constructed in modern free verse, indicating the influence of Arvind Krishna Mehrotra, Robert Frost, Wendy Cope, Ranjit Hoskoté, William Carlos Williams and Carol Ann Duffy. Candy Floss is lined with optimism and mischief, deliberately leaving a train of uncertainty in opinion and identifiable confusion as the writer matures, while discarding a trail of unanswered questions and unresolved angst. However, the writer looks at her world as it is and pompously grieves for it. What if tomorrow's weather report said that we could eat the clouds in the sky?
