"Describes the causes of and effects of the Louisiana Purchase on US history"--Provided by publisher. Read about the expedition of Meriwether Lewis and William Clark in Louisiana, which was a territory that the US just acquired. Why did then President Thomas Jefferson hire them? What did they hope to accomplish in their expedition? Who did they meet? What was their expedition like? You will know the answers to all these once you read this book. Grab a copy today. Bring history to life for students in grades 4 and up with Amazing Facts in U.S. History! Students will love to explore little-known historical facts, folklore, and "facts" often taught in school that are either untrue or undocumented in this captivating text. Topics covered in this 128-page book include the Fountain of Youth, the first Thanksgiving, the colonies, the Revolutionary War, George Washington, the Cherokee nation, the Gold Rush, the Wild West, and American Presidents. The book includes questions, explanations, historical mysteries, quizzes, puzzles, logic problems, and answer keys. An authoritative guide to the Pelican State gathers information about Louisiana's history, geography, population, elections, tourist attractions, fairs, festivals, industry, and agriculture. Simultaneous. Covering the lively, even raucous, history of Louisiana from before First Contact through the Elections of 2012, this sixth edition of the classic Louisiana history survey provides an engaging and comprehensive narrative of what is arguably America's most colorful state. Since the appearance of the first edition of this classic text in 1984, Louisiana: A History has remained the best-loved and most highly regarded college-level survey of Louisiana on the market Compiled by some of the foremost experts in the field of Louisiana history who combine their own research with recent historical discoveries Includes complete coverage of the most recent events in political and environmental history, including the continued aftermath of Katrina and the 2010 BP oil spill Considers the interrelationship between Louisiana history and that of the American South and the nation as a whole Written in an engaging and accessible style complemented by more than a hundred photographs and maps The big purchase that led to fundamental questions about what America would become In 1803 President Thomas Jefferson bought the Louisiana Territory from the French for \$15 million, extending the United States beyond the Mississippi River for the first time. Now the United States had big questions to answer: How would Louisiana be governed? How would it be divided? Would it be comprised of free states or slave states? What would happen to the Native Americans? With biographical sketches of the people who helped forge the answers to these questions, such as Lewis and Clark, Napoleon Bonaparte, and of course, Thomas Jefferson, this is the tale of the expansion of the United States into a new territory as well as a new era. "A basic discussion about the history of the Louisiana Purchase, and how the United States expanded their lands by buying the Louisiana Territory from France"--Provided by publisher. Read about the expedition of Meriwether Lewis and William Clark in Louisiana, which was a territory that the US just acquired. Why did then President Thomas Jefferson hire them? What did they hope to accomplish in their expedition? Who did they meet? What was their expedition like? You will know the answers to all these once you read this book. Grab a copy today. Tiger Ann Parker wants nothing more than to get out of the rural town of Saitter, Louisiana--far away from her mentally disabled mother, her "slow" father who can't read an electric bill, and her classmates who taunt her. So when Aunt Dorie Kay asks Tiger to sp the summer with her in Baton Rouge, Tiger can't wait to go. But before she leaves, the sudden revelation of a dark family secret prompts Tiger to make a decision that will ultimately change her life. Set in the South in the late 1950s, this coming-of-age novel explores a twelve-year-old girl's struggle to accept her grandmother's death, her mentally deficient parents, and the changing world around her. It is a novel filled with beautiful language and unforgettable characters, and the importance of family and home. My Louisiana Sky is a 1998 Boston Globe - Horn Book Award Honor Book for Fiction. In the 1790s, trade was a major part of the U.S. economy. At this time, most goods were sent by boat. So, the country needed cities with ports. The city of New Orleans was especially important. It sits on the Mississippi River, and it borders the Gulf of Mexico. Find out more in The Louisiana Purchase, a title in the Building Our Nation series. Building Our Nation is a series of AV2 media enhanced books. A unique book code printed on page 2 unlocks multimedia content. These books come alive with video, audio, weblinks, slideshows, activities, hands-on experiments, and much more. Everything parents need to help their kids succeed in social studies The only comprehensive social studies skill-building series available, the Get Ready! For Social Studies series equips proactive parents with the tools they need to help their children develop the core skills required to perform at grade level in social studies-related subjects. Ranging from prehistory to the current day, U.S. History focuses on the United States--including the development of the free enterprise system--and its context within the world. Louisiana Culture Comes Alive! An in-depth discussion of Louisiana and the forces that have shaped it characterize Louisiana: The Land and Its People . Available from Pelican Publishing Company, the 560-page volume provides a comprehensive overview of Louisiana history, from the first Indian inhabitants through the Civil War and Reconstruction to modern times. Some 200 photographs and illustrations, including 45 maps, complement the text and encourage the reader to delve further into the background of Louisiana and its people. Ideal for classroom use (a teacher's guide is also available), Louisiana: The Land and Its People is much more than a textbook. Its detailed discussion of the factors that have molded the state provides insights into current issues and solutions. Everyone interested in understanding Louisiana both today and yesterday will benefit from reading this book. The authors, Dr. Sue Eakin and Mrs. Manie Culbertson, together have more than four decades of experience teaching Louisiana history. Dr. Eakin is a professor of history at Louisiana State University at Alexandria. Mrs. Culbertson served for 25 years with the Louisiana public school system teaching Louisiana history and social studies. Together, they bring a rich, fresh approach to analyzing the factors that have created modern Louisiana life. "A fresh and moving story of a mother's dedication to acquire a coat for her daughter in post-World War II hard times. Anna's mother decides to trade the few valuables she has left for wool and for the services of a spinner, a weaver, and a tailor.

Lobel's pictures do a tremendous job of evoking the period. Insightful and informative, this may make children consider how precious the ordinary can become in times of turmoil."--(starred review)

**Booklist** In this pioneering book Daniel Usner examines the economic and cultural interactions among the Indians, Europeans, and African slaves of colonial Louisiana, including the province of West Florida. Rather than focusing on a single cultural group or on a particular economic activity, this study traces the complex social linkages among Indian villages, colonial plantations, hunting camps, military outposts, and port towns across a large region of pre-cotton South. Usner begins by providing a chronological overview of events from French settlement of the area in 1699 to Spanish acquisition of West Florida after the Revolution. He then shows how early confrontations and transactions shaped the formation of Louisiana into a distinct colonial region with a social system based on mutual needs of subsistence. Usner's focus on commerce allows him to illuminate the motives in the contest for empire among the French, English, and Spanish, as well as to trace the personal networks of communication and exchange that existed among the territory's inhabitants. By revealing the economic and social world of early Louisianians, he lays the groundwork for a better understanding of later Southern society. From the earliest colonists through the latest Mardi Gras, Louisiana has had a history as exotic as that of any state. Even its political corruption--extending from French governors for whom office was exploitable property through the "Louisiana Hayride" following the death of Huey Long--seems to have had a glamorous side. Handing the colony of Louisiana back and forth between their empires, the French and Spanish left a legacy that lives in such forms as the architecture of the Vieux Carre and a civil law deriving from the Napoleonic Code. Acadian refugees, German farmers, black slaves and free blacks, along with Italians, Irish, and the "Kaintucks" who helped Andrew Jackson win the Battle of New Orleans added to the state's distinctiveness. Made rich by sugar cane, cotton, and Mississippi River commerce before the Civil War, Louisiana faced poverty afterward. Battles between Bourbon Democrats and Reconstruction Republicans followed, ultimately involving the Custom House Ring and the Knights of the White Camelia. By methods that remain controversial, Huey Long ended "government by gentlemen" with economic transformations other had sought. Gas, oil, and industrialization have additionally "Americanized" the state. Something of Louisiana's historic joie de vivre remains, however, to the gratification of residents and visitors alike; both will enjoy Joe Gray Taylor's telling of the story. The GREATways to Teach and Learn™ series are books intended to supplement curriculum and textbooks. The information and activities presented in Louisiana History Grades 5-8 engage the learner in active practice of basic skills required in this content area. Activities are designed with various learning styles in mind to include every child in the learning process. Louisiana History Grades 5-8 complies with State Curriculum Standards and includes a chart to assess the level at which a child is able to complete each standard presented. Students using this book will learn the state symbols, geography, and history of Texas and complete maps of major cities and geographical regions. This book was written by teachers to provide grade appropriate standards, practice, and application in a straightforward, easy to understand manner. Kids will have a blast and build essential knowledge skills including research, reading, writing, science and math. Great for students in K-8 grades and for displaying in the classroom, library or home. Stories of ghosts and strange happenings at these historic Southern homes—with photos included. Louisiana plantations evoke images of grandeur and elegance, but beyond the facade of stately homes are stories of hope and subjugation, tragedy and suffering, shame and perseverance and war and conquest. After sixteen workers axed most of the Houmas House's ancient oak trees, referred to as "the Gentlemen," eight of the surviving trees eerily twisted overnight in grief over the losses wrought by a great Mississippi River flood. An illegal duel to reclaim lost honor left the grounds of Natchez's Cherokee Plantation bloodstained, but the victim's spirit may still wander there today. A mutilated slave girl named Chloe still haunts the halls of the Myrtles Plantation in St. Francisville. In this book, Cheryl H. White and W. Ryan Smith reveal the dark history, folklore, and lasting human cost of Louisiana plantation life. Ten-year-old Sugar lives on the River Road sugar plantation along the banks of the Mississippi. Slavery is over, but laboring in the fields all day doesn't make her feel very free. Thankfully, Sugar has a knack for finding her own fun, especially when she joins forces with forbidden friend Billy, the white plantation owner's son. Sugar has always yearned to learn more about the world, and she sees her chance when Chinese workers are brought in to help harvest the cane. The older River Road folks feel threatened, but Sugar is fascinated. As she befriends young Beau and elder Master Liu, they introduce her to the traditions of their culture, and she, in turn, shares the ways of plantation life. Sugar soon realizes that she must be the one to bridge the cultural gap and bring the community together. Here is a story of unlikely friendships and how they can change our lives forever. From Jewell Parker Rhodes, the author of Ninth Ward (a Coretta Scott King Honor Book and a Today show AI's Book Club for Kids pick), here's another tale of a strong, spirited young girl who rises beyond her circumstances and inspires others to work toward a brighter future. Teacher's Edition to Student Workbook includes grade level appropriate sections on Geography, Civics, Economics and History. It is correlated to the content covered in the 3rd grade Social Studies content Standards. Includes everything 3rd grade students need to know to be prepared for the 3rd grade iLeap test in Social Studies. "Every man a king, so there would be no such thing as a man or woman who did not have the necessities of life, who would not be dependent upon the whims of the financial barons for a living." -Share Our Wealth, Huey Long (1934) Every Man a King and Share Our Wealth-Two Huey Long Speeches by extraordinary Louisiana left-wing populist Huey Long includes: - his 1934 radio address announcing the start of his "Share Our Wealth"

Movement, promoting greater equality among Americans. By 1935 this movement had 27,000 chapters with 7.5 million members. - Long's Statement on the Share Our Wealth Society in Congress (1935) with proposals, such as that "every family was to be furnished with a homestead allowance of not less than one-third the average family wealth of the country" and "yearly income cannot exceed more than 300 times the size of the average family income." Long's radical agenda as expressed in Every Man a King and Share Our Wealth still offers food for thought for the social-economic debates of the 21st century. A textbook describing the geography of Louisiana and tracing the history of the state from early Indian settlements to the present day. Ready to study Louisiana State History in a fun, hands-on way?
