*Multinational Business Finance, Global Edition* Nov 25 2022 Renowned for its authoritative, comprehensive coverage of contemporary international finance, Multinational Business Finance trains the leaders of tomorrow's multinational enterprises to recognize and capitalize on the unique characteristics of global markets. Because the job of a manager is to make financial decisions that increase a firm's value, the authors have embedded real-world mini-cases throughout to apply chapter concepts to the types of situations managers of multinational firms face. The 15th Edition attempts to capture the rapid evolution of our global marketplace, taking a closer look at the types of organizations that permeate the widespread arena, competition, and opportunities in emerging markets, and how financial leadership can integrate the strategic and financial challenges that global businesses face today.

**The Legal and Regulatory Environment of Business** Jun 20 2022 In 1963, the first edition of Legal and Regulatory Environment of Business, authored by Bob Corley, started a new course emphasizing the legal environment in which business is conducted. By focusing on the public nature of how government regulates business activities, rather than simply how businesses privately make transactions, a movement away from traditional Business Law began. Through its previous 14 editions, The Legal and Regulatory Environment of Business has been the leader in setting the standard for materials covered in an introduction to the legal and regulatory environment of business.

*The Legal and Regulatory Environment of Business* Jul 29 2020 Upon its publication in 1963, Corley's Legal Environment of Business was the first and only business law textbook to emphasize public rather than private law, government regulation of business rather than contracts, and legal relationships rather than business transactions. A major innovation, it established a new course that the authors termed the legal environment of business. Over the years others have attempted to attain the success and stature of The Legal and Regulatory Environment of Business, but none has been able to match its timely, innovative coverage. Substantially updated, the 10th edition continues the text's reputation for ethics, authority and coverage of current areas of importance to business.

**Introduction to Finance** Mar 05 2021 Introduction to Finance, 17th Edition offers students a balanced introduction to the three major areas of finance: institutions and markets, investments, and financial management. Updated to incorporate recent economic and financial events, this new edition is an ideal textbook for first courses in finance—reviewing the discipline's essential concepts, principles, and practices in a clear, reader-friendly manner. Students gain an integrated perspective of finance by learning how markets and institutions influence, and are influenced by, individuals, businesses, and governments. Designed to impart financial literacy to readers with no previous background in the subject, the text provides a solid foundation for students to build upon in later courses in financial management, investments, or financial markets. Equations and mathematical concepts are kept to a minimum, and include understandable, step-by-step solutions. Divided into three parts, the book explains financial markets, discusses the functions of financial systems, reviews savings and investments in different sectors, describes accounting concepts and organizational structures, and more. Real-world examples featured throughout the text help students understand important concepts and appreciate the role of finance in various local, national, and global settings.

**Smith and Roberson's Business Law** Feb 04 2021 The most complete and credible business law text available, the Fifteenth Edition of SMITH AND ROBERSON'S BUSINESS LAW by Richard A. Mann and Barry S. Roberts continues a long tradition of accuracy, thoroughness, and consistent coverage of the latest issues and emerging trends. This updated classic delivers a comprehensive, detailed presentation of business law topics that reflect AACSB guidelines. The cases located at the end of each chapter offer an excellent mix of landmark and current decisions which are edited to preserve much of the language of the court. The placement of these gives you complete flexibility, allowing you to skip selected cases easily or opt for a true black-letter-law case analysis approach. Proven, comprehensive, and completely up-to-date, this trusted text will challenge and engage your students and ensure they leave your class with a solid understanding of modern business law. **Business and Society** Jul 09 2021 Business and Society: Stakeholder Relations, Ethics and Public Policy by Lawrence/Weber/Post, has continued through several successive author teams to be the market-leader in its field. For over thirty years, Business and Society has been updated and reinvented in response to society's relationship to business. Business and Society, 11e highlights why government regulation is sometimes required as well as new models of business-community collaboration. Business and Society, 11e is a book with a point of view. Lawrence, Weber and Post believe that businesses have social (as well as economic) responsibilities to society; that business and government both have important roles to play in the modern economy; and that ethics and integrity are essential to personal fulfillment and to business success. The book is designed to be easily modularized; an instructor who wishes to focus on a particular portion of the material may select individual chapters or cases to be packaged in a Primis custom product.
