Prepare students for the WJEC Eduqas GCSE (9-1) Food Preparation and Nutrition exams with this photocopiable pack, including two full exam-style practice papers and detailed mark schemes with sample answers. - Get ready for the exams with practice papers that replicate the types, wording and structure of the questions students will face. - Guide students through what's required for each question by looking at sample answers that indicate where and how marks were awarded. - Provide an easy solution for mock exams, practice, revision and homework; detailed mark schemes for each question help to reduce marking time and provide opportunities for self- and peer-assessment. - Improve your feedback to students with marking guidance for extended response questions. The first textbook available that is specifically designed to support WJEC GCSE Child Development, and is endorsed by WJEC. It covers course content in just the right detail in a clear, colourful and highly accessible way. It makes explicit connections between what students learn and how they apply this to the Child Study and the Child Focused Task. The book advises your students on how to structure and shape their coursework. It provides thorough exam preparation and practice with dedicated exam practice sections with lots of opportunities for practice and reinforcement. // "What will I learn?" Tells students exactly what they need to know in each topic in an accessible and readable style. // Key terms are clearly highlighted and defined on each spread. // Child Study activity helps students apply their knowledge from each topic and use it in their ongoing Child Study. // Child Study and Child Focused Task sections help your students produce their coursework, provide ideas on building the evidence portfolio and writing up the final presentation. // Stretch and challenge activities help stretch the brightest students. // Exam tips help refine exam technique, make improvements and avoid common mistakes. // Check your understanding questions help students check they have understood the key ideas on a topic. This workbook provides an active approach to exam practice with a clear three-step focus on understanding the question, unpicking the mark scheme and improving student answers. Help your students develop enquiring minds as they learn the geographical knowledge and skills they need through the enquiries of the new OCR B specification which include and up-to-date case studies, a wide range of activities and exam-style questions developed to support and stretch students of all abilities. - Supports students of all abilities through differentiated activities including scaffolded questions and extension questions. - Highlights opportunities for fieldwork

throughout the book, and includes guidance on carrying out fieldwork. - Develops students' geographical skills including activities and clear explanations of how to use mathematical and statistical skills. - Helps students gain confidence for the exam with a variety of exam-style practice questions at different levels, with tips on how to approach them. Endorsed by WJEC/Eduqas, this Student Book offers high quality support you can trust. Written by experienced Media Studies teachers and examiners, this engaging resource will encourage your students to become confident, independent learners and develop their skills as Media students.// All areas of the specification are covered and supported by numerous highly-illustrated examples taken from the set products and optional choices. // The theoretical framework underpinning media studies is explored and applied to a range of media forms and products. // A dedicated chapter on the Non-Examined Assessment element of the specification provides clear guidance on how students will be assessed. // Exam guidance sections introduce students to practice questions and the assessment objectives helping students with the skills they need for assessment. // Extension tasks will help to stretch and challenge higher ability students. // The book supports students taking Media Studies for the first time, as well as those who are progressing from GCSE. Through a skills-based and Assessment Objective-focused approach, this Student Book develops the skills on which students will be assessed in the exam papers. The book provides a thorough preparation for students of all abilities on the requirements of the 2015 English Literature specification, that can be applied to specific set text-choices.
