*MARRIED LOVERS* Jun 07 2021 Cameron Paradise, a stunningly beautiful twenty-four-year-old personal trainer, flees Hawaii and her champion-surfer husband, Gregg, in the middle of one of his abusive tirades and makes her way to L.A. Tall, blond, with a body to die for, it doesn't take Cameron long to find a job at an exclusive private fitness club where she encounters LA's most important players. She has plans to open her own studio one day, and while every man she meets comes on to her, she is more focused on saving money and working hard than getting caught up in the L.A. scene of wild parties and recreational drugs. Until she meets Ryan Lambert, an extremely successful independent movie producer. Ryan is married to overly privileged Mandy Lambert, the daughter of Hamilton J. Heckerling, a Hollywood power-player son-of-a-bitch mogul. Ryan has never cheated on his demanding Hollywood Princess wife, but when he meets Cameron, all bets are off, especially since she's seeing his best friend Don Verona, the devastatingly attractive talk-show-host and legendary player. In her latest sizzling blockbuster, internationally bestselling author Jackie Collins explores what happens when lust and desire collide with marriage and power—and the results lead to murder.

**The Princess Diarist** Jul 08 2021 This last book from beloved Hollywood icon Carrie Fisher is the crown jewel of ideal Star Wars gifts. The Princess Diarist is an intimate, hilarious, and revealing recollection of what happened behind the scenes on one of the most famous film sets of all time. When Carrie Fisher discovered the journals she kept during the filming of the first Star Wars movie, she was astonished to see what they had preserved—plaintive love poems, unbridled musings with youthful naiveté, and a vulnerability that she barely recognized. Before her passing, her fame as an author, actress, and pop-culture icon was indisputable, but in 1977,

Carrie Fisher was just a teenager with an all-consuming crush on her costar, Harrison Ford. With these excerpts from her handwritten notebooks, *The Princess Diarist* is Fisher's intimate and revealing recollection of what happened on one of the most famous film sets of all time—and what developed behind the scenes. Fisher also ponders the joys and insanity of celebrity, and the absurdity of a life spawned by Hollywood royalty, only to be surpassed by her own outer-space royalty. Laugh-out-loud hilarious and endlessly quotable, *The Princess Diarist* brims with the candor and introspection of a diary while offering shrewd insight into one of Hollywood's most beloved stars.

*The Vanity Fair Diaries* Dec 21 2019 Named one of the best books of 2017 by Time, People, The Guardian, Paste Magazine, The Economist, Entertainment Weekly, & Vogue Tina Brown kept delicious daily diaries throughout her eight spectacular years as editor-in-chief of Vanity Fair. Today they provide an incendiary portrait of the flash and dash and power brokering of the Excessive Eighties in New York and Hollywood. *The Vanity Fair Diaries* is the story of an Englishwoman barely out of her twenties who arrives in New York City with a dream. Summoned from London in hopes that she can save Condé Nast's troubled new flagship Vanity Fair, Tina Brown is immediately plunged into the maelstrom of the competitive New York media world and the backstabbing rivalries at the court of the planet's slickest, most glamour-focused magazine company. She survives the politics, the intrigue, and the attempts to derail her by a simple stratagem: succeeding. In the face of rampant skepticism, she triumphantly reinvents a failing magazine. Here are the inside stories of Vanity Fair scoops and covers that sold millions—the Reagan kiss, the meltdown of Princess Diana's marriage to Prince Charles, the sensational Annie Leibovitz cover of a gloriously pregnant, naked Demi Moore. In the diary's cinematic pages, the drama, the comedy, and the struggle of running an "it" magazine come to life. Brown's *Vanity Fair Diaries* is also a woman's journey, of making a home in a new country and of the deep bonds with her husband, their prematurely born son, and their daughter. Astute, open-hearted, often riotously funny, Tina Brown's *The Vanity Fair Diaries* is a compulsively fascinating and intimate chronicle of a woman's life in a glittering era.

*The Hollywood Book Club* Mar 24 2020 Audrey Hepburn, Humphrey Bogart, Gregory Peck, Rita Hayworth, Marilyn Monroe—the brightest stars of the silver screen couldn't resist curling up with a good book. This unique collection of rare photographs celebrates the joy of reading in classic film style. *The Hollywood Book Club* captures screen luminaries on set, in films, in playful promotional photos, or in their own homes and libraries with books from literary classics to thrillers, from biographies to children's books, reading with their kids, and more. Featuring nearly 60 enchanting images, lively captions about the stars and what they're reading by Hollywood photo archivist Steven Rea, here's a real page-turner for booklovers and cinephiles.

*Hollywood Playboy* Dec 01 2020 Behind the "lights, camera, action" of Hollywood lies a world of deception, love, and seduction. Are you ready for Hollywood Royalty? Jessica An entertainment journalist was the last thing I thought I would be doing. I thought once I got my degree, I would be reporting on stories that made a difference, but now all I do is report on who broke up with who and who is

dating who. I was over it. Then I got my next assignment. He's Hollywood's bad boy. He works hard, and he plays even harder. He's rude, he's condescending, and he's made it known he doesn't want me on the tour. With one month on the road with him, two things might happen. One, I may never work in this industry again. Two, I may just be like everyone else and fall for Hollywood's Playboy.

Shirley Temple Oct 11 2021 At the age of five, Shirley Temple became the world's most famous and acclaimed child—the most talented, beautiful child performer ever to capture the public's imagination. By the time she was ten, she had either met or had received words of admiration from almost everyone of distinction. Nine-tenths of the world could recognize her on sight. She single-handedly cheered an entire nation caught in the firm grip of a depression. Her films saved a major studio from bankruptcy. She earned more than the President of the United States and lived in her own junior-sized San Simeon. As lionized, idolized and protected as royalty, Shirley Temple was the one and only American Princess. Shirley Temple is brought into focus in this definitive, intimate portrait of her as a child and as the woman that child became: a woman forced to live her entire life in the shadow of her own past glory. We follow the tumultuous events and disappointments that marked Shirley Temple's meteoric rise to unprecedented fame as a child star, her fall as an adolescent who had outgrown her appeal, and her surprising ascent into a world figure as ambassador to the United Nations, Chief of Protocol for the United States, and Ambassador to Ghana; her "princess in the tower" upbringing that isolated her from friends and real child's play and from studio co-workers as well; her obsessive relationship with her mother, Gertrude, who lived her life through her famous daughter; her power over one of Hollywood's greatest despots—Darryl Zanuck; her fairy-tale marriage to John Agar that became a nightmare filled with flaunted infidelities and alcoholism; her romance with Charles Black and her transformation from film star to society matron, television tycoon, to American diplomat; her courageous battle with cancer; and her ever-present realization that "little Shirley Temple's" greatness would always exceed that of the grown woman. Shirley Temple's most notable diplomatic achievement was her appointment by President H.W. Bush as the first and only female ambassador to Czechoslovakia. She was present during the Velvet Revolution, which brought about the end of Communism in the country, and she played a critical role in hastening the end of the Communist regime by openly sympathizing with anti-Communist dissidents and later establishing formal diplomatic relations with the newly elected government led by Václav Havel. She took the unusual step of personally accompanying Havel on his first official visit to Washington, riding along on the same plane. Anne Edwards has had the cooperation of those who have been closest to Shirley Temple in all stages of her unique life. She has written a book that does not spare the truth, and is as glittering an expose of Hollywood and its power brokers as any bestselling novel of that genre. Shirley Temple: American Princess is a moving and inspirational story that gives great insight into the privileged corridors of fame and glory where only the legendary figures of our times have walked.

**The Princess and the Fangirl** Jan 02 2021 The Prince and the Pauper gets a Geekerella-style makeover in this witty and heartfelt novel for those who believe in the magic of fandom—now with an excerpt from Ashley Poston's latest, *Bookish and the Beast*.

Imogen Lovelace is an ordinary fangirl on an impossible mission: to save her favorite Starfield character, Princess Amara, from being killed off. On the other hand, the actress who plays Amara wouldn't mind being axed. Jessica Stone doesn't even like being part of the Starfield franchise—and she's desperate to leave the intense scrutiny of fandom behind. Though Imogen and Jess have nothing in common, they do look strangely similar to one another—and a case of mistaken identity at ExcelsiCon sets off a chain of events that will change both of their lives. When the script for the Starfield sequel leaks, with all signs pointing to Jess, she and Imogen must trade places to find the person responsible. The deal: Imogen will play Jess at her signings and panels, and Jess will help Imogen's best friend run their booth. But as these "princesses" race to find the script leaker—in each other's shoes—they're up against more than they bargained for. From the darker side of fandom to unexpected crushes, Imogen and Jess must find a way to rescue themselves from their own expectations...and redefine what it means to live happily ever after.

**Meghan Misunderstood** Jan 22 2020 Meghan Misunderstood is a pioneering book that sets the record straight on the most talked about, unfairly vilified and misrepresented woman in the world.

**The Plus One** Oct 31 2020 'So funny. And the sex is amazing – makes me feel like a nun!' Jilly Cooper 'Light, fizzy and as snort-inducing as a pint of Prosecco.' Evening Standard Magazine 'Hilarious and compelling.' Daily Mail 'Perfect summer reading for fans of Jilly Cooper and Bridget Jones.' HELLO!

**What Would Grace Do?** Jan 14 2022 A modern guide to the beauty and style of Grace Kelly reveals how her personal and professional choices enabled her successful career and romantic relationships, providing recommendations for a range of topics from handling business challenges and dressing for success to observing etiquette and interacting with men.

**Meghan and Harry** Mar 04 2021 **\*\*A Wall Street Journal bestseller\*\*** This blockbuster narrative provides the first behind-the-scenes, authoritative account of the Duke and Duchess of Sussex's marriage, by the New York Times bestselling author of *Diana in Private*. The fall from popular grace of Prince Harry, the previously adulated brother of the heir to the British throne, as a consequence of his marriage to the beautiful and dynamic Hollywood actress and "Suits star" Meghan Markle, makes for fascinating reading in this groundbreaking book from Lady Colin Campbell, who is the New York Times bestselling biographer of books on Princess Diana, the Queen Mother, and Queen Elizabeth's marriage. With a unique breadth of insight, Lady Colin Campbell goes behind the scenes, speaking to friends, relations, courtiers, and colleagues on both sides of the Atlantic to reveal the most unexpected royal story since King Edward VIII's abdication. She highlights the dilemmas involved and the issues that lurk beneath the surface, revealing why the couple decided to step down as senior royals. She analyses the implications of the actions of a young and ambitious Duke and Duchess of Sussex, in love with each other and with the empowering lure of fame and fortune, and leads the reader through the maze of contradictions Meghan and Harry have created—while also evoking the Californian culture that has influenced the couple's conduct. *Meghan and Harry: The Real Story* exposes how the royal couple tried and failed to change the royal system—by adapting it to their

own needs and ambitions—and, upon failing, how they decided to create a new system—and life—for themselves.

**The Diary of Princess Pushy's Sister** May 26 2020 Things are not always as they seem, in a world where social labels and perceptions often define who we are, how we view each other. With a B.A. in sociology, and an M.A. in counseling, Samantha never thought she would find herself caught in between the cross hairs of media mayhem, as she defends herself, and her father, by dispelling social labels, and "fake news", when her sister marries a Duke, and a Royal fairy plummets from "the tea towels". Samantha holds firmly over all perceptions, "plots" and "ultimatums". The truth is stranger than fiction.

*The Controversial Princess* Sep 29 2020 The first book in #1 New York Times Bestselling Author Jodi Ellen Malpas' *Smoke & Mirrors* Duology following the scandal of a rebellious British princess who falls in love with a Hollywood actor.

*Princess of Hollywood* Aug 21 2022 Poetry and writings about life as seen by the girl floating face down in the martini glass. Princess of Hollywood is more hard-core dysfunction, decadence, cynicism, and sinfulness from Hollywood baddest bad girl. "Pleasant Gehman is a totally fabulous mixture of talent, nerve and style". -- Tosh Berman

True Grace Jul 20 2022 Her Serene Highness, Princess Grace of Monaco, the legendary Hollywood screen siren, Grace Kelly is an American icon whose beauty is unrivalled, and whose oft-imitated aristocratic style and cool elegance has never been eclipsed. Wendy Leigh- after three years' research - has gained unprecedented access to over one hundred sources who have never talked about Grace before, including nine of her until now undisclosed romances - among them an English aristocrat, an American tennis player, and a Hollywood legend - and also including her priest friend, Father Peter Jacobs, and Bernard Combemal, the former head of the S.B.M, the consortium that runs Monaco. Wendy Leigh provides revealing new details about Grace's life, including her premarital romantic swan song which took place during her voyage to Monaco, the hitherto untold story of her troubling relationship with bridesmaid, Carolyn Reybold and the moving story of Grace's lifelong relationship with actor, David Niven. Wendy Leigh paints a compelling portrait of Grace, the ambitious young actress, Grace, the dutiful princess who transformed the principality of Monaco into a jet-set haven, Grace, the kind-hearted philanthropist, Grace, the loving mother, and Grace, the patriotic American. Wendy Leigh's book has not been written for those readers who wish to view Grace as a saint, but for those who - like Leigh herself - believes that she was a strong and wonderful woman.

**Hollywood's Princess** Feb 27 2023 On screen, Sophia Heart Valentine is the toast of Tinseltown. She's the entire package, after all. She can sing, act, dance—you name it. But off screen, she's dealing with personal drama that feels awfully like a movie. Her dad is marrying a woman that she absolutely abhors. Her best guy friend is ignoring her feelings for him. And her agent is forcing her to star in a movie with Axel Brooks, Hollywood's Prince and all around annoying guy on set. Who wants to be Hollywood's Princess when you could be drama queen, right? But then again, Hollywood's Princess does have a nicer ring

**Detour** May 06 2021

**All-American Princess** Mar 16 2022 She's a liar. She's a cheat. And she's about to fall for the wrong guy... Get in, get the guy, get out. That's the plan. But when this Hollywood princess gets caught up in small-town drama? Well, nothing is as simple as it seems. There's only one person who can convince Delilah Devereaux to leave the lap of luxury for a one-way ticket to Podunk, Montana. Her powerful producer of a father has sent her to the tiny, close-knit ranching town for one reason—to bring back Brandon MacMillan, the reclusive son of a legendary TV star. All she has to do is lure him away from his crazy mom, the pretty girl next door, and his lifelong best friend. Not a problem. Except Delilah's perfect plan doesn't account for all the secrets and lies between the two families, and it definitely doesn't prepare her for Jack. The small-town hottie sees right through her lies, and worse, he makes her wonder if perhaps she's not as heartless as she believes. But there's no way she's going to let anything ruin her mission...not even Jack. It would just be so much easier if he wasn't so irritating. Or so tempting. Or...best friends with her mark. Author's Note: Two things you should know before you go any further. 1) This book is part of a continuing series. And 2) I've written more than 40 PG young adult books over the years...but this is not one of them. While there's no sex or F-bombs in this book, there is some mild language, steamy situations, and mature topics. This is more PG-13 than my other novels (think Gossip Girl vs Disney Channel) and if that is not to your taste, please don't read!

**The Diana Chronicles** Apr 05 2021 #1 NEW YORK TIMES BESTSELLER • Years after her death, Princess Diana remains a mystery. This "insanely readable and improbably profound" biography (Chicago Tribune) reveals the truth as only famed journalist Tina Brown could tell it. "The best book on Diana." —The New Yorker Was she “the people’s princess,” who electrified the world with her beauty and humanitarian missions? Or was she manipulative and media-savvy and nearly brought down the monarchy? Tina Brown, former Editor-in-Chief of Tatler, England’s glossiest gossip magazine; Vanity Fair; and The New Yorker gives us the answers. Tina knew Diana personally and has far-reaching insight into the royals and the Queen herself. In *The Diana Chronicles*, you will meet a formidable female cast and understand as never before the society that shaped them: Diana's sexually charged mother, her scheming grandmother, the stepmother she hated but finally came to terms with, and bad-girl Fergie, her sister-in-law, who concealed wounds of her own. Most formidable of them all was her mother-in-law, the Queen, whose admiration Diana sought till the day she died. Add Camilla Parker-Bowles, the ultimate "other woman" into this combustible mix, and it's no wonder that Diana broke out of her royal cage into celebrity culture, where she found her own power and used it to devastating effect.

**Monica's Story** Aug 09 2021 Monica Lewinsky. You know her name, you know her face, and you think you know her story: the pretty young intern who began an illicit love affair with the President of the United States - a liaison that ignited an unprecedented political scandal and found Bill Clinton as the second U.S. president to ever be impeached. But there is much more to the Monica Lewinsky story than just that. Andrew Morton takes you beyond the headlines and the sound bites to discover the real Monica Lewinsky, a woman as interesting, intelligent and misunderstood as they come.

Meghan Nov 24 2022 "When Meghan Markle and Prince Harry were set up by a mutual friend on a blind date in July 2016, little did they know that the resulting whirlwind romance would lead to their engagement in November 2017 and marriage in May 2018. Since then, our fascination with the woman who has smashed the royal mold has rocketed. So different from those coy brides of recent history, Meghan is confident, charismatic, and poised; her warm and affectionate engagement interview won the hearts of the world. In this first-ever biography of the duchess-to-be, acclaimed royal biographer Andrew Morton goes back to Meghan's roots to uncover the story of her childhood growing up in The Valley in Los Angeles, her studies at an all-girls Catholic school, and her fraught family life—a painful experience mirrored by Harry's own background. Morton also delves into her previous marriage and divorce in 2013, her struggles in Hollywood as her mixed heritage was time and again used against her, her big break in the hit TV show *Suits*, and her work for a humanitarian ambassador—the latter so reminiscent of Princess Diana's passions..."--

**Grace Kelly Style** Oct 23 2022 This book is the first to explore exclusively Grace Kelly's personal style and how she carefully cultivated her public image through dress.

**Hollywood Prince** Nov 12 2021 Behind the "lights, camera, action" of Hollywood lies a world of deception, love, and seduction. Are you ready for Hollywood Royalty? Carter A blonde, a brunette, a redhead...he can have his pick of them all on any given night and he knows it. They wait, hoping he looks up and gives them his signature smirk, choosing them over the others because that's his game. Except now he's signed the contract of a lifetime, one with a pesky little clause that says his zipper must stay up and his playboy image has got to tamp down. It'll be fine--a piece of cake, even--he can do this and he's almost convinced himself of that ... and then she walks in the room The new PR girl whom they've hired to change his image, she's the star of all his dreams, but there's one tiny little problem ... she can't stand him and all of his player ways. He knows he only has thirty days to show her why they call him Hollywood's Prince. He's up for the challenge, so game on.

**Hollywood Princess** Feb 03 2021

**What Pretty Girls Are Made Of** Jun 26 2020 Envision Lauren Weisberger's *The Devil Wears Prada* in the high-drama, estrogen-infused world of cosmetics, and you have *What Pretty Girls Are Made Of*—a hilarious debut novel from a writer who's lived it. In the make-up world, life and love are never cruelty-free... After living in New York City for four years and reaching a dead end on her acting career, Alison Kraft needs a new role—time for a career change. When she reads about the world-famous Sally Steele Cosmetics studio, Alison quickly swoops in to make a good impression and lands a job as an assistant to the diva herself. Surrounded by fantastic new hues of blushes, eye shadows, and glosses, Alison loves her new job and the new swag. Even better, she discovers she's actually really good at it! But in the midst of juggling her love life, crazy family members, and the grueling demands of a jealous, flaky boss who could put Miranda Priestly to shame, Alison starts to question her choices. How long before the pretty face cracks for good?

*The Digested Read* Dec 25 2022 Literary ombudsman John Crace never met an important book he didn't like to deconstruct. From Salman Rushdie to John Grisham, Crace retells the big books in just 500 bitingly satirical words, pointing his pen at the clunky plots, stylistic tics and pretensions of Big Ideas, as he turns publishers' golden dream books into dross.

The Hollywood Princess Sep 22 2022 Agnes, a small town girl, dreams of being a Hollywood movie star. She makes her way to magical Wishaway studios and is offered a contract if she will help find Prince Dayton Dreamaway who has been kidnapped and hidden in one of the studio's realms.

*Hollywood Princess* Jan 26 2023 Behind the "lights, camera, action" of Hollywood lies a world of deception, love, and seduction. Are you ready for Hollywood Royalty? Kellie An Oscar, a Tony, an Emmy, a Grammy-she has them all. She's the most sought-after woman in Hollywood. Even if her rise to fame was a fluke, you can't deny the camera loves her. The problem is so does everyone else, and she's about to leave on the biggest concert tour of her life. Headlining for the first time in five years. Around the world in ninety days. Should be a piece of cake. Until her new security detail walks in the room and she's looking into the eyes of the only man who didn't fall for her charm. It's only a matter of time till he falls for Hollywood's Princess.

**Meghan** Mar 28 2023 The New York Times bestselling biography of Meghan Markle, the American actress who won Prince Harry's heart. Women who smash the royal mold have always fascinated the public, from Grace Kelly to Princess Diana. Now acclaimed royal biographer Andrew Morton, the New York Times bestselling author of *Diana: Her True Story*, brings us a revealing, juicy, and inspiring look at Meghan Markle, the confident and charismatic duchess whose warm and affectionate engagement interview won the hearts of the world. When Meghan Markle and Prince Harry were set up by a mutual friend on a blind date in July 2016, little did they know that the resulting whirlwind romance would lead to their engagement in November 2017 and marriage in May 2018. Morton goes back to Meghan's roots to uncover the story of her childhood growing up in The Valley in Los Angeles, her studies at an all-girls Catholic school, and her fraught family life-a painful experience mirrored by Harry's own background. Morton also delves into her previous marriage and divorce in 2013, her struggles in Hollywood as her mixed heritage was used against her, her big break in the hit TV show *Suits*, and her work for a humanitarian ambassador-the latter so reminiscent of Princess Diana's passions. Finally, we see how the royal romance played out across two continents but was kept fiercely secret, before the news finally broke and Meghan was thrust into the global media's spotlight. Drawing on exclusive interviews with her family members and closest friends, and including never-before-seen photographs, Morton introduces us to the real Meghan as he reflects on the impact that she has already had on the rigid traditions of the House of Windsor, as well as what the future might hold.

**Disenchanted Princess** Dec 13 2021 I may be in the middle of nowhere, but I still have standards! Like it's not bad enough Daddy's in jail for embezzlement (he's a super-successful Hollywood agent, btw, and totally innocent), but since my fashion-model mom died when I was a baby (I'm sure you've seen the E! *True Hollywood Story*) I've been shipped off to Possum Grape, Arkansas, to live with

relatives I've never even met. You read that right: Possum. Grape. Not only is there no Starbucks in this town, but I'm sharing a room with a six-year-old and I'm about to miss the biggest social event of the year back in L.A. I'm not sure how yet, but I will get back to civilization. Until then, I may be stuck on a farm, but no one's gonna keep me from ruling the roost!

**High Society** Aug 29 2020 Drawing on his unprecedented access to Grace Kelly, bestselling biographer Donald Spoto at last offers an intimate, honest, and authoritative portrait of one of Hollywood's legendary actresses. In just seven years—from 1950 through 1956—Grace Kelly embarked on a whirlwind career that included roles in eleven movies. From the principled Amy Fowler Kane in *High Noon* to the thrill-seeking Frances Stevens of *To Catch a Thief*, Grace established herself as one of Hollywood's most talented actresses and iconic beauties. Her astonishing career lasted until her retirement at age twenty-six, when she withdrew from stage and screen to marry a European monarch and became a modern, working princess and mother. Based on never-before-published or quoted interviews with Grace and those conducted over many years with her friends and colleagues—from costars James Stewart and Cary Grant to director Alfred Hitchcock—as well as many documents disclosed by her children for the first time, acclaimed biographer Donald Spoto explores the transformation of a convent schoolgirl to New York model, successful television actress, Oscar-winning movie star, and beloved royal. As the princess requested, Spoto waited twenty-five years after her death to write this biography. Now, with honesty and insight, *High Society* reveals the truth of Grace Kelly's personal life, the men she loved, the men she didn't, and what lay behind the façade of her fairy-tale life.

*American Princess* Apr 17 2022 A behind-the-scenes look into the life of Meghan Markle and her romance with Prince Harry—a dishy, delightful must-read filled with exclusive insights for anyone obsessed with the Royal Family. Leslie Carroll's books on royalty are “an irresistible combination of *People Magazine* and the History Channel.”—*Chicago Tribune* When Prince Harry of Wales took his American girlfriend, Meghan Markle, to have tea with his grandmother the queen, avid royal watchers had a hunch that a royal wedding was not far off. That prediction came true on November 27, 2017, when the gorgeous, glamorous twosome announced their engagement to the world. As they prepare to tie the knot in a stunning ceremony on May 19, 2018, that will be unprecedented in royal history, people are clamoring to know more about the beautiful American who captured Prince Harry's heart. Born and raised in Los Angeles to a white father of German, English, and Irish descent and an African American mother whose ancestors had been enslaved on a Georgia plantation, Meghan has proudly embraced her biracial heritage. In addition to being a star of the popular television series *Suits*, she is devoted to her humanitarian work—a passion she shares with Harry. Though Meghan was married once before, Prince Harry is a modern royal, and the Windsors have welcomed her into the tight-knit clan they call “The Firm.” Even a generation ago, it would have been unthinkable, as well as impermissible, for any member of Great Britain's royal family to consider marrying someone like Meghan. Professional actresses were considered scandalous and barely respectable. And the last time an American divorcee married into the Royal Family, it provoked a constitutional crisis! In *American Princess*, Leslie Carroll provides context to Harry and

Meghan's romance by leading readers through centuries of Britain's rule-breaking royal marriages, as well as the love matches that were never permitted to make it to the altar; followed by a never-before-seen glimpse into the little-known life of the woman bringing the Royal Family into the 21st century; and her dazzling, thoroughly modern romance with Prince Harry.

**Princess of Hollywood** Feb 15 2022 Can Lila get her happily ever after? Maybe. But it comes with a price... The whole Pinedale crew is back in Hollywood, but Lila's got more secrets than she can handle. Between blackmail, a double life, and a father who's keeping the biggest secret of all...her world is a house of cards. And that's before the love of her life comes to town looking for answers that could bring it all crashing down.

**PEOPLE Carrie Fisher** Jun 19 2022 In a 96-page special commemorative edition packed with intimate photographs, People pays tribute to the incredible life and career of Carrie Fisher (1956-2016). Born to Hollywood royalty, she grew up to create one of film's great heroines, Star Wars's Princess Leia. With warm remembrances from co-star Mark Hamill and many other notable friends, the issue explores not only Fisher's iconic princess-from A New Hope through Star Wars: Episode XIII-but also her wide-ranging comic film roles, her celebrated wit, her writing, her important work as an advocate for mental health, and her famous family. Plus: a photographic celebration of Fisher's mother, screen legend Debbie Reynolds (1932-2016).

Meghan Apr 29 2023 The New York Times bestselling biography of Meghan Markle, the American actress who won Prince Harry's heart. Women who smash the royal mold have always fascinated the public, from Grace Kelly to Princess Diana. Now acclaimed royal biographer Andrew Morton, the New York Times bestselling author of Diana: Her True Story, brings us a revealing, juicy, and inspiring look at Meghan Markle, the confident and charismatic duchess whose warm and affectionate engagement interview won the hearts of the world. When Meghan Markle and Prince Harry were set up by a mutual friend on a blind date in July 2016, little did they know that the resulting whirlwind romance would lead to their engagement in November 2017 and marriage in May 2018. Morton goes back to Meghan's roots to uncover the story of her childhood growing up in The Valley in Los Angeles, her studies at an all-girls Catholic school, and her fraught family life-a painful experience mirrored by Harry's own background. Morton also delves into her previous marriage and divorce in 2013, her struggles in Hollywood as her mixed heritage was used against her, her big break in the hit TV show Suits, and her work for a humanitarian ambassador-the latter so reminiscent of Princess Diana's passions. Finally, we see how the royal romance played out across two continents but was kept fiercely secret, before the news finally broke and Meghan was thrust into the global media's spotlight. Drawing on exclusive interviews with her family members and closest friends, and including never-before-seen photographs, Morton introduces us to the real Meghan as he reflects on the impact that she has already had on the rigid traditions of the House of Windsor, as well as what the future might hold.

Paparazzi Princess May 18 2022 Wanting only to mourn the end of her television series, seventeen-year-old Kaitlin, under pressure to choose her next acting project and study for her SATs, is drawn into the Hollywood nightlife by publicity-loving "It Girls," while her

friendship with Liz founders.

Wallis in Love Apr 24 2020 For fans of the Netflix series *The Crown* and from the author of the New York Times bestseller *17 Carnations* comes a captivating biography of Wallis Simpson, the notorious woman for whom Edward VIII gave up the throne. "You have no idea how hard it is to live out a great romance." -Wallis Simpson Before she became known as the woman who enticed a king from his throne and birthright, Bessie Wallis Warfield was a prudish and particular girl from Baltimore. At turns imaginative, ambitious, and spoiled, Wallis's first words as recalled by her family were "me, me." From that young age, she was in want of nothing but stability, status, and social acceptance as she fought to climb the social ladder and take her place in London society. As irony would have it, she would gain the love and devotion of a king, but only at the cost of his throne and her reputation. In *WALLIS IN LOVE*, acclaimed biographer Andrew Morton offers a fresh portrait of Wallis Simpson in all her vibrancy and brazenness as she transformed from a hard-nosed gold-digger to charming chatelaine. Using diary entries, letters, and other never-before-seen records, Morton takes us through Wallis's romantic adventures in Washington, China, and her entrance into the strange wonderland that is London society. During her journey, we meet an extraordinary array of characters, many of whom smoothed the way for her dalliance with the king of England, Edward VIII. *WALLIS IN LOVE* goes beyond Wallis's infamous persona and reveals a complex, domineering woman striving to determine her own fate and grapple with matters of the heart.

**Brothers and Wives** Jul 28 2020 Featuring unreported details and stunning revelations, the long-awaited follow-up to the "fabulous, addictive" (Chicago Sun-Times) New York Times bestseller *Diana's Boys* explores the last twenty years in the lives of Princes William and Harry and the evolution of their relationship as adults, with one brother the designated heir, and the other doomed to life as the spare—perfect for fans of Netflix's *The Crown*. *Diana's Boys* revealed the powerful bond between the teenaged princes, and how it strengthened even more in the wake of their mother's tragic death. Now, twenty years later, Queen Elizabeth II is in her mid-nineties, Prince Charles is in his seventies, and all eyes are turned increasingly toward William and Harry again. Christopher Andersen picks up where he left off, covering everything that has happened to the brothers as they have grown up, gotten married to two remarkable women, and had children—all while facing continual waves of controversy and questions about the ways their relationship has shifted. Andersen examines how the Queen's behind-the-scenes maneuvering to mold her grandsons in the Windsor image after *Diana's* death, and her expectations of William as the future king, played out. He questions whether the brothers' famously close relationship can survive Harry's departure from the Royal Family—the first time this has happened since their great-great-uncle King Edward abdicated the throne to marry a divorcée. He delves into the impact sisters-in-law Kate and Meghan have had on each other as well as on their princes, and how marriage and fatherhood have changed the brothers and, in some ways, also driven a wedge between them. Andersen also looks with an honest eye at how the princes and their wives have been continuously buffeted by scandal—including headline-making allegations of bullying, racism, betrayal, and emotional abuse that has pushed more than one

royal to the brink of self-destruction. Based on in-depth research and with his “fascinating and insightful” (The Christian Science Monitor) writing, Andersen leaves no stone unturned in this intimate and riveting look into the private lives of the world’s most famous princes.

**We Will Always Live in Beverly Hills** Feb 21 2020 Ned Wynn is the son of film actor Keenan Wynn, and the grandson of immortal movie and radio comedian Ed Wynn. He was doted on in his childhood by the likes of Judy Garland, Ava Gardner, and Tyrone Power. In this lively, poignant memoir, Wynn recounts growing up in Hollywood's privileged inner circle. 28 photographs.

**Stone Princess** Sep 10 2021 Presley Marks has just become a cliché the jilted bride. Wearing a white dress, standing in front of her friends and family, she announces that her fiancé-according to his text-has forgotten about the wedding. Humiliated and angry, she hides from the world in the mundane routine of her life. Working at the Clifton Forge Garage isn't glamorous, but it's safe from the spotlight. At least it was, until Shaw Valance comes to town. The notorious Hollywood actor is starring in a movie based on the town's infamous murder. When he's not on set, Shaw hovers at the garage, watching as they build his custom motorcycle and irritating her with his handsome smile. He was supposed to leave once filming wrapped and go back to his fancy life, not buy the house next door. But Shaw might regret that purchase once Presley's ex-fiancé returns, bringing with him a war between old rivals that could burn both their houses down.
