□□□□□□□□□□□□□□□□ "Fundamentals of Human Resource Management covers a wide range of HR topics and shows students the importance of human resource management within the restraints of a compact semester. Offering a wealth of functional examples and applications, this text emphasizes the notion that all managers need basic human resource management skills."--Publisher's website. For courses in management. This ISBN is for the Pearson eText combo card, which includes the Pearson eText and loose-leaf print edition (delivered by mail). Modern human resources: technology, social media, and management Human Resource Management provides students with an introduction to the daily tools and skills they'll need to function as successful managers -- in both human resources and business in general. With a practical approach, the text explores the evolution of the field, highlighting the introduction of revolutionary new technologies and social media platforms. The 16th Edition focuses on the positive impacts technology has had on the HR field. For example, the ability to vet potential employees on the internet has shifted more HR responsibilities to managers, leaving HR departments with more time to carry out strategic, long-term endeavors for boosting employee performance and engagement. With a heavy focus on emerging industry trends, the text prepares students with everything they need to be successful managers and HR personnel in the 21st century. Pearson eText is a simple-to-use, mobile-optimized, personalized reading experience that can be adopted on its own as the main course material. It lets students highlight, take notes, and review key vocabulary all in one place, even when offline.

Seamlessly integrated videos and other rich media engage students and give them access to the help they need, when they need it. Educators can easily customize the table of contents, schedule readings and share their own notes with students so they see the connection between their eText and what they learn in class -- motivating them to keep reading, and keep learning. And, reading analytics offer insight into how students use the eText, helping educators tailor their instruction. NOTE: Pearson eText is a fully digital delivery of Pearson content and should only be purchased when required by your instructor. This ISBN is for a Pearson eText access code plus a loose-leaf print edition (delivered by mail). Human Resource Management provides students in human resource management courses and practicing managers with a full and practical review of essential HR concepts and techniques, with a particular focus on using human resource practices to improve performance, productivity, and profitability at work. This best-selling HRM text is designed with authoritative and current information on Human Resource Management that ALL managers can use in business. New topics can be found throughout the Fourteenth Edition, along with new features and video ca. Fundamentals of Human Resource Management, by Noe, Hollenbeck, Gerhart and Wright is specifically written to provide a brief introduction to human resource management. While it doesn't cover the

depths of human resource management theory, the book is rich with examples and engages students through application. This first edition takes on a different approach than the hardback text by the same team. Instead of a higher level of theory that's geared towards the HRM professional, this book focuses on the uses of human resources for the general population. Issues such as strategy are reduced to give a greater focus on how human resources is used in the every day work environment. Much like this author team's first project, Fundamentals of Human Resource Management provides instructors with a robust ancillary package. A comprehensive instructor's manual, test bank, PowerPoint presentation and a complete Online Learning Center make course preparation easy. For Human Resource Management (HRM) and Personnel courses. The #1 best-selling HRM book in the market, Dessler's Human Resource Management provides a comprehensive review of personnel management concepts and practices in a highly readable form. This edition focuses on the high-performance organization building better, faster, more competitive organizations through HR; while continuing to offer practical applications that help all managers deal with their personnel-related responsibilities. This text is designed to provide authoritative and accurate information on HR-related responsibilities and personnel management by focusing on practical applications, concepts, and techniques that all managers can use in business. This second edition contains a wealth of material on the theory and practice of Human Resource Management in Australia. The authors draw on engaging material from practitioner experience, academic literature and current media sources. Author Griffiths from La Trobe University and author Lloyd-Walker from Victoria Uni of Technology.
