For use in schools and libraries only. A babysitter and her three willful charges make a formidable team to outwit their surprised kidnappers.

Witchwood Estate--Going Home Jan 14 2022

The Craft meets Practical Magic. Orphaned at five-years-old, Alexandria Santorini learns she comes from a long line of powerful witches. Twelve years later, Alexandria is going home to Ferntree Falls to claim her inheritance - Witchwood Estate - the home where she was born, and where her parents were murdered. But something very sinister is going on in Ferntree Falls - something that will change Alexandria's life in ways she never imagined. For starters, her new best friend disappears in the sunlight... Whimsical, "TV" length episodes in an ongoing series. Witches, spells, ghosts, sprites, shape-shifters, wolves and more. With an equal measure of Magic and Evil, Witchwood is sure to win your heart and soul. For all those young at heart, grab your broomstick and come along for the ride! "Patti Roberts has a pristine talent for making characters on a page breathe. Love them -- Hate them ... you won't be able to help yourself from muttering under your breath about them..." Leslie Hansford. All I can say is I loved this book - once I started to read it, I

couldn't put it down!!!! Jennifer Leblanc.

The Language of Scars: The Most Profound

Language of the Soul Feb 27 2023 Are you still trying to figure out what went wrong with your life? Was it a job loss that started the downward spiral you feel helpless to escape? Was it divorce? Was it abuse? Perhaps it was the death of a loved one, someone without whom your world no longer makes sense? Life-changing losses slash across our souls and leave gaping wounds, wounds whose scars imprint our once-perfect world as boldly as a jet's bright contrail cuts across a perfectly blue sky. Broken, lost, and scarred, how do we begin again? Patti Roberts-Thompson and Carole Lynn King consider this question through the lens of the extraordinary personal experiences of Patti's memoir, *The Language of Scars*, grounding life lessons in solid biblical truths. *The Language of Scars*, a language of lived wisdom, emerges in our conversations when suffering, doing its perfect work, brings us to humility. Humility brings us to redemption, and redemption brings us to the river of Grace, where healing washes us and others as it flows over and through our lives. In ancient Japan, an art form known as Kintsugi sprung from a legendary story of the appeasement of an angry Shogun. The Shogun's favorite teacup was

broken to pieces by a careless servant. To save the servant's life, the artisans of the court used liquid gold to glue the pieces back together, in hopes the cup would be even better than before. After gluing it back together with gold, the artisans burnished the cup to a fine glow, and discovered gleaming gold designs that could never be repeated or copied. The cup had become a one-of-a-kind piece of art. The Shogun was delighted, and a new art form was born. It is the same with us and the *Language of Scars*. Kintsugi creates art from what is broken in us. God's golden glue gleams along our fault lines, creating an intricate design unique to every restored life. When we bring our broken pieces to the Creator and Redeemer of our souls, our broken places become an intersection with grace, a place where His golden love and healing put us back together again, even better than before. "I am one of the Lord's many pieces of Kintsugi," Patti says. "Are you? Let Christ have your broken places, and he will make them gleam with His light. Kintsugi of the soul belongs to all who seek it. Are you ready? This is what redemption looks like. It is Christ who heals, Christ who makes our scars beautiful and increases our value to others through them. Let Him create art from your broken places; Let Him teach you the

Language of Scars.

Pills for Cats Nov 12 2021 Depressed?

Sleepless? Anxious? With pills, you can be a brand-new kitty. This is the tale of one very neurotic, anxious, depressed, unfocused, sleep-deprived cat who discovers the joys of medication.

The Jazz Guitar Stylings of Howard Roberts

Feb 15 2022 The Jazz Stylings of Howard

Roberts consists of transcriptions of melody, solo, comping examples and ensemble passages from Howard's extensive solo albums spanning from the '50's to the '70's in accurate detail.

There is a bio of HR (as he was affectionately known to all of his acquaintances and fans) with personal comments from Pete Jolly, well known LA jazz and studio pianist who was best friends with Howard going back to their early days in Phoenix. an extensive section covers the history and development of the Epiphone® and Gibson® signature guitars that Howard created along with the Benson® amp story, which is told by Howard's original partner, Ron Benson, the first of the 'boutique' amplifier companies, so common today. Along the way, Howard's involvement with guitar education and publishing is described culminating in the opening of the Guitar Institute of Technology (now the Musicians Institute) in 1977. A discography of Howard's solo albums as well as the key hit records he played on and a list of the major motion picture soundtracks he participated in as a studio musician in Los Angeles are also included.

Dance of the Broken Heart Jan 26 2023 Two artists in the Christian recording industry tell of God's role in healing their marital problems

Mister and Me Jul 08 2021 Jolene's family was just Momma and Grandpa until big, loud Leroy Redfield started taking Momma dancing. Jolene refuses to call him anything but "Mister."

Without a name, he isn't a real person to her.

But then Jolene learns that Mister wants to

marry Momma. Is there anything Jolene can do to make him go away? "The warmth and love in the Johnson household envelops the novel...

Jolene's willingness to face the uncertainties of her future may well give courage to readers confronting sea changes of their own."-

Paradox - Progeny of Innocence Apr 17 2022

The Paradox Time Traveling adventure continues... with dragons, witches and magic Hundreds of years ago, a vampiric faction of angels abandoned their mystical realm and began their dominance of the New World -

Earth. He's not like other guys. Grace is completely smitten with the new guy, but what girl in school isn't. It's hard to ignore Damon

Draco -- the tall, dark haired guy with the mesmerizing eyes who, if his friends are

anything to go by, is trouble. Damon is captivated by Grace, but he knows getting too

close has deadly consequences. Staying away from her, however, is proving to be far more

difficult than he imagined. In Book One of the Paradox series, Patti Roberts launches an epic

saga that journeys from an ancient realm to modern day with dark glimpses into a post-

apocalyptic future, blending the genres of fantasy, science fiction, adventure, and

romance.

Witchwood Estate - Books 1 And 2 Mar 16

2022 After twelve years away, seventeen year old Alexandria Santorini is going home to

Ferntree Falls to claim her inheritance - Witchwood Estate - the home she grew up in, and where her parents were murdered. She soon discovers that there is something very different about Ferntree Falls - something that is going to make her life far more complicated than she ever imagined it could be. Whimsical, "TV" length episodes in an ongoing series. witches, spells, ghosts, sprites, shape-shifters, wolves and more. With an equal measure of Magic and Evil, Witchwood is sure to win your heart. Grab your broomstick and come along for the ride! "Patti Roberts has a pristine talent for making characters on a page breathe. Love them -- Hate them ... you won't be able to help yourself from muttering under your breath about them..." Leslie Hansford.

Just Kids Jul 20 2022 It was the summer Coltrane died, the summer of love and riots, and the summer when a chance encounter in Brooklyn led two young people on a path of art, devotion, and initiation. Patti Smith would evolve as a poet and performer, and Robert Mapplethorpe would direct his highly provocative style toward photography. Bound in innocence and enthusiasm, they traversed the city from Coney Island to Forty-second Street, and eventually to the celebrated round table of Max's Kansas City, where the Andy Warhol contingent held court. In 1969, the pair set up camp at the Hotel Chelsea and soon entered a community of the famous and infamous—the influential artists of the day and the colorful fringe. It was a time of heightened awareness,

when the worlds of poetry, rock and roll, art, and sexual politics were colliding and exploding. In this milieu, two kids made a pact to take care of each other. Scrappy, romantic, committed to create, and fueled by their mutual dreams and drives, they would prod and provide for one another during the hungry years. *Just Kids* begins as a love story and ends as an elegy. It serves as a salute to New York City during the late sixties and seventies and to its rich and poor, its hustlers and hellions. A true fable, it is a portrait of two young artists' ascent, a prelude to fame.

Collecting Rocks, Gems and Minerals Apr 24 2020 Three Guides in One! Identification, Values, Lapidary Uses Designed with beginners in mind, yet filled with valuable technical information for advanced collectors, *Collecting Rocks, Gems and Minerals* takes you from being just someone who appreciates rocks to a true "collector." • Easy-to-use, quick reference format arranged by category and color of stone • Covers both lapidary and mineral display materials • Provides values and tips for locating, buying and collecting • Includes organics such as amber, bone, coral, pearl and shell • Lists chemical group, system, hardness, opacity, fracture, specific gravity and more • Contains more than 650 full-color photos • Foreword by Johann Zenz, world renowned agate expert, author and lecturer

Is Your Dog Gay? Nov 24 2022 Have you ever found yourself pondering your dog's sexual preference? Perhaps the answer lies within

these pages.

Ashes to Gold Apr 29 2023

[The Witches' Journal](#) Oct 23 2022 This is a "hands-on" journal - pictures to color, extra pages for your own recipes, and lots of lists to add your own personal touches throughout. Lots of witchy tidbits to satisfy the inner witch in you, including candle colors and their meanings, how to read tea leaves, tree magic, animal magic, and lots, lots more. With this book, being a witch has just become so much fun! In fairy-tales of long ago, witches dressed in flowing black gowns, wore pointy hats, and flew around on broomsticks at night. By the light of the silvery moon, they would steal little children from their beds... I'm sure some still do, but know this - not all witches have pointy noses, warts and eat small children. Some are just ordinary people, men, and women, who happen to believe there is magic in this world. *The Witches' Journal* (book 1) is a fun collection of lots of things magical from a coven of whimsical folk. We hope you enjoy the words and pictures contained within these pages. Blessed are those who carry kindness and love in their hearts, for they shall always have magic in their lives! I believe, so mote it be.

[The Adventures of Eddie Fung](#) Jul 28 2020

Eddie Fung has the distinction of being the only Chinese American soldier to be captured by the Japanese during World War II. He was then put to work on the Burma-Siam railroad, made famous by the film *The Bridge on the River Kwai*. In this moving and unforgettable memoir,

Eddie recalls how he, a second-generation Chinese American born and raised in San Francisco's Chinatown, reinvented himself as a Texas cowboy before going overseas with the U.S. Army. On the way to the Philippines, his battalion was captured by the Japanese in Java and sent to Burma to undertake the impossible task of building a railroad through 262 miles of tropical jungle. Working under brutal slave labor conditions, the men completed the railroad in fourteen months, at the cost of 12,500 POW and 70,000 Asian lives. Eddie lived to tell how his background helped him endure forty-two months of humiliation and cruelty and how his experiences as the sole Chinese American member of the most decorated Texan unit of any war shaped his later life.

The Angels are Here May 18 2022 Long ago, in an almost forgotten Realm, a race of fallen Angles called the Grigori clash with a ruling house of Angels Called the Bulguardi. Their battle changed events in the Ancient World and the New World forever. A Realm where a year can last centuries and an Ancient magical people still rule, even the immortals face danger. Rising up from their imprisonment underground on Altair, evil has returned and the Grigori are on a destructive path of revenge. When their preferred food source becomes scarce, Earth, a world teaming with humans, becomes their target. Trapped in the middle between the old world and the new, a little girl cursed with horrific visions from the past. From an Ancient world to the new world

on Earth, this is a tale of myth and legend, mayhem and magic, birth and death. A tale of families torn apart, souls searching for lost loves, and evil is walking out of the shadows. You can run, but you cannot run forever. Good and Cheap Apr 05 2021 A perfect and irresistible idea: A cookbook filled with delicious, healthful recipes created for everyone on a tight budget. While studying food policy as a master's candidate at NYU, Leanne Brown asked a simple yet critical question: How well can a person eat on the \$4 a day given by SNAP, the U.S. government's Supplemental Nutrition Assistance Program informally known as food stamps? The answer is surprisingly well: Broiled Tilapia with Lime, Spicy Pulled Pork, Green Chile and Cheddar Quesadillas, Vegetable Jambalaya, Beet and Chickpea Salad—even desserts like Coconut Chocolate Cookies and Peach Coffee Cake. In addition to creating nutritious recipes that maximize every ingredient and use economical cooking methods, Ms. Brown gives tips on shopping; on creating pantry basics; on mastering certain staples—pizza dough, flour tortillas—and saucy extras that make everything taste better, like spice oil and tzatziki; and how to make fundamentally smart, healthful food choices. The idea for Good and Cheap is already proving itself. The author launched a Kickstarter campaign to self-publish and fund the buy one/give one model. Hundreds of thousands of viewers watched her video and donated \$145,000, and national media are

paying attention. Even high-profile chefs and food writers have taken note—like Mark Bittman, who retweeted the link to the campaign; Francis Lam, who called it “Terrific!”; and Michael Pollan, who cited it as a “cool kickstarter.” In the same way that TOMS turned inexpensive, stylish shoes into a larger do-good movement, Good and Cheap is poised to become a cookbook that every food lover with a conscience will embrace.

Principles of Accounting Volume 1 - Financial Accounting Oct 31 2020 The text and images in this book are in grayscale. A hardback color version is available. Search for ISBN 9781680922929. Principles of Accounting is designed to meet the scope and sequence requirements of a two-semester accounting course that covers the fundamentals of financial and managerial accounting. This book is specifically designed to appeal to both accounting and non-accounting majors, exposing students to the core concepts of accounting in familiar ways to build a strong foundation that can be applied across business fields. Each chapter opens with a relatable real-life scenario for today's college student. Thoughtfully designed examples are presented throughout each chapter, allowing students to build on emerging accounting knowledge. Concepts are further reinforced through applicable connections to more detailed business processes. Students are immersed in the "why" as well as the "how" aspects of accounting in order to reinforce concepts and

promote comprehension over rote memorization.

Paradox - the Angels Are Here Dec 01 2020

"Paradox -- the ephemeral link between what was and what could be, the legends of two worlds fused into one lethally warped reality." Ella Medler, Paper Gold Publishing. IS YOUR GUARDIAN ANGEL FROM HEAVEN OR HELL? FALLEN ANGELS - THE ORIGINAL VAMPIRES. Since the Time Before Time, angelic races, good and evil, have existed. Unseen by the untrained eye, they moved silently through creation. In an ancient kingdom, the battle between good and evil ensued, and within time, the battle lines expanded into new frontiers - a New World called Earth. When the first angels fell, the original vampires, they quickly establish positions in the New World. The humans, unaware of the existence of these bloodthirsty beings, had no inclination that their world was about to change forever. Renowned for being the hunter, the human race quickly became the hunted. As the vampires' dominance spread throughout the world, threatening to engulf all humanity, a race of guardian angels soon followed, not only to protect their own from harm's way but to ensure the survival of the human race. A young girl, Grace Connors, who unknowingly held the past and the future in the palm of her hand, had no idea of the role she was about to play in saving the human race. In this riveting series, Patti Roberts sets in motion a sweeping time-travel fantasy originating in an

ancient kingdom light years away. In a kingdom where supernatural forces, Gods, and magic reign, an elaborate tale of mythical creatures and unlikely heroes unfolds.

Public Secrets Oct 11 2021 New York Times bestselling author Nora Roberts deftly blends romance and suspense in this compelling novel of a woman whose career, marriage, and very life are threatened by the truth about her own past. Emma McAvoy may have grown up in the limelight, but some secrets are hidden in a darkness no light can reach. Now on the verge of a successful career, and having fallen in love with the man of her dreams, Emma is looking to the future. Yet it's the past that is about to catch up with her. For Emma, her childhood had been almost like a rags-to-riches fairy tale—until the tragic night that changed her family forever. But what Emma thinks she knows about that terrible night and the man she's about to marry is only half the truth. The other half is locked away in the last place she'd ever think to look: her own memories. It's a mystery a handsome and relentlessly driven homicide detective needs to solve in a case that's haunted him for years—and a secret someone will kill to keep.

Caffeinated PDX Jun 26 2020 In Portland, Oregon, coffee is more than just a beverage, it is an essential part of the city's character. Under oft-gray skies, independent roasters and cafes flourish, providing a wide array of styles and tastes for discerning Portlanders to choose from. The celebrated Portland coffee culture

attracts visitors from around the world, who come to explore the diverse options and find inspiration for bringing great coffee to their own cities. In *Caffeinated PDX: How Portland became the Best Coffee City in America*, author Will Hutchens tells the stories of the people and companies that pushed Portland to the forefront of the specialty coffee scene. He travels around the city, talking to a wide variety of coffee professionals and capturing their passion for roasting, selling, and brewing some of the finest coffees in the world. He attends cuppings, goes to barista school, and volunteers at barista competitions to better understand what's so special about specialty coffee. Using Portland as the model, Hutchens also explains the phenomenon known as third-wave coffee, a worldwide movement to improve coffee quality from origin to cup. Full of anecdotes and insights into the minds of Portland's coffee leaders, as well as some lesser-known personalities, *Caffeinated PDX* is an enjoyable read for people who love coffee, for people who love Portland, or for anyone who appreciates a good story."

Express Yourself Sep 10 2021 Winner of a Foreword Reviews' 2015 INDIEFAB Book of the Year Award for Young Adult Nonfiction Being a teen girl isn't easy—so learning skills to feel confident is key! In *Express Yourself*, psychotherapist Emily Roberts will teach you how to communicate effectively and feel assertive in any situation. Whether it's online or at school, with friends, parents, bullies, cliques

or crushes—any tricky situation life throws your way. Many teen girls feel pressured to be nice, rather than assert their opinions. They may fear being called bossy or pushy when speaking their mind or offering a different point of view. If you have ever stopped yourself from expressing your opinion, you know how bad it can feel afterward. Don't let yourself fall into that same trap over and over. Your thoughts and feelings matter just as much as everyone else's—you just need to find your voice. Express Yourself offers skills based in dialectical behavior therapy (DBT) and cognitive behavioral therapy (CBT) to help you create positive interactions with others and deal with difficult emotions that can arise from bullying or dealing with mean girls. The book also provides easy-to-use strategies that will boost your self-esteem and confidence, and you'll discover tons of assertive communication skills you can use every day, including how to speak up when you are upset, asking for what you want in a clear assertive manner, and coping when intense emotions threaten to take over and sabotage your relationships. In our modern world of social media and texting, strong communication skills are needed more than ever. This book will not only give you the tools needed to speak up in everyday or difficult situations, but it will also provide powerful advice for effectively communicating in the digital world.

Ancient... still reeling from the ravages of a War. A World where powerful Beings from Ancient Civilizations rule. A Realm Where Gods, Angels, Myths and Magic still exists. And One New... Grace is not a little girl anymore! And as a teenager, Grace's visions become more frequent, urgent, torturing her life further still. The answers she hopes to find in her visions only leave her asking more questions... Who is Juliette? When the charismatic Damon Draco begins to take an interest in Grace, it doesn't take long before Grace falls for his alluring charm. A charm she doesn't quite understand. However, when Riley Rivers turns up in Grace's class one day, she starts to question the feelings she has for Damon. Then death comes knocking...and when three of Grace's school friends are found burned to death, and their parents die in a fatal car accident that same weekend, some start to wonder if it really was just a coincidence, or a contrived plan to wipe out an entire family? And if so, why, and by whom? And more importantly, will evil strike again? You can bet your soul on it!

Once Were Friends - a Prologue Jun 19 2022 When Becky's life begins to unravel around her ears faster than a kitten with a ball of yarn, she knows she can turn to her best friend for help. With a bottle of vodka and a box of chocolates, there is nothing the best friends can't work through together. That was plan A. Becky desperately needs another bottle of Vodka, another box of chocolates, a bucket, and a plan

B. Once were friends is a 20,000-word prologue to *Whoever Said Love Was Easy?*

My Policeman Aug 29 2020 ****NOW A MAJOR FILM STARRING HARRY STYLES**** This love is all-consuming It is in 1950s' Brighton that Marion first catches sight of the handsome and enigmatic Tom. He teaches her to swim in the shadow of the pier and Marion is smitten - determined her love will be enough for them both. A few years later in Brighton Museum Patrick meets Tom. Patrick is besotted with Tom and opens his eyes to a glamorous, sophisticated new world. Tom is their policeman, and in this age it is safer for him to marry Marion. The two lovers must share him, until one of them breaks and three lives are destroyed. 'A sensitive, sweeping novel' VOGUE 'Tense, romantic, smart...I loved it. Devoured it!' RUSSELL T. DAVIES 'A powerful story of forbidden love, regret, and living as your true self' VANITY FAIR 'A moving story of longing and frustration' OBSERVER

The Official Book of Leisure Suit Larry Feb 21 2020

Tears of the Moon Dec 13 2021 Book Two of the Gallaghers of Ardmere Trilogy High above the tidy village of Ardmere on a windy cliff, there is magic and music in the air, and #1 New York Times bestselling author Nora Roberts will help you find it... A talented songwriter, Shawn Gallagher spends his days lost in reverie and wonder, oblivious to the wiles of women and the ways of the world. He claims that he's content with his life, but his

music tells a different story—one of loneliness and desperate longing... No one understands why Shawn doesn't put his musical gift to profitable use—least of all Brenna O'Toole, a fiercely independent tomboy who has been secretly in love with him for years. But it is only when Shawn gives in to the mysteries of magic that he gets the chance to fulfill his destiny as a man and a musician. Don't miss the other books in the Gallaghers of Ardmere Trilogy *Jewels of the Sun* *Heart of the Sea*

[Simulation Modeling and Analysis with Expertfit Software](#) Sep 29 2020 Since the publication of the first edition in 1982, the goal of *Simulation Modeling and Analysis* has always been to provide a comprehensive, state-of-the-art, and technically correct treatment of all important aspects of a simulation study. The book strives to make this material understandable by the use of intuition and numerous figures, examples, and problems. It is equally well suited for use in university courses, simulation practice, and self study. The book is widely regarded as the "bible" of simulation and now has more than 100,000 copies in print. The book can serve as the primary text for a variety of courses; for example: • A first course in simulation at the junior, senior, or beginning-graduate-student level in engineering, manufacturing, business, or computer science (Chaps. 1 through 4, and parts of Chaps. 5 through 9). At the end of such a course, the students will be prepared to carry out complete and effective simulation studies, and to take

advanced simulation courses. • A second course in simulation for graduate students in any of the above disciplines (most of Chaps. 5 through 12). After completing this course, the student should be familiar with the more advanced methodological issues involved in a simulation study, and should be prepared to understand and conduct simulation research. • An introduction to simulation as part of a general course in operations research or management science (part of Chaps. 1, 3, 5, 6, and 9).

Oral Roberts Jan 22 2020 "This book may give you the best opportunity of deciding the truth about me and the ministry I hold so dear." -- Oral Roberts "Among several biographies of Oral Roberts, the most recent, most accurate, and best documented is *Oral Roberts: An American Life*, an objective, impressive study..." -- New York Review of Books "Oral Roberts: *An American Life* is more than the story of a well-known evangelist and educator. It is the story of a part of the American religious life that not many Americans know or understand.... Dr. Harrell has researched thoroughly and written superbly." -- Billy Graham "... a first-rate biography, one which should give pause to Roberts' supporters and critics alike.... Roberts' first scholarly biographer has done a beautiful job." -- Allen Boyer, *Newsday*

Surviving Tracy Mar 24 2020 In 1974, the most destructive tropical cyclone recorded in Australia's history devastated Darwin on Christmas Eve, turning the city into a war zone.

This book is a collection of survivor stories. When I first began putting this book together, I had no idea how gut-wrenchingly sad it would be. While working on the formatting of this book, and reading a few passages here and there, I found myself crying as the words on the page opened old wounds and memories I'd thought long healed and long forgotten. How wrong I was. It was then that I began to realise just how traumatic it must have been, too, for those retelling their stories from that terrible night so long ago. Some penned stories of innocent lives lost, others of how beloved family pets had been torn from their arms, then shot to prevent the spread of disease. All remembered the demonic sound of the wind as invisible hands snatched loved ones away, while the walls, ceilings and eventually the floorboards vanished from beneath their feet. Many tell of the dystopian, war-like devastation that greeted them as they crawled out from beneath the rubble as the sun rose on that fateful Christmas morning, grateful still to be alive. How it was that so many survived that brutal, unforgiving night will forever remain a mystery to me, and to the thousands of other souls who survived the night from hell with Tracy. Patti Roberts. Ashes to Gold Mar 28 2023
Let's Go to Hell Dec 21 2019 The Butthole Surfers remain one of the most enigmatic bands in the history of rock music. Most of their records have no information of any kind, and often with the suggestion that you play them at 69 rpm.... They lived like nomads through much of the 1980s, and built their reputation upon tours that never ended, and shows that resembled hedonistic acid tests. They left a heap of former band members in their wake, and have often alienated as many fans as they've attracted. Here for the first time is the complete story of one of the most controversial and dangerous bands to have emerged from the ashes of the punk rock movement. 'Let's Go to Hell' compiles the scattered memories into the first comprehensive overview of the band. Featuring exclusive interviews, tons of rare and unpublished photographs, and analysis of the band's vast recorded (and unrecorded) efforts, 'Let's Go to Hell' finally tells the story that was

thought (and often hoped) would never be told...
DRACULA's RING Jun 07 2021 This is a note-taking book, to put your idea's and thoughts. for your own piece of mind. On the go note taking was hard, so I created a book that I was able to see my cover, and to jot all my words down. My cover was created by Patti Roberts
Paradox Aug 21 2022 Paradox - Bound By Blood - book 3 in the Paradox Series The story continues... Love is not counted in years Love is counted in heartbeats Love is not bound by distance Love is bound by blood In the Ancient World In the New World Love will prevail Some will kill for love - Some will die for love Some will love until it hurts. And some will make the greatest sacrifice of all.
Is Your Cat Gay? Sep 22 2022 Have you ever found yourself pondering your cat's sexual preference? Perhaps the answer lies within these pages.
Route 529 May 06 2021 Are you concerned you won't be able to afford the cost of college or career training for your children? Are you confused about how to start saving for your children's future?
